CURRENT

Tsunami disaster:

- 150 000 dead
- 130 000 missing
- 100 000 survivors

One of the deadliest disasters in modern history, the 2004 Indian Ocean earthquake resulted in creating a tsunami that caused great damage to the countries that were affected. Canada along with the rest of the world responded with great charitable donations and volunteered their assistance in rebuilding the nations. This shows that we are compassionate in dire situations, and aren't hesitant to lend a hand.

2004-2005 NHL Lockout / Cancelled Season

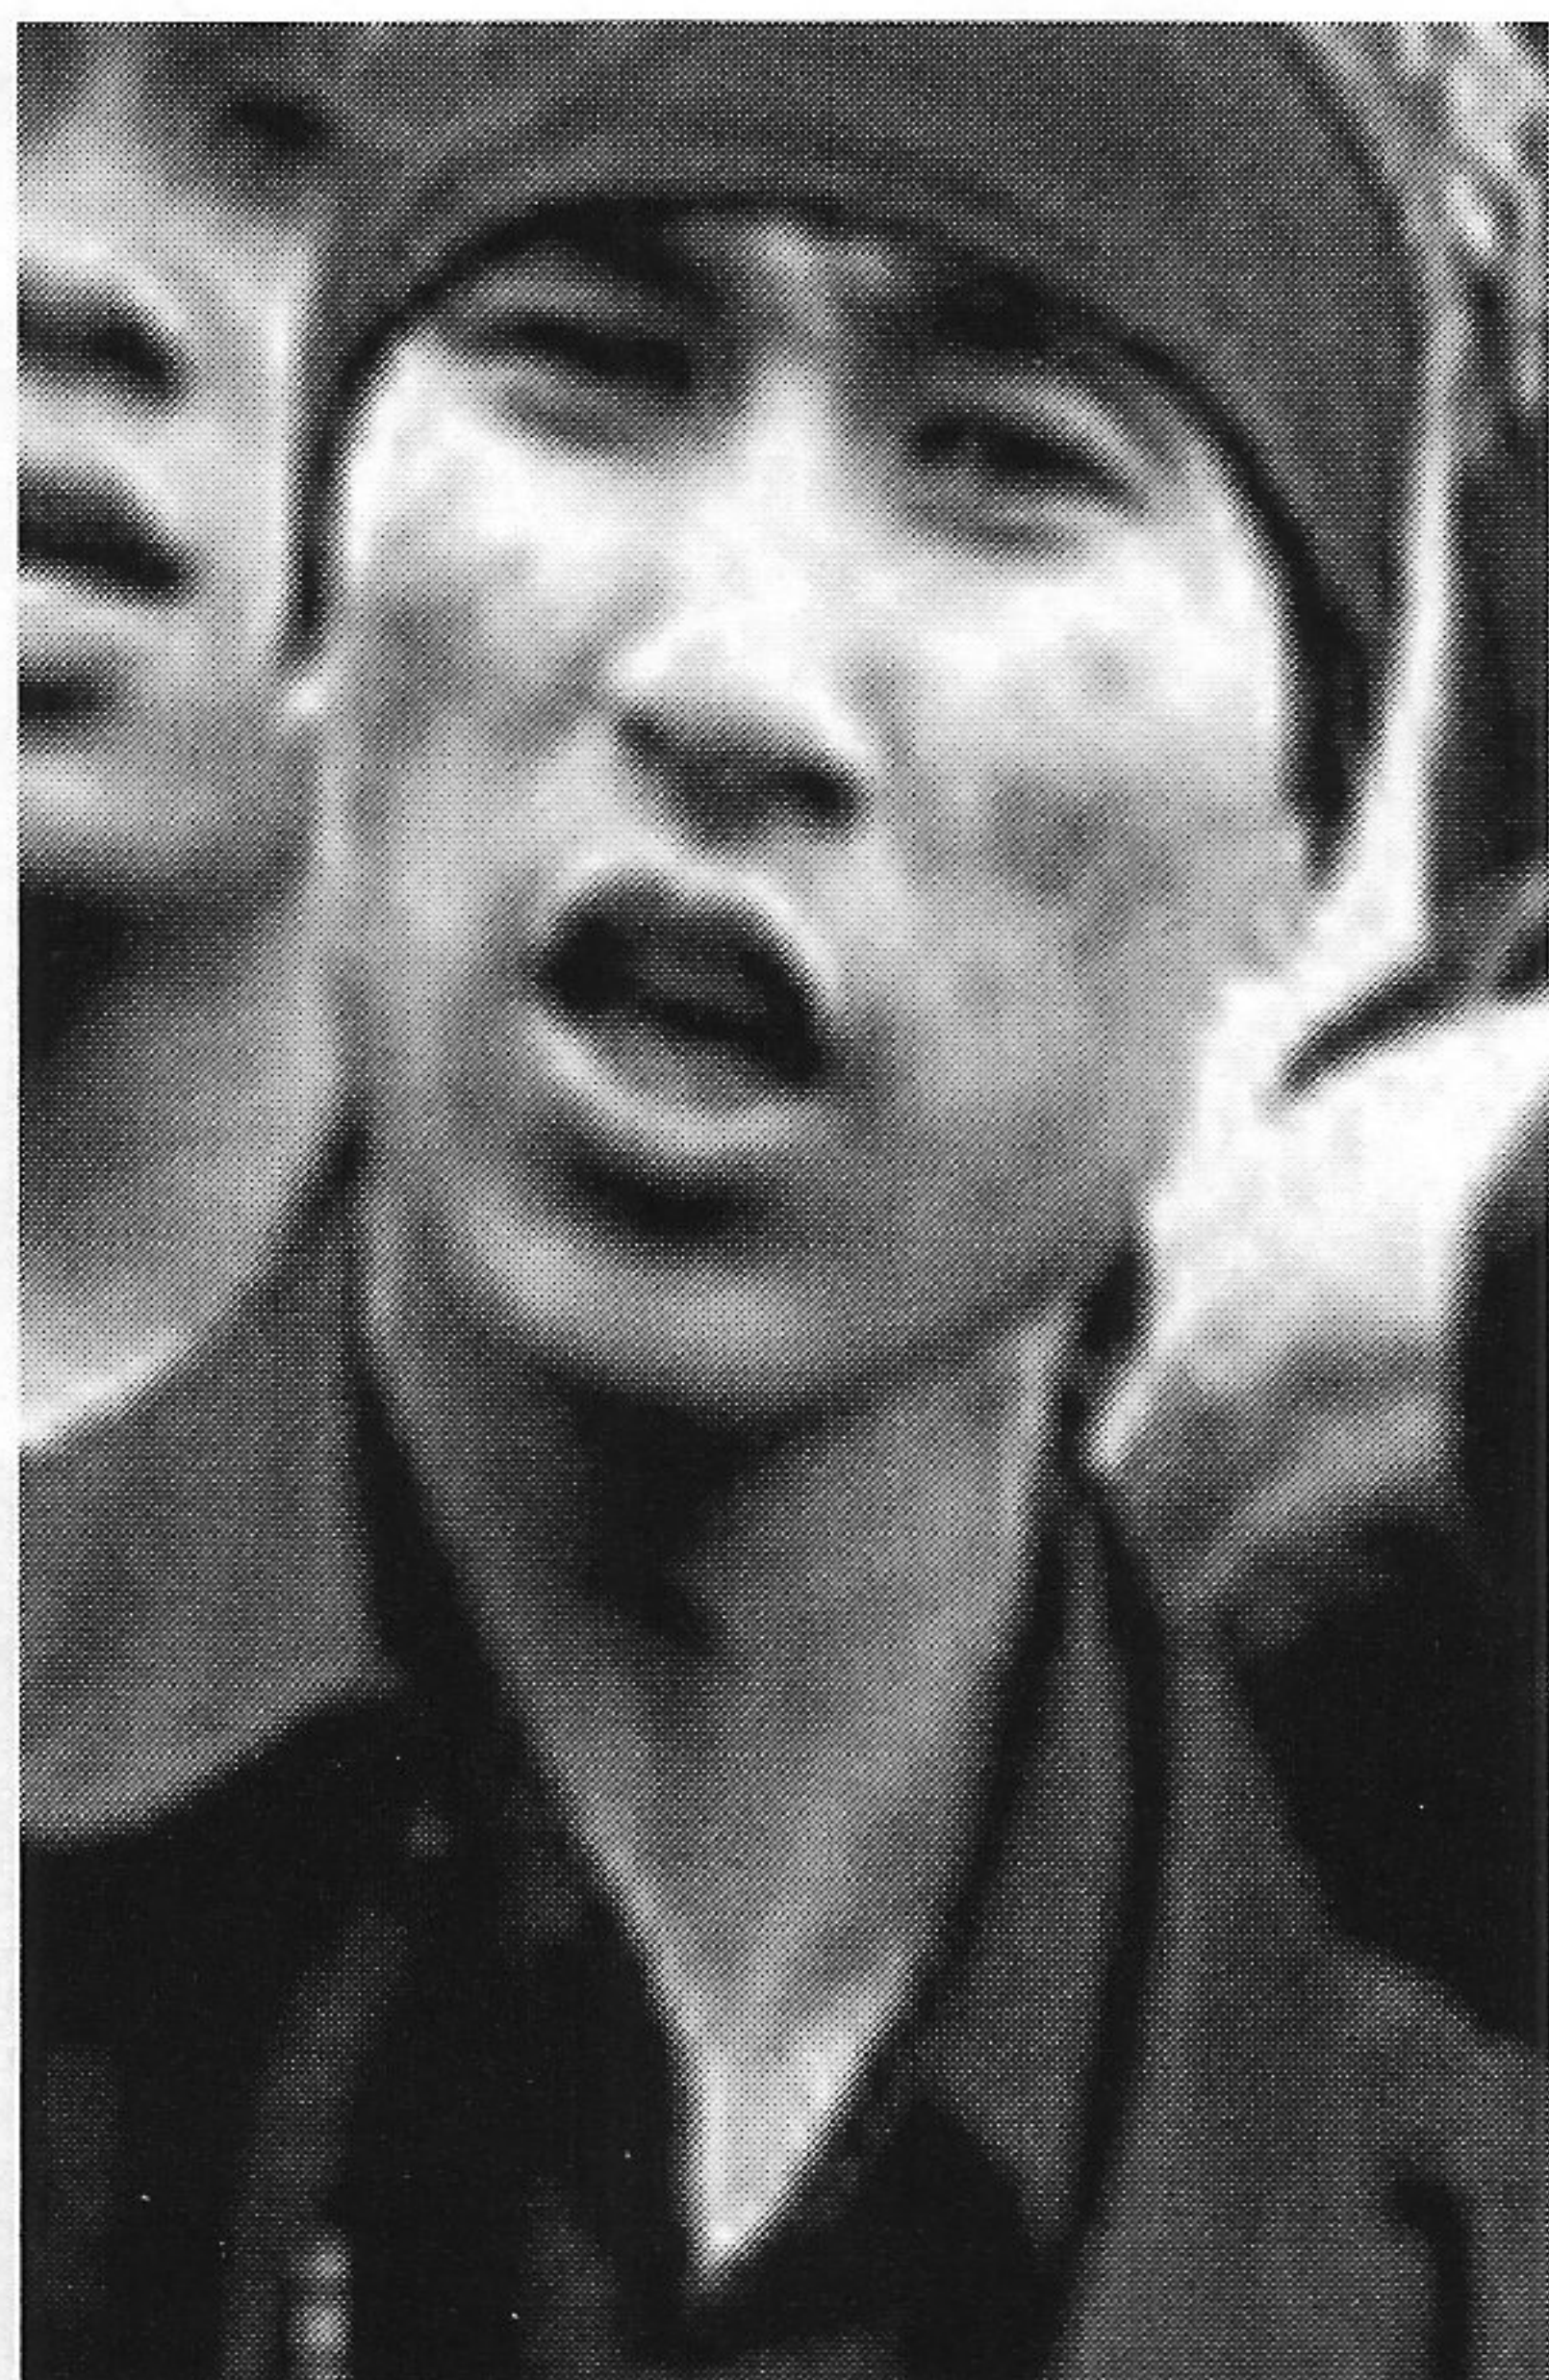

Toronto Star called it the 'death of a hockey season' and associated the grievance of the players as if they were at a funeral. The paper describes that through it's "88-year history, the NHL has survived two world wars, the Great Depression, and the emergence of a rival league, but it couldn't solve an owner-player standoff". Now you weird hockey fans won't be up in my face anymore when the Leafs win. You blue haired freaks!!! (Me being one of them)

EVENTS

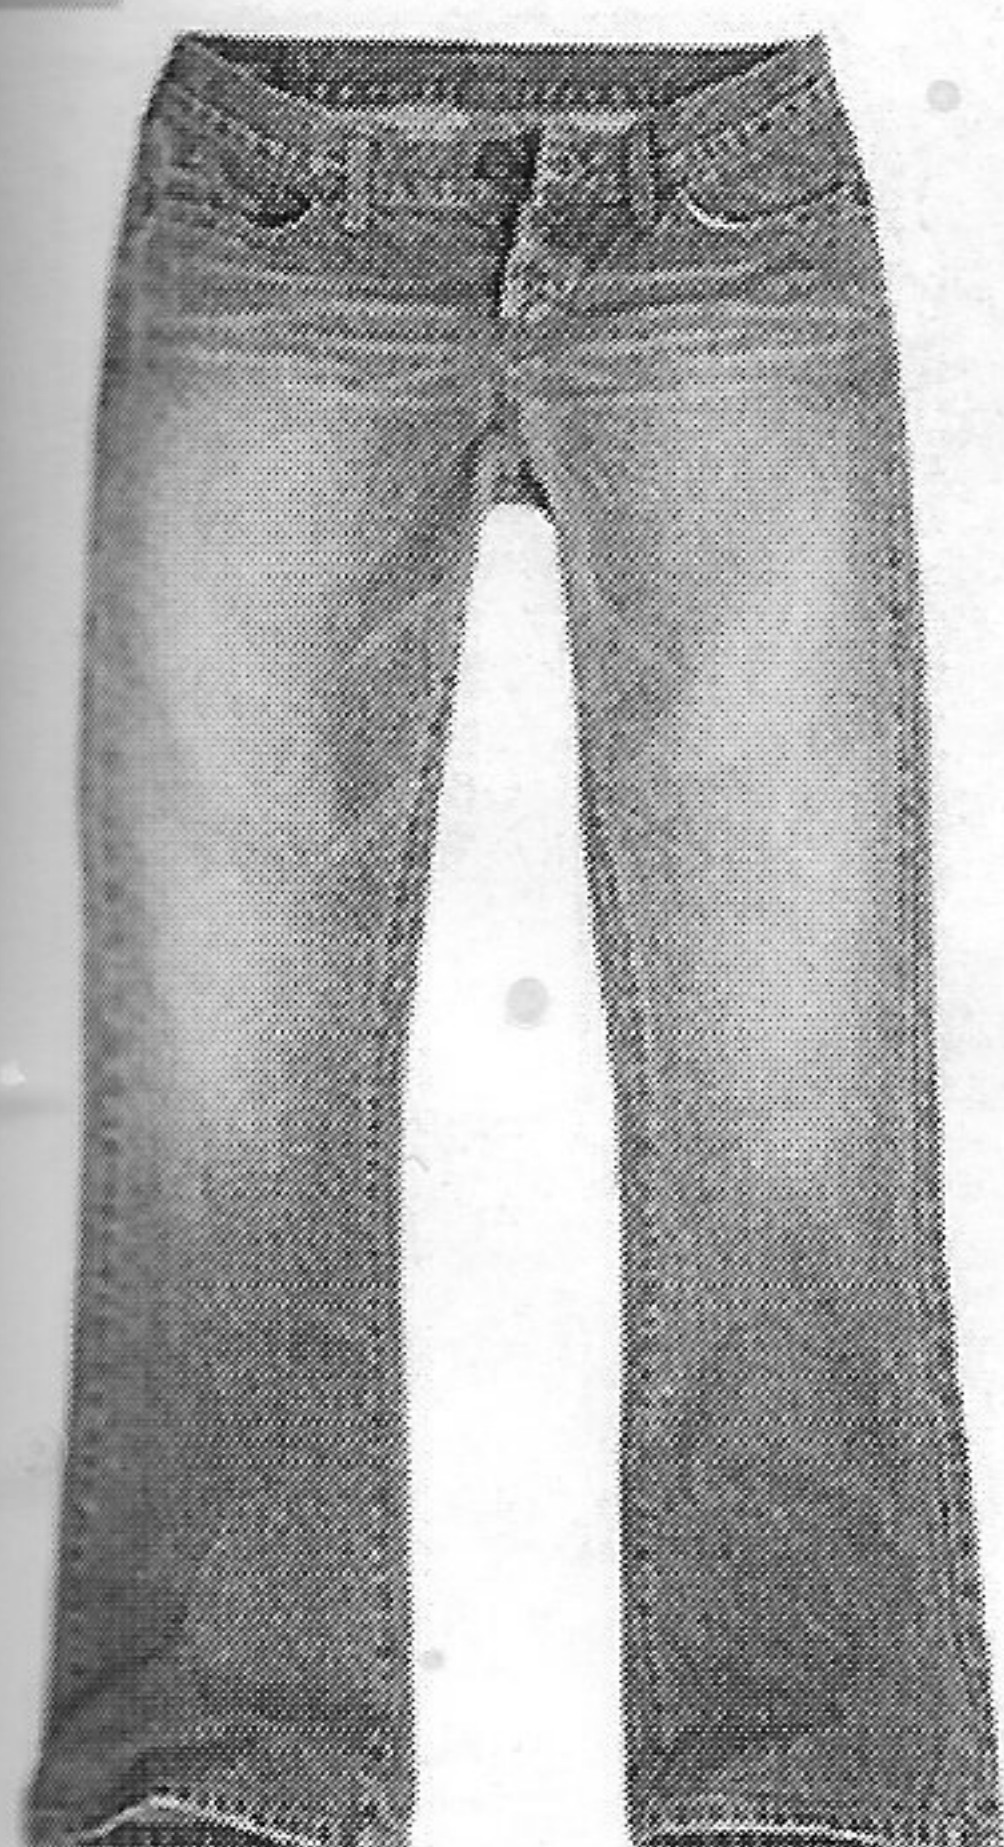

Mary-Kate Olsen - The Thinning Star of 2004

We all thought she had anorexia, an eating disorder, but it has been revealed that she had a cocaine addiction. Cocaine is a very hard drug people, if you don't want to look like a twig, DON'T TRY IT!!!

Revolutionary Rapper - Chuckie Akenz

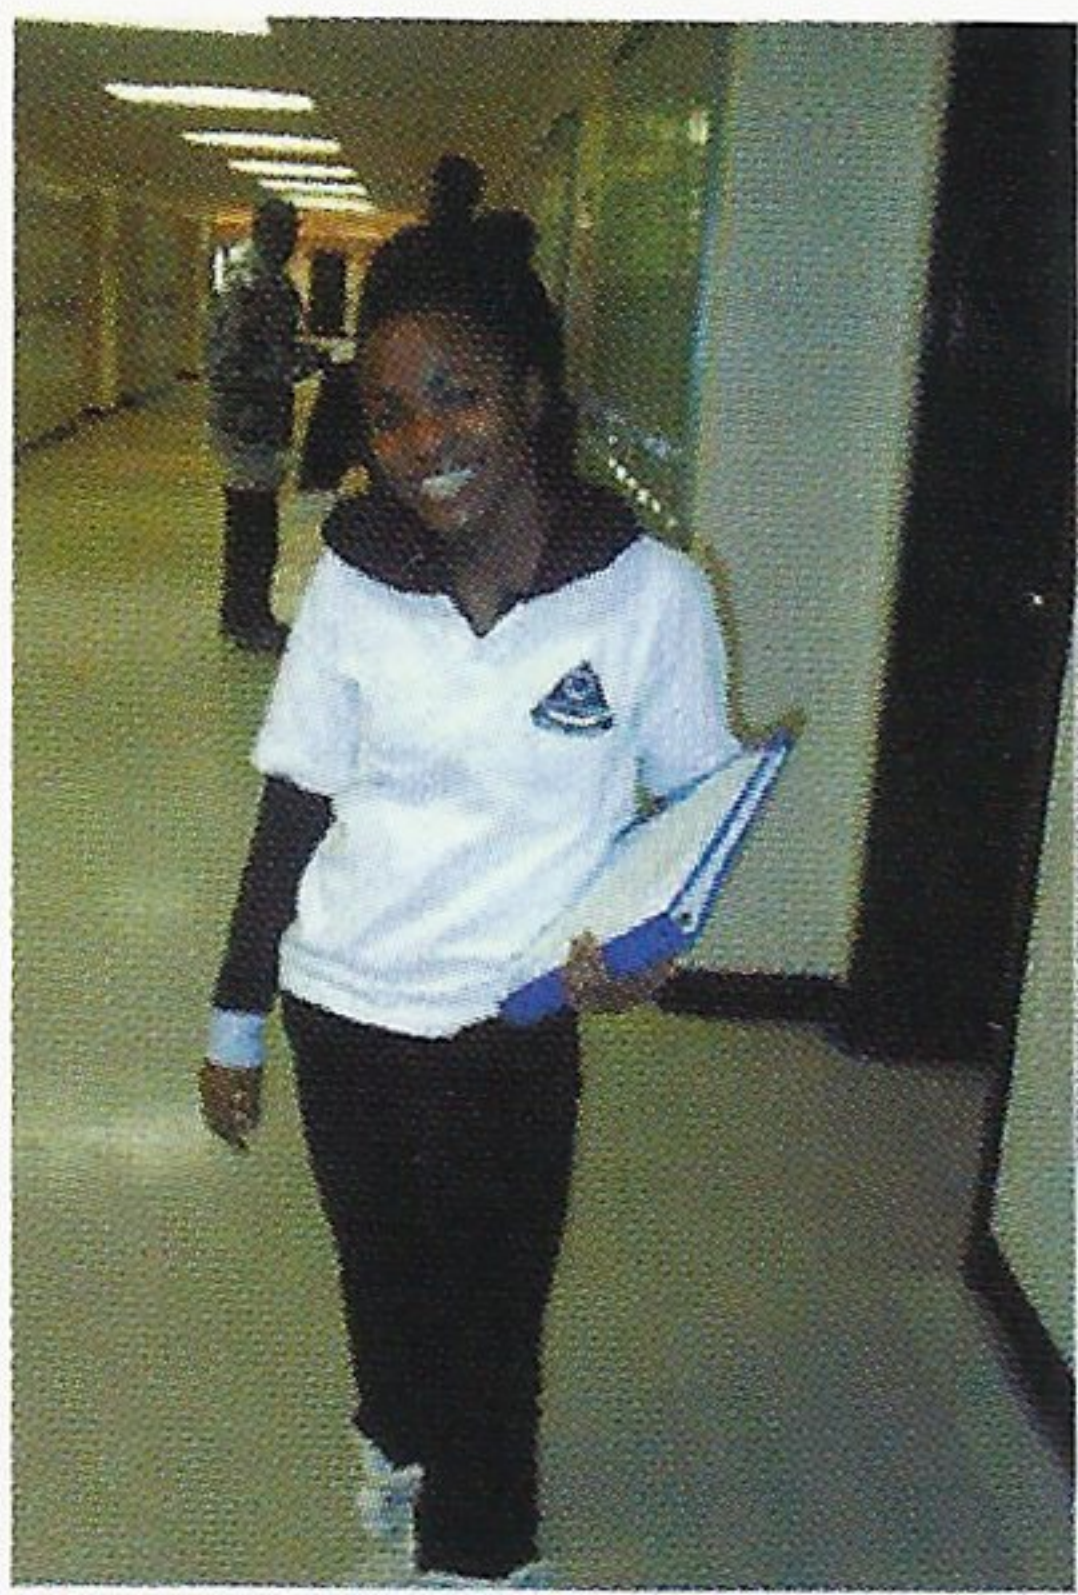

Our very own Chuckie Akenz has finally received the recognition that he deserves. In the month of February alone, he was interviewed and featured on both Global National News and The Toronto Sun. Westview congratulates him, and encourages his profound impact on the community of Jane and Finch, and worldwide.

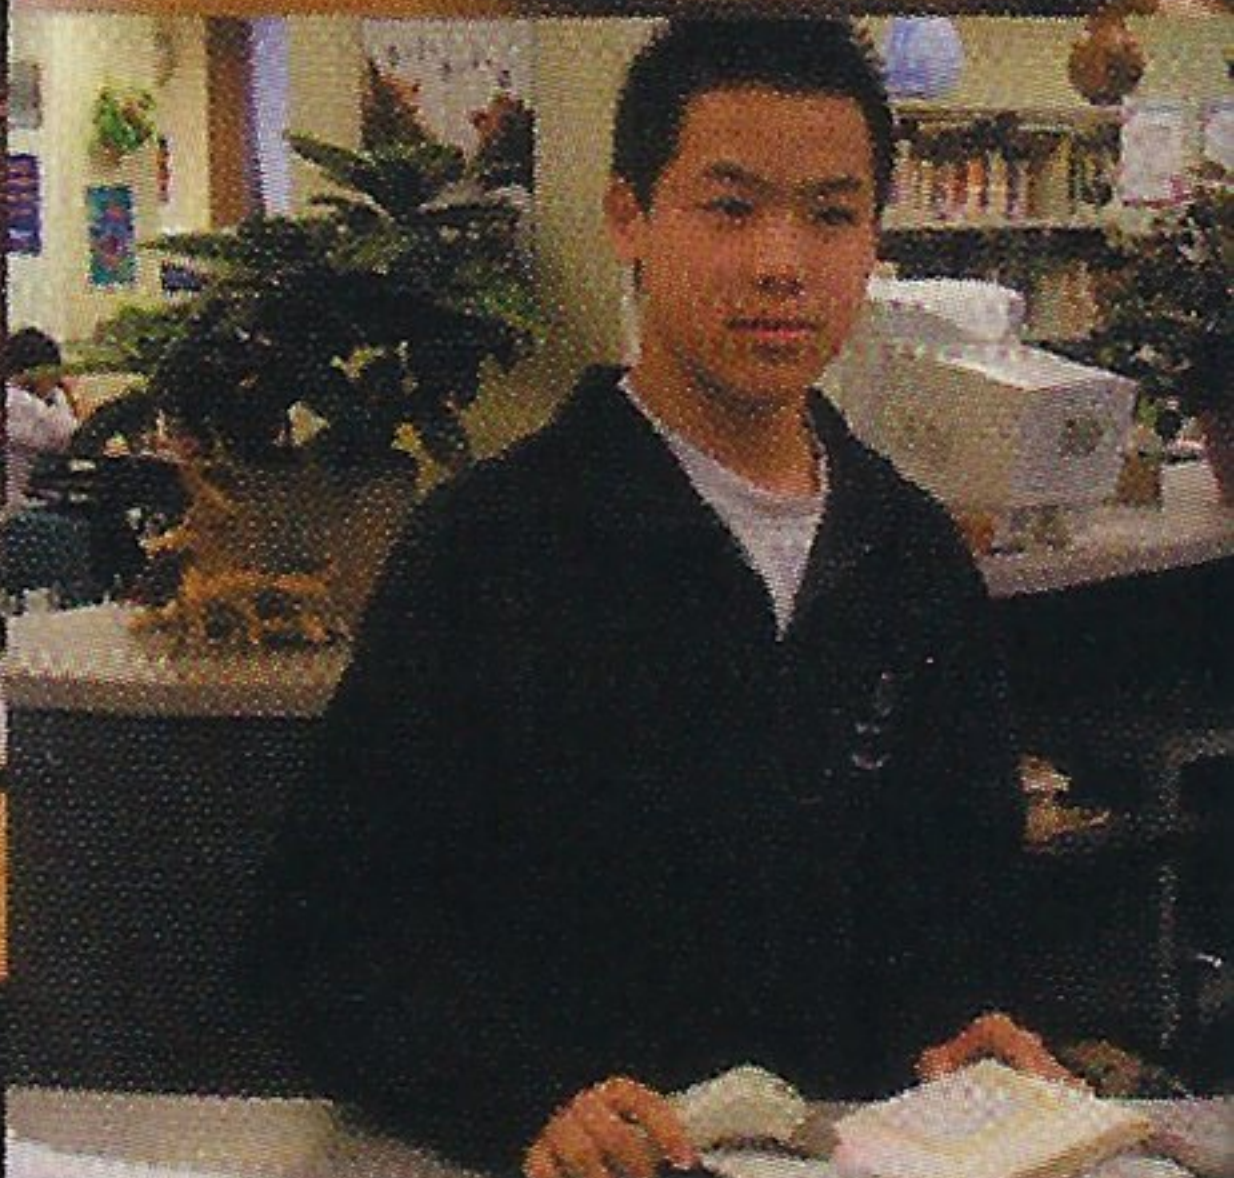

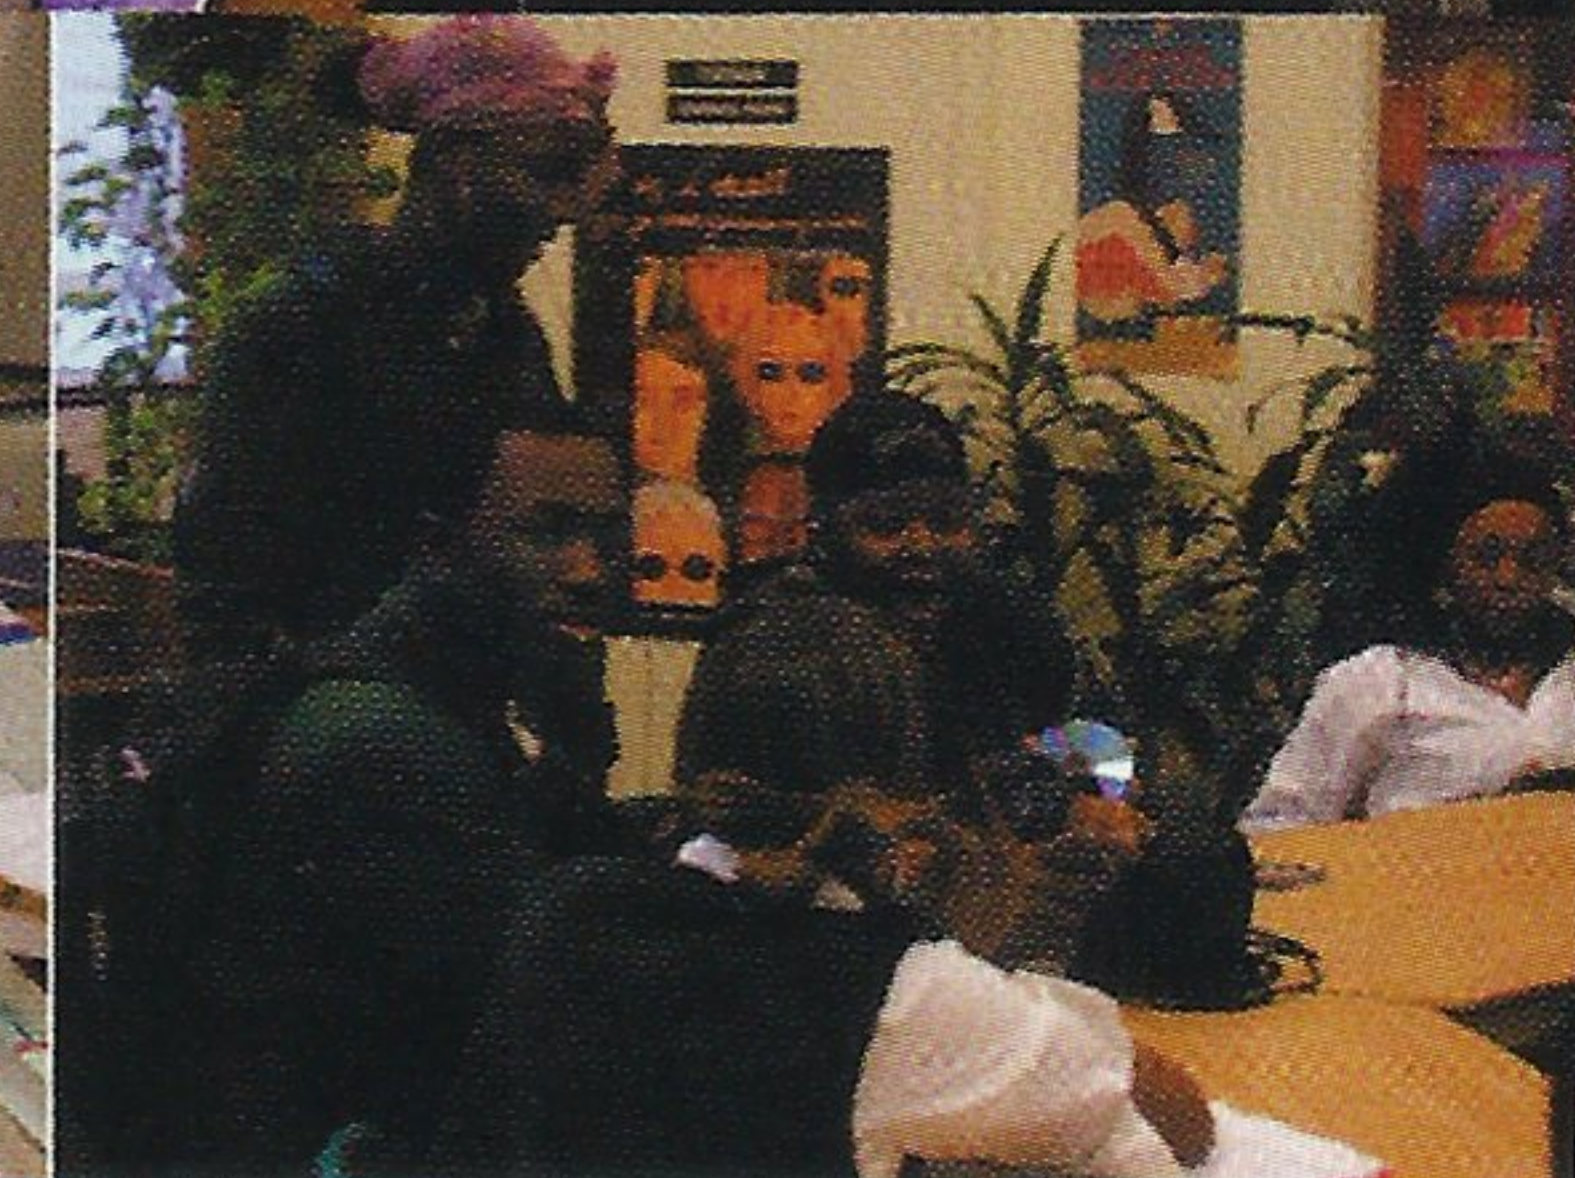

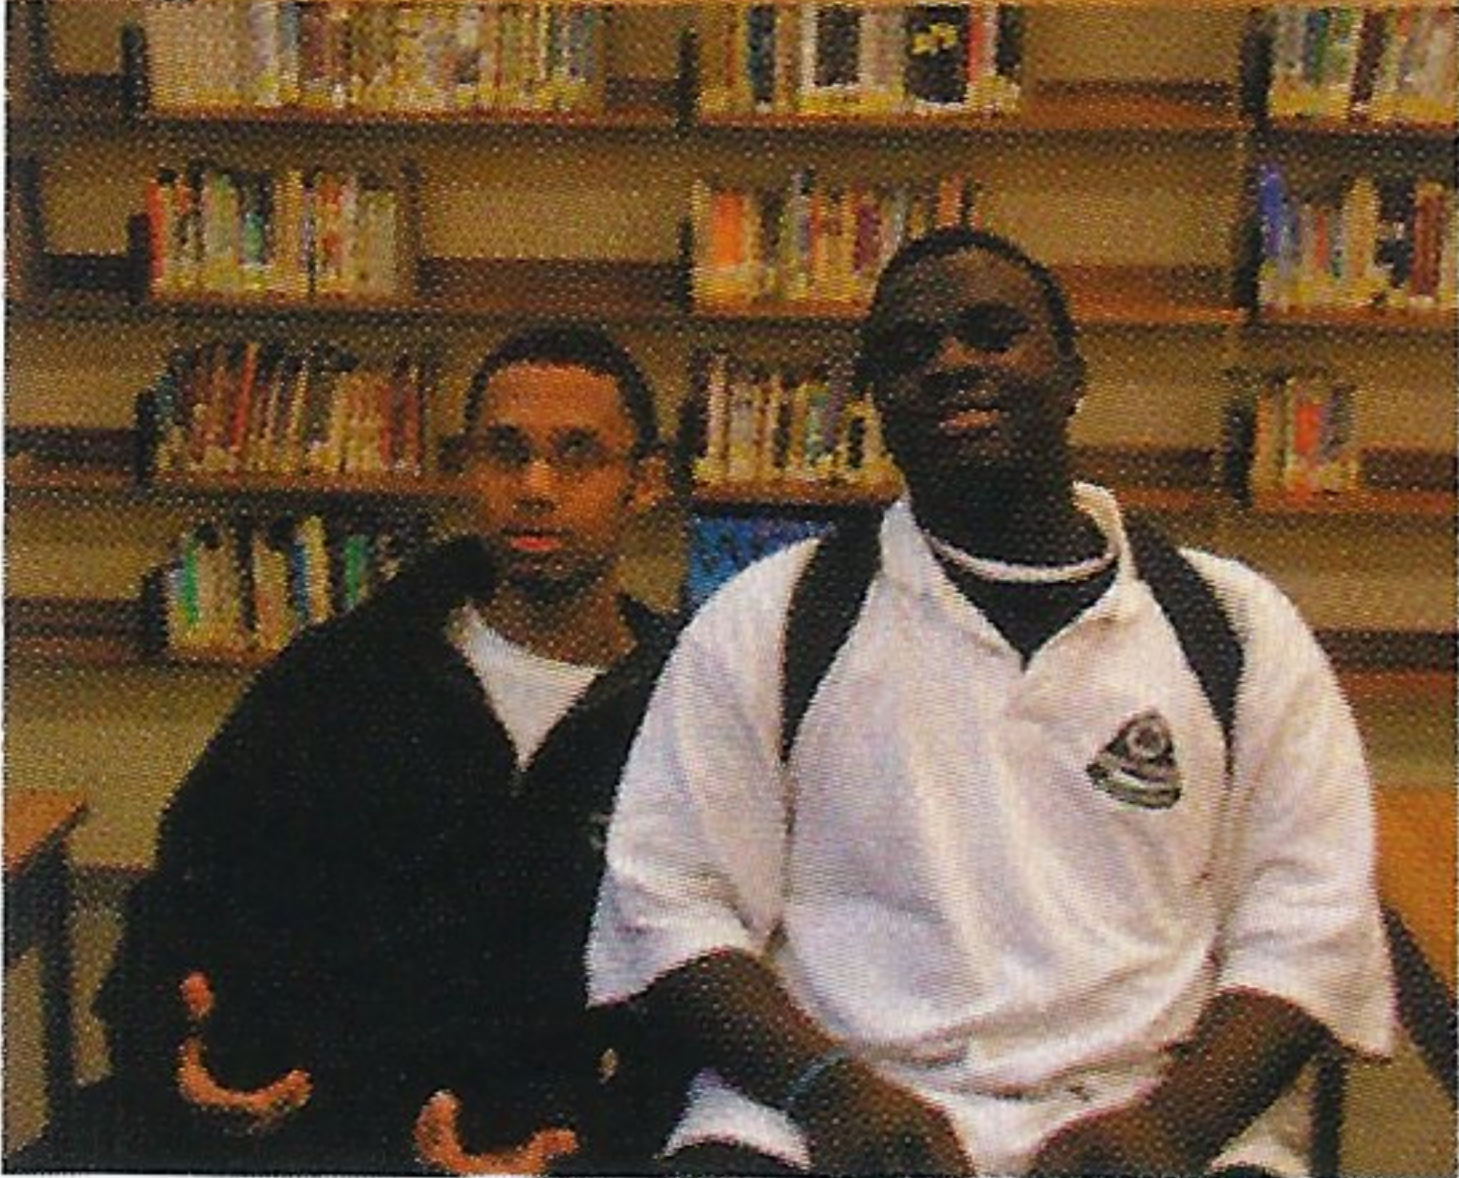

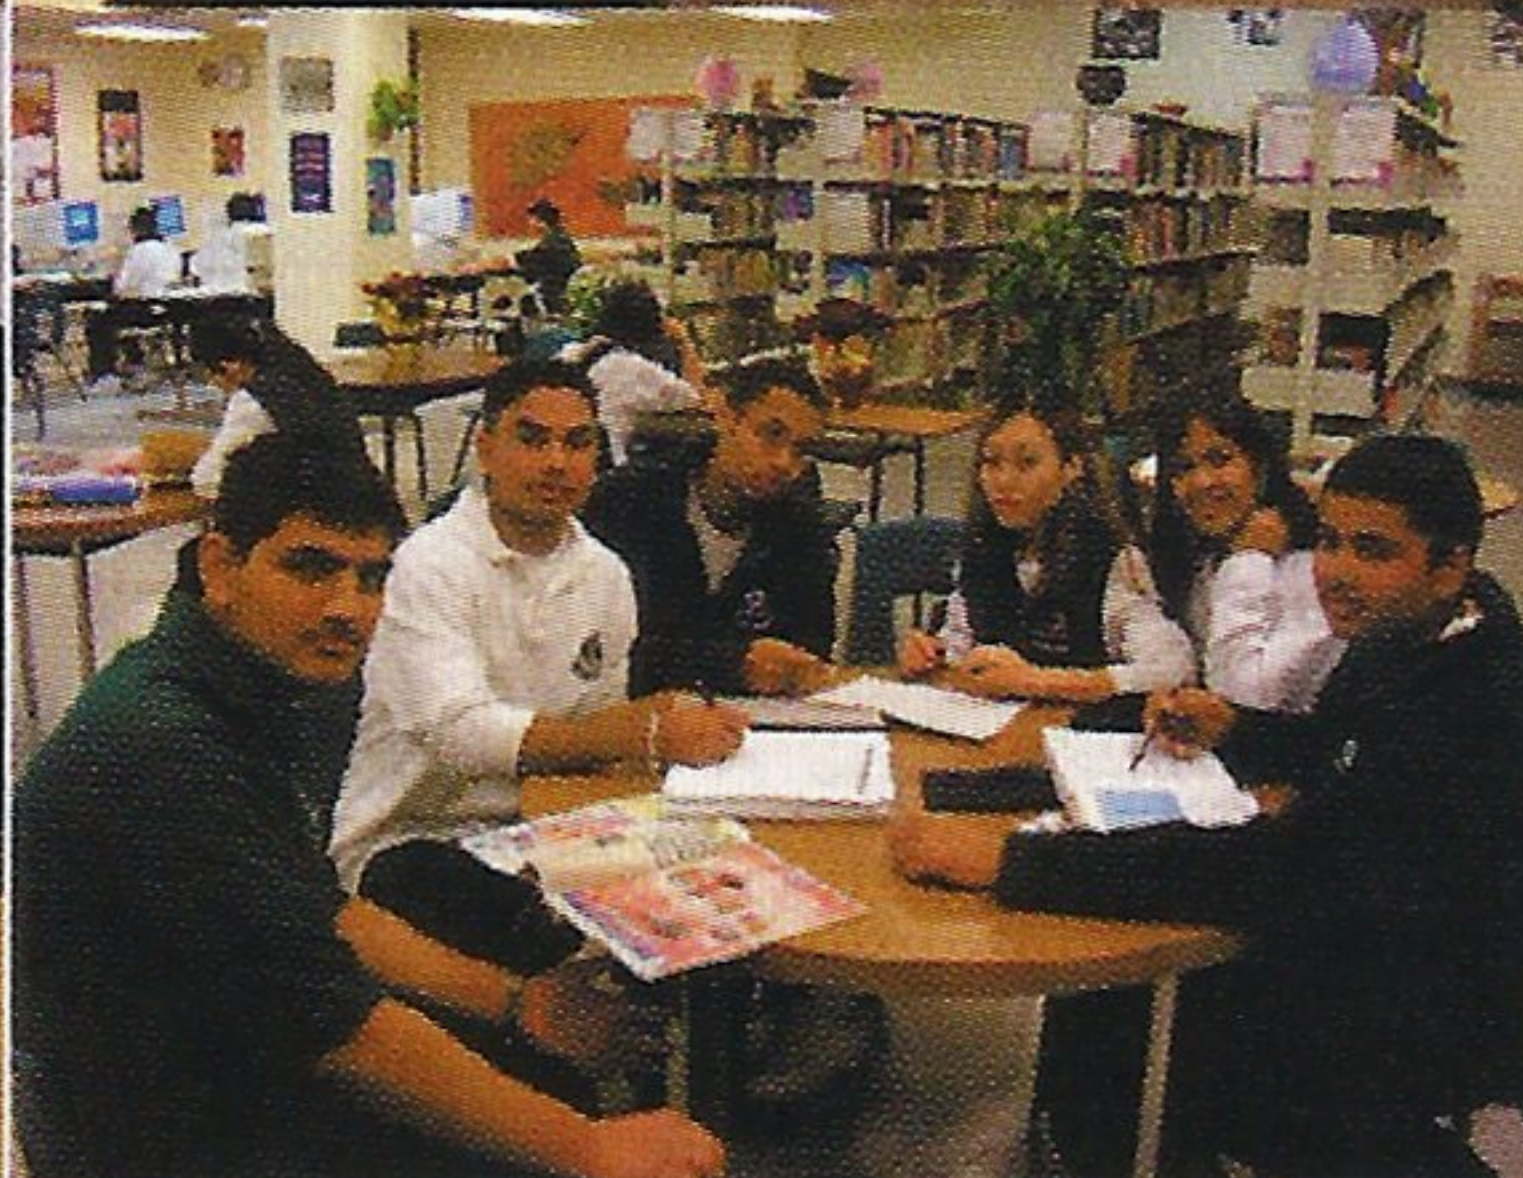

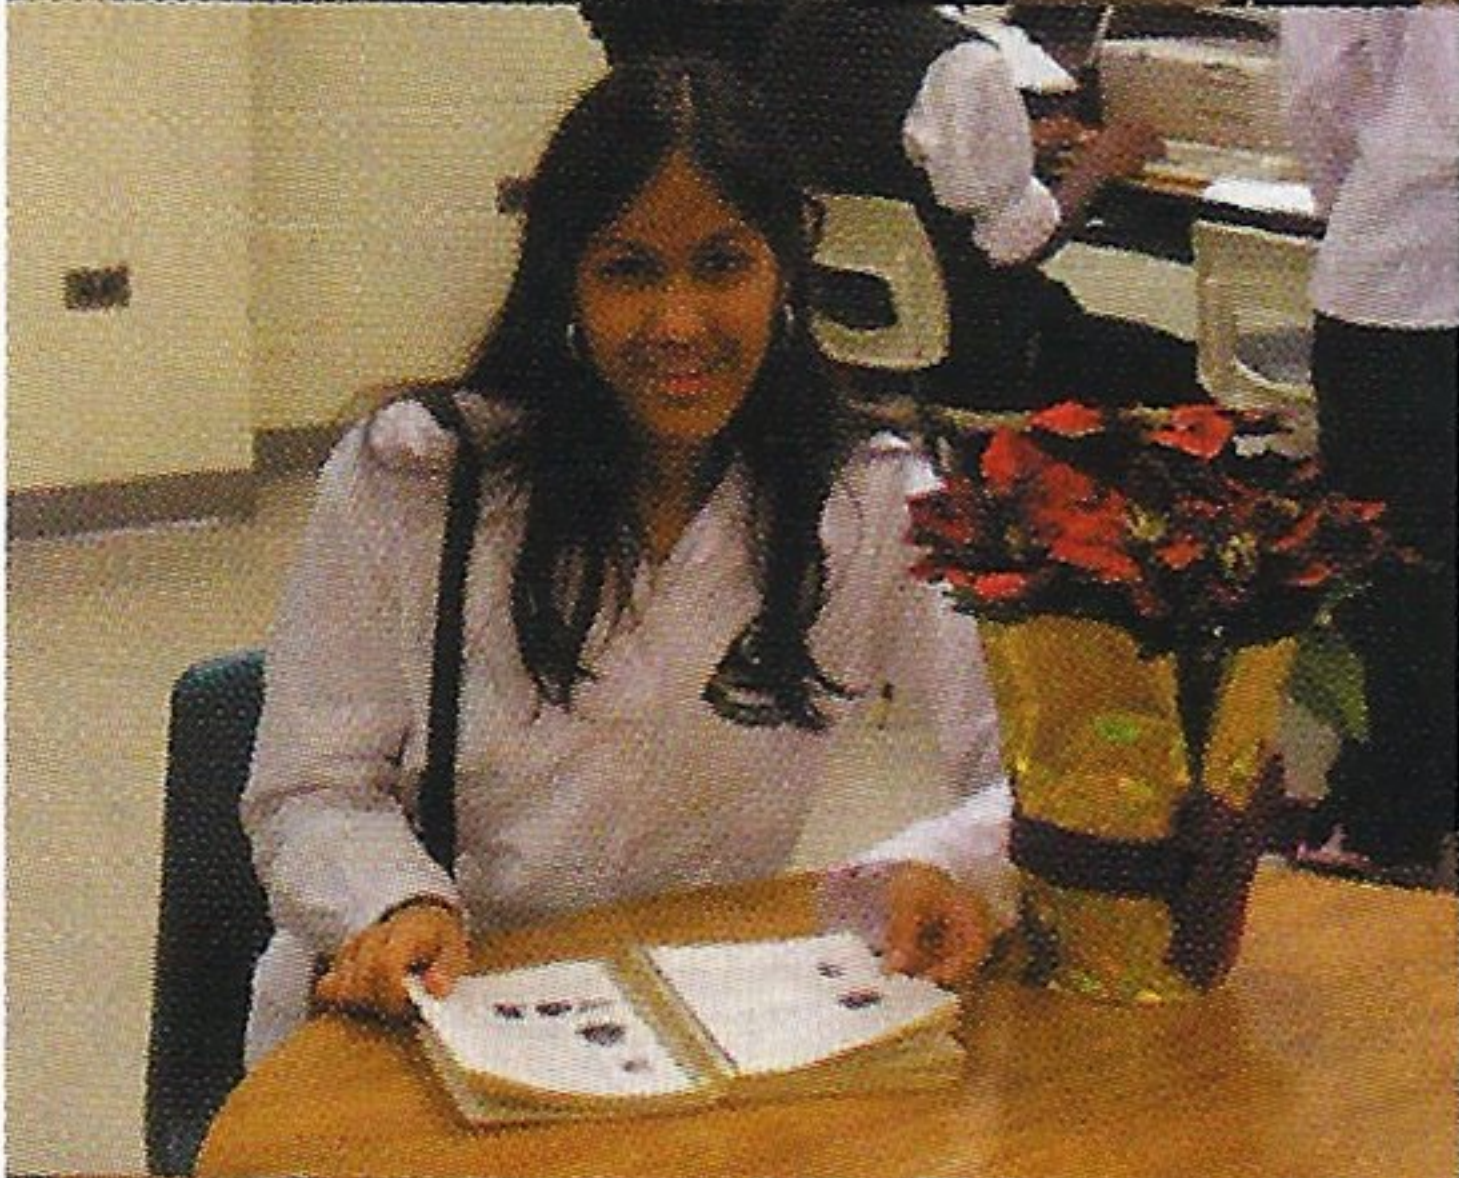

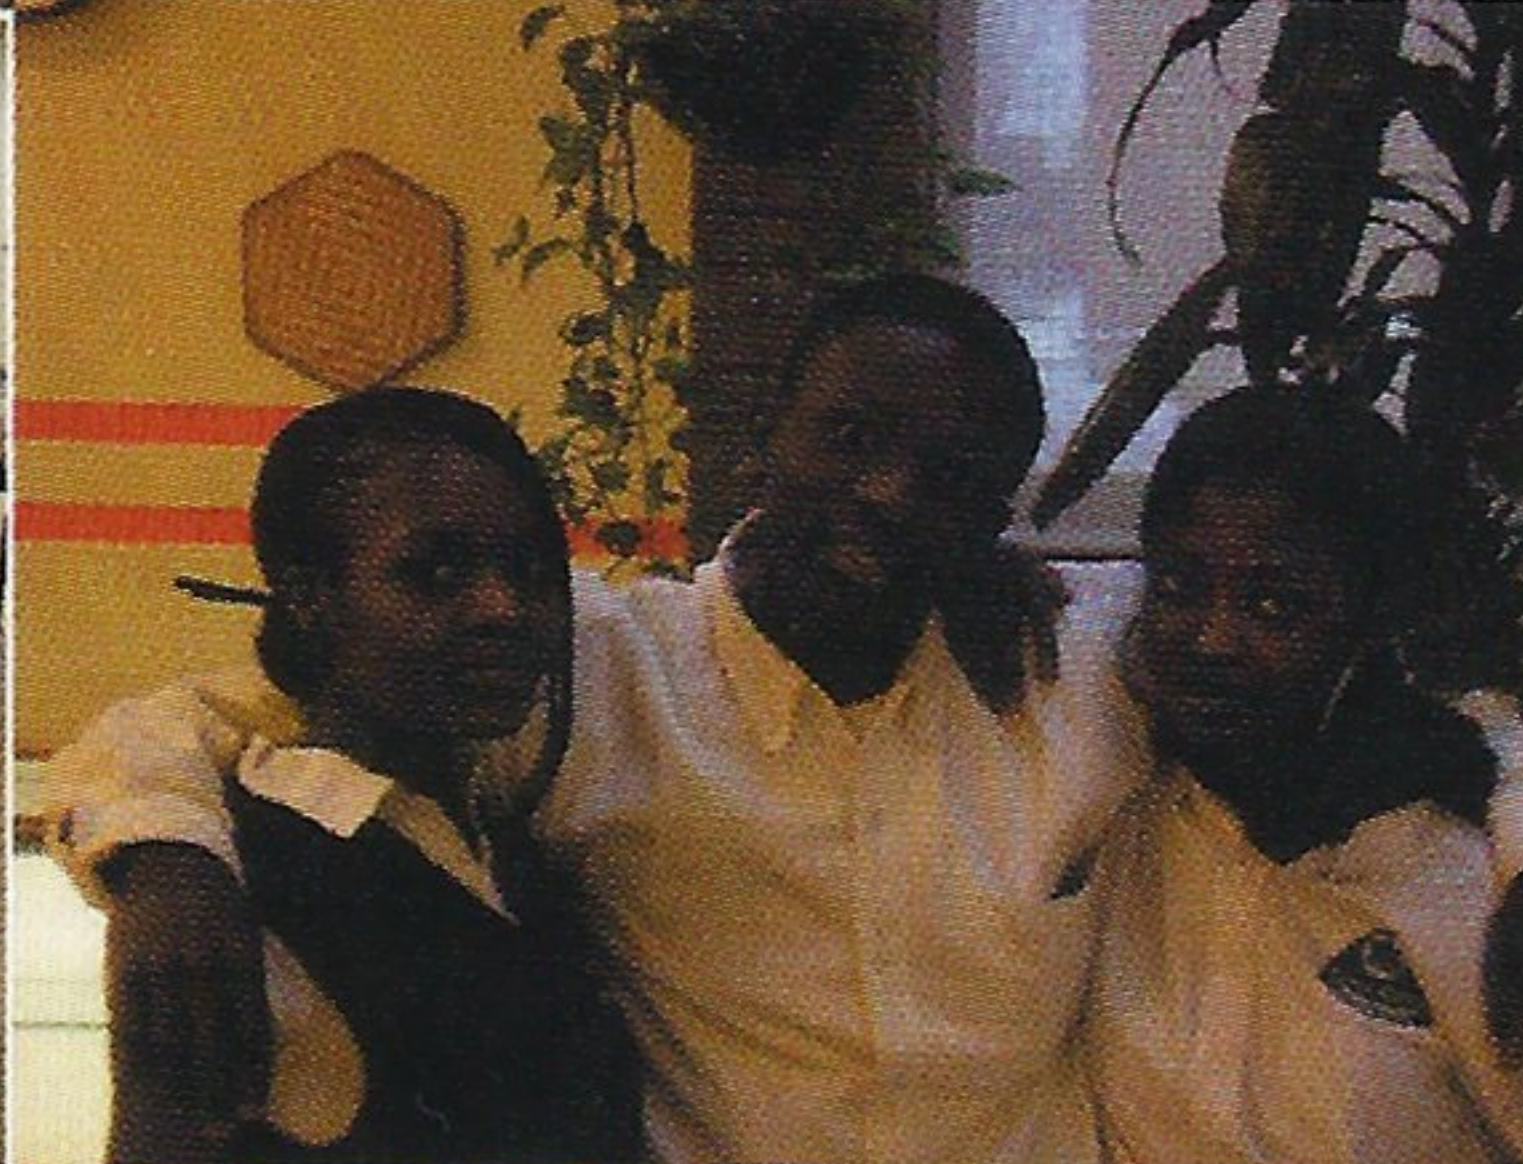

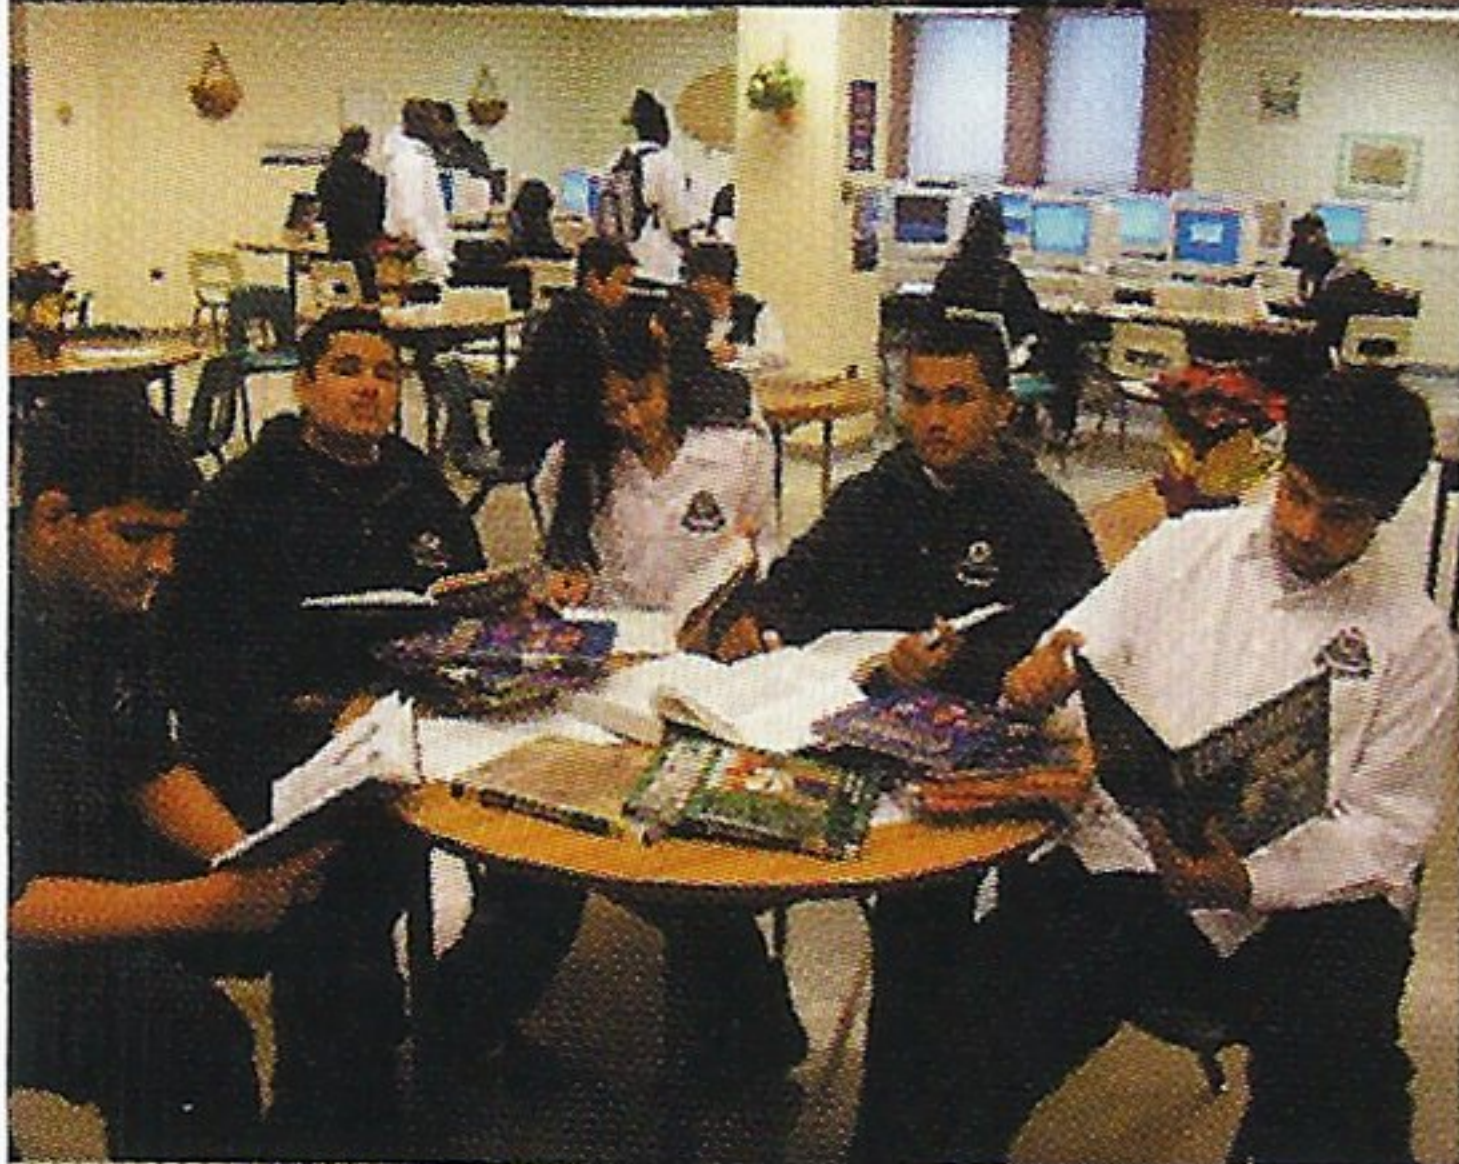

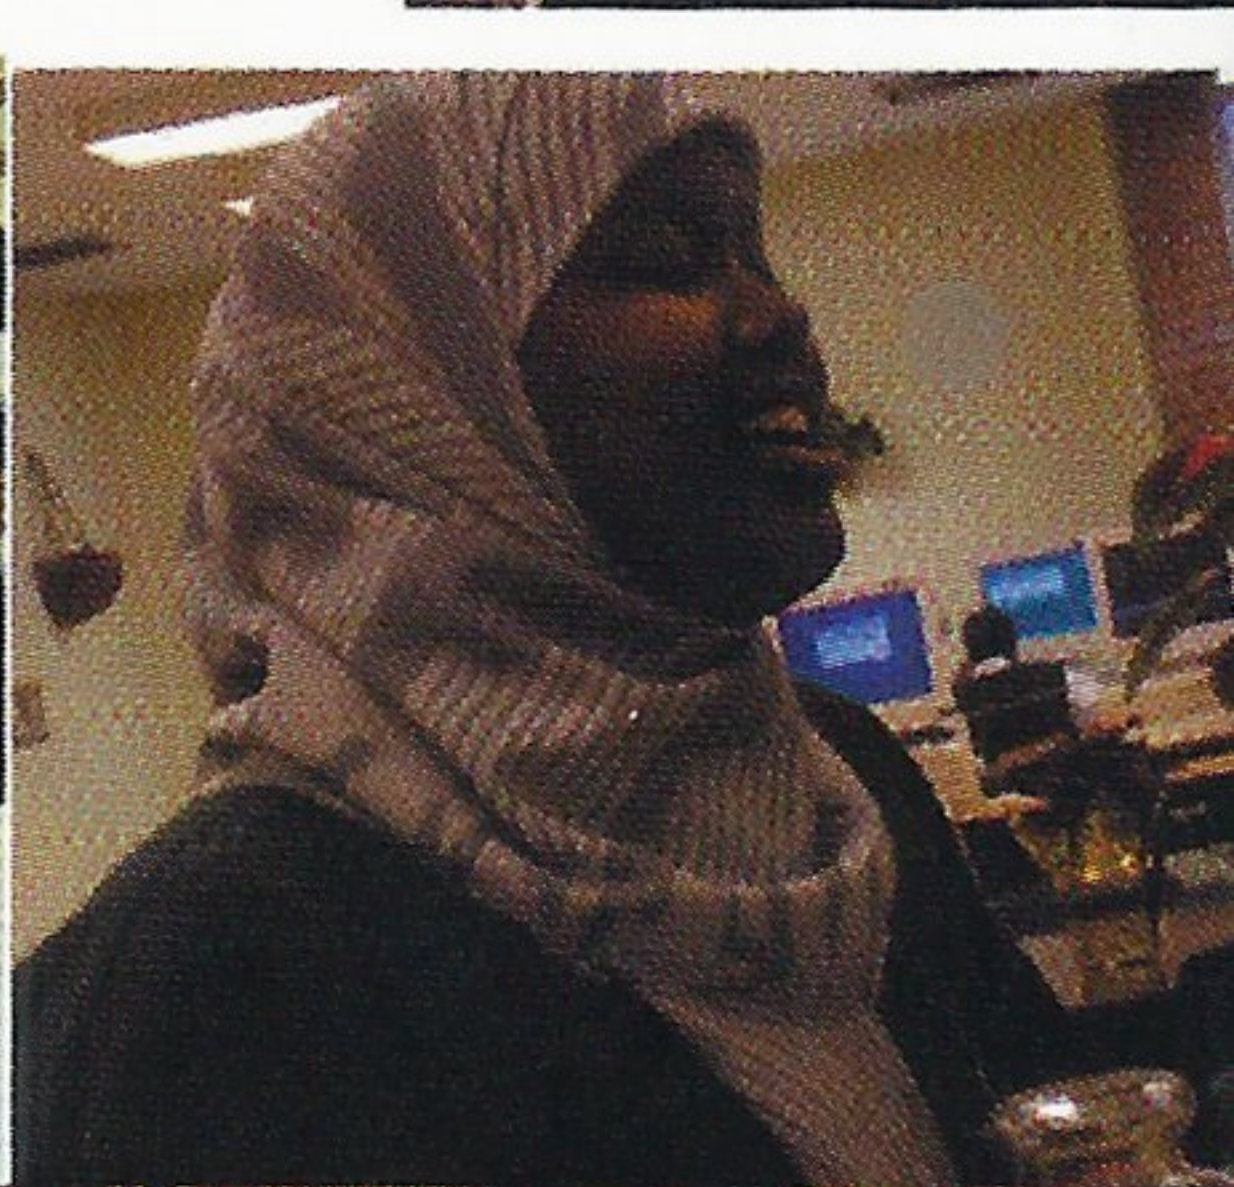

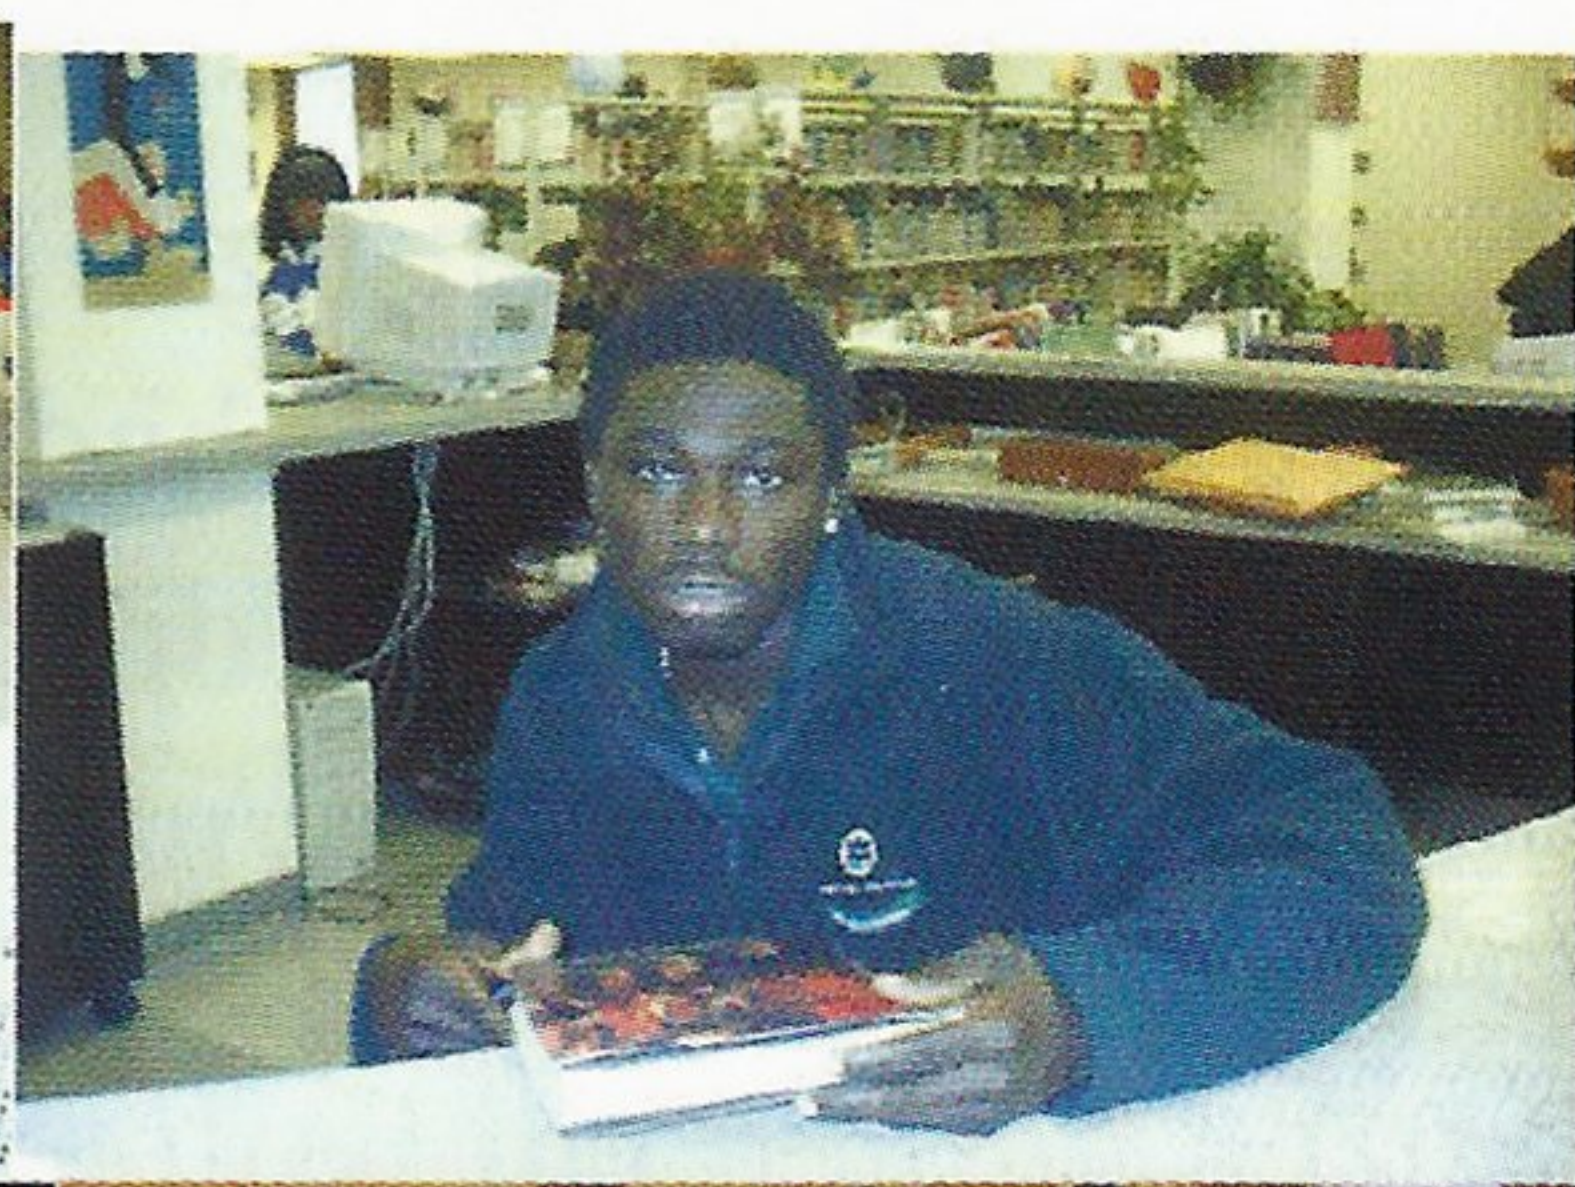

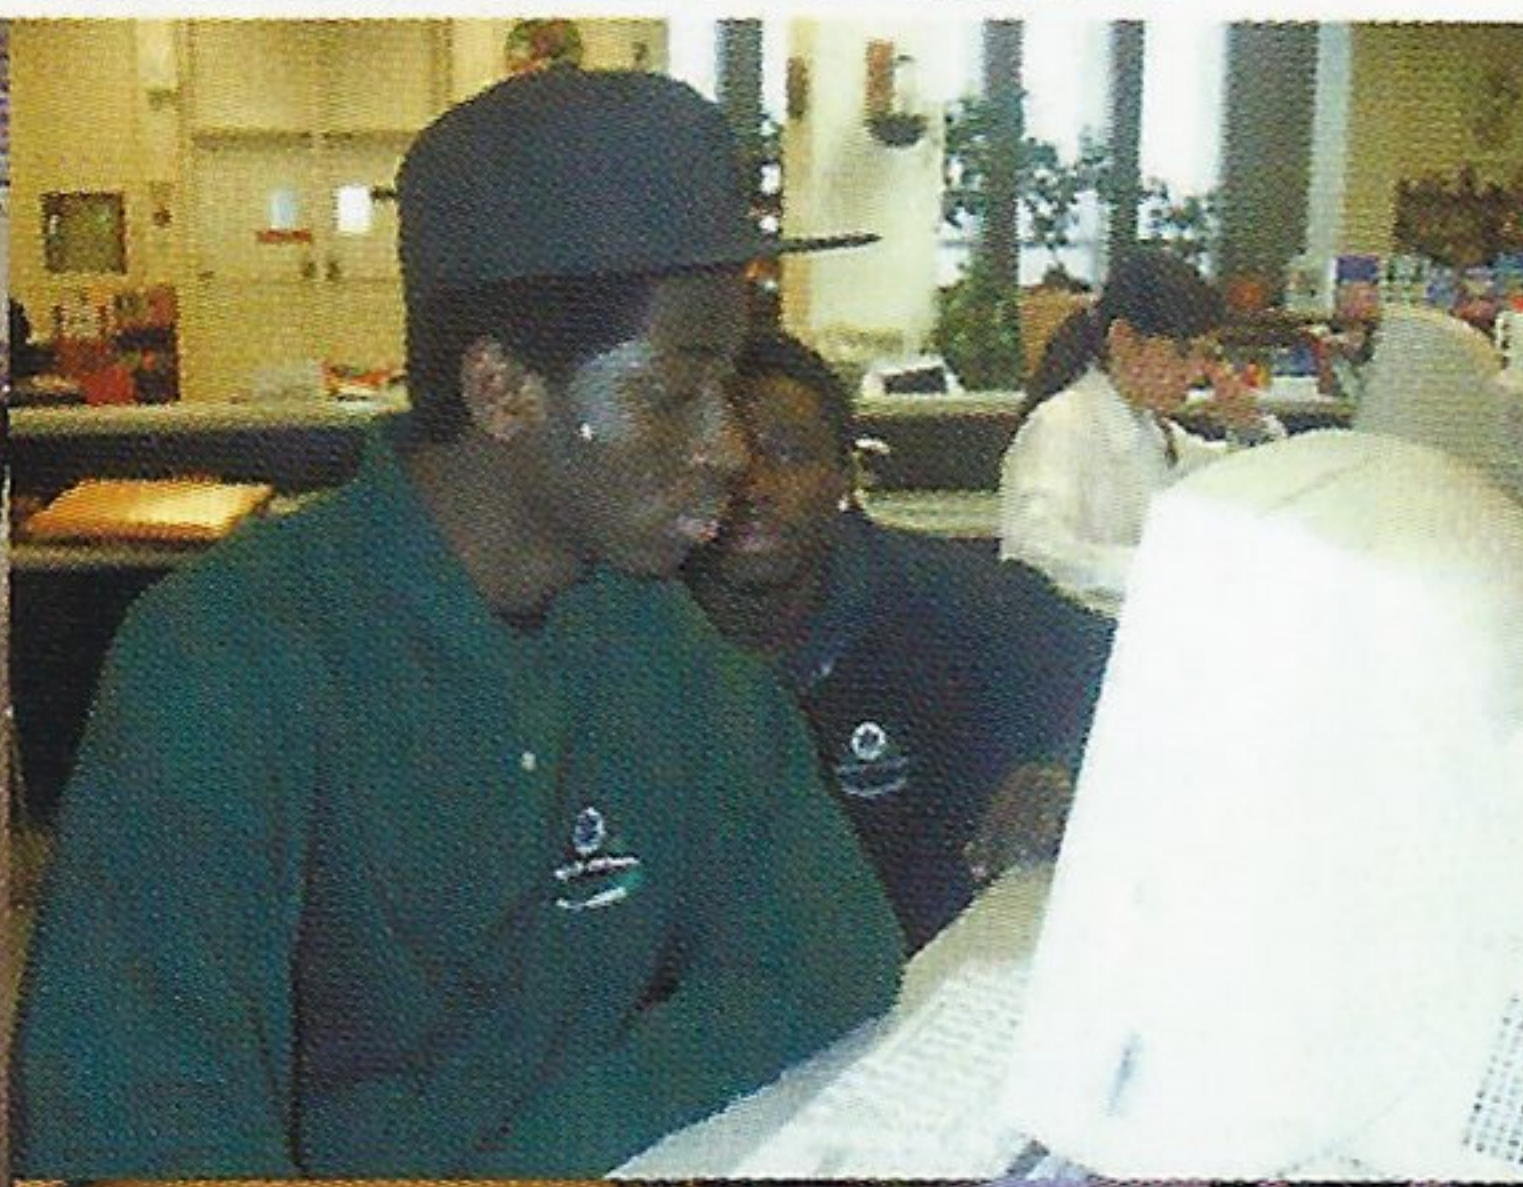

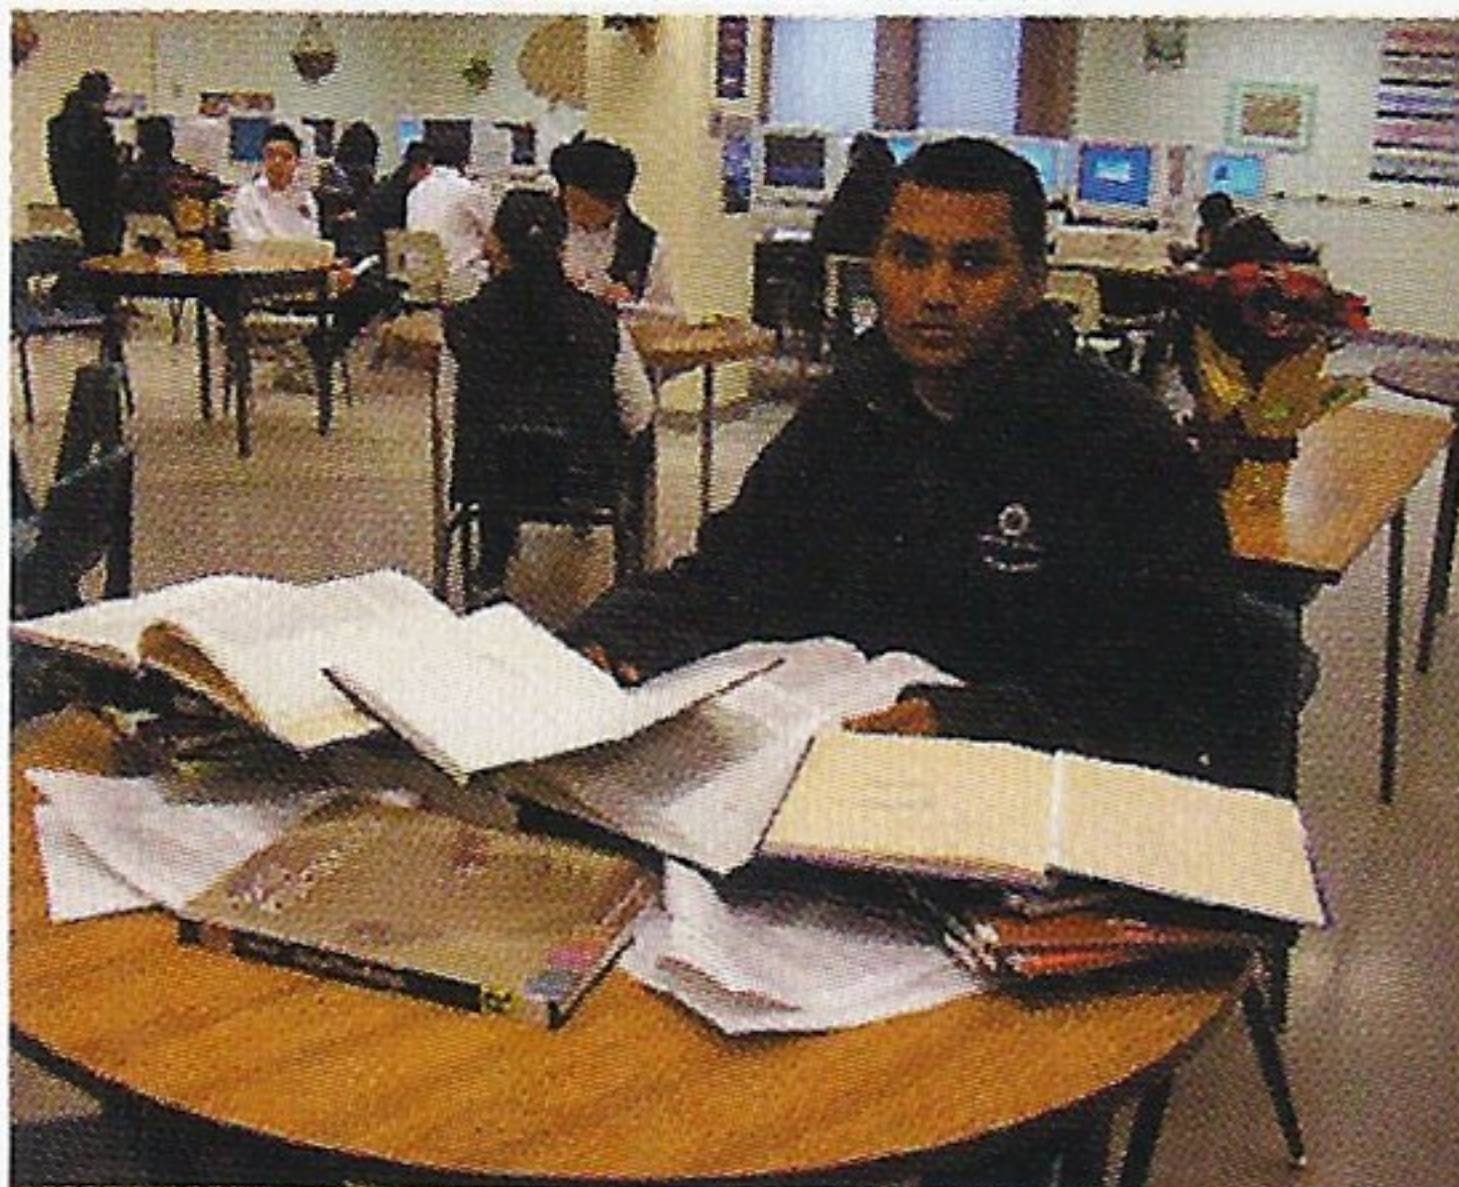

Fashion Trends

The ever popular native and hippie garment the "poncho" came back in style for women. And for men, stone-washed or worn out jeans were the bomb.

PRINCIPAL'S MESSAGE

My congratulations to the very creative and dedicated students who have worked so hard to produce this outstanding 2004-2005 yearbook. The completion of a successful yearbook demands commitment and countless hours and I would like to extend a sincere thank you on behalf of the students and staff at Westview for a job exceptionally well done. You have created a lasting memory that will be appreciated for many years to come. You should be very proud of your achievement.

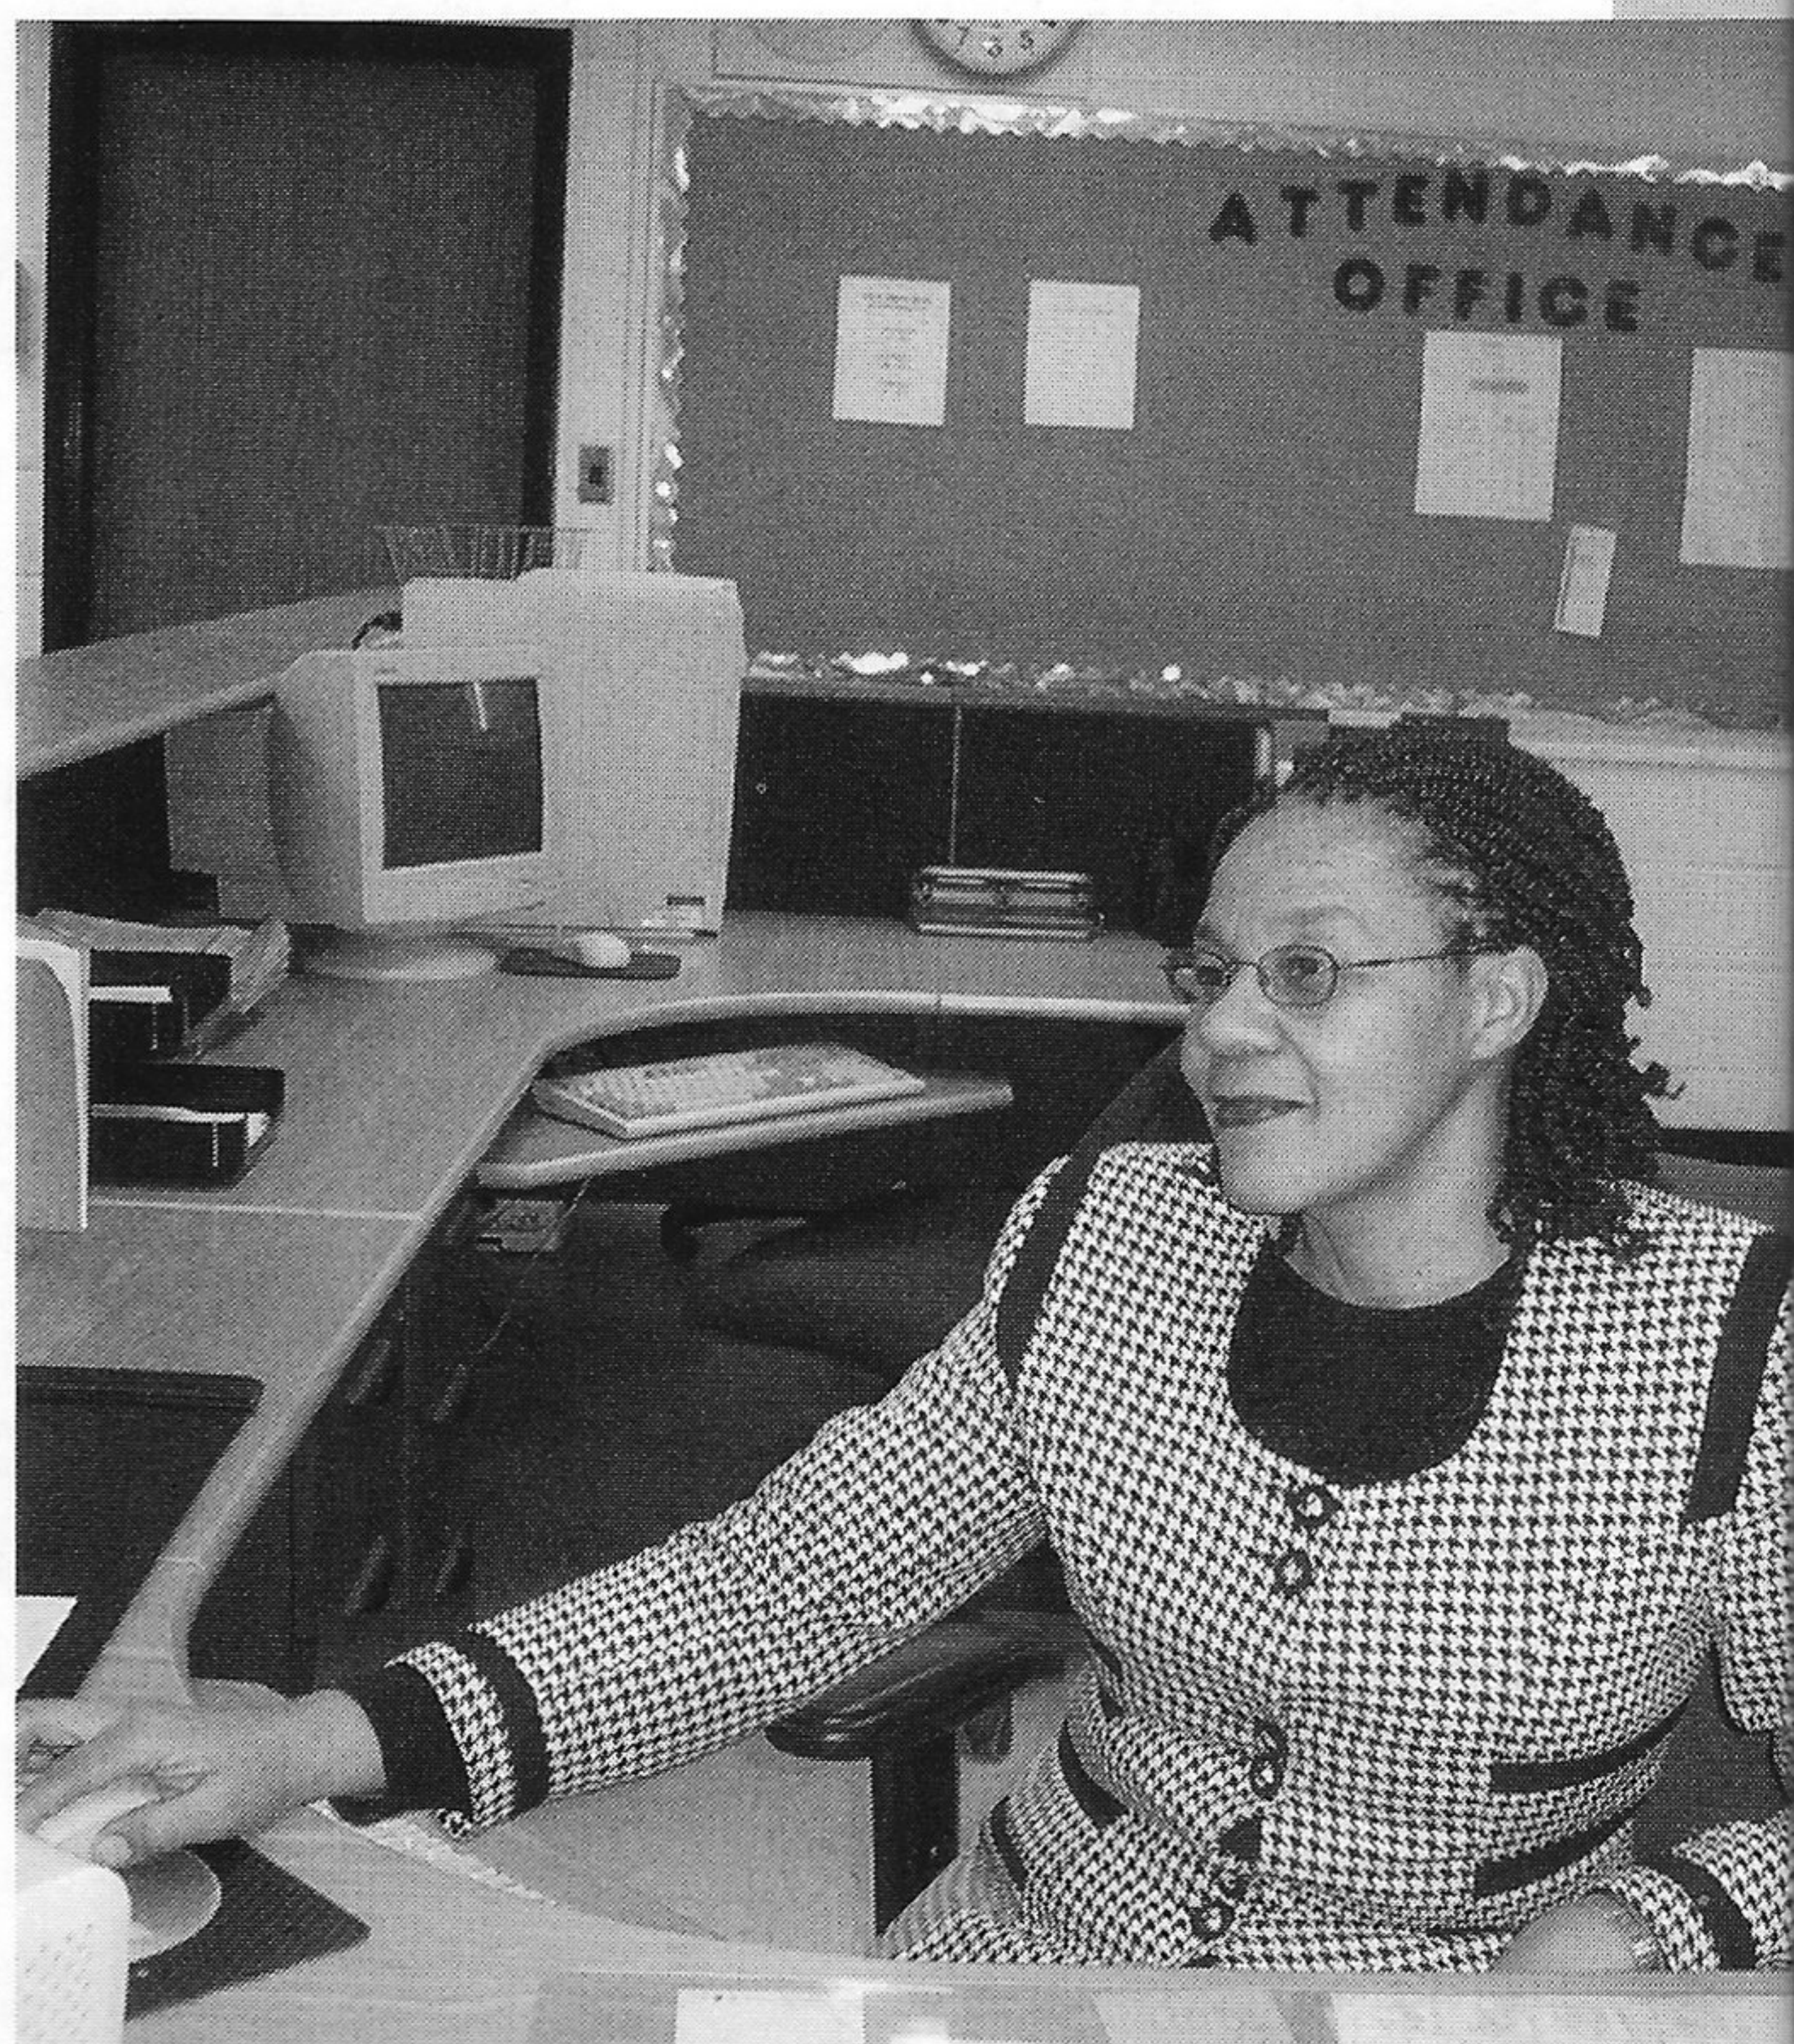

It is an honour to be the Principal of Westview and I continue to be impressed with the excellence of our staff and students. Westview is many things to each of us, but our school motto "Nos omnia tentemus" - "Let us attempt all things" puts into words the spirit of Westview. In the future, as you look through this yearbook you'll be reminded of the dynamic, productive and exciting environment that staff and students working together have created.

Congratulations to the graduates and I wish you the best of luck in your post-secondary school plans. You leave Westview with the knowledge and skills, the experience and confidence to build meaningful lives as members of our community. As you reflect on your achievements at Westview, look also to the future, which beckons with the promise of continued success as you seize the opportunities presented to you.

MS. ELLISTON'S MESSAGE-->>>

EDITOR'S NOTE

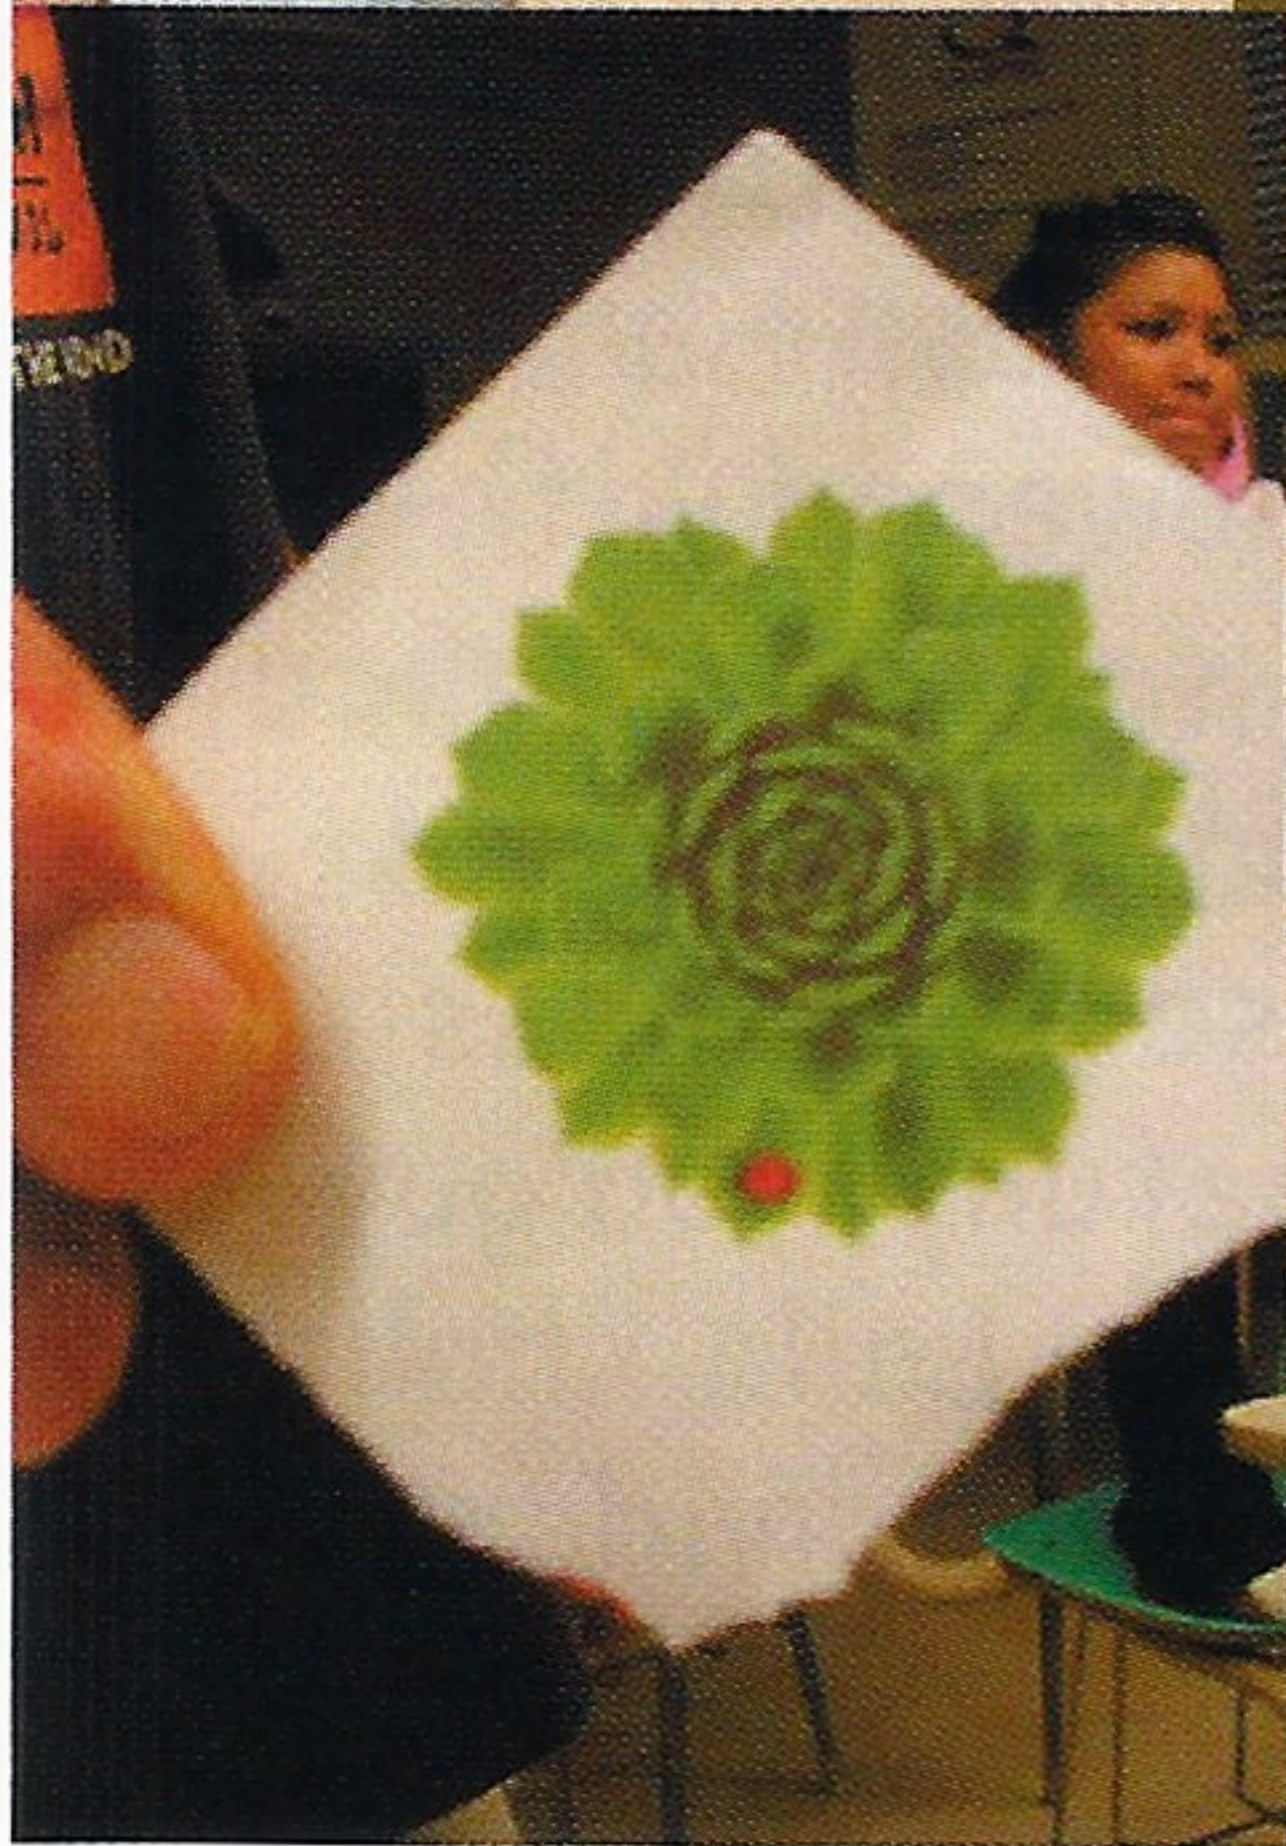

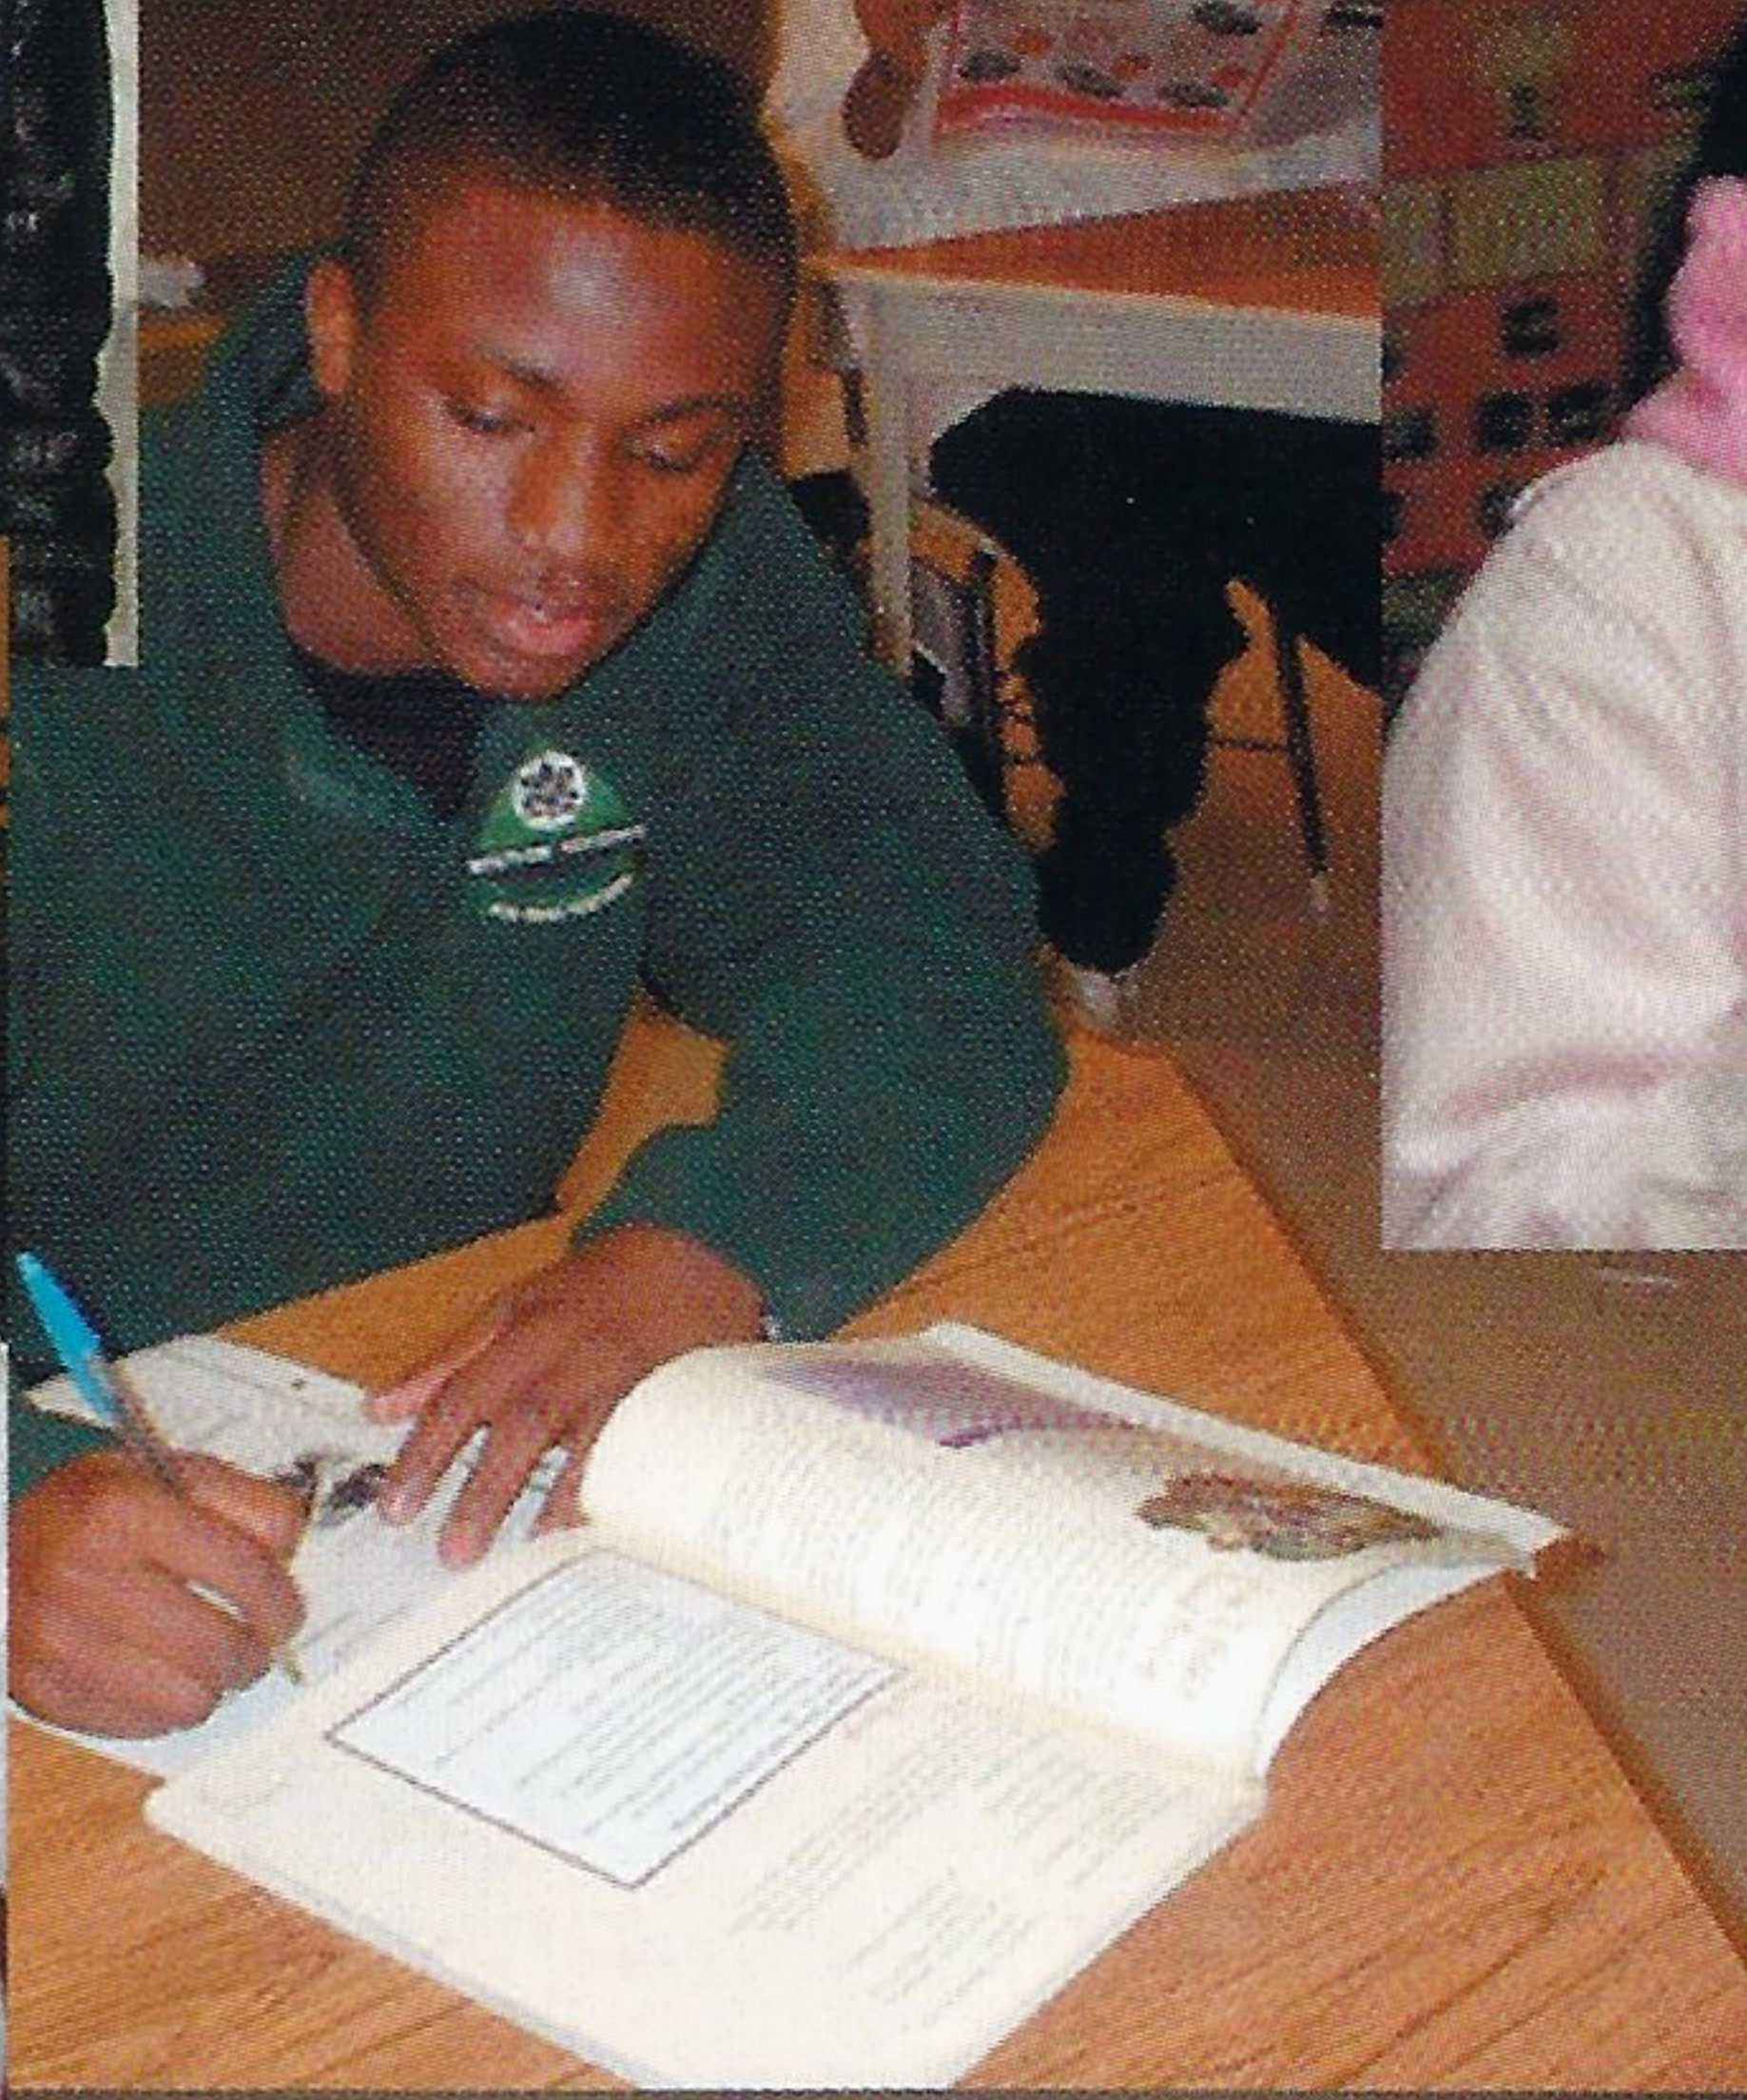

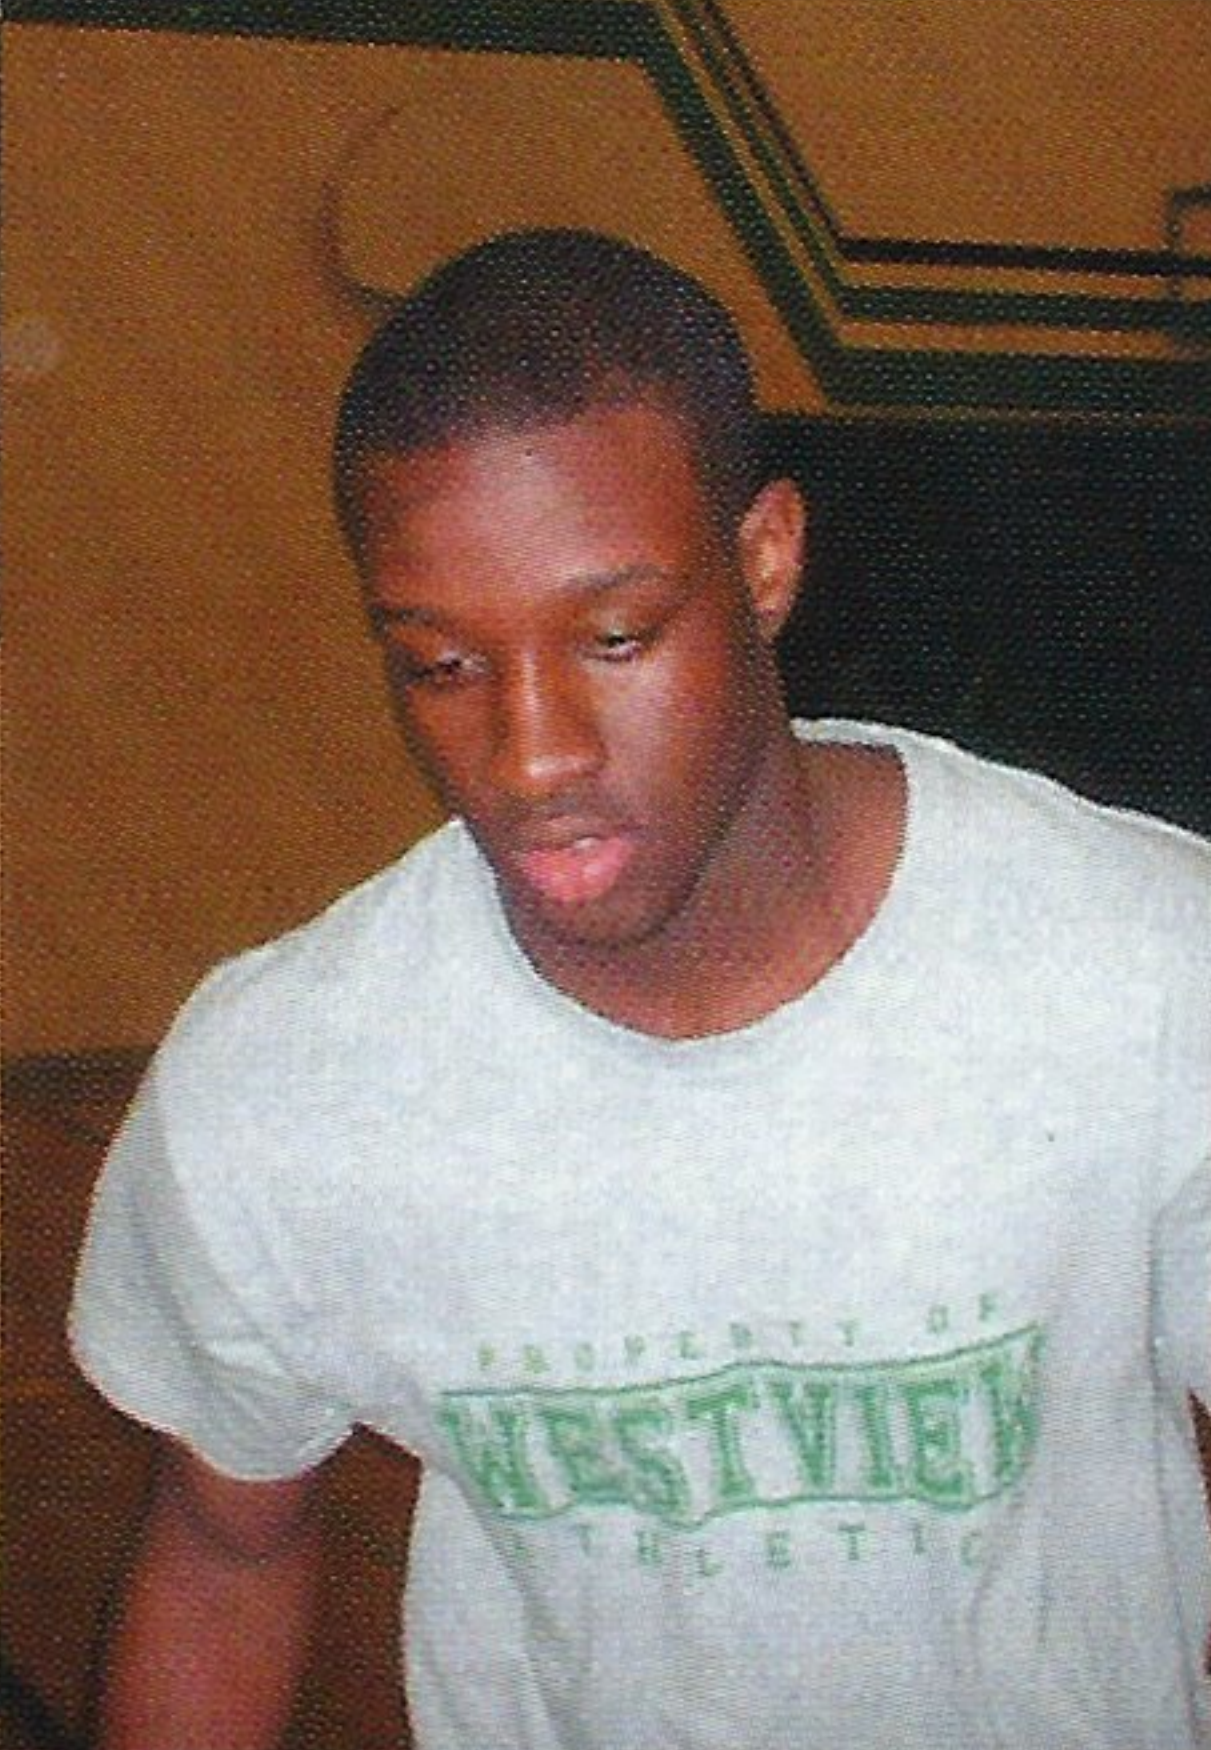

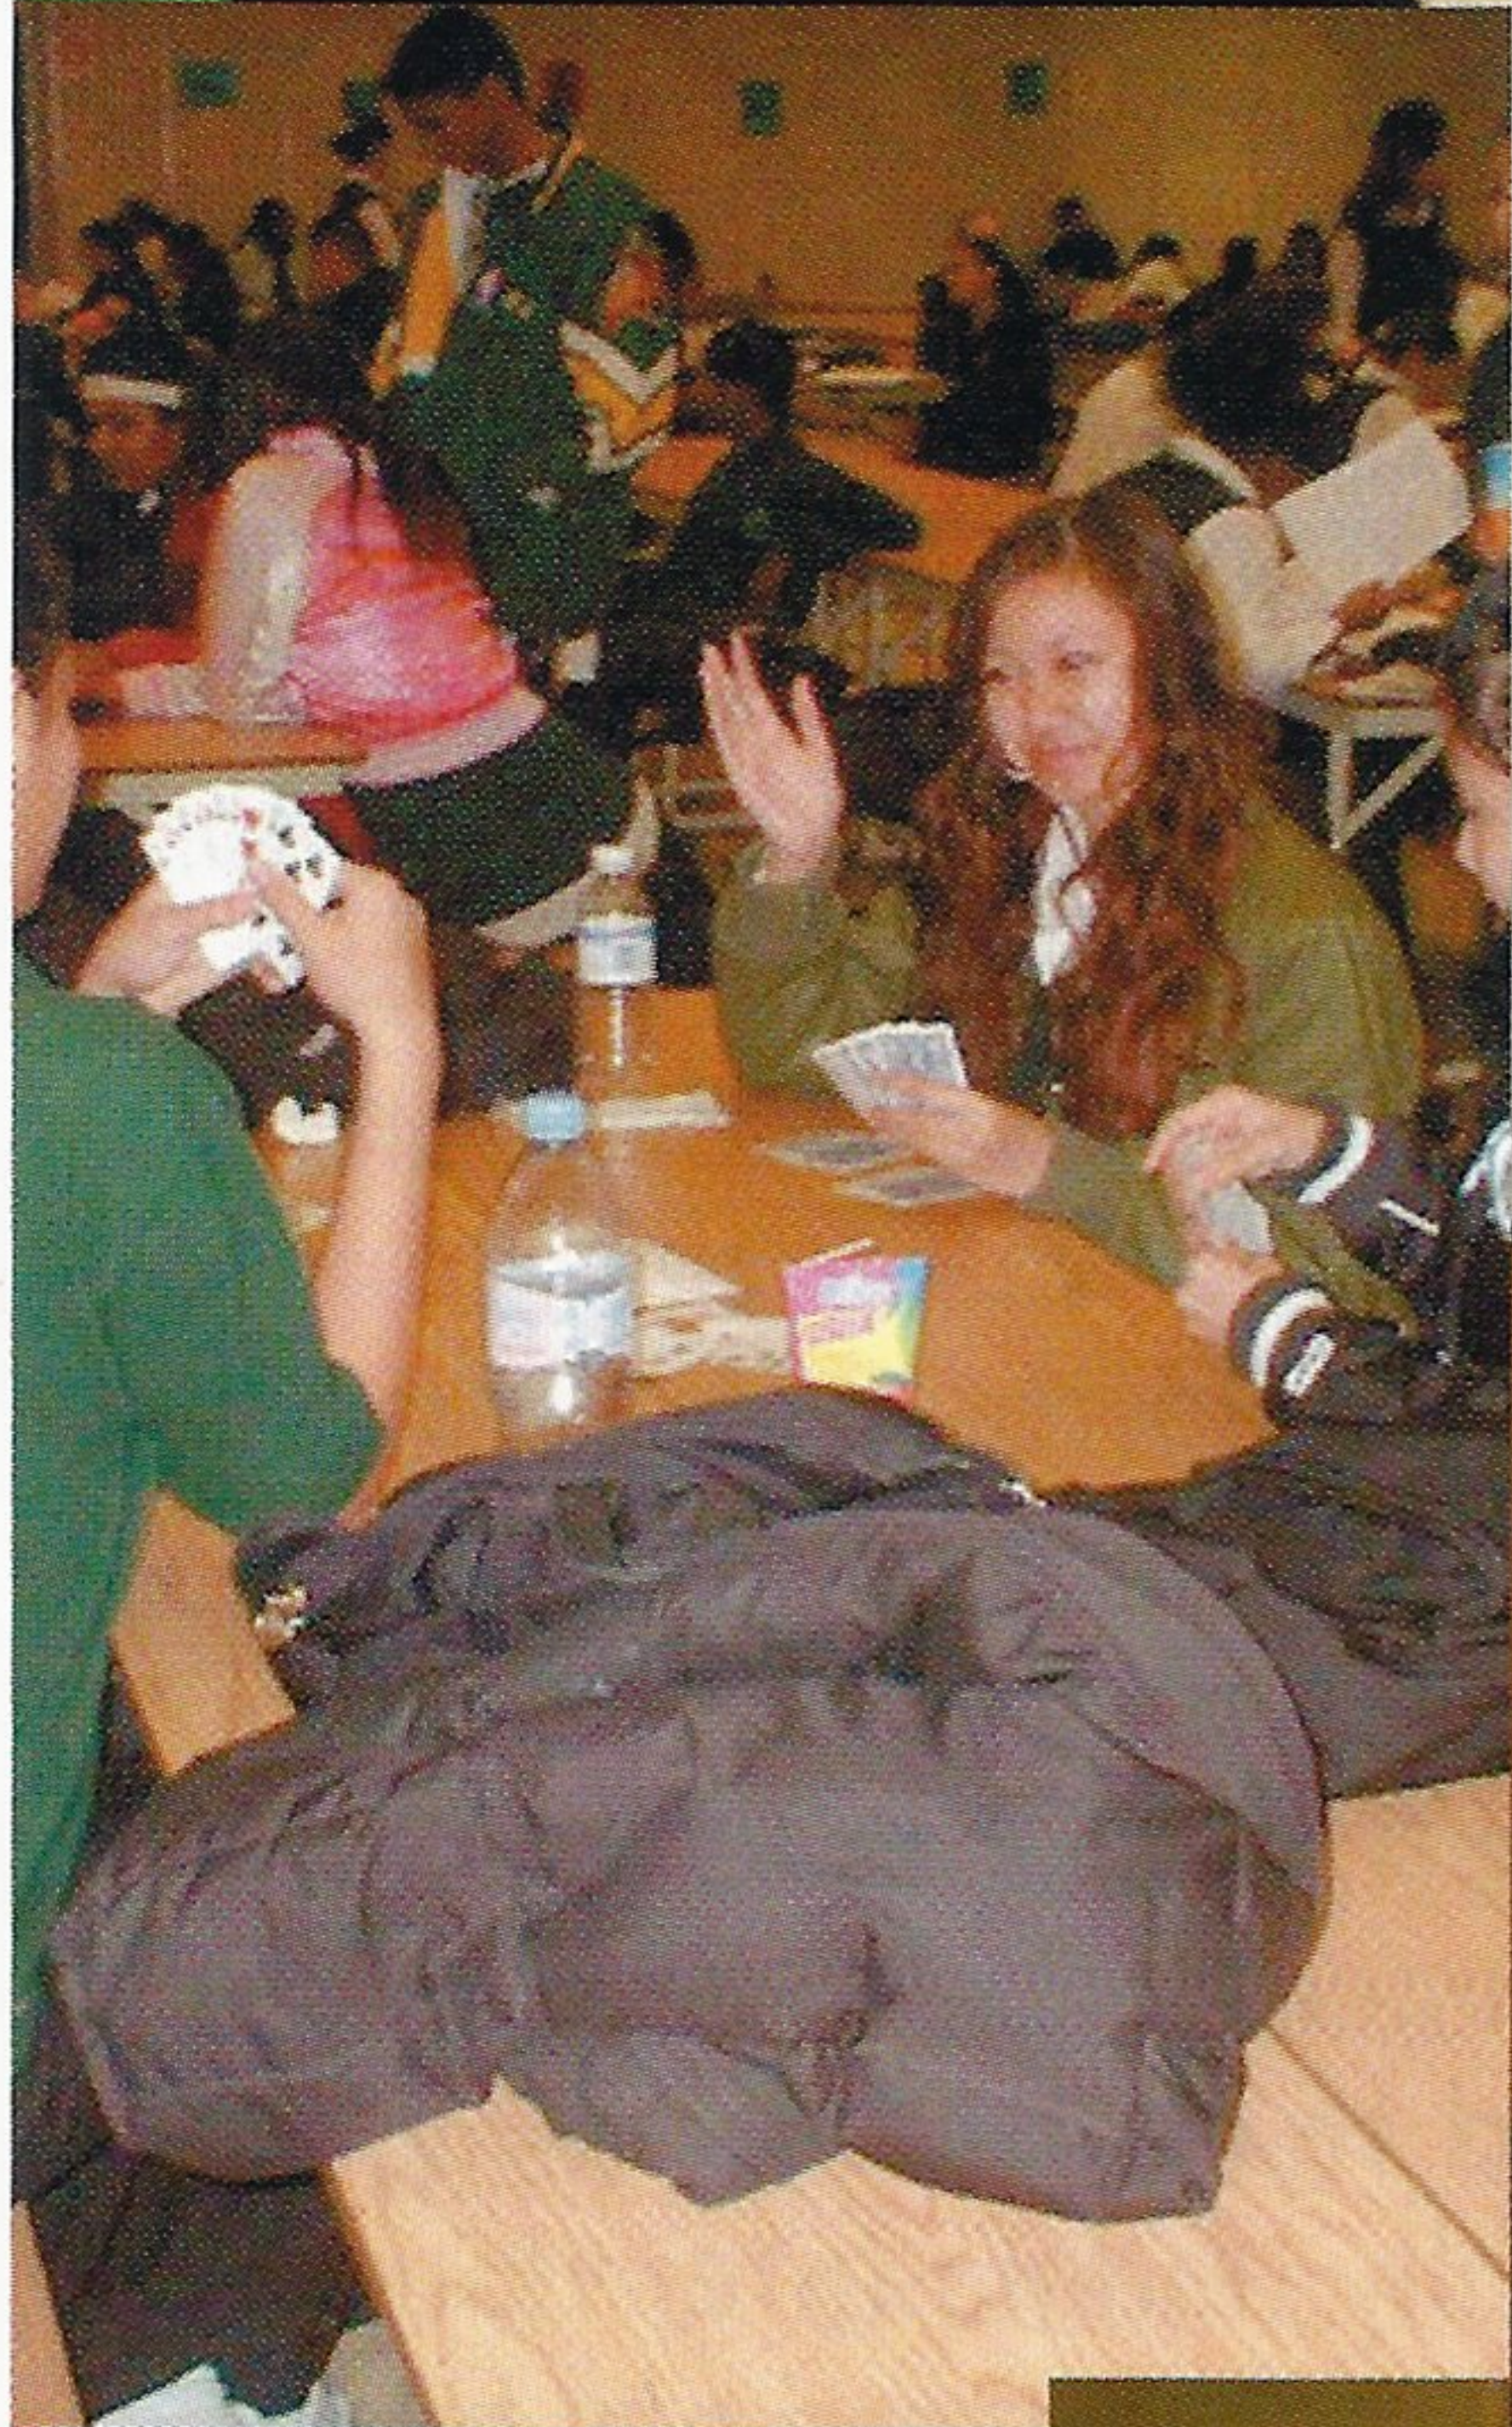

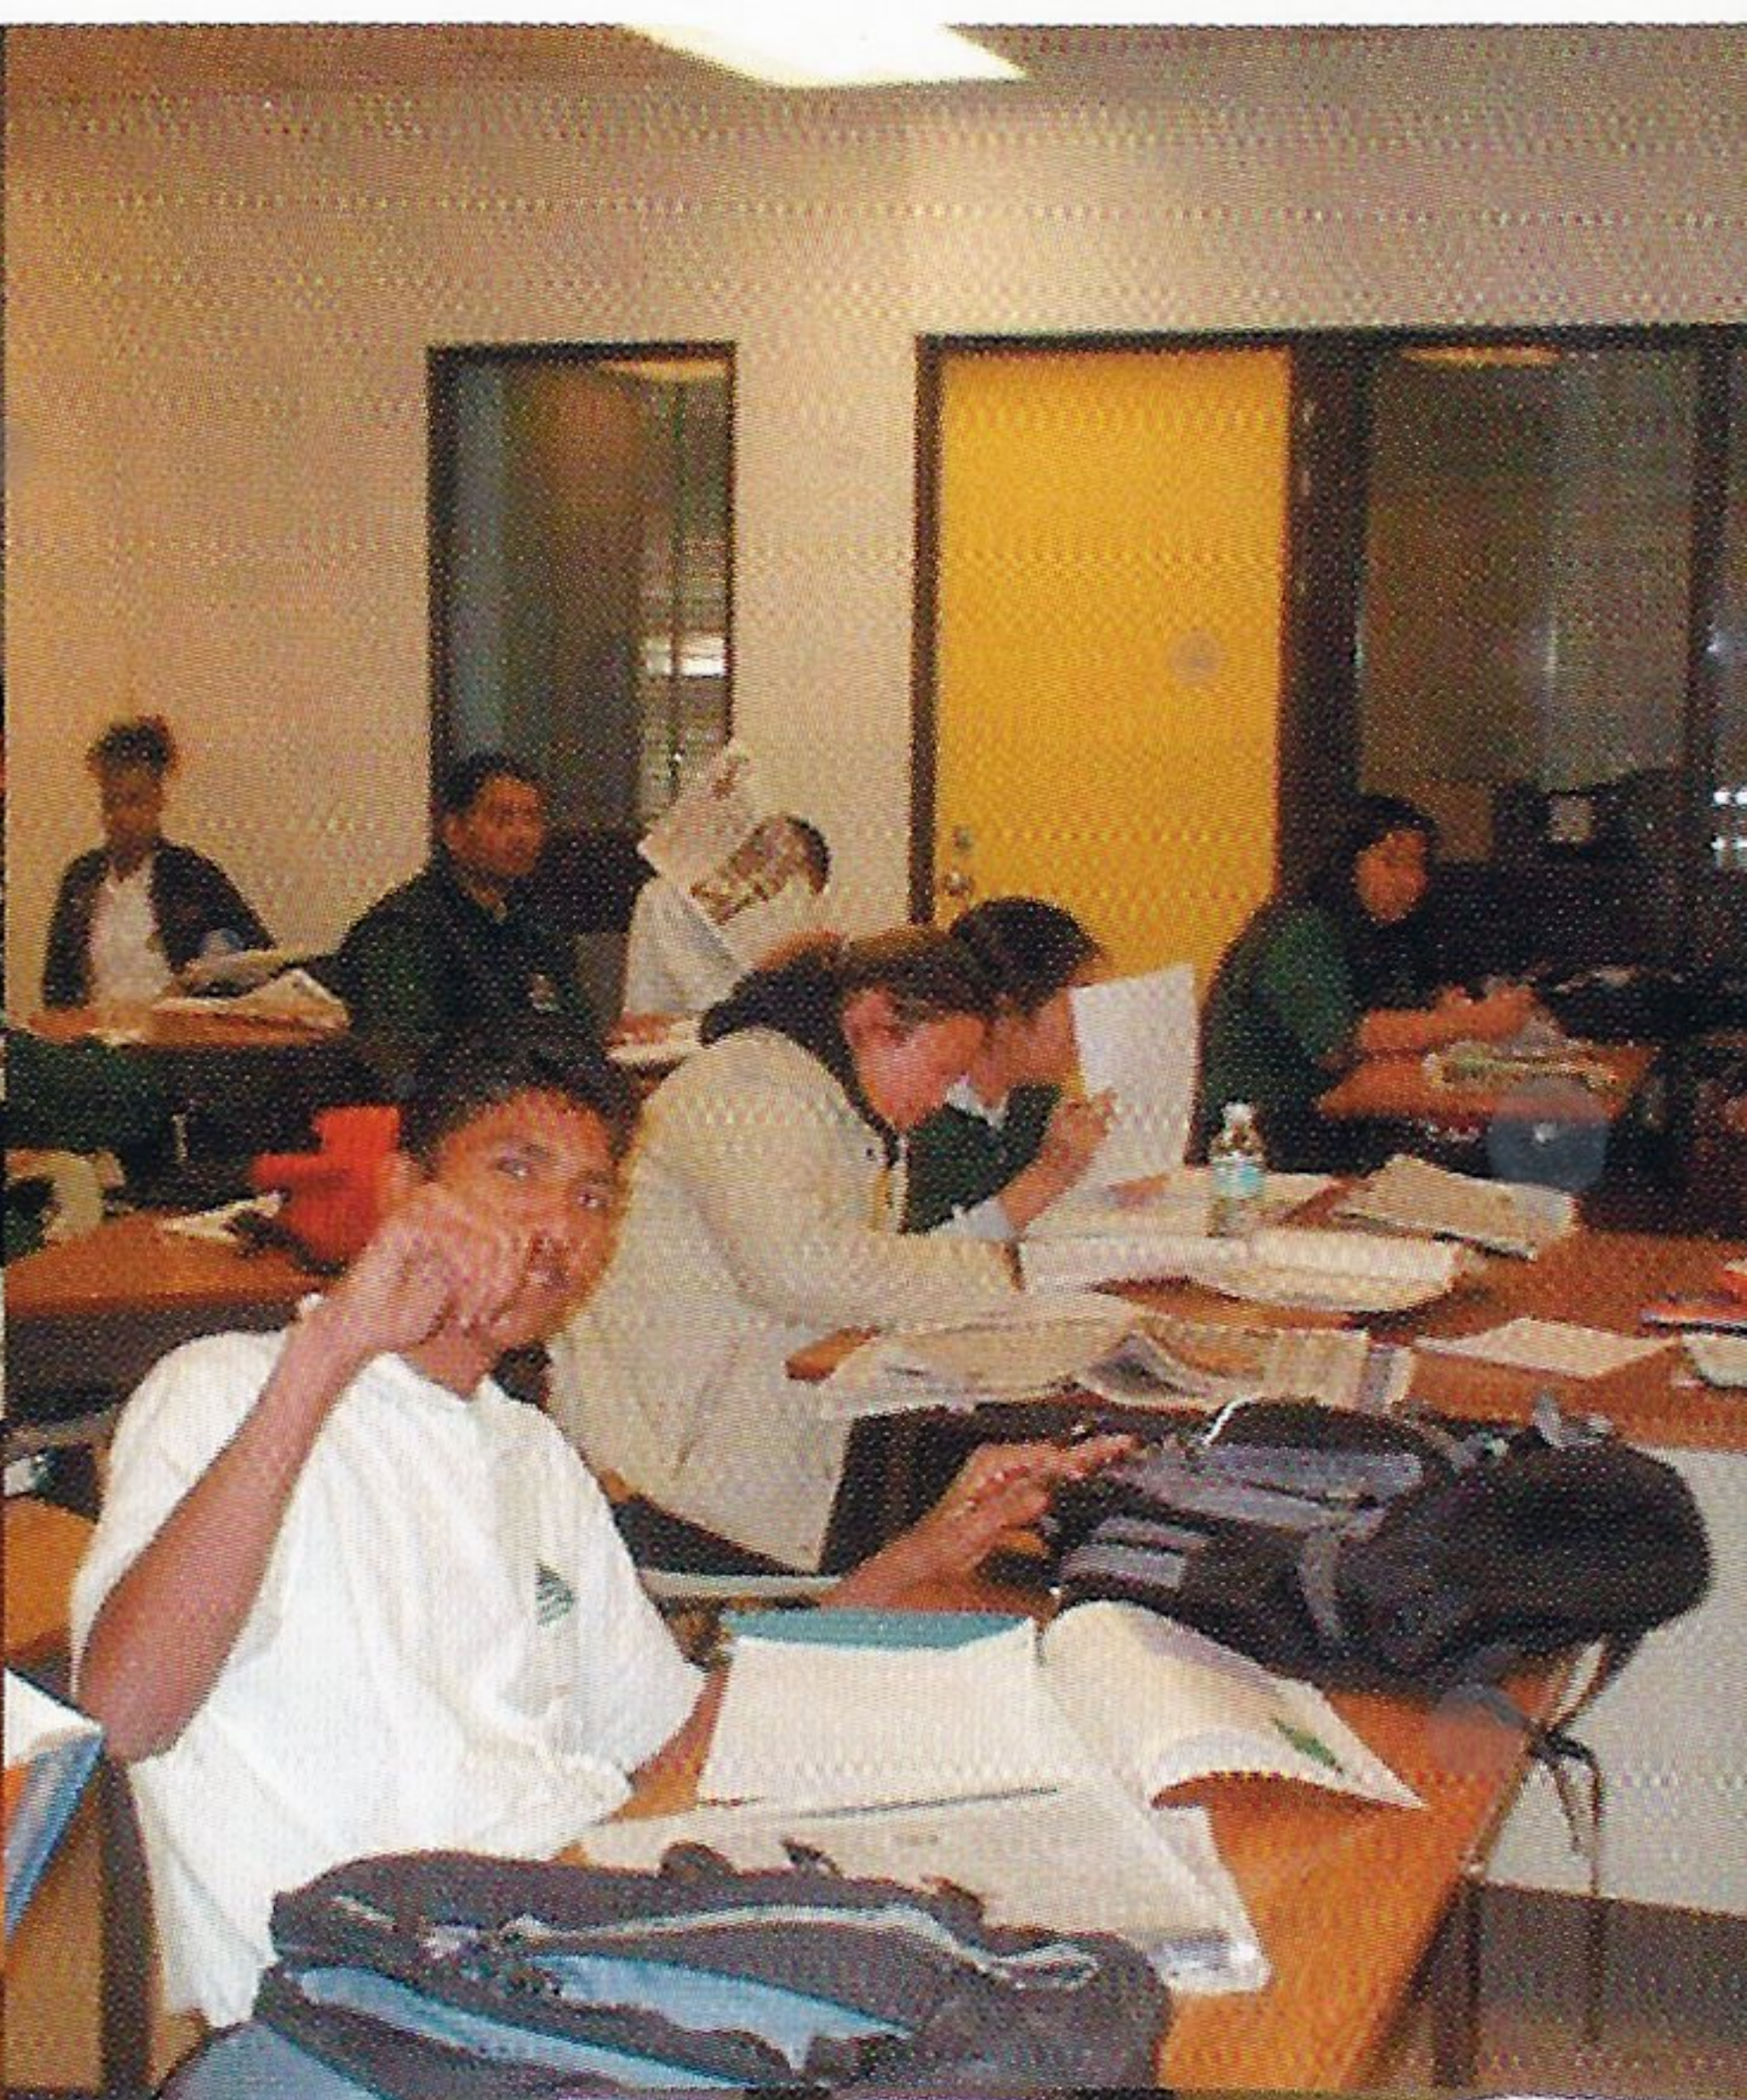

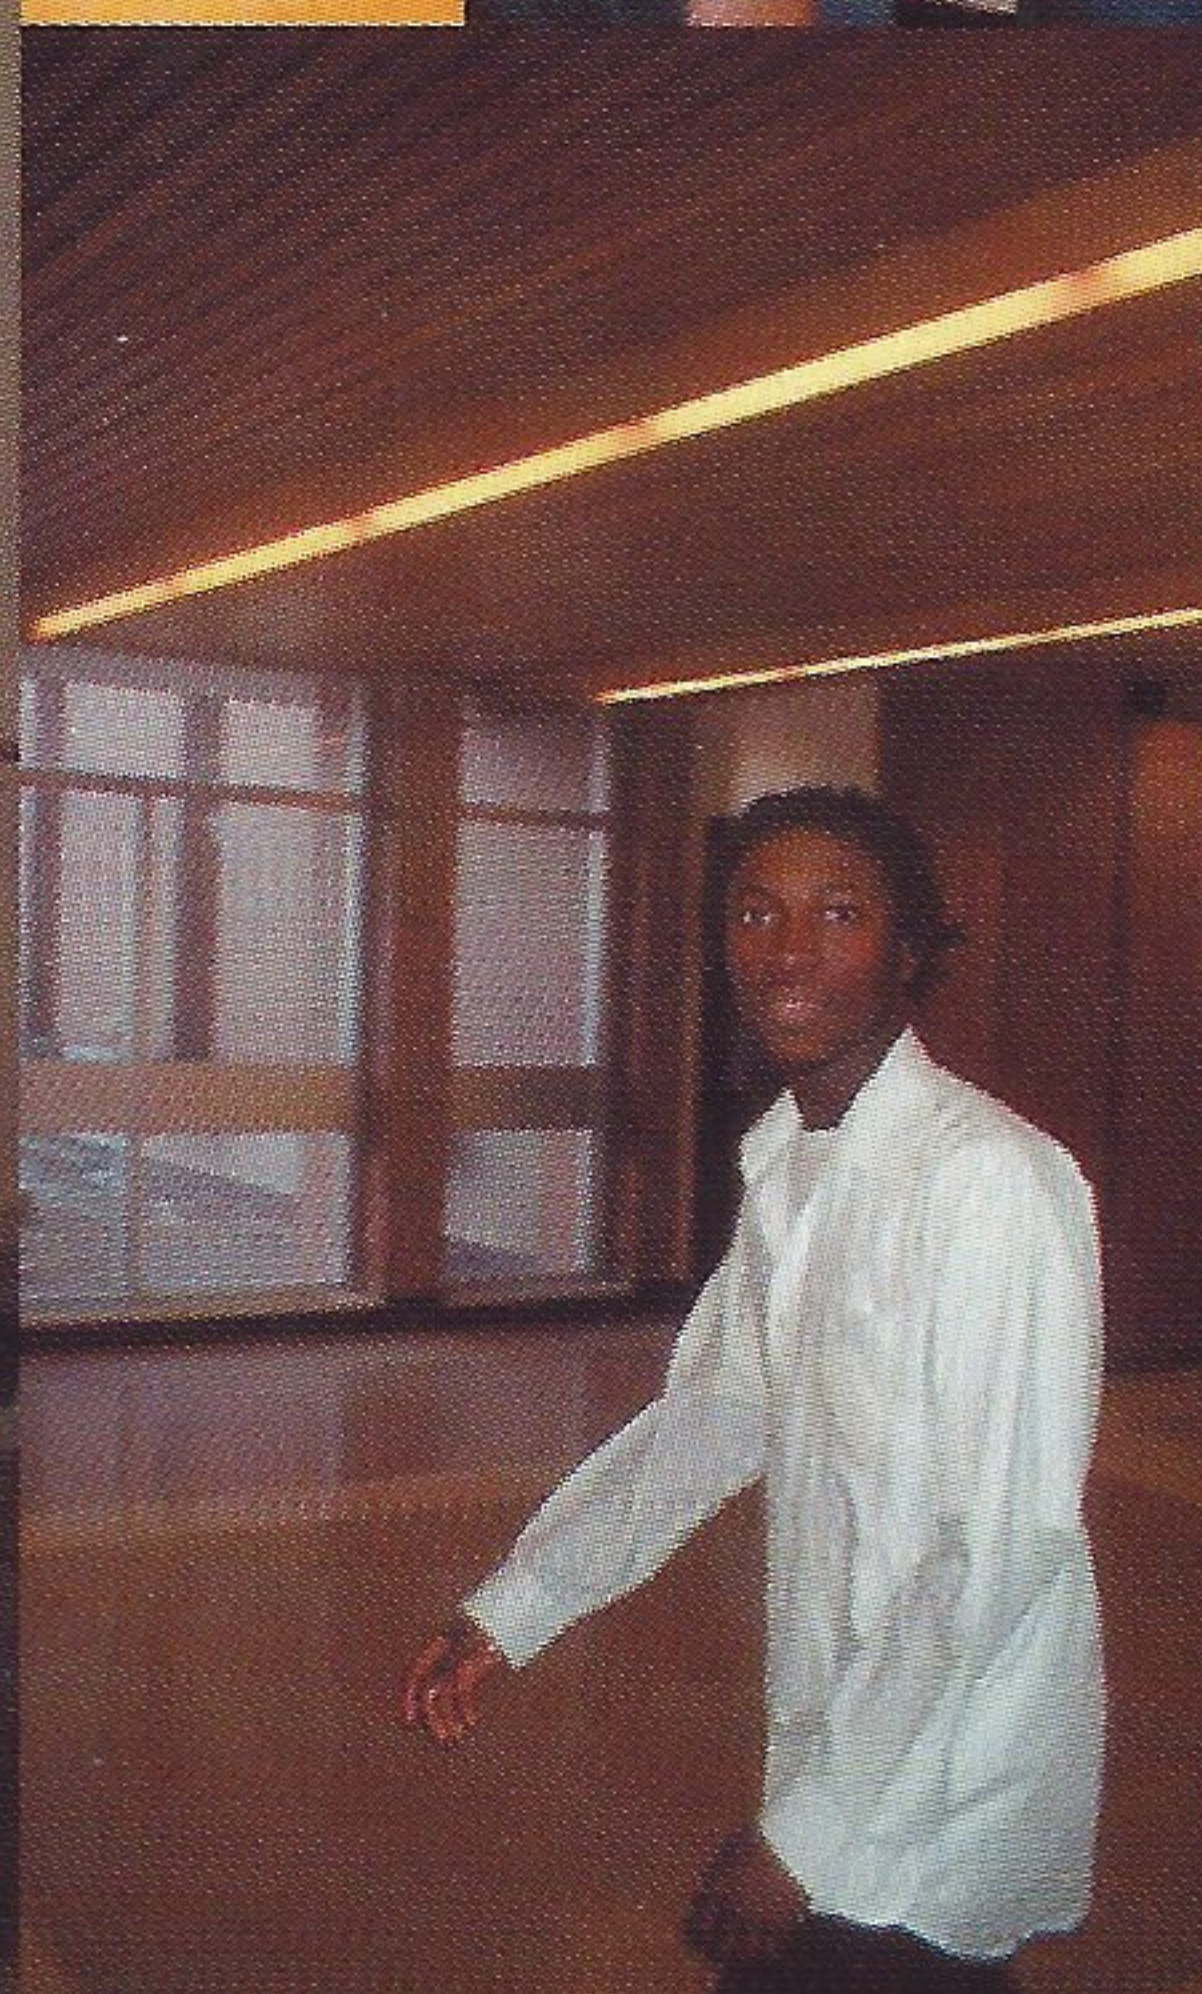

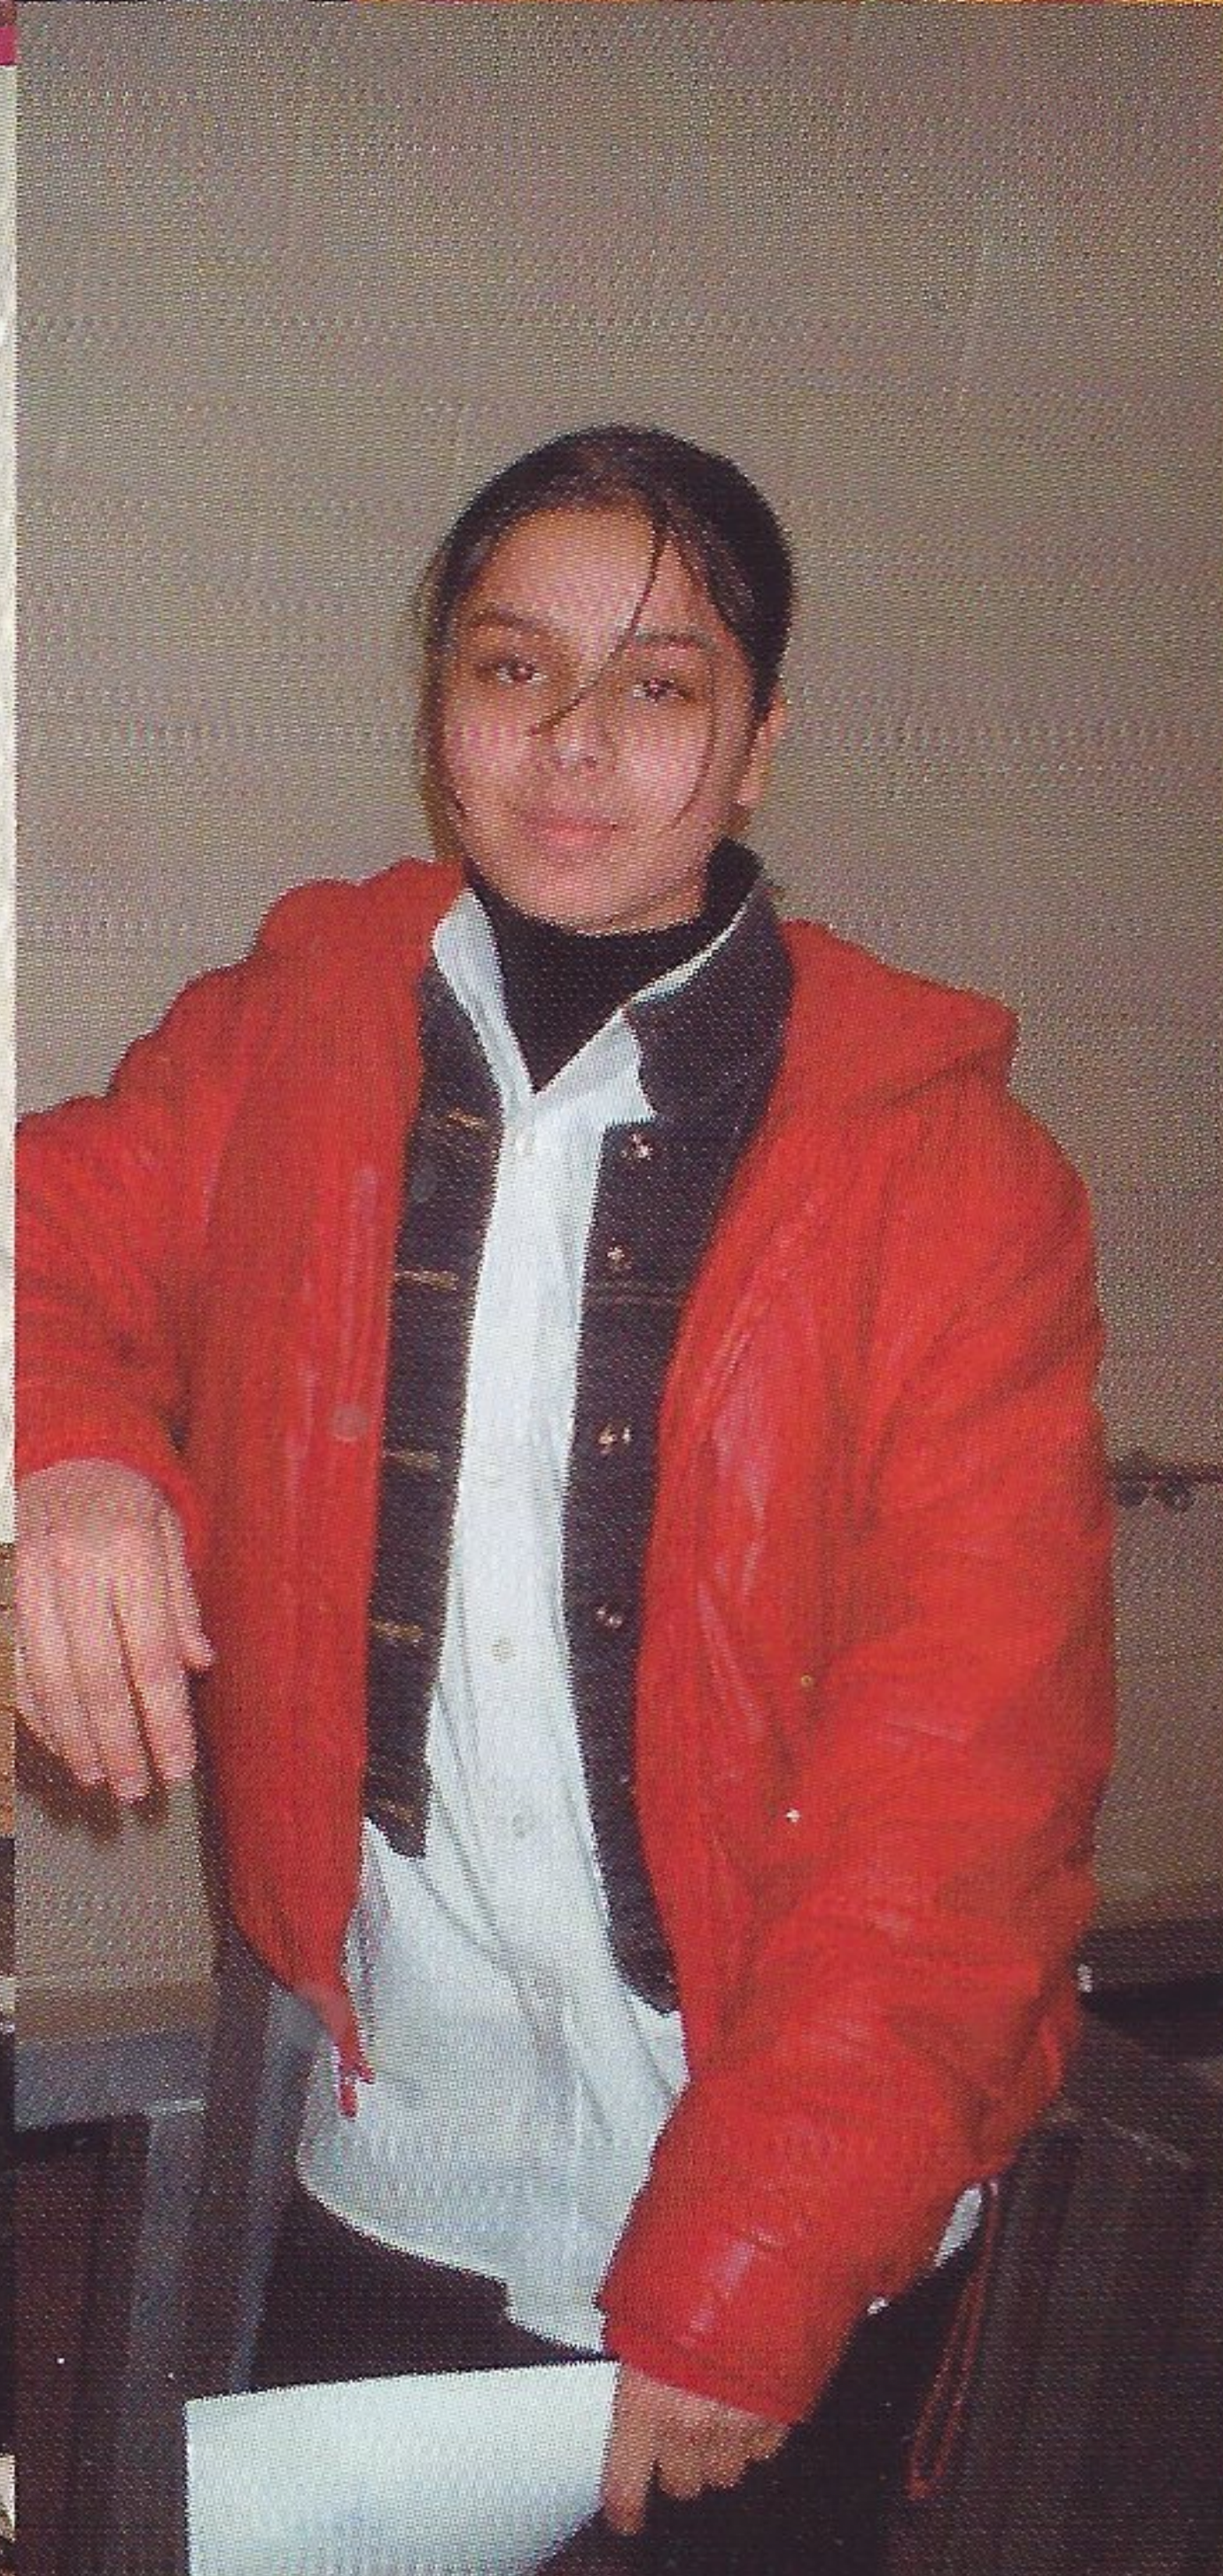

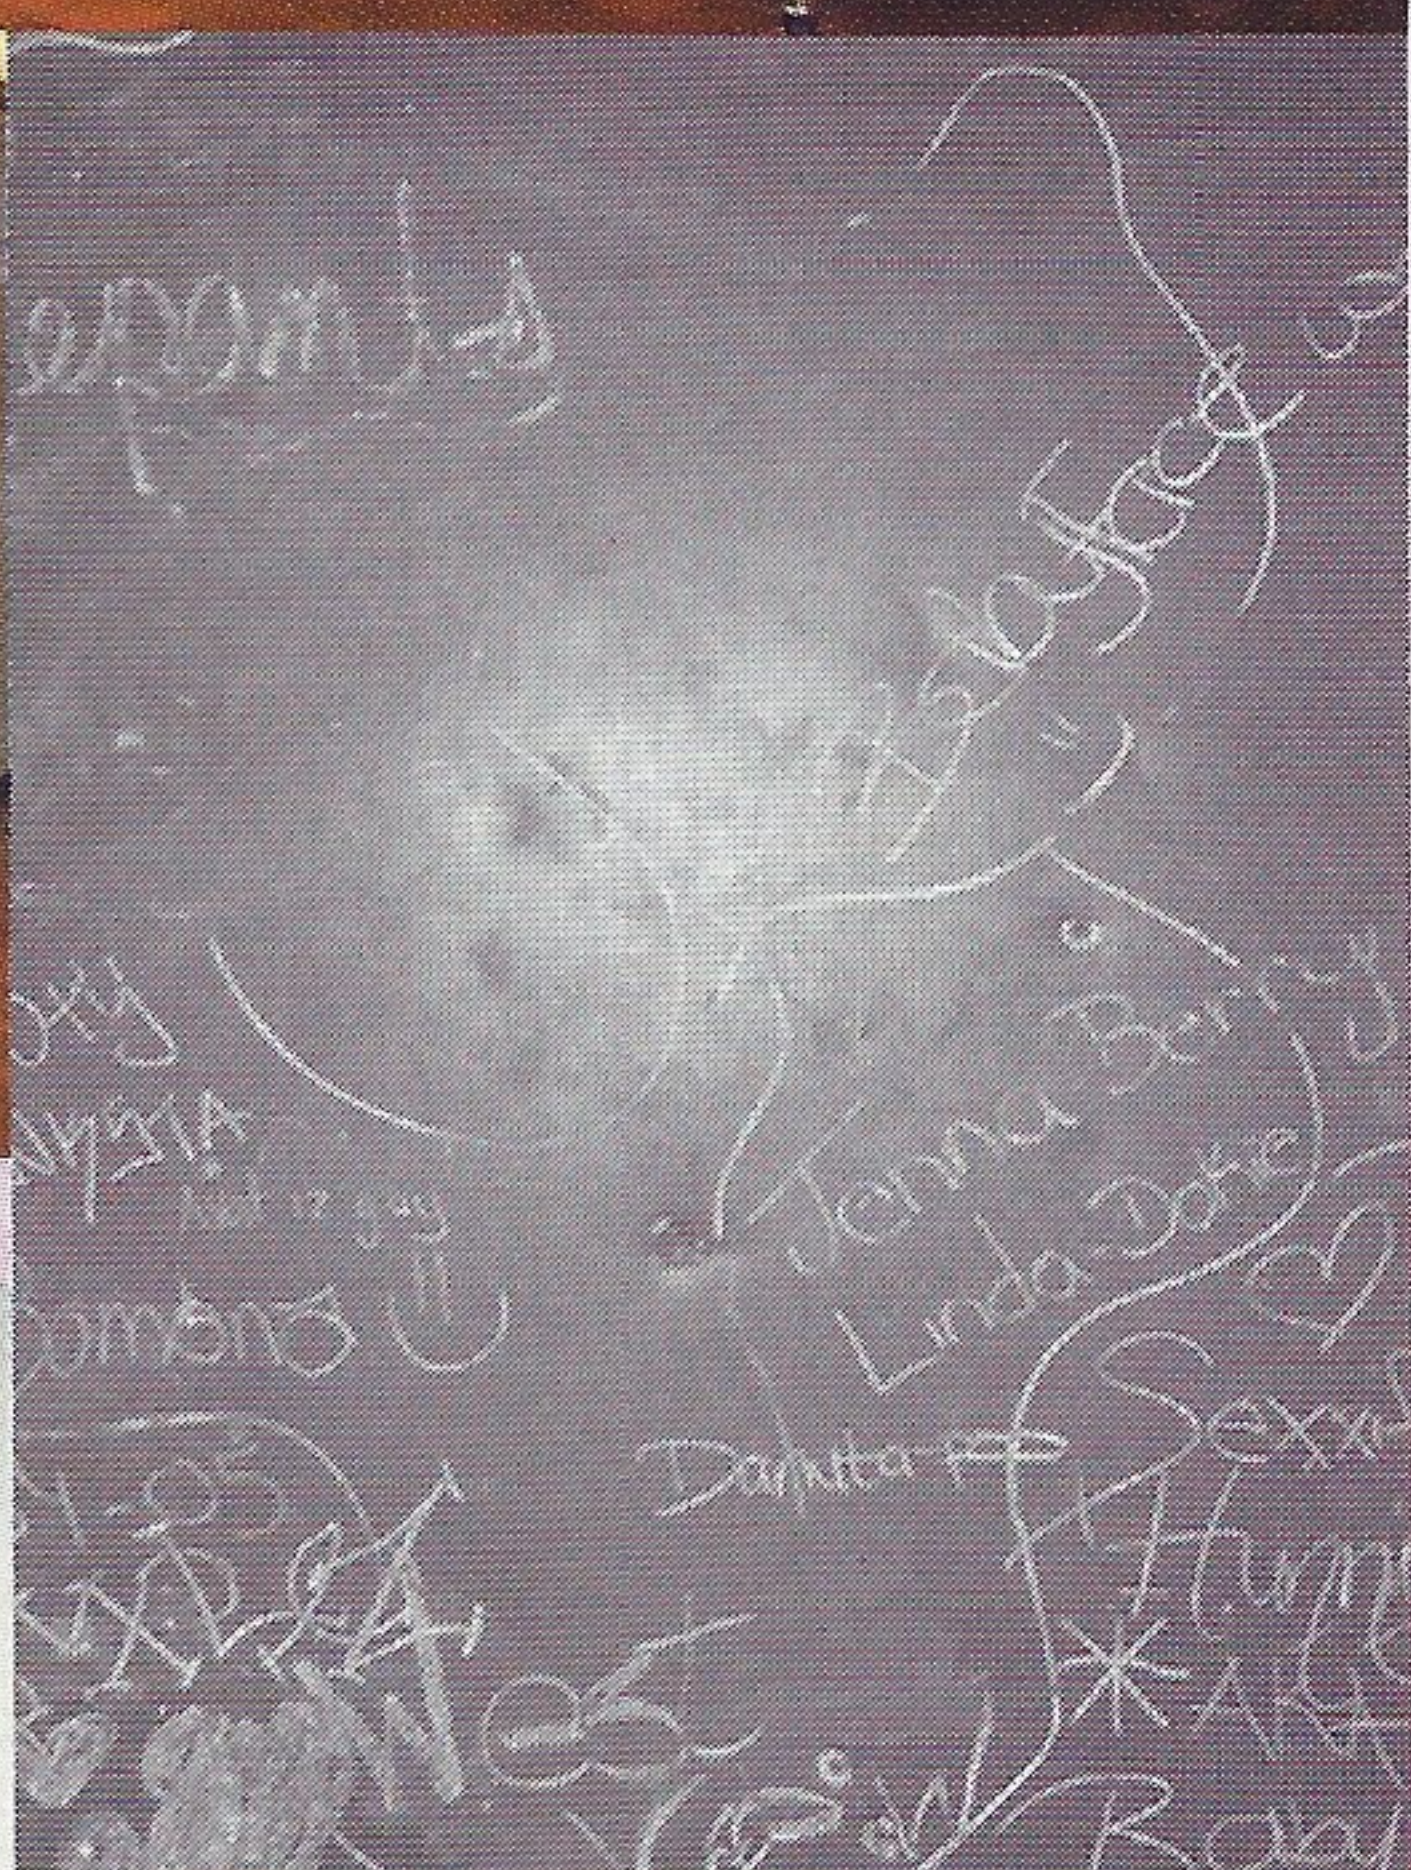

Okay no one warned me that being an editor was THIS hard. Initially I thought that I would have backstage passes to all the cool assemblies in Westview (oh wait, what cool assemblies?) and boss around a group of people. On the contrary, I actually ended up doing some work; hold on, did I just say 'some'? I meant A LOT of work. During the year I wanted to imagine how the committee would feel if I refused to show up for the meetings. I wanted to disappear from the scene and turn up in the end when the whole book was done but I was told that I am a dreamer and they will find me, so I decided to stick with it.

Comparatively, it was a good year. The members I got to work with proved to be responsible and trustworthy. Someone advised me that if I wanted to have a successful year with the committee I needed to hold it together. "Do not talk to them in a loud voice, or they will run away and never look back!" he said, (THAT was challenging!). Basically he was trying to say that I should worship them until the yearbook is done. But I didn't have to do any of that, thank god. Everyone turned out to be nice enough to not be offended by my annoying comments and criticism (hey I was supposed to do that!).

Anyway we really had no intentions of making a trash-book so we tried our best to come up with a good one. From the time and the resources we had it wasn't an easy job. Also, we were being showered with ideas on every step of our way so we tried to combine them altogether with a little creativity and common sense and this is what we came up with. Hopefully, you guys won't be disappointed. ... Laila Khalid (p.s. special thnx to J.J for the dividers)

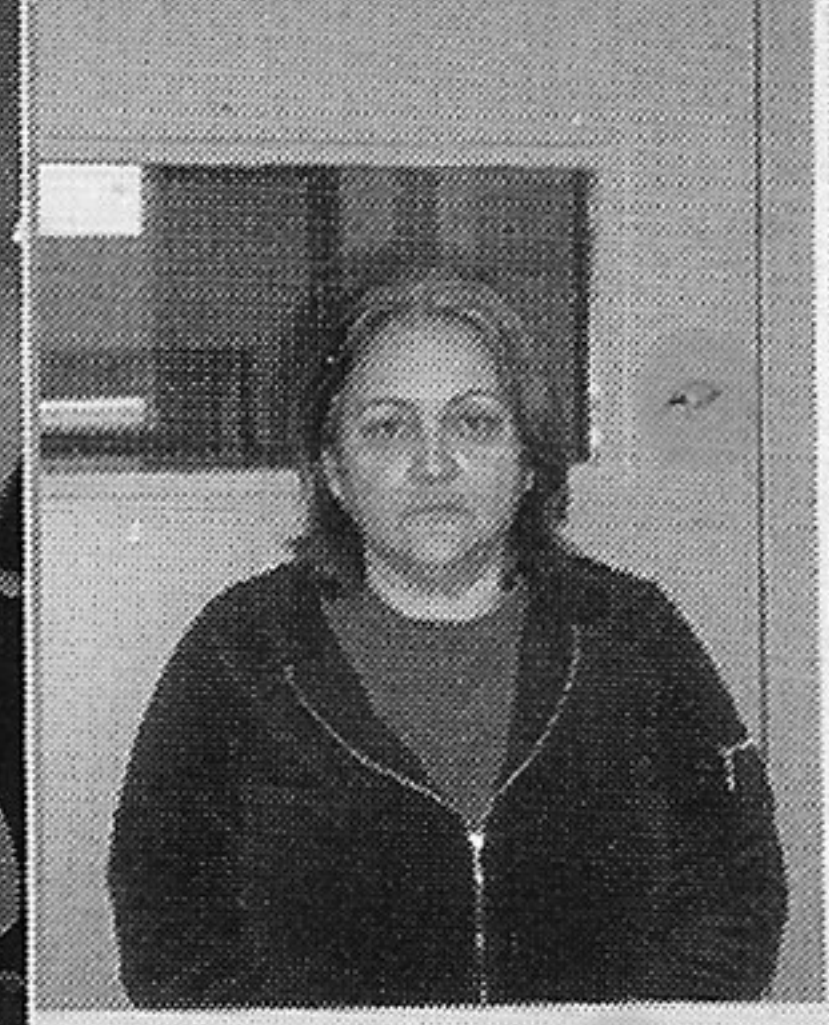

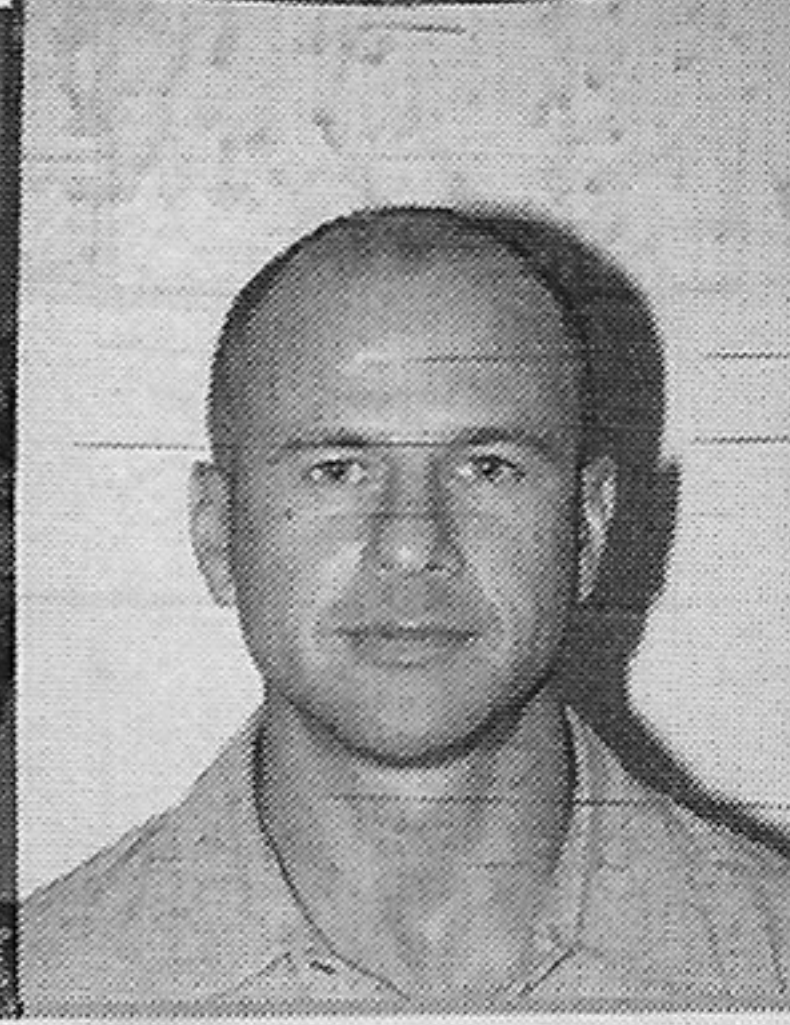

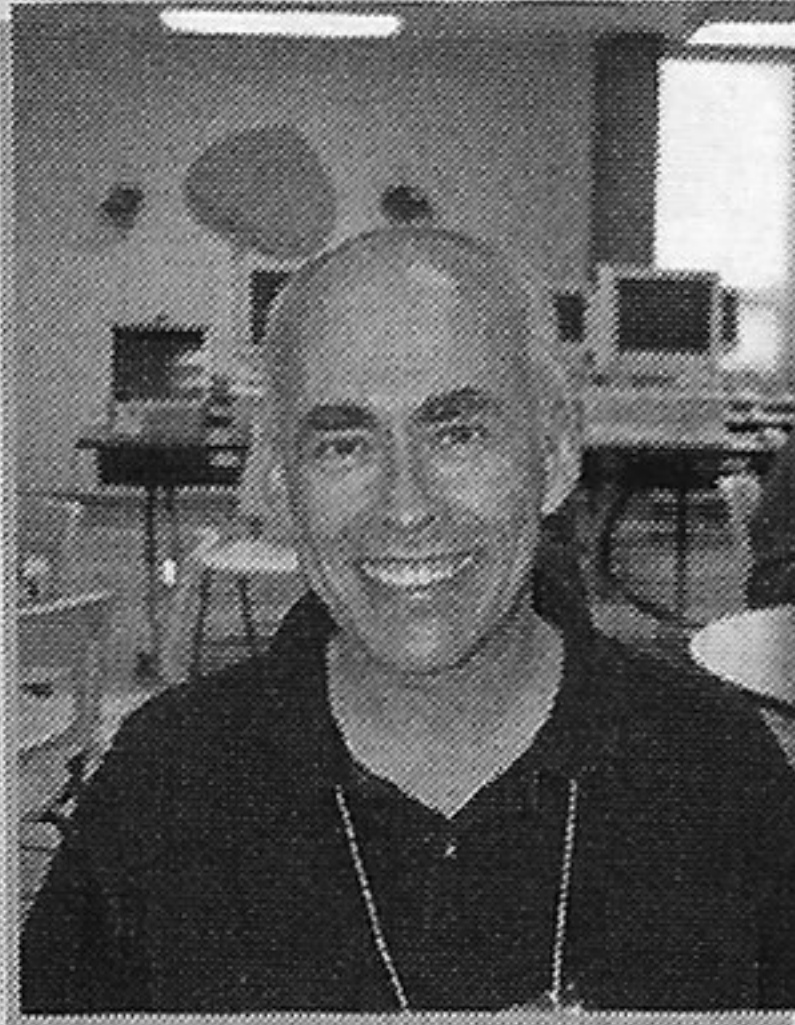

I would like to congratulate the yearbook committee for their hard work and dedication with this project. The yearbook is a valuable tool that will continue to enhance the lives of all students. Special thanks to all our teachers and other faculty members here at Westview. It has been just over 2 years since I have been at Westview and I can truly say that I have not worked with a finer group. As Maya Angelou states, "One isn't necessarily born with courage, but one is born with potential". As educators, let us continue to nurture the potential within each student and help them to develop the courage they need. It is this nurturing and our support that will guide them into becoming successful, lifelong learners and meaningful contributors of society. To our students, follow your dreams, and do not allow anyone or anything stand in your way of your dream. Make yourself the very best you can be.

by: Neeta Shankar

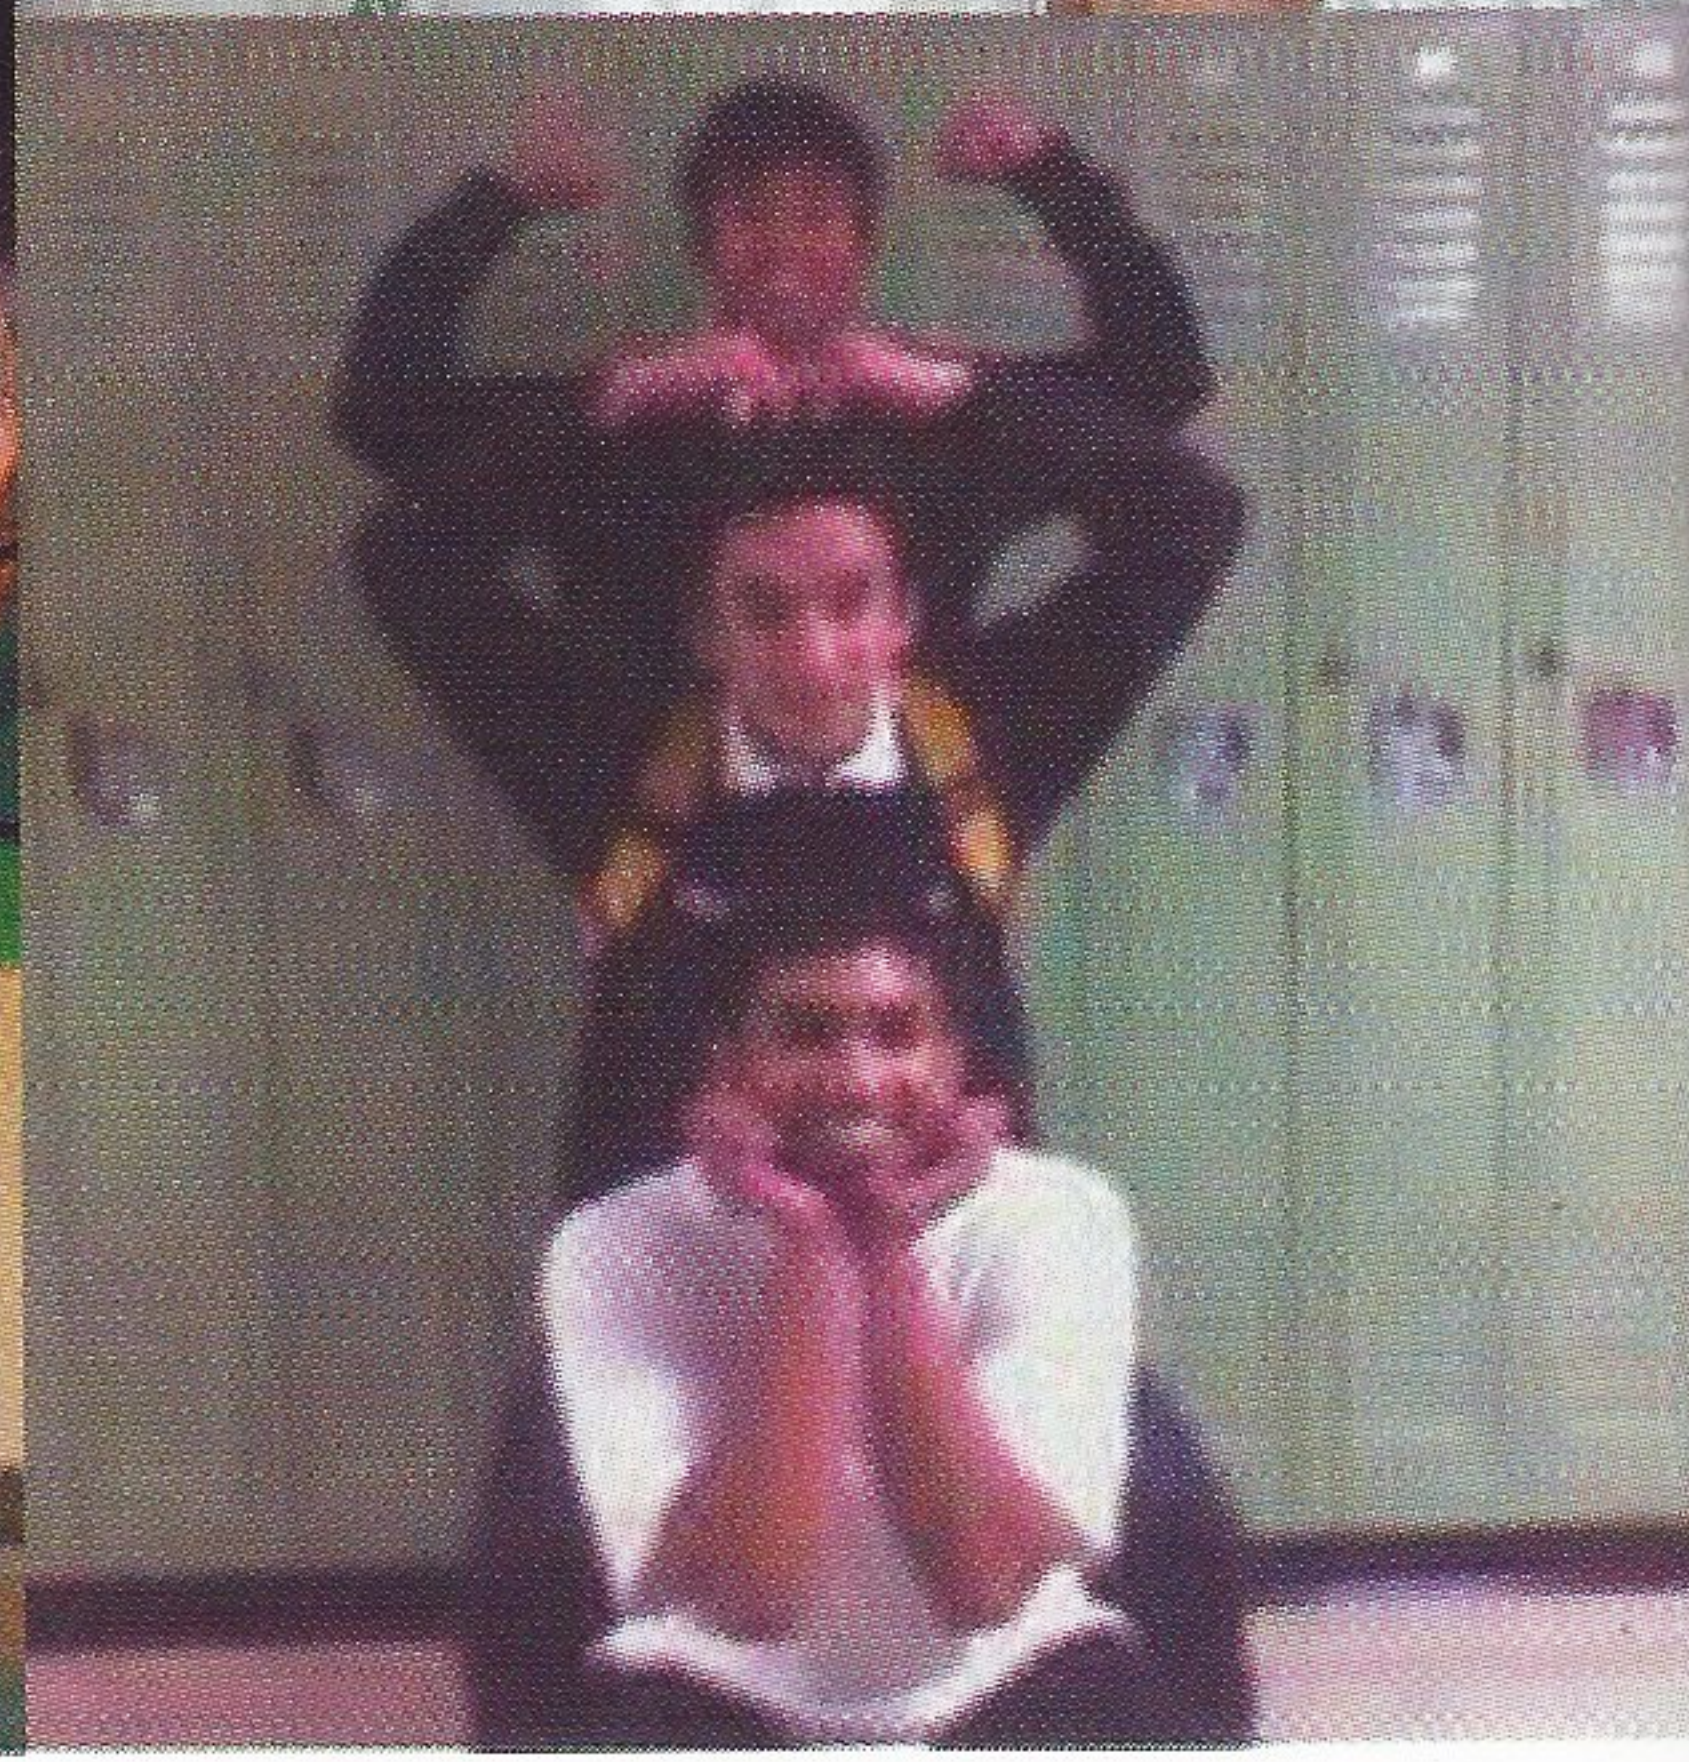

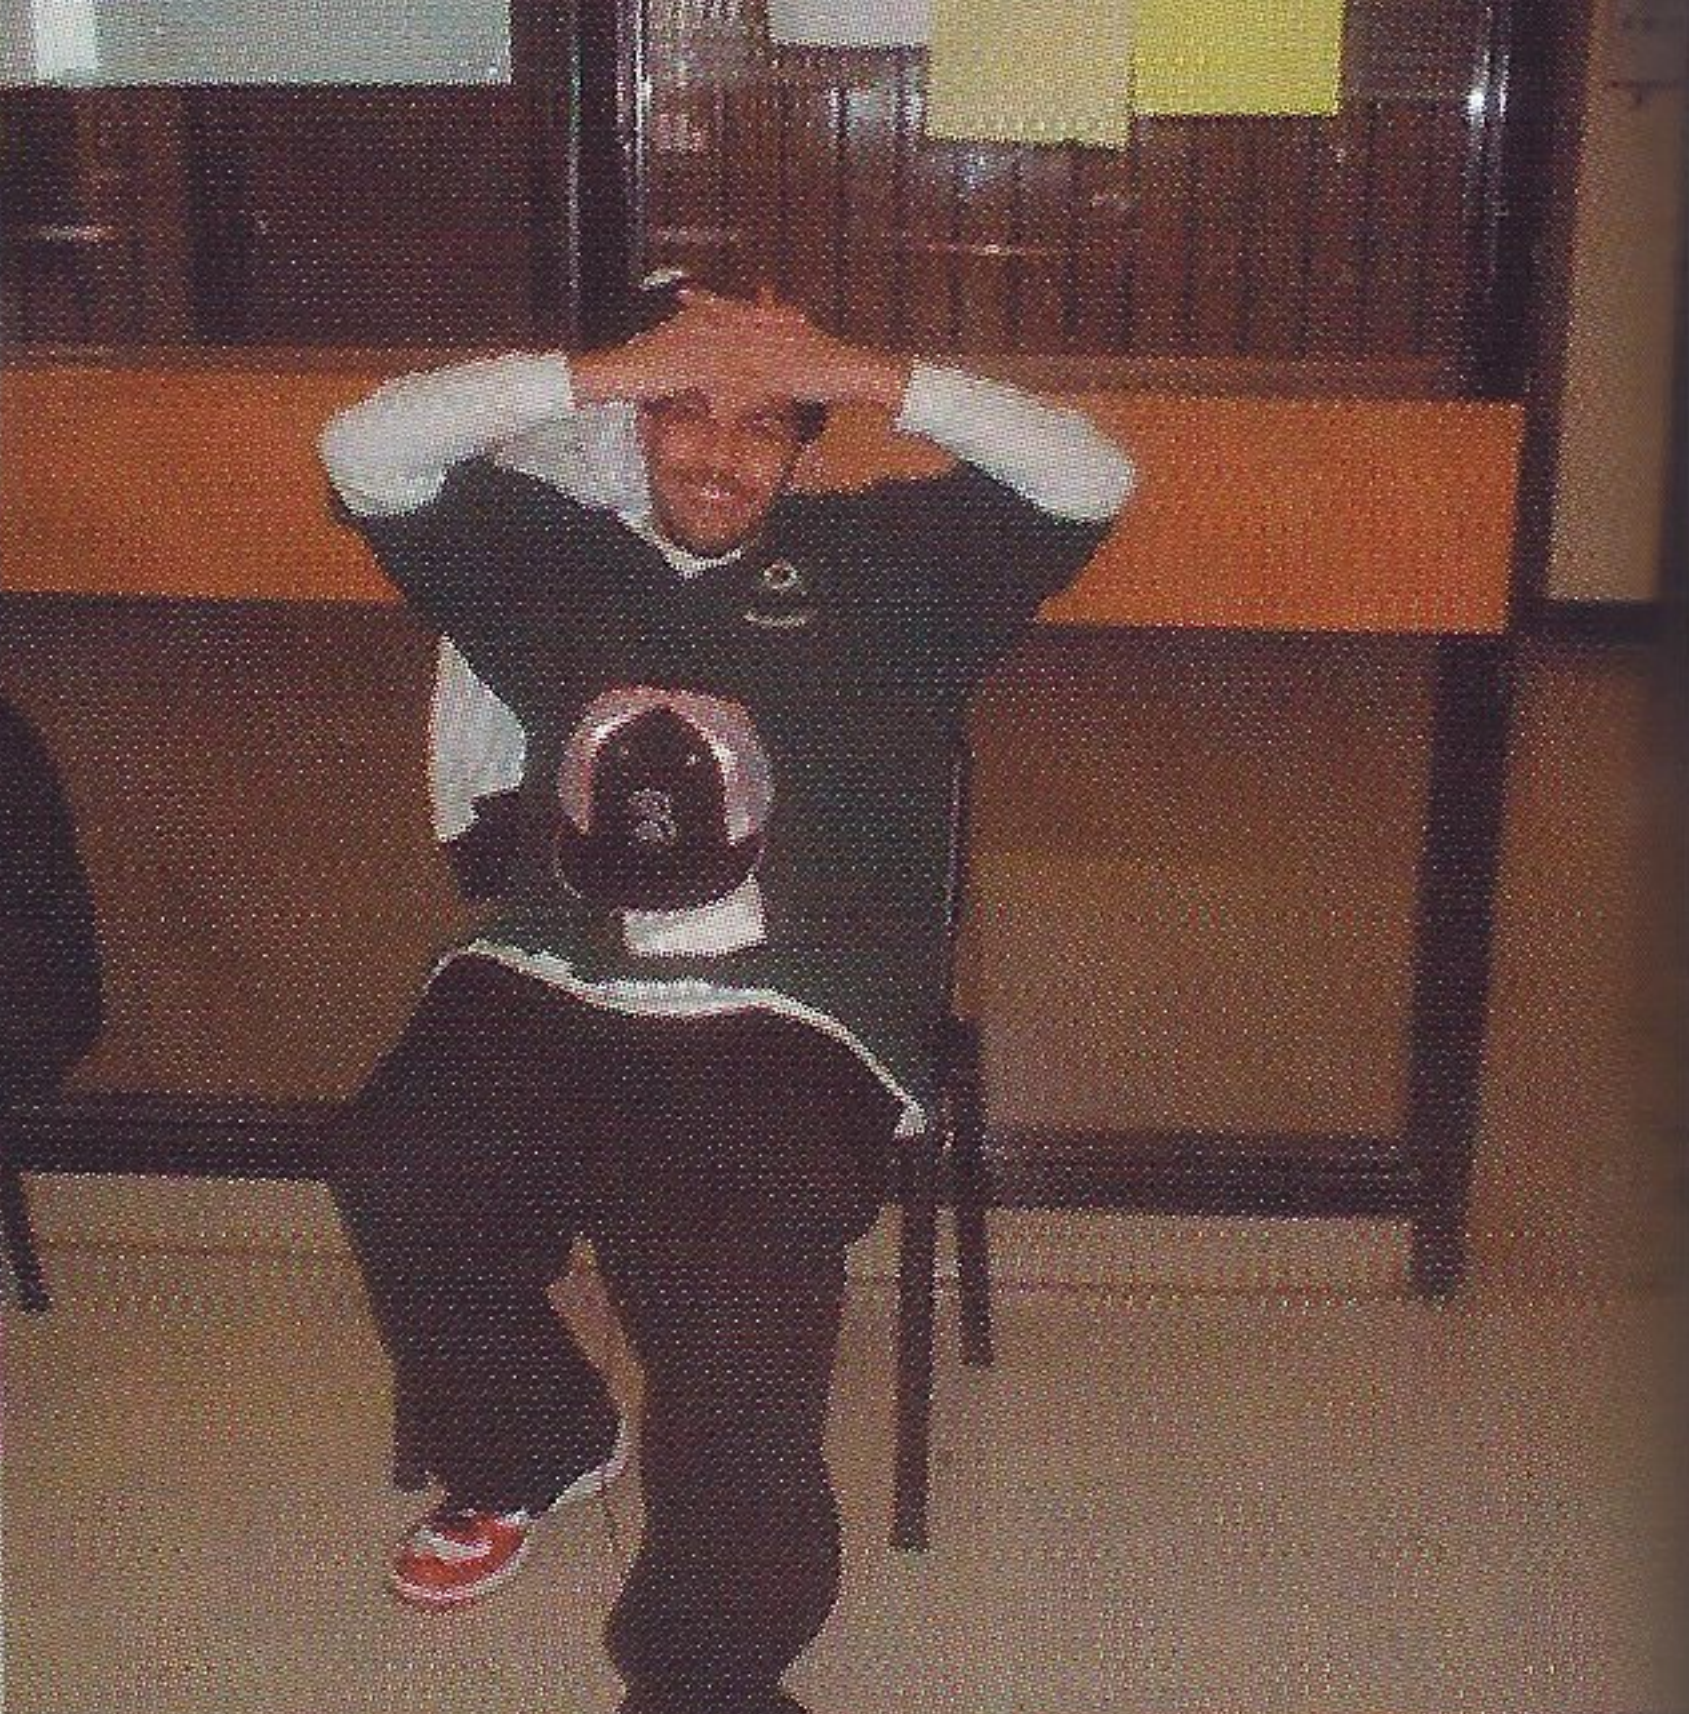

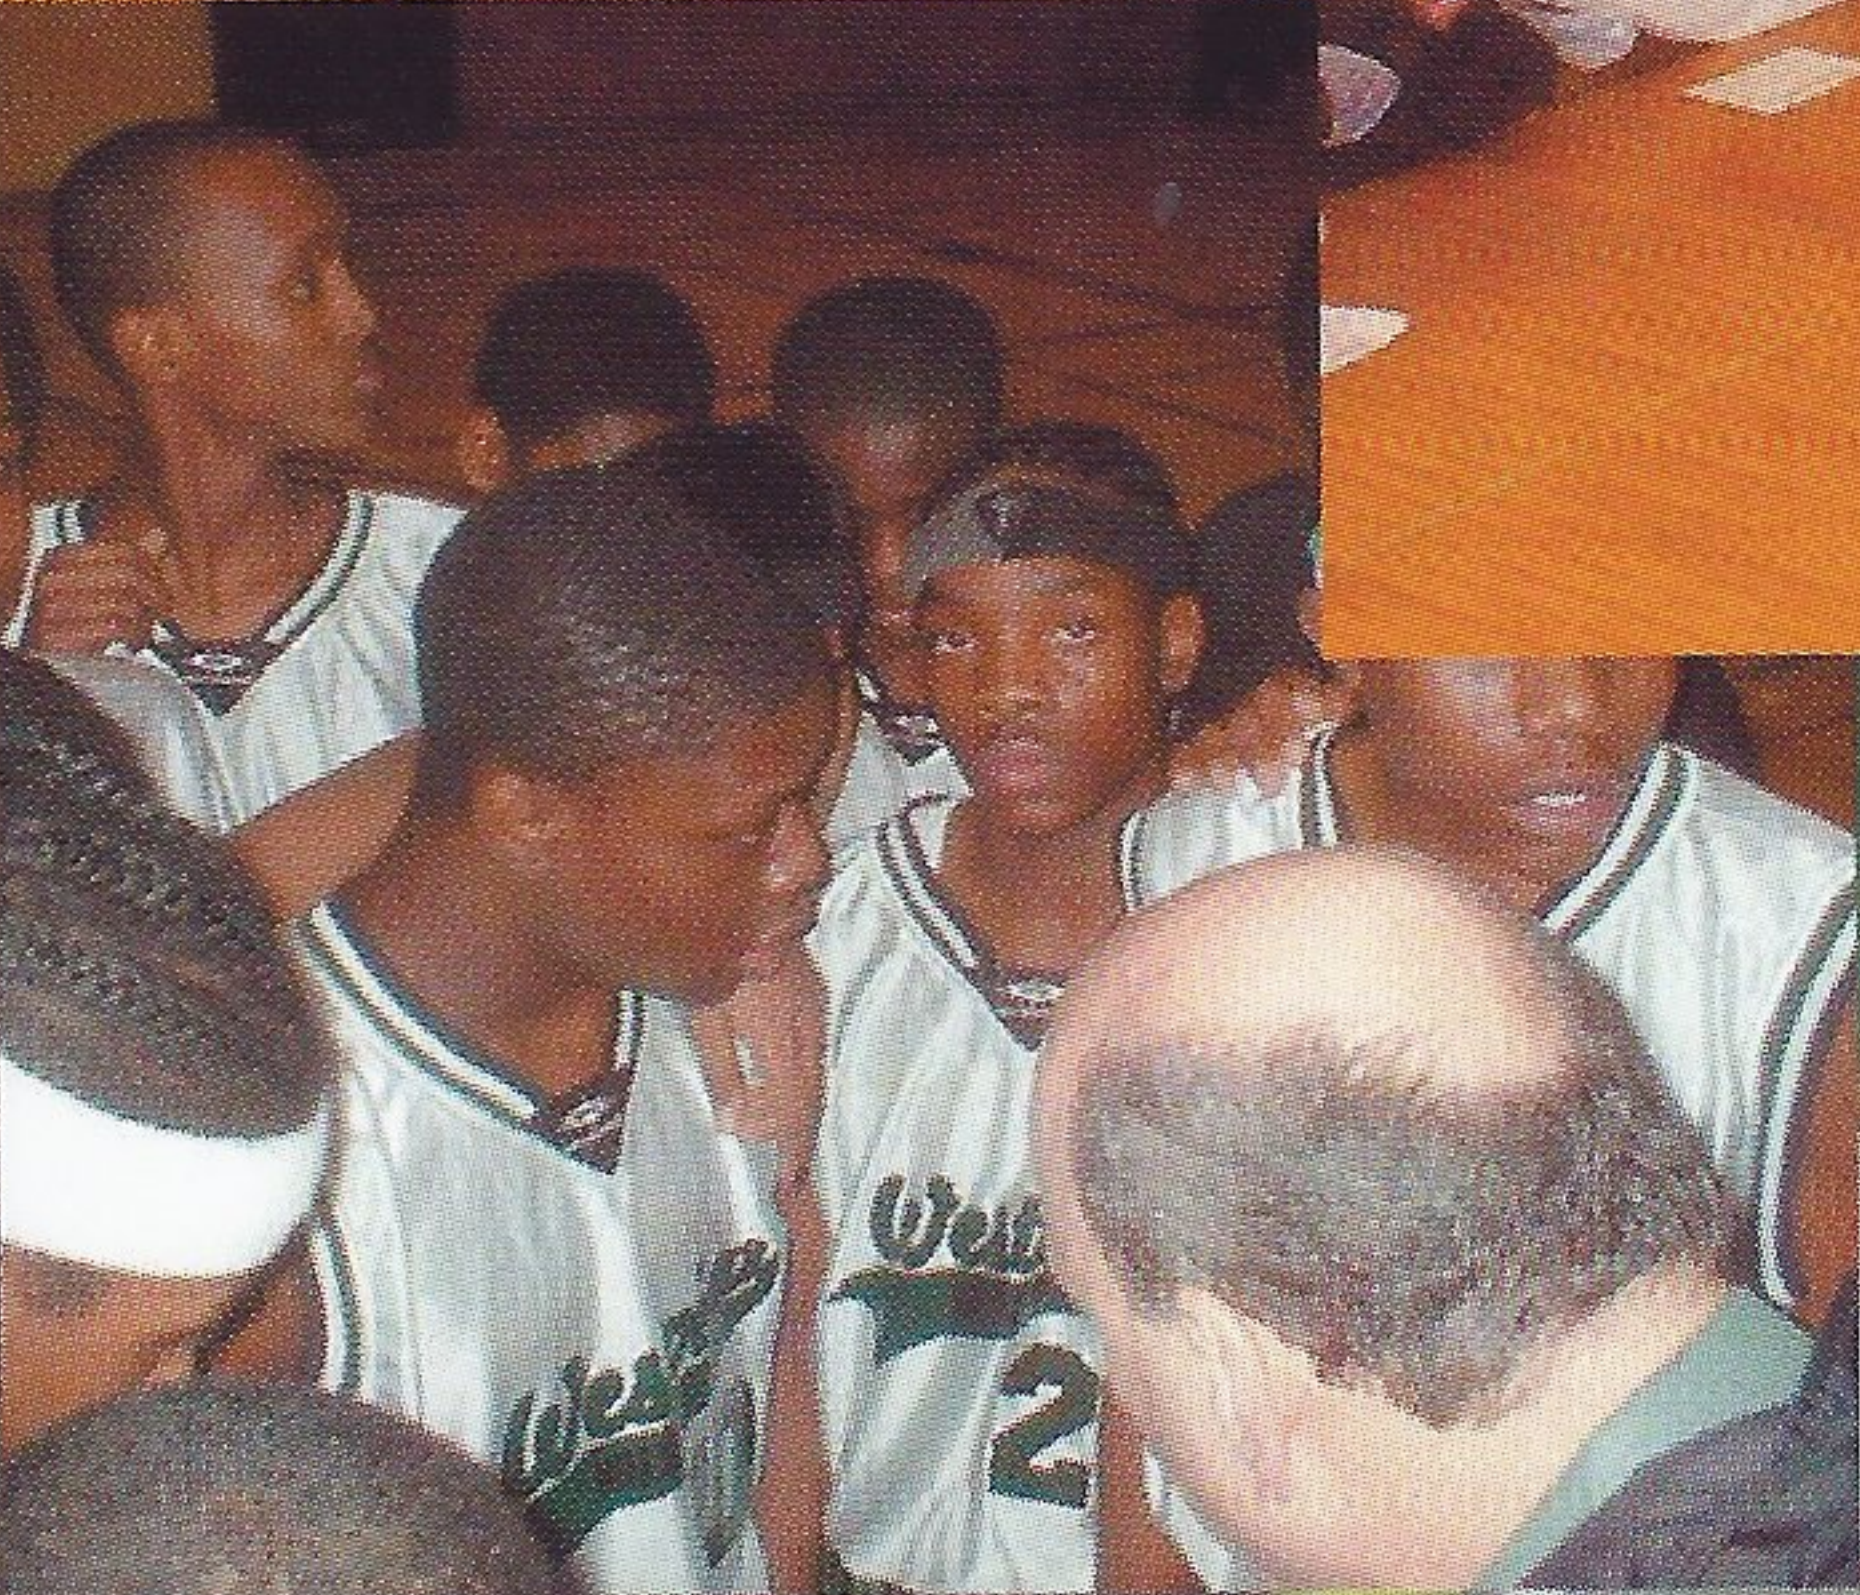

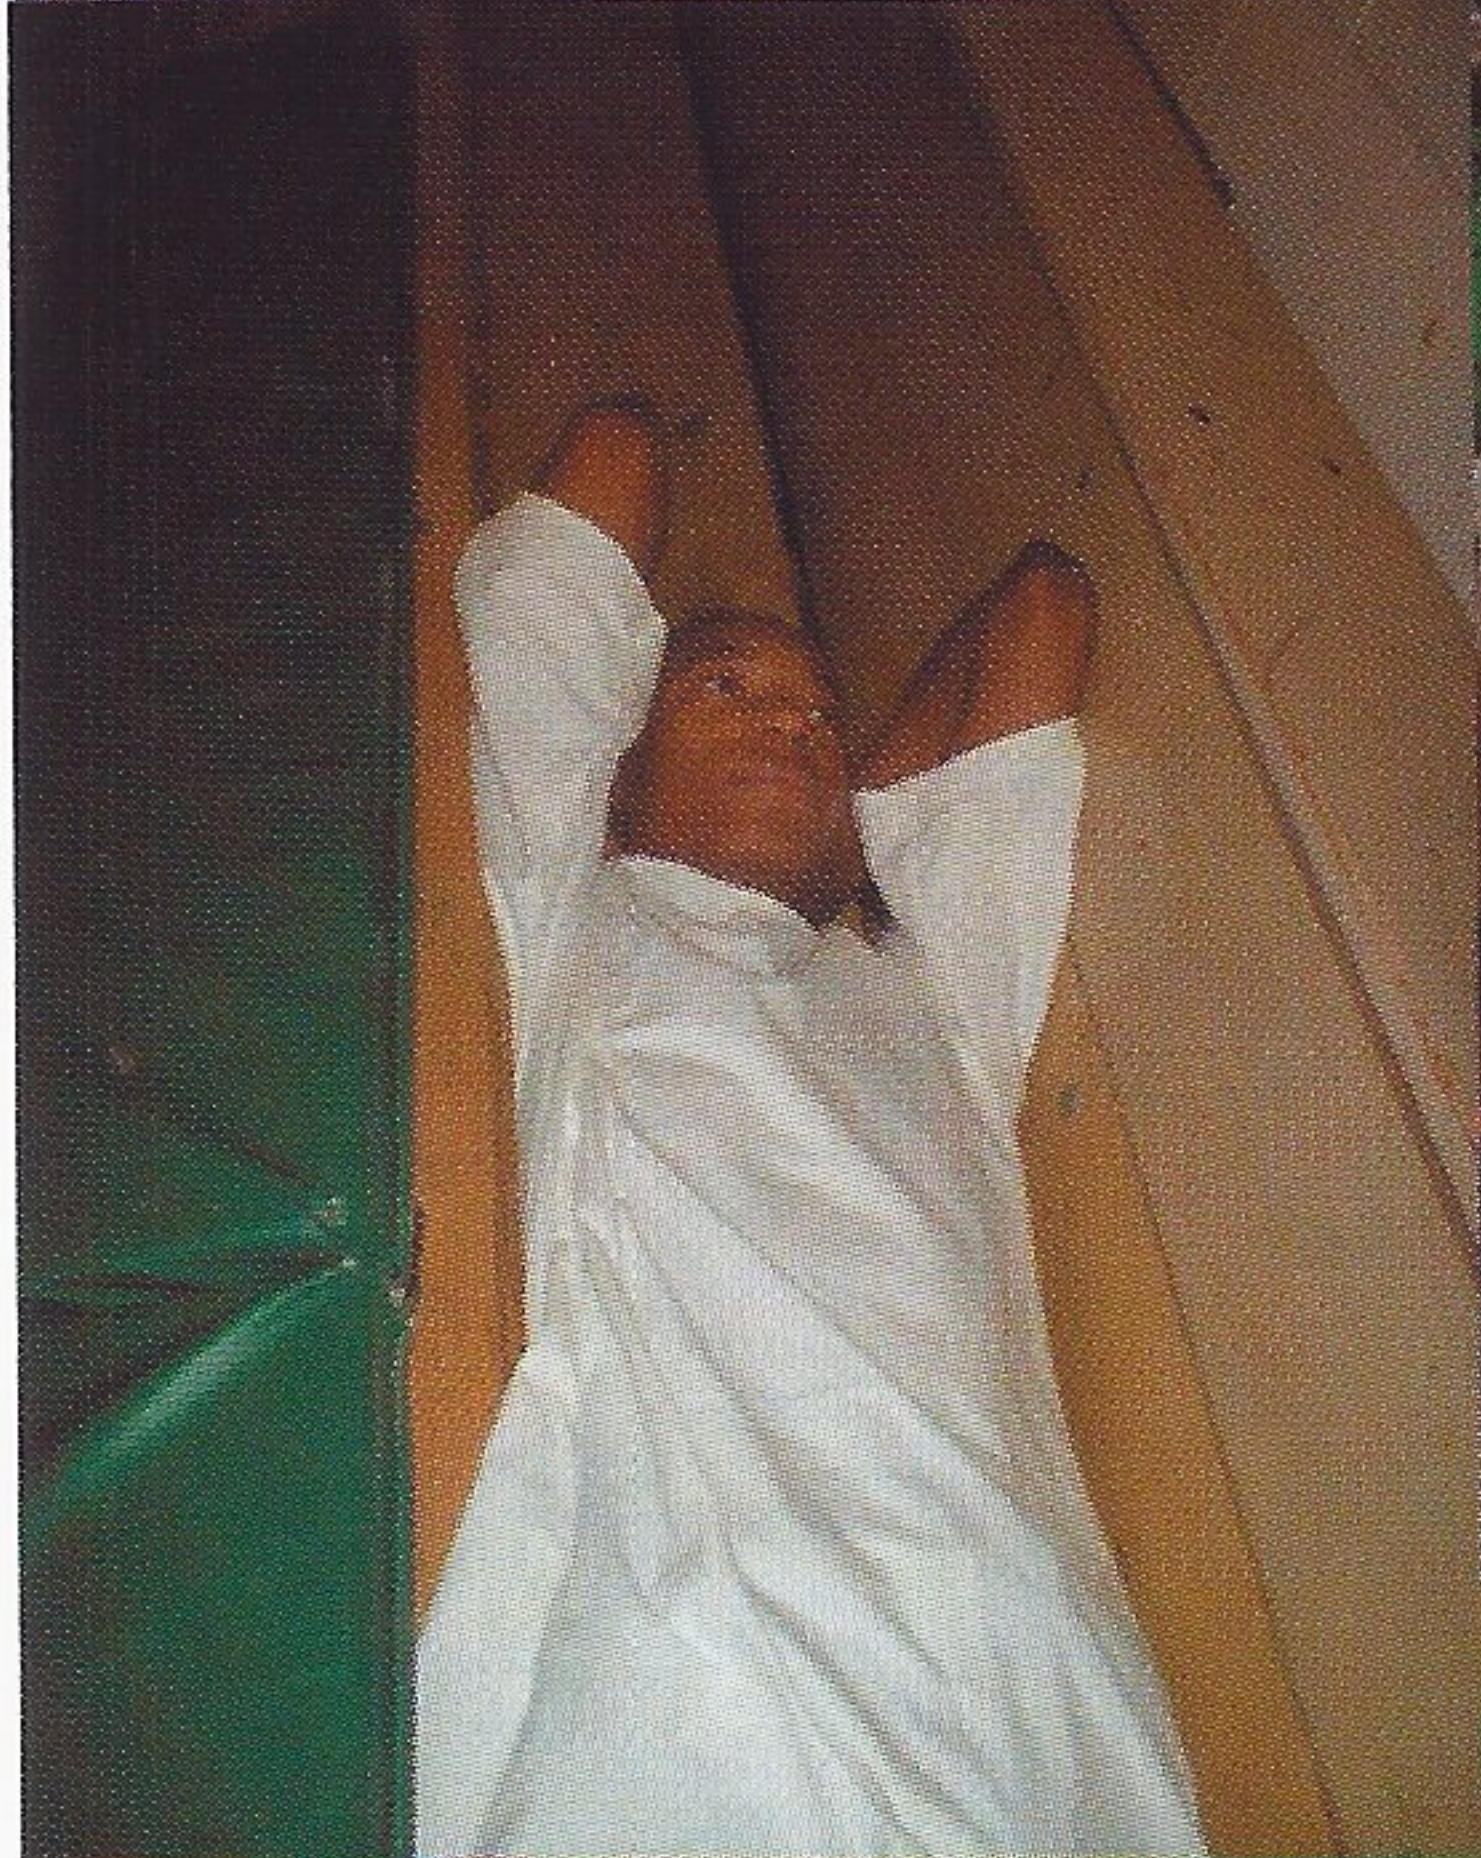

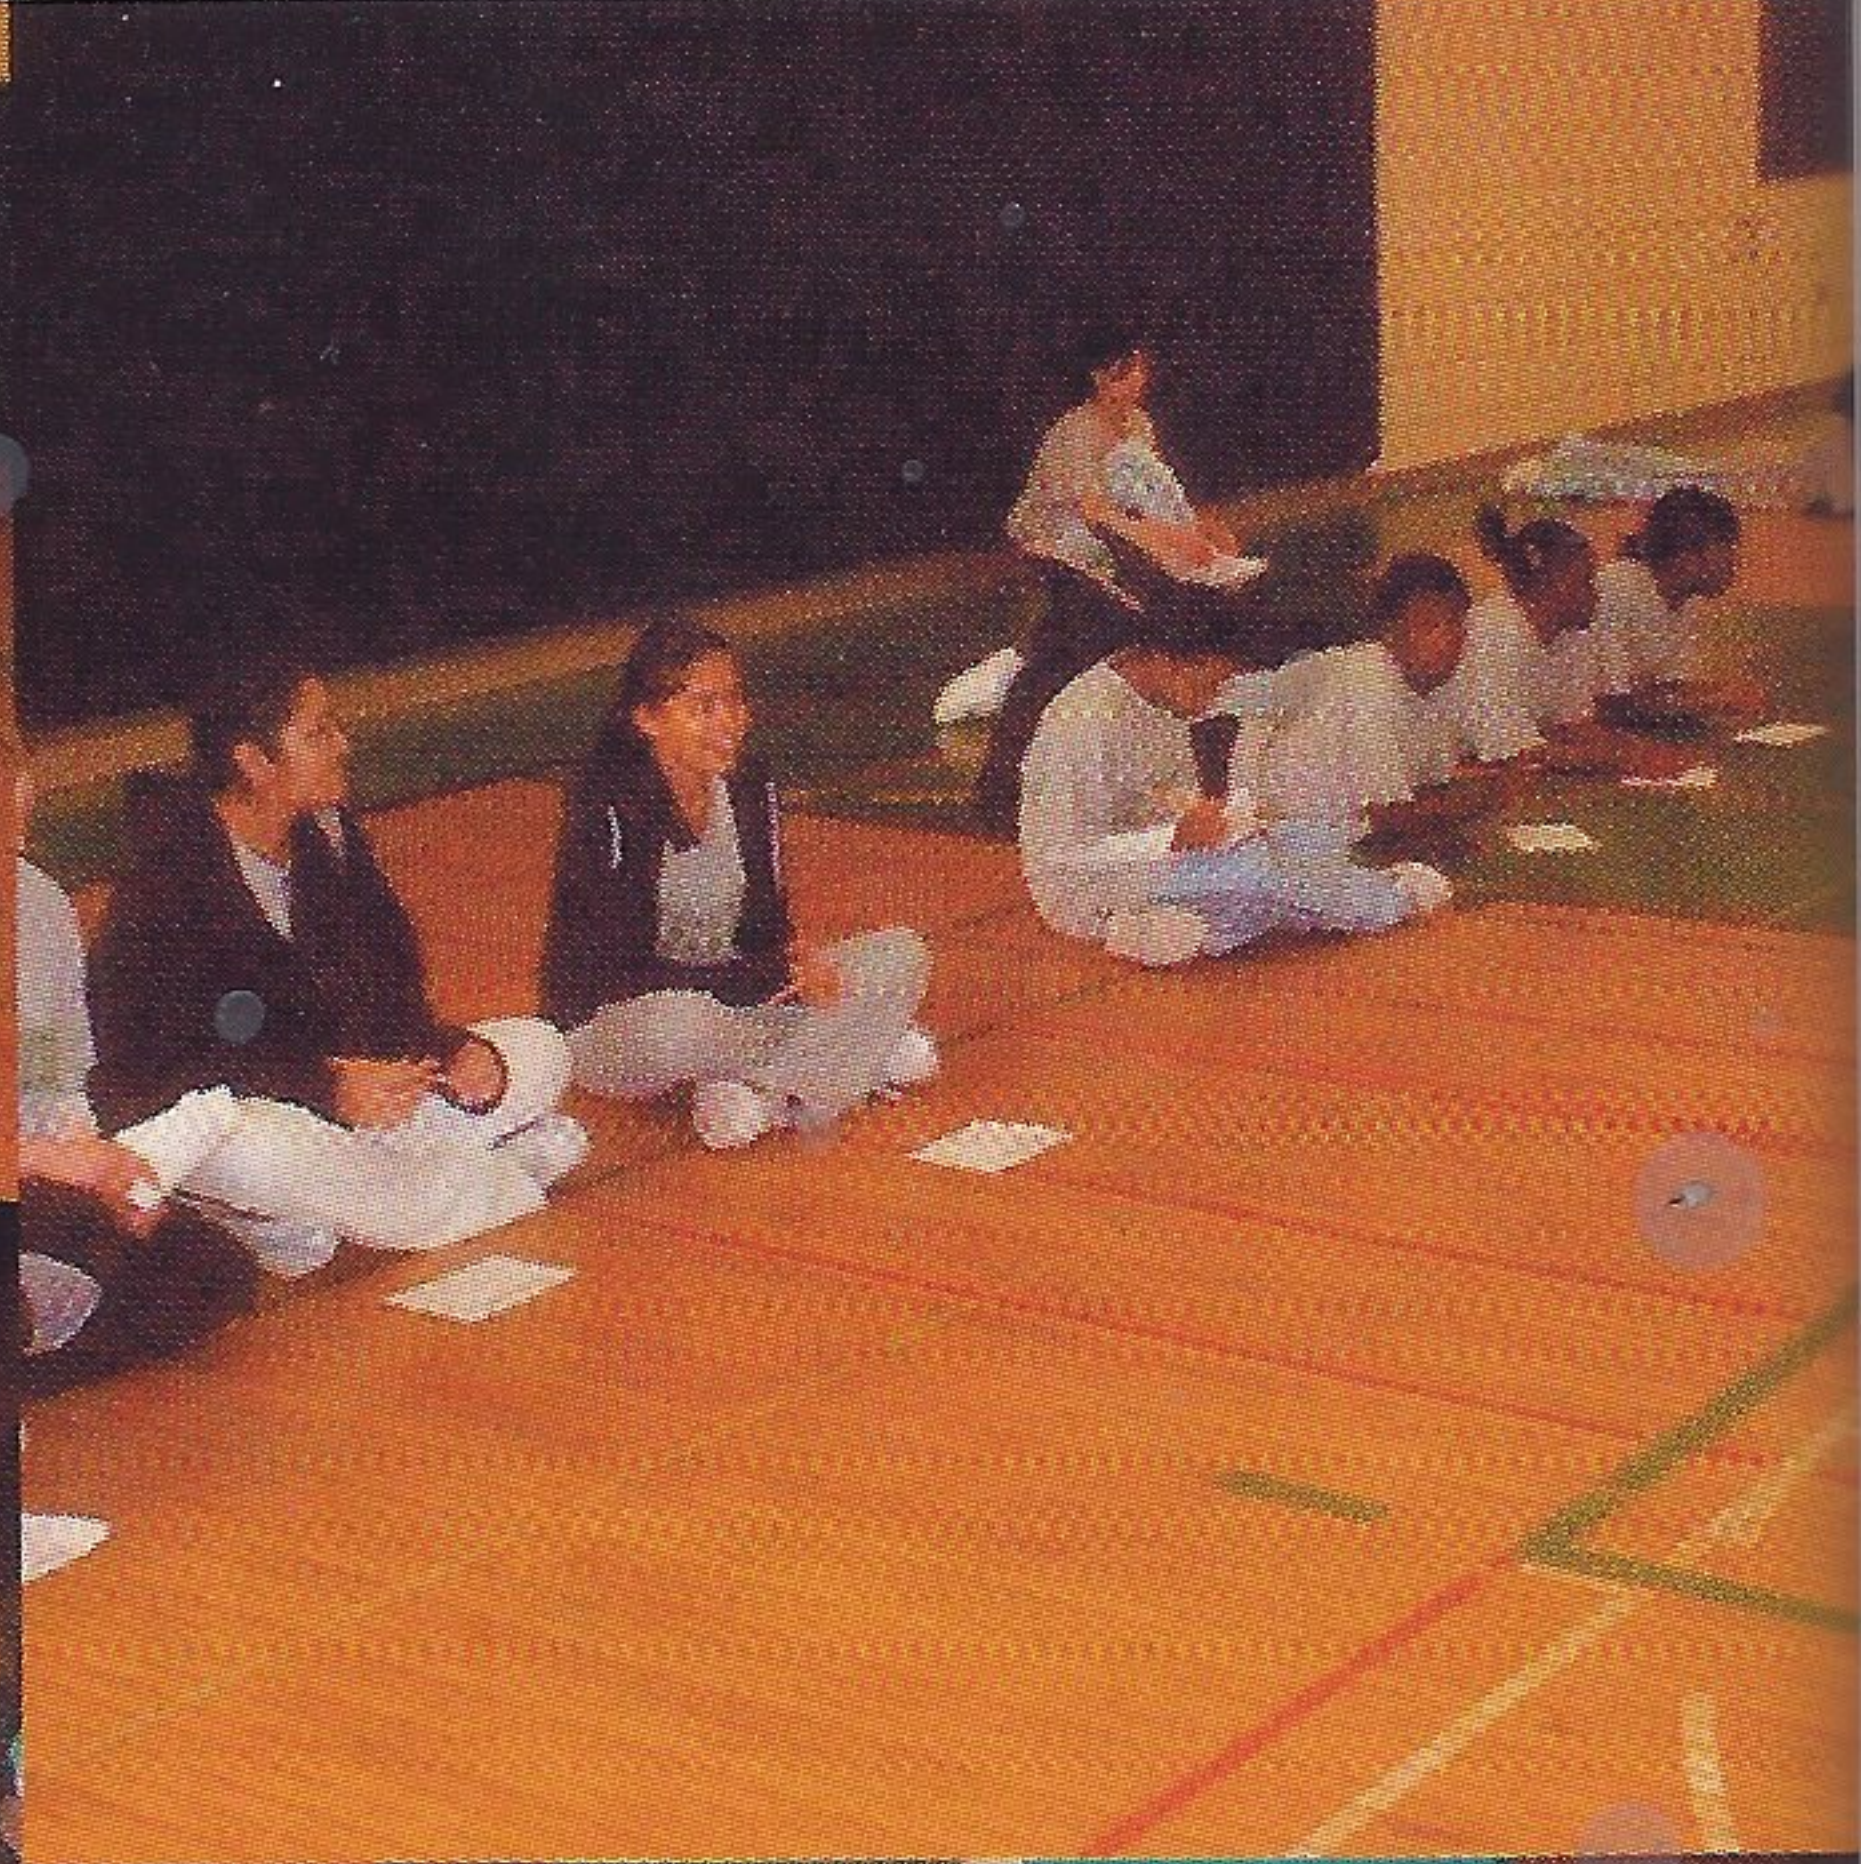

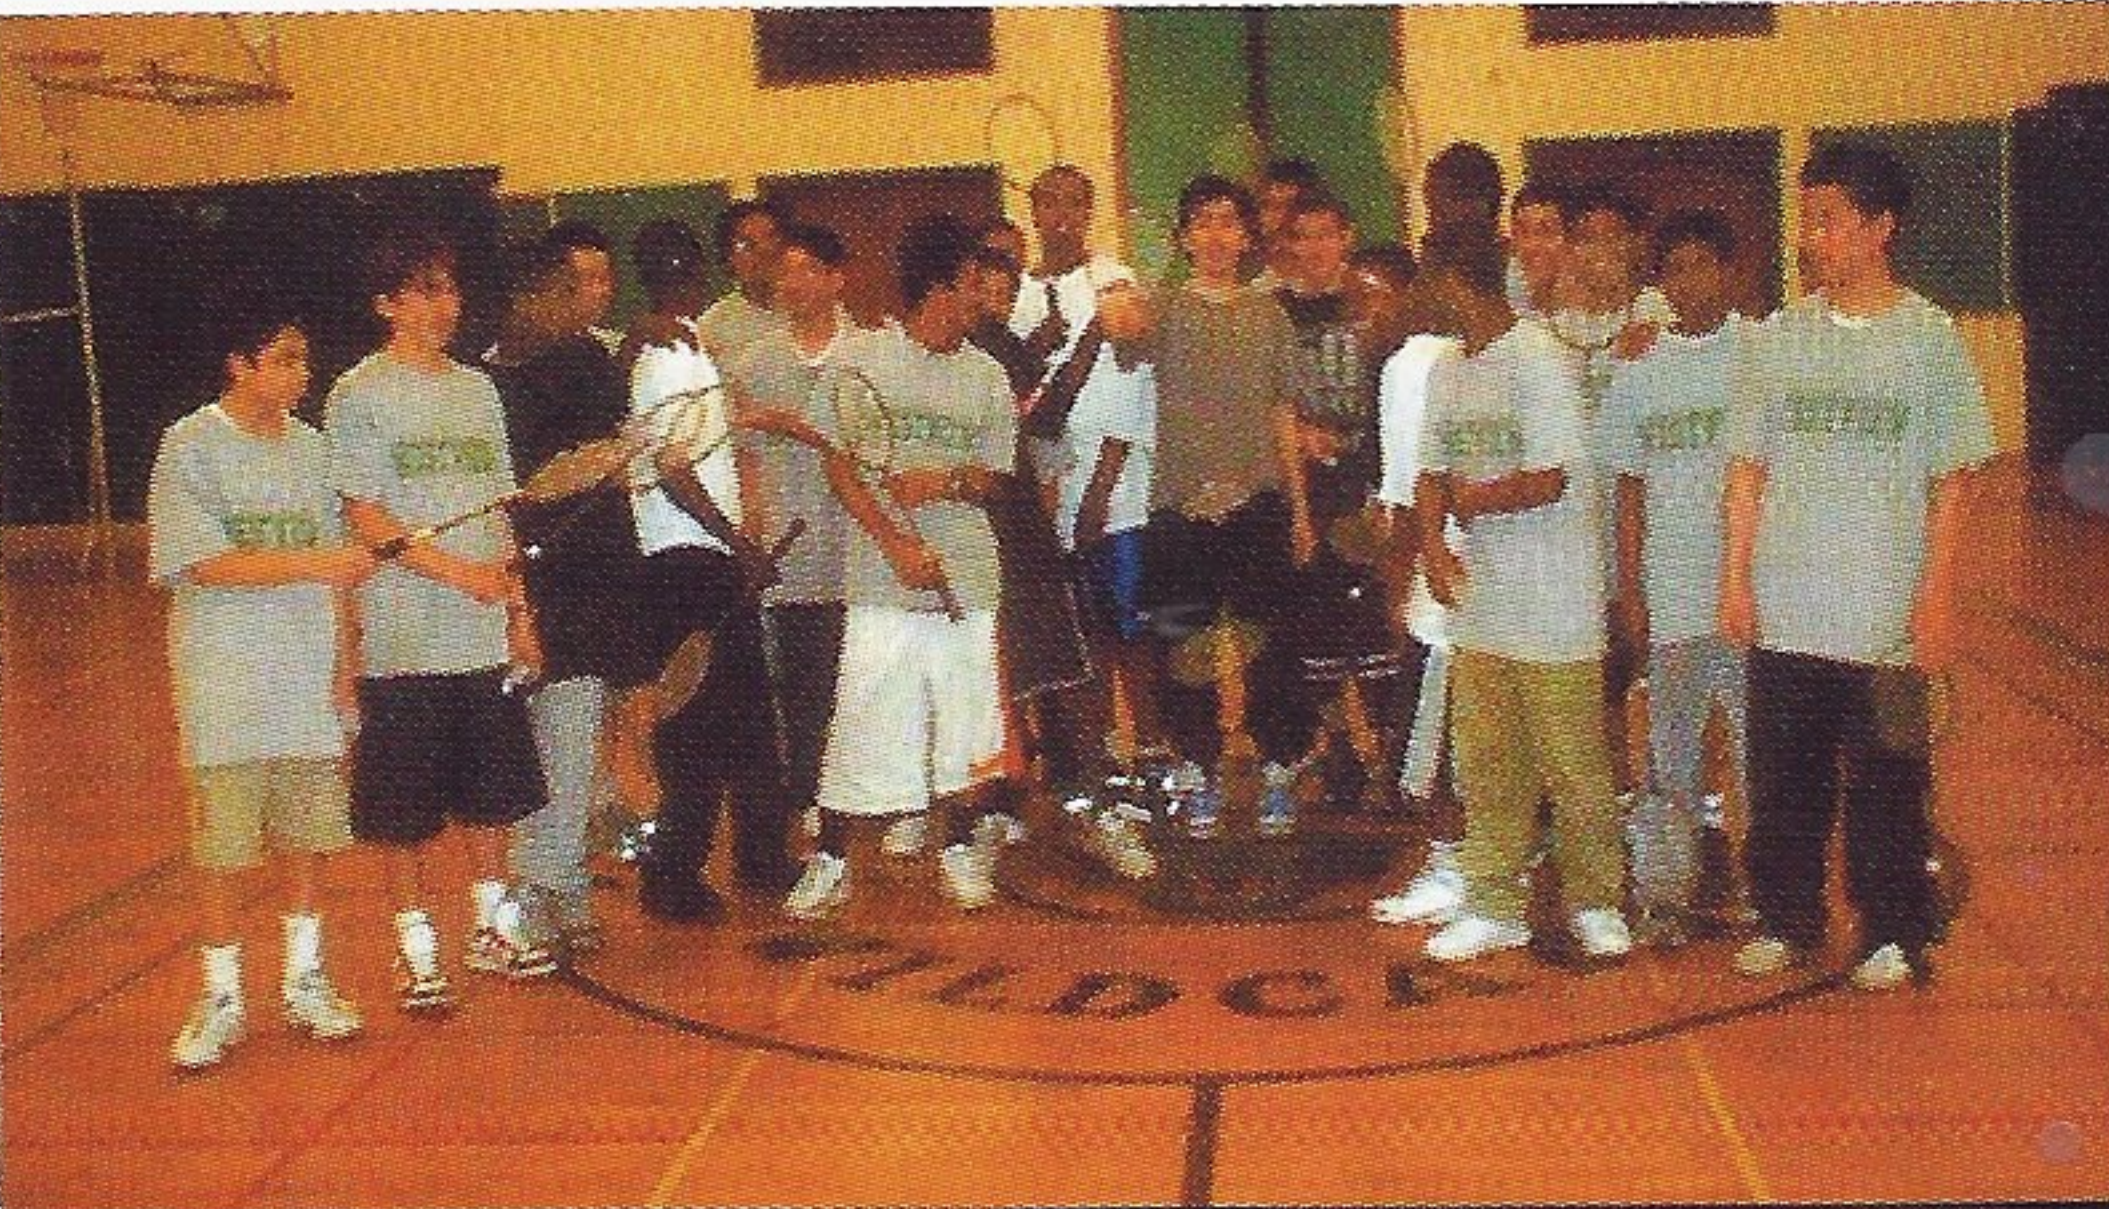

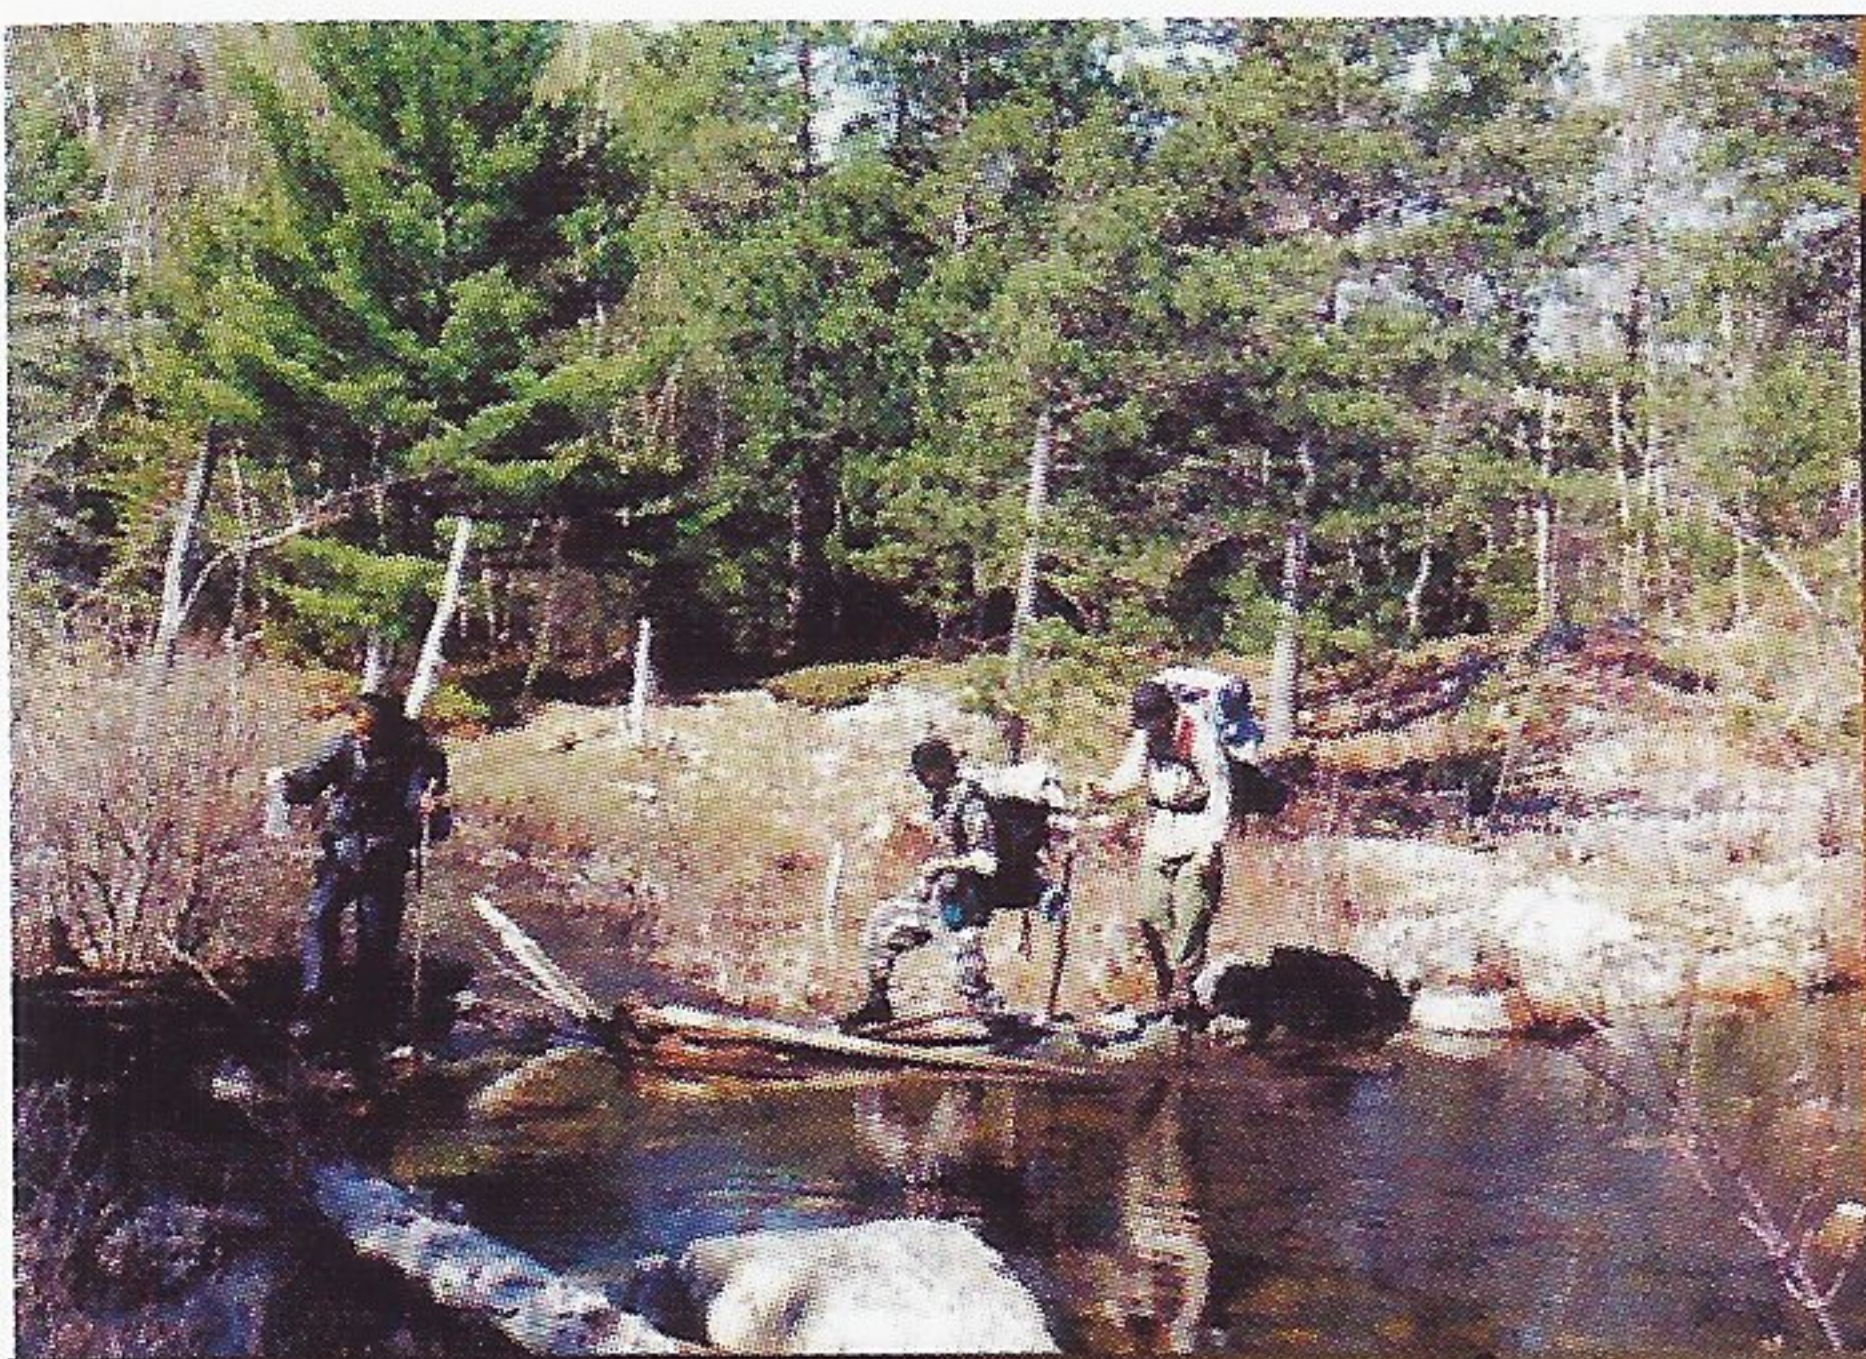

As the clouds roll by,
A tear comes pouring out of my eye,
It travels down my cheek and face,
Followed by others in an unique embrace.
And as the sun begins to set,
I think about the day we met.
So while I sit here sad and blue,
I hope you know I am missing you.

The Year

This year...

Is the year I'll never forget...
When we grow older, and find something
to remind us, of this day.
Where the thoughts of you leaving
And the thoughts of us splitting.
Then promise me, you will cry...
And remember...
Remember the times where we had
difficulties,
The times of fun,
And the times of sadness.
I guess after this,
It will be goodbye.
So now I'll just take my last hesitation,
And get ready...
But I know I can't stall, so I guess I'll just
say it...
Goodbye...
Goodbye my friend...
Remember me always...

I look at my watch...
Only to see time is flying...
Flying by me...
I am growing...learning new things...
I want to know... I want to know...
What's really going to happen...?
In the future...will I pursue a goal...?
Or feel like I dropped in a hole...
Life is like a glass of water ...
You can look at in a good or bad way...
Because no man or woman is the same...
People who hate you destroy your name...
But the hate bring will never be a game...
People want to try to turn you into a revenge
demon ...
But you can turn back the hands of time...
Forgive and forget...
That's like the hands on your clock...
Unstoppable like an obstacle you can't over come...
But life is life...
And what's done is done...

I never thought that working on a yearbook would take so much time! I wish that I hadn't wasted all that time doing nothing because then I wouldn't have to rush for those ***** deadlines!!! But it was worth it ~ Christina M.

The committee was fun, until the pages were due.~ Anna N.

So much stress that I think I got grey hair on my moustache. haha! Yearbook is fun you all should join it too "wink wink" ~Laksh V.

The committee is alot of fun. Laila is hot! I did not do anything, just gave moral support! ~ Fernando M.

Good Bye Mr. Jones!

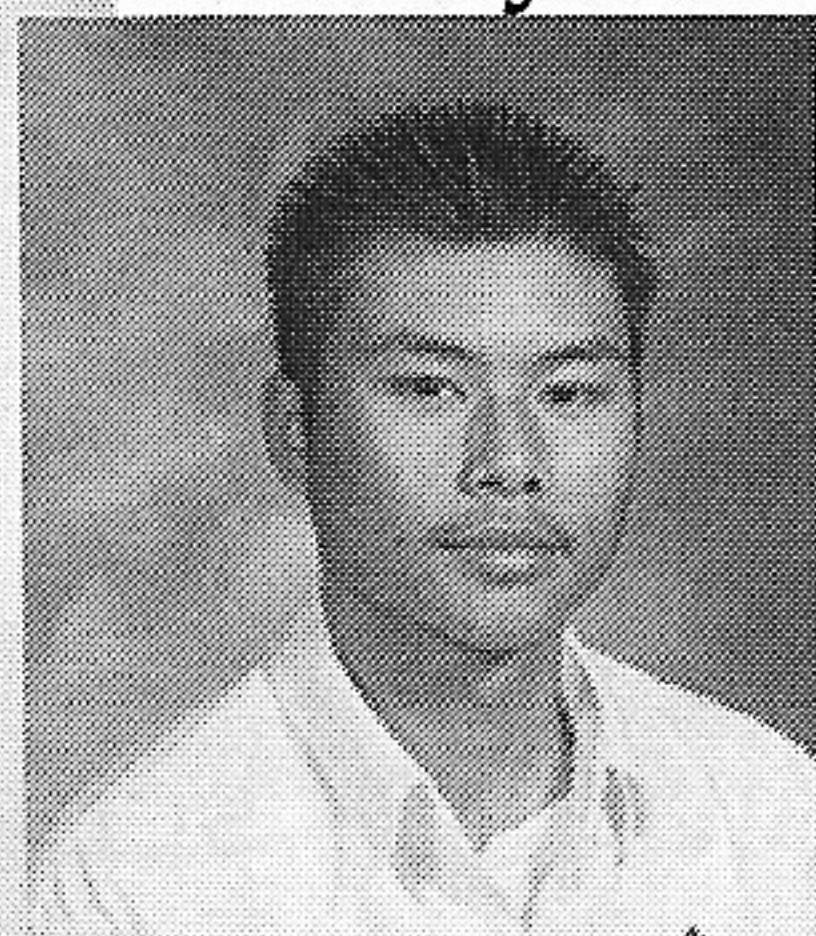

Mr. Jones ... he was just another mean vice principal and a hot-headed guy who picked on people. This could not be further from the truth. People who knew him know, that he is a positive influence both inside and outside of school. During his stay at Westview he was a mentor to many of us and we respect him for all the help he provided us with. We wish you all the luck in future. and we'll miss you Mr. Jones.

Obsession

By: Jennifer Mach

The heavily violent admiration
The feeling of need
The hunger for more, the guilty greed
Nothing but obsession
Feeling funny, mixed up emotion
Wanting to touch
Hooked on, feeling your blood rush
Nothing but obsession
Can't let go; on no condition
Visualizing more than what you see
And it's making it hard for you to breathe
Nothing but obsession
Asking yourself the question
Is there something wrong with me?
Or is it that I'm going crazy
Nothing but-obsession
Gotta find yourself a solution
But the desire gets stronger
Can't hold on no longer...

Turning Point

By: Khemwattie Sanchara

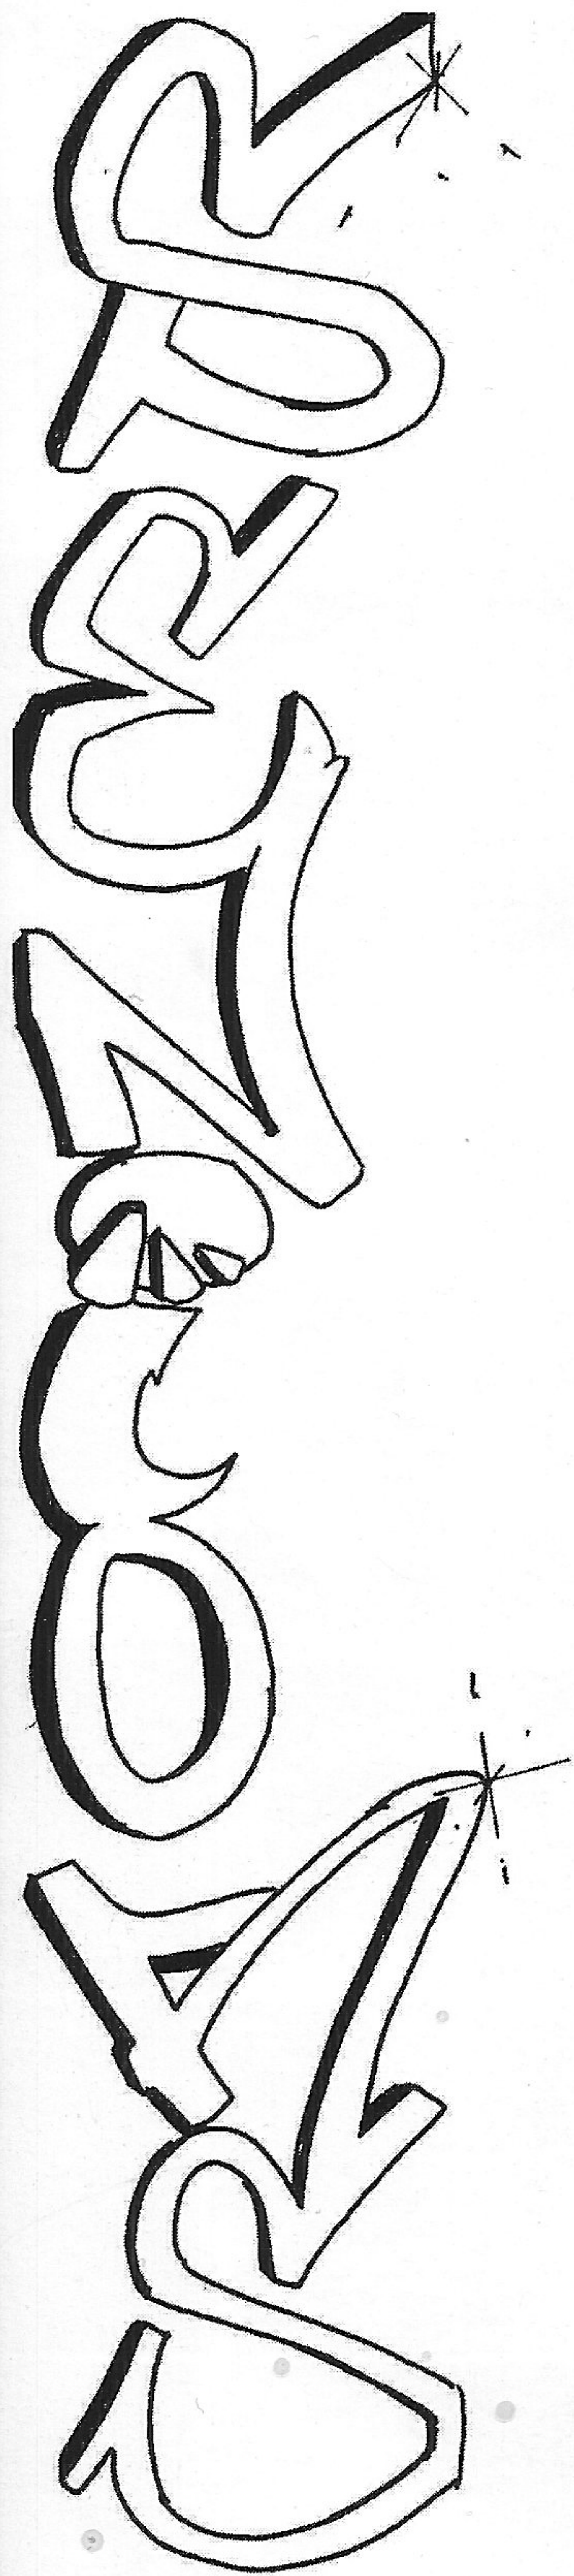

Through the darkness of the night,
Tears wept from the eyes.
Holding on and trying not to die
The body began to feel dead.
As though everything in life was
Coming to an end,
Like a bird in the sky
My mind began to fly.
Feeling like a drug addict
Trying to find the colors of the light
The mind realized what the heart
Was unable to find.
Searching night and day,
Struggling to find my way.
Slowly the pieces started to come
Together.
Although the heart is incomplete
The soul is surviving.
The knife that inflicted so much pain was
GONE...

Rewind and Forward

By: Asha Mohamed

We were toddlers, wearing diapers, sucking on pacifiers
Clueless, careless and acting so foolish
Throwing snowballs, boogie traps, fart bombs and making prank calls
Gossips, instigating, the thrill of after school fights
Horror movies, the Boogiemani and those sleepless nights
Oh those were the days
The swings, monkey bars, sand boxes all we did was play! , play!! , play!!!
The Simpsons, Alvin the Chipmunks, Sailor Moon
Family Guy, Pokemon and the Carebears were all the best cartoons
90210, The Fresh Prince of Belair, The Cosby Show
Saved by the Bell, Ready or Not and Full House all help us grow
Jeans ripped on the knees and letting our spirits free
The year of '99, grooving to Usher, Britney Spears, Spice Girls and TLC
It seems like yesterday was our first day at Westview
Scared and excited, the anticipation of High School
And now that we've reached our destination
It's time to take a bow and aim for higher education
We're young, free and life is grand
Make the right decision, for the future is in your hands
My friends, life is an adventure within itself
Some will live it for the fame and some will live it for the wealth
I wish you good health, longevity and live life for yourself

WESTVIEW IN MY EYES

I think about the days at school more and more...

I remember the good days

And the bad days...

I remember the lessons at school

And how much I wanted to be cool...

I always remember how much a lot of people shared and a lot of them always cared.

On sunny days roses grew outside...

Smelling so right making me feel

Everyday there's a reason for life

And I should always respect Jesus Christ...

A lot of days I've been a sinner until...

I walked into Westview and learned from someone like an angel how to be a winner...

To me Westview helps me see earth is the place to be...

With words from the heart I feel Westview helps me see that...

I like water falls blessings flow from heaven upon all gods creation to bring forth a happier nation...

Blacks, Chinese, whites and other races...

To me we are all here to bring forth...

An effort to put into this world...

No matter what race or culture we are...

Westview Centennial Secondary School...

Can help me and you see that people must care and show it...

Love is like glass if your heart breaks...

Your heart feels shattered like the broken pieces of glass ...

If no one dared to care the world...

Would be in a very unhappy state!

There's anything the world can bring forth to you in life you have to achieve it...The world is therefore multicultural that's why the world brings forth blessings to the world

And not just to one type of race or culture...

Westview what type of place is it to me?

Westview to me is a place where you can...

Learn what life really about ...Bring forth effort and see what you can make out of life because god brought us to earth for a reason...

Westview is a place where you can bring forth...

A good happy deed and make a difference in the world...

Use your skills and express your ability and keep it real...

Westview can help you make a difference that changes the world into a better place...

Bring forth an effort to your school use your skills...

Express your ability then you can change the world one day at a time...

Westview Centennial Secondary School is you there?

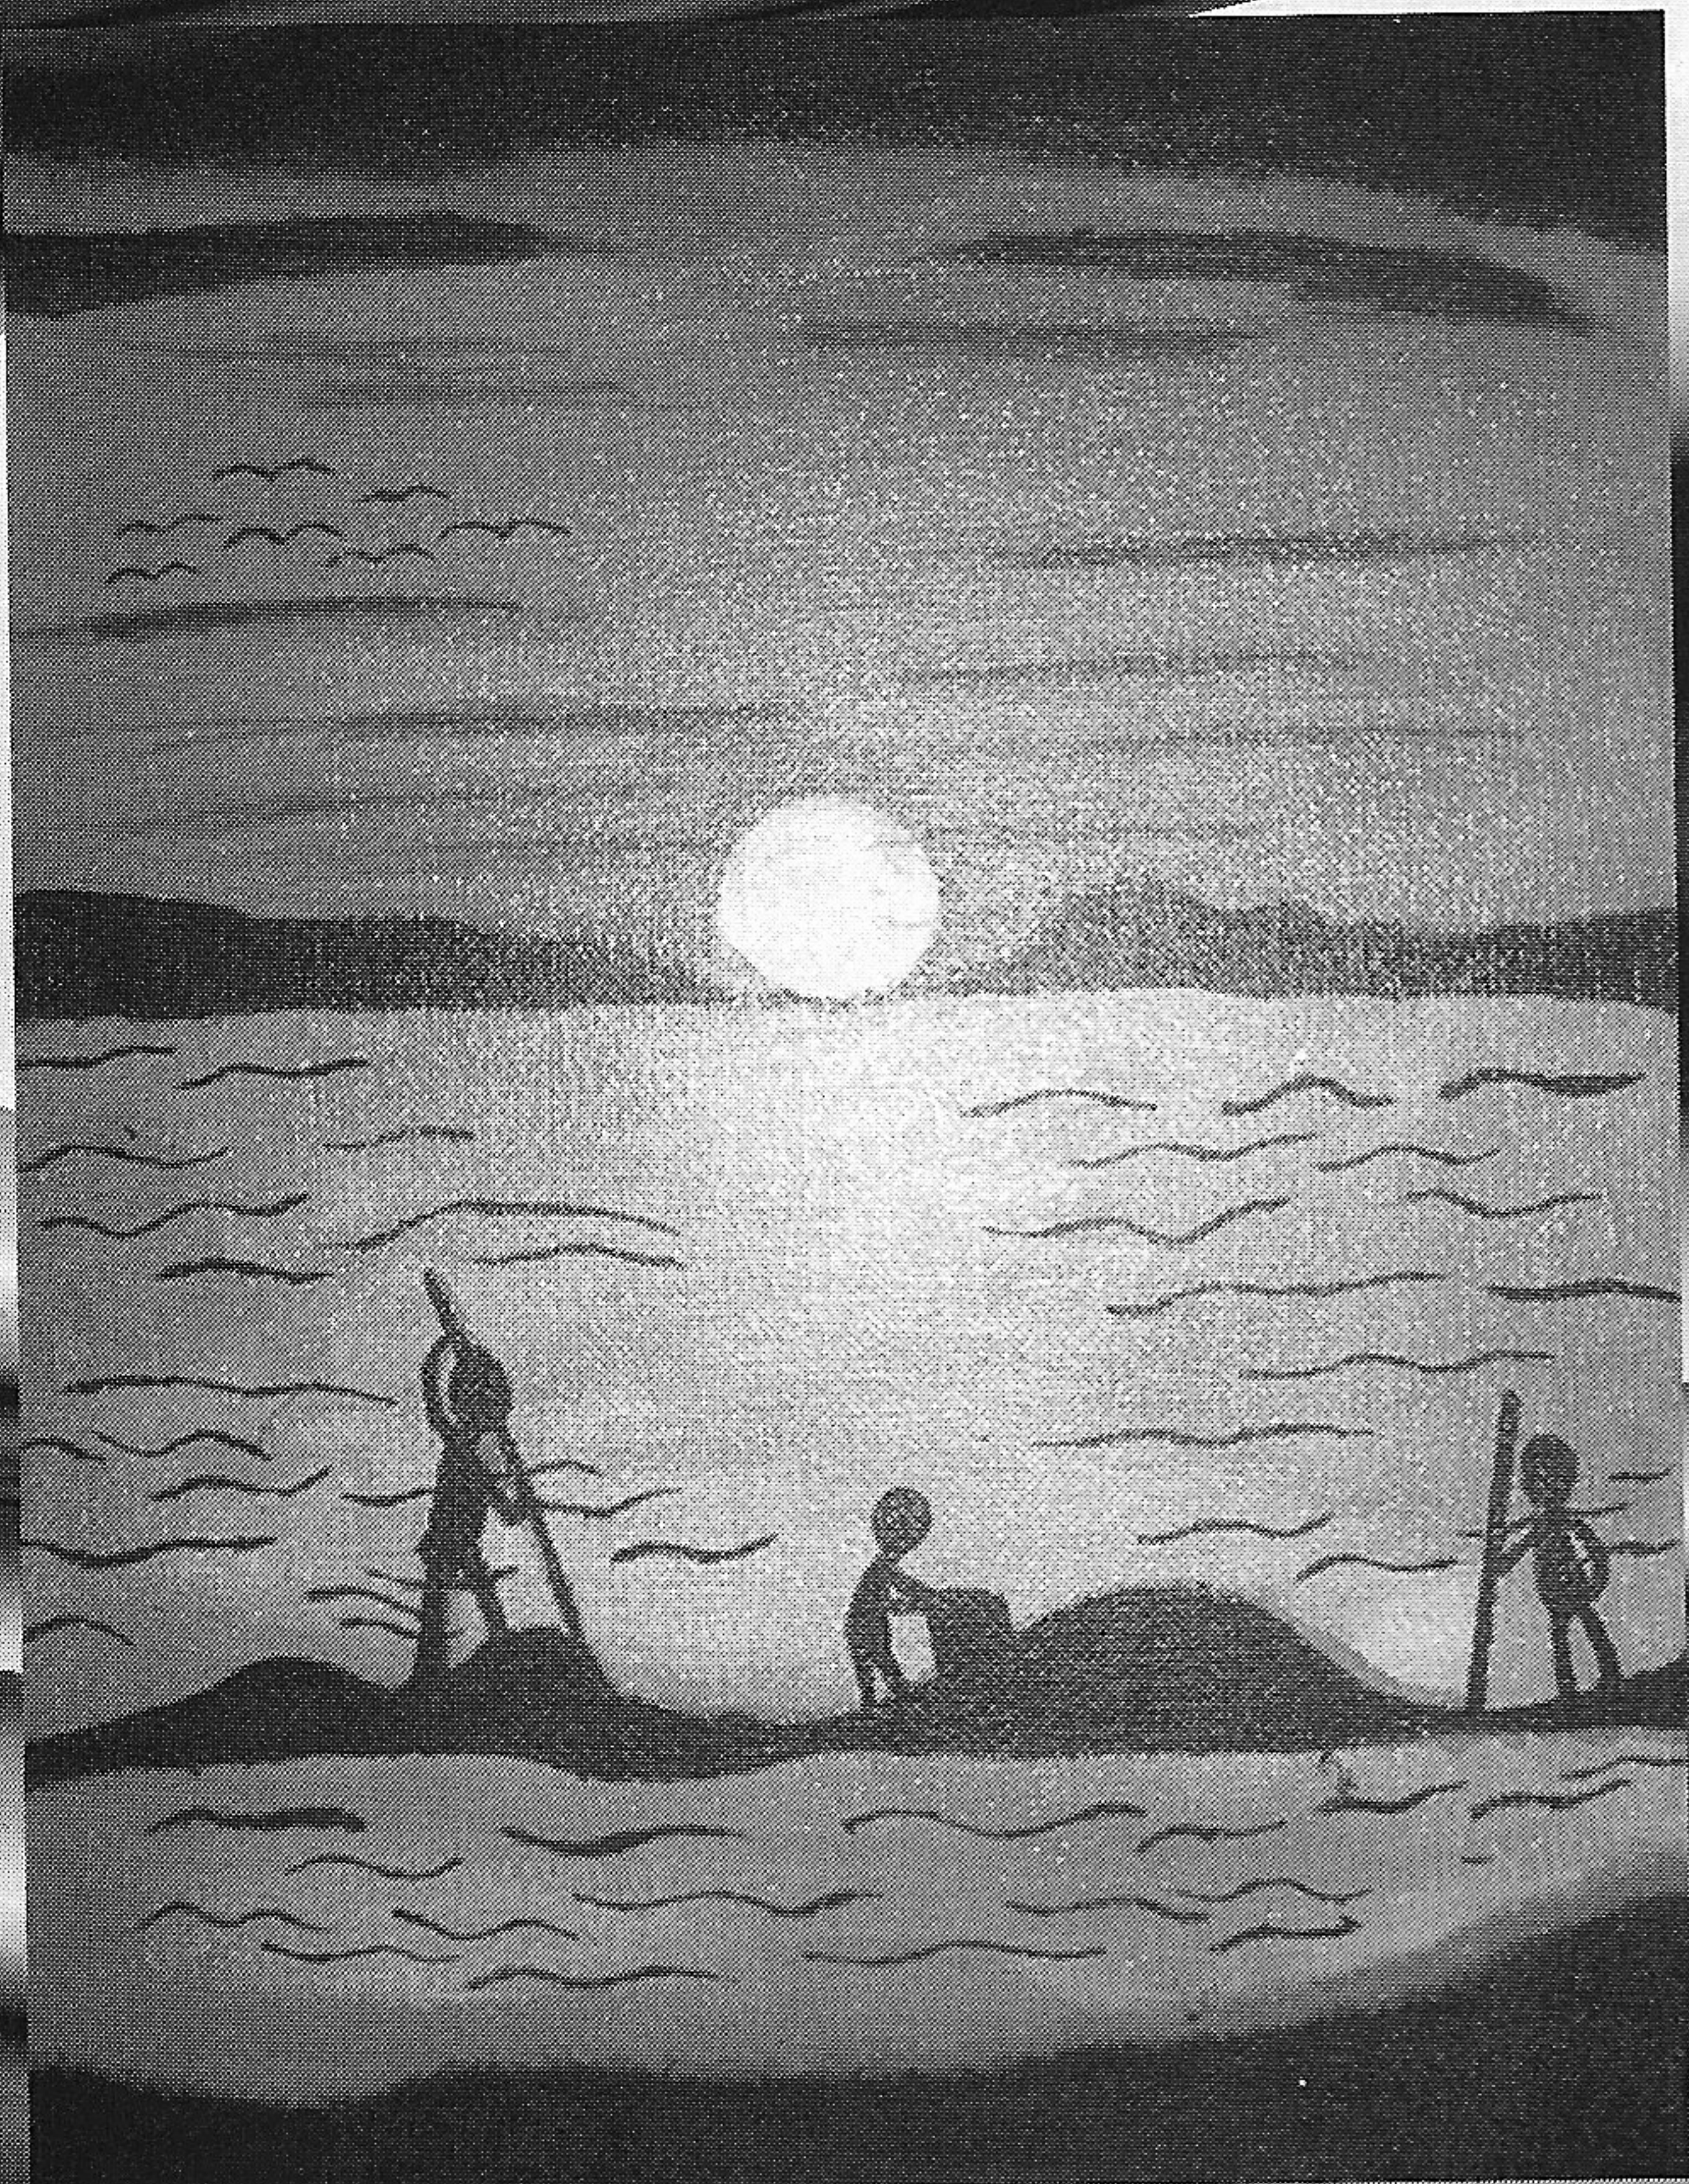

Join us all on our journey to togetherness...

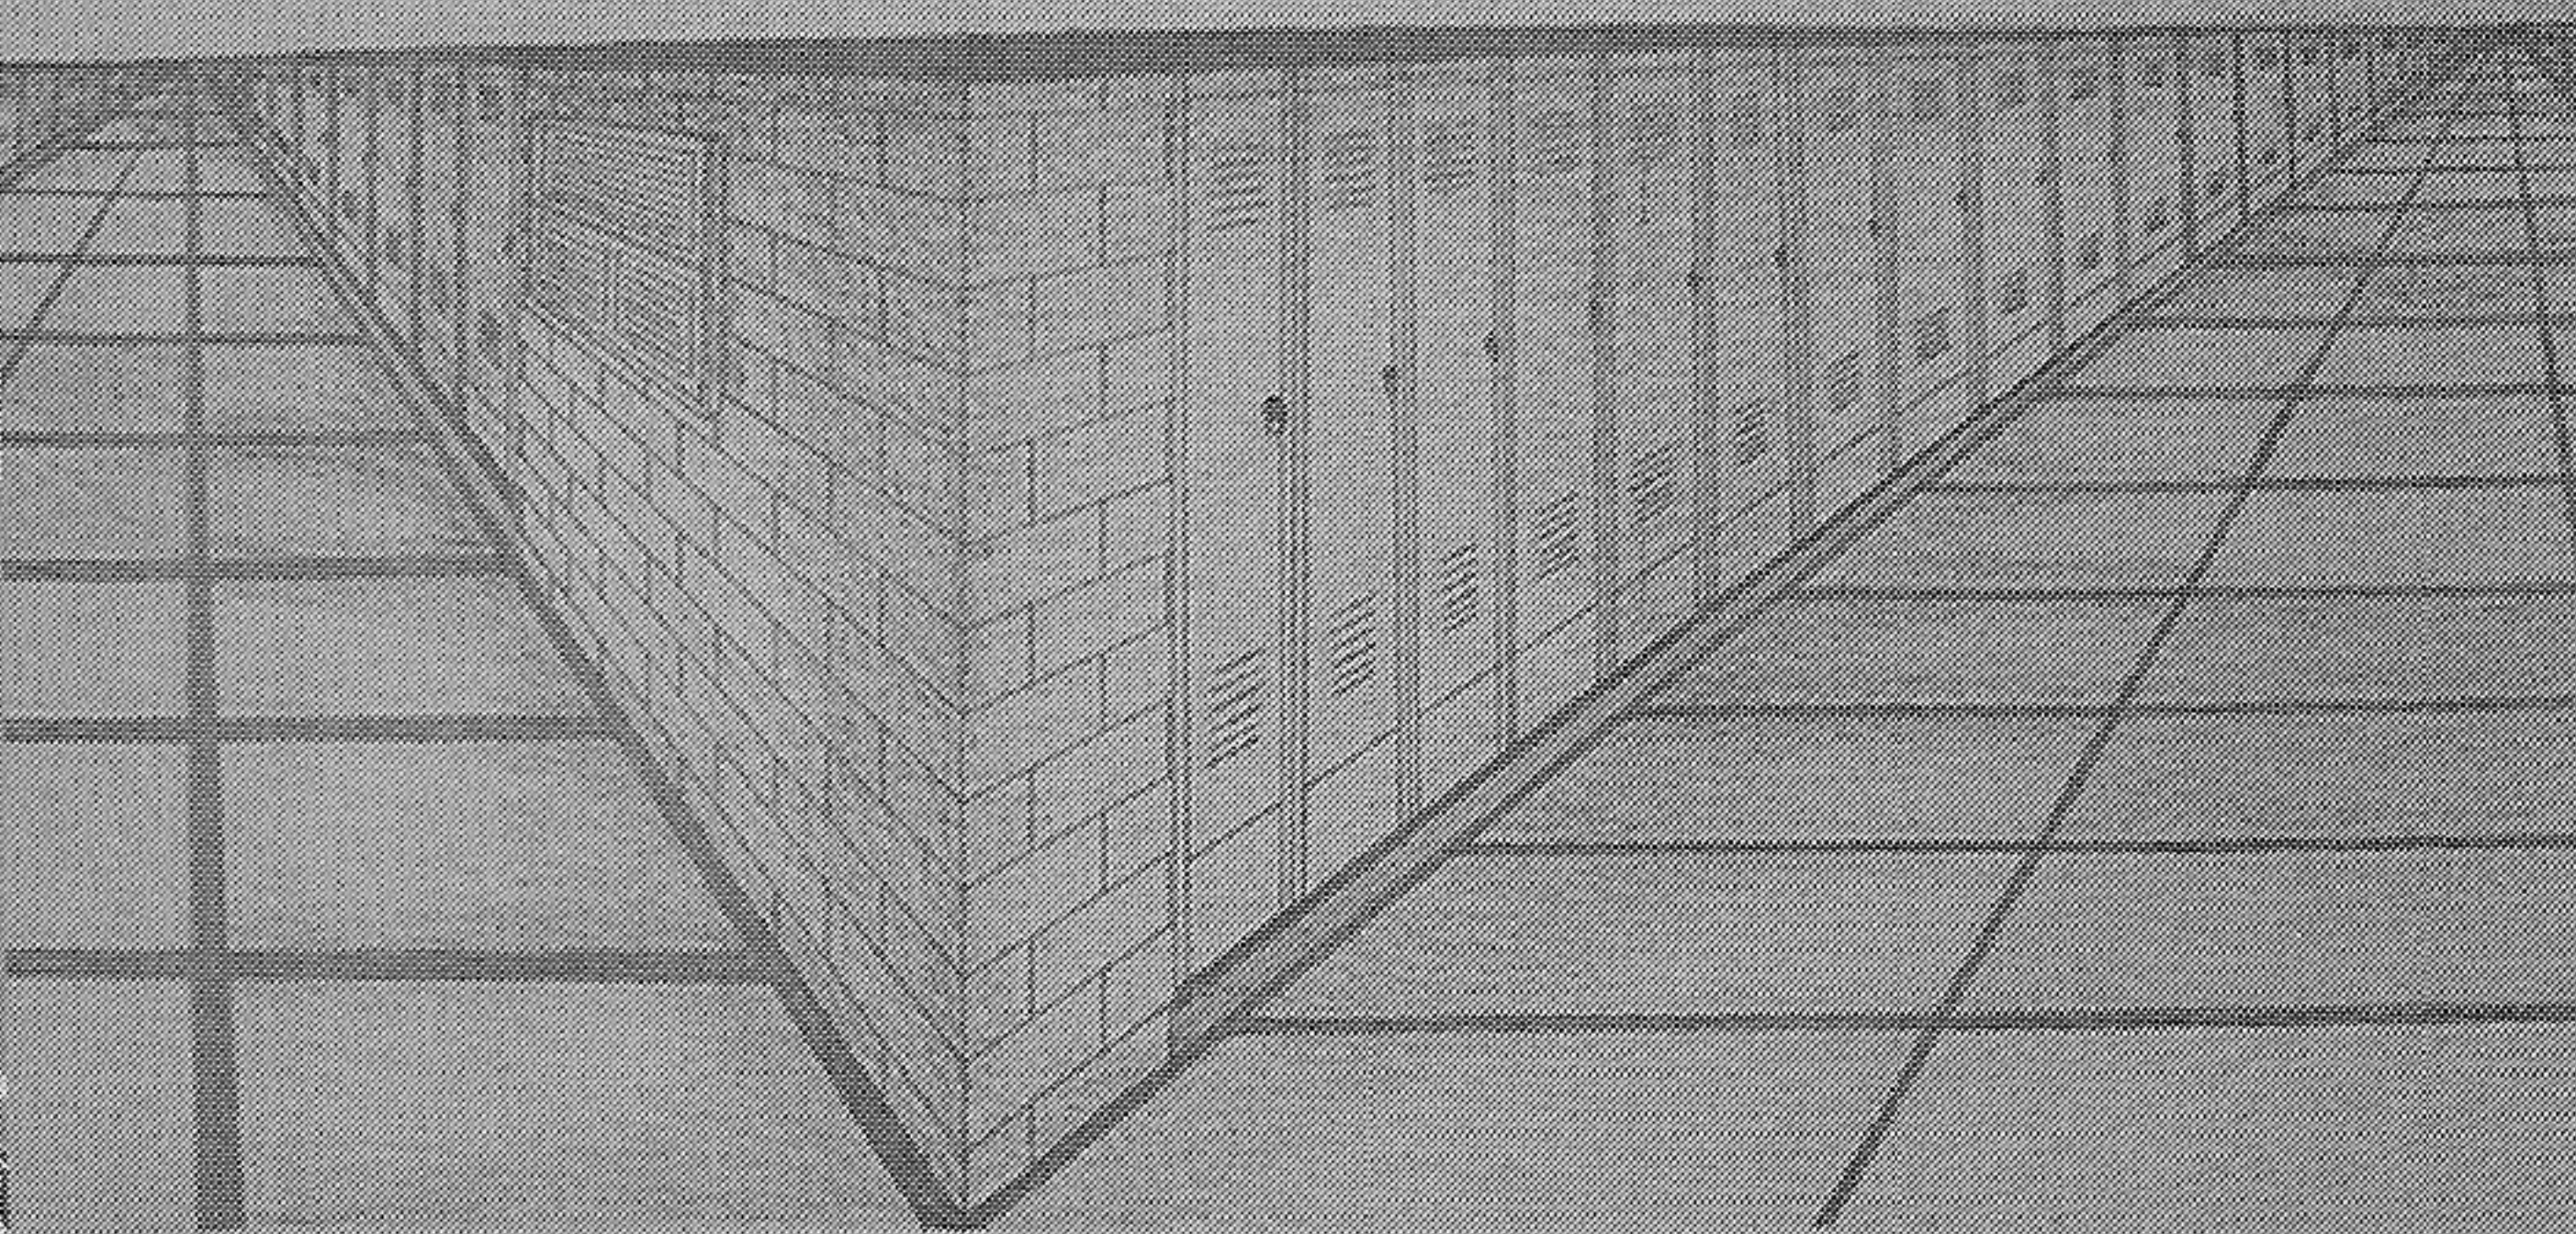

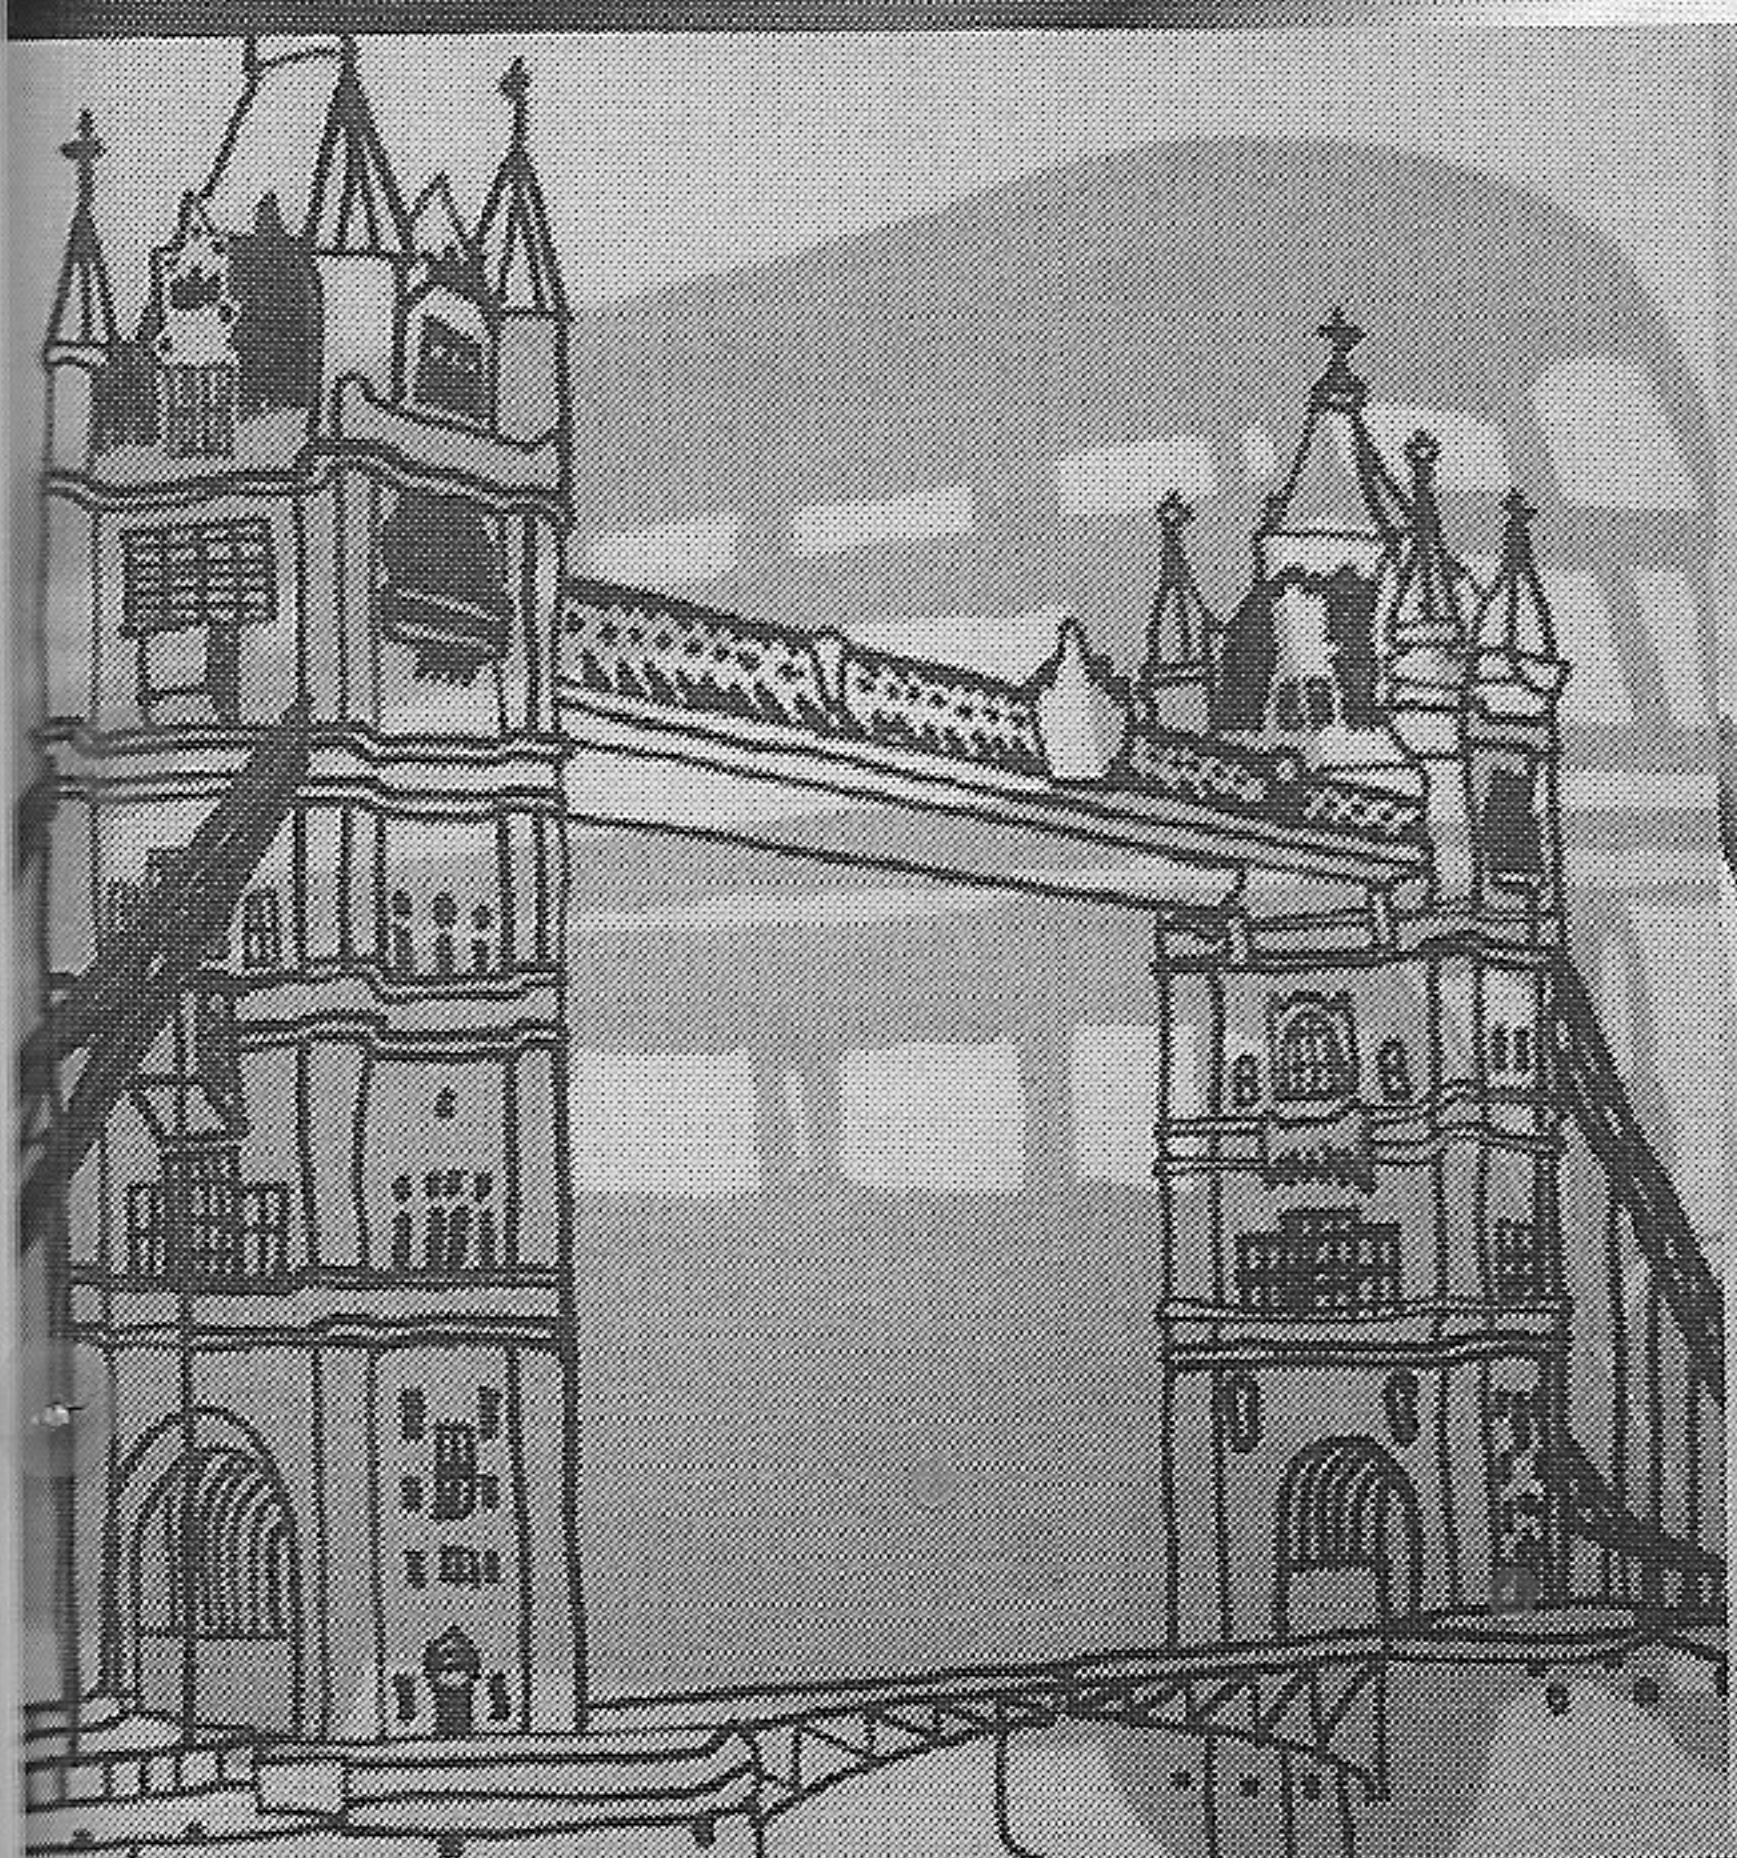

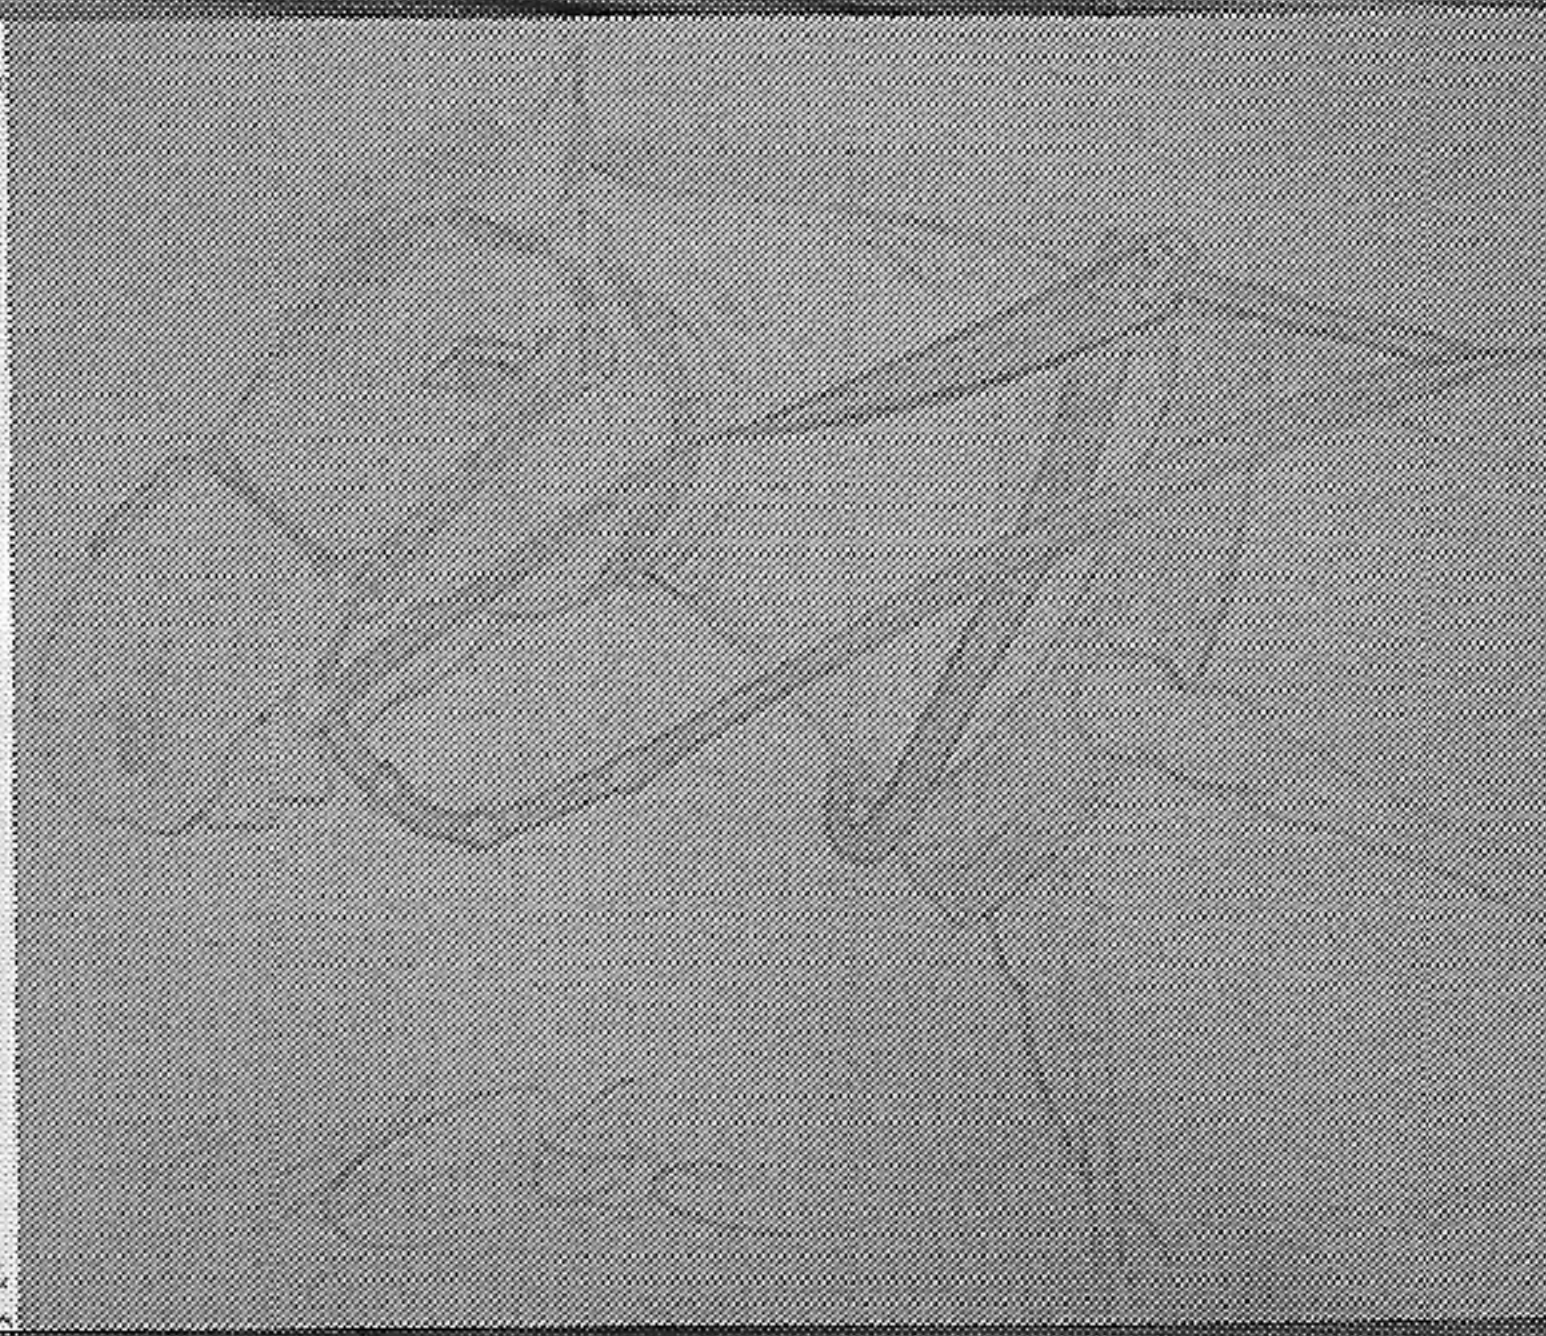

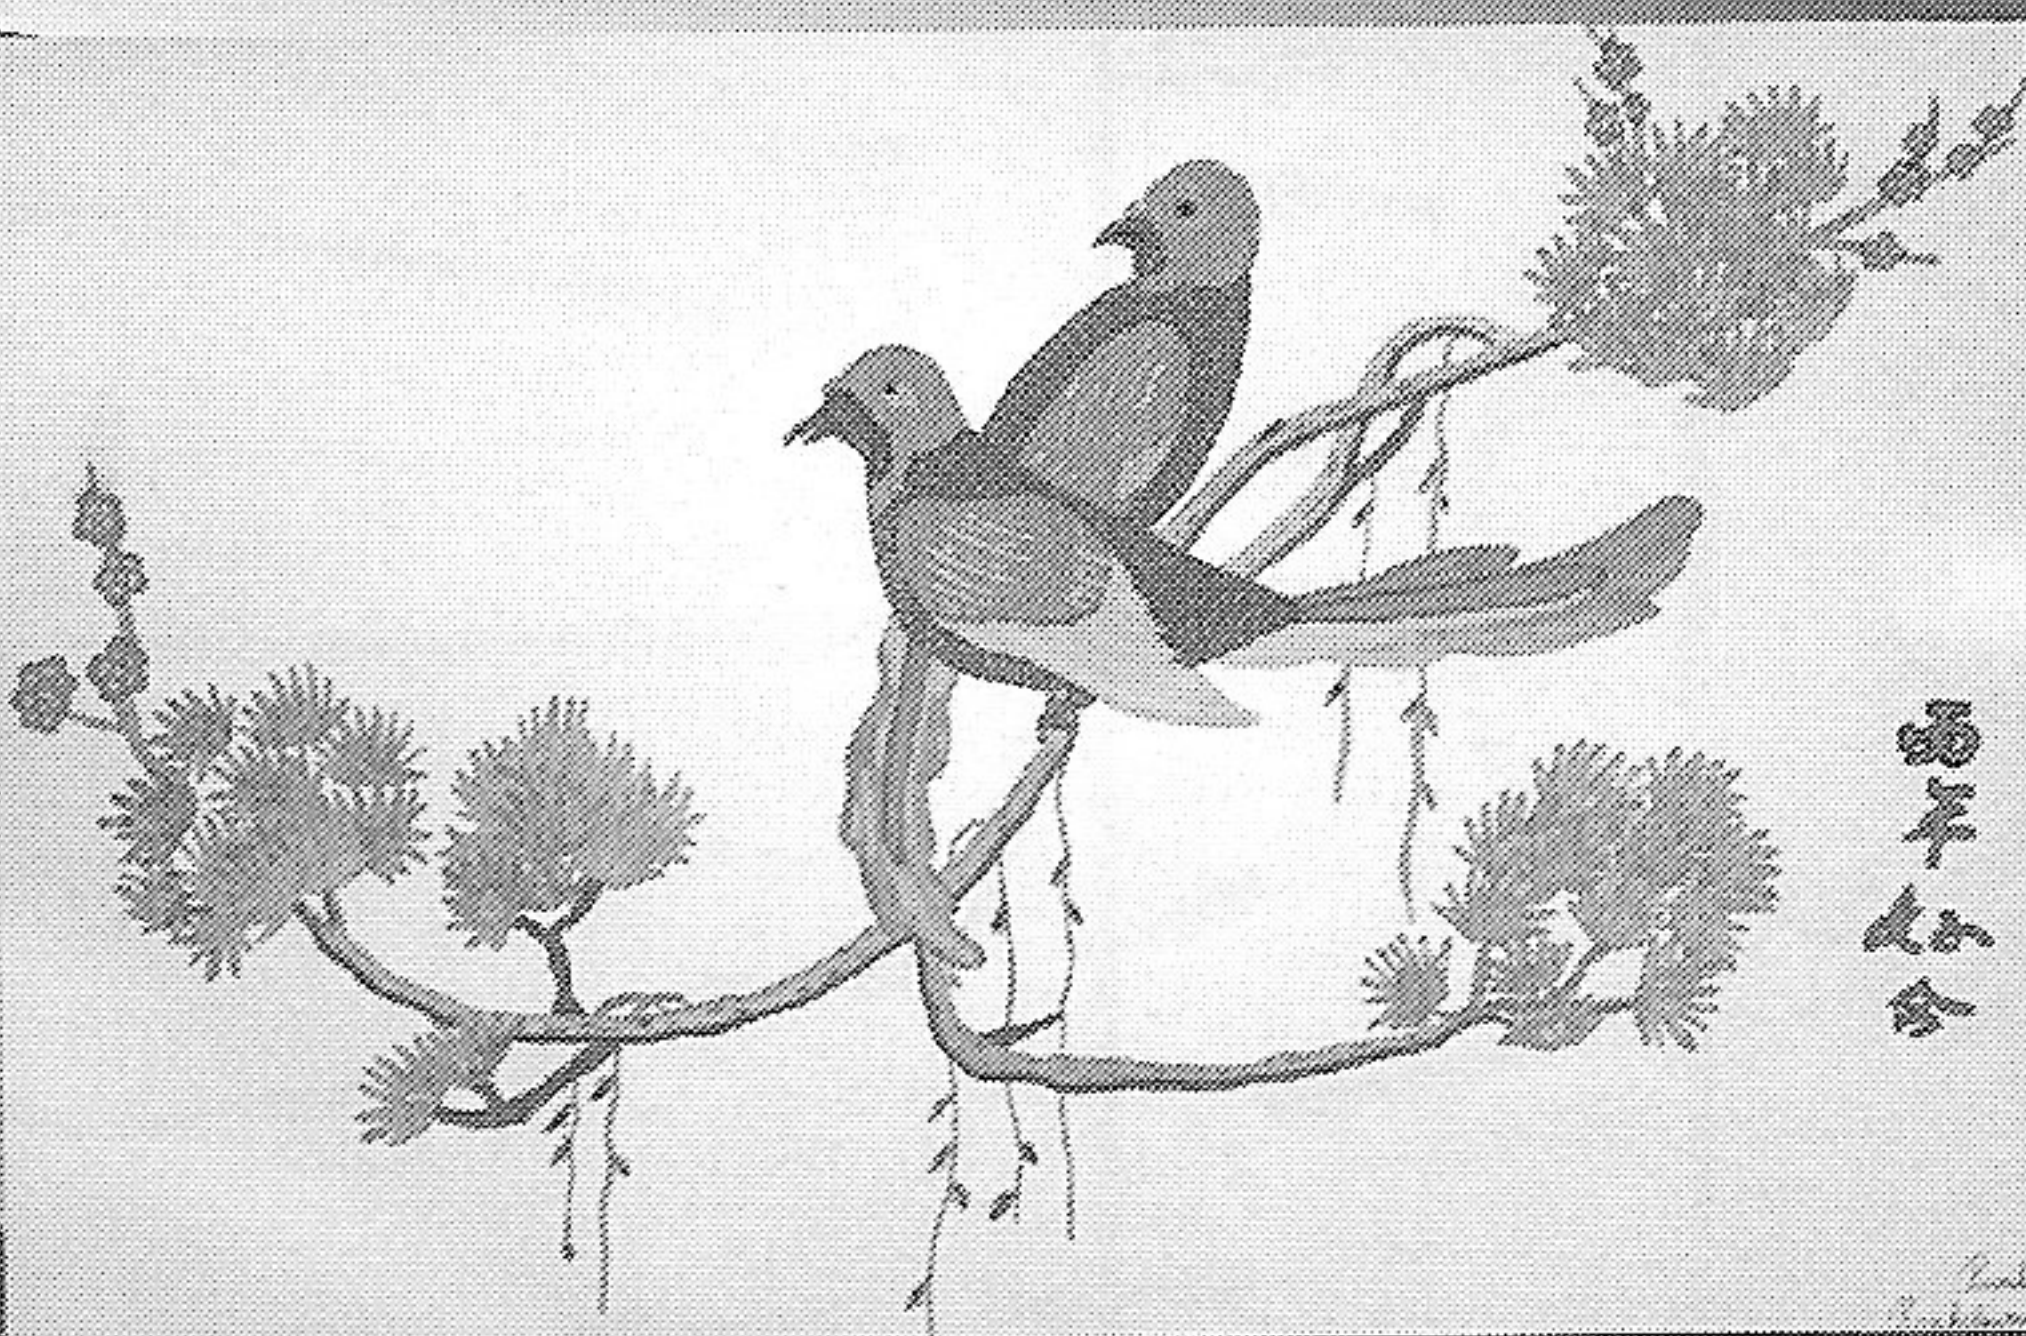

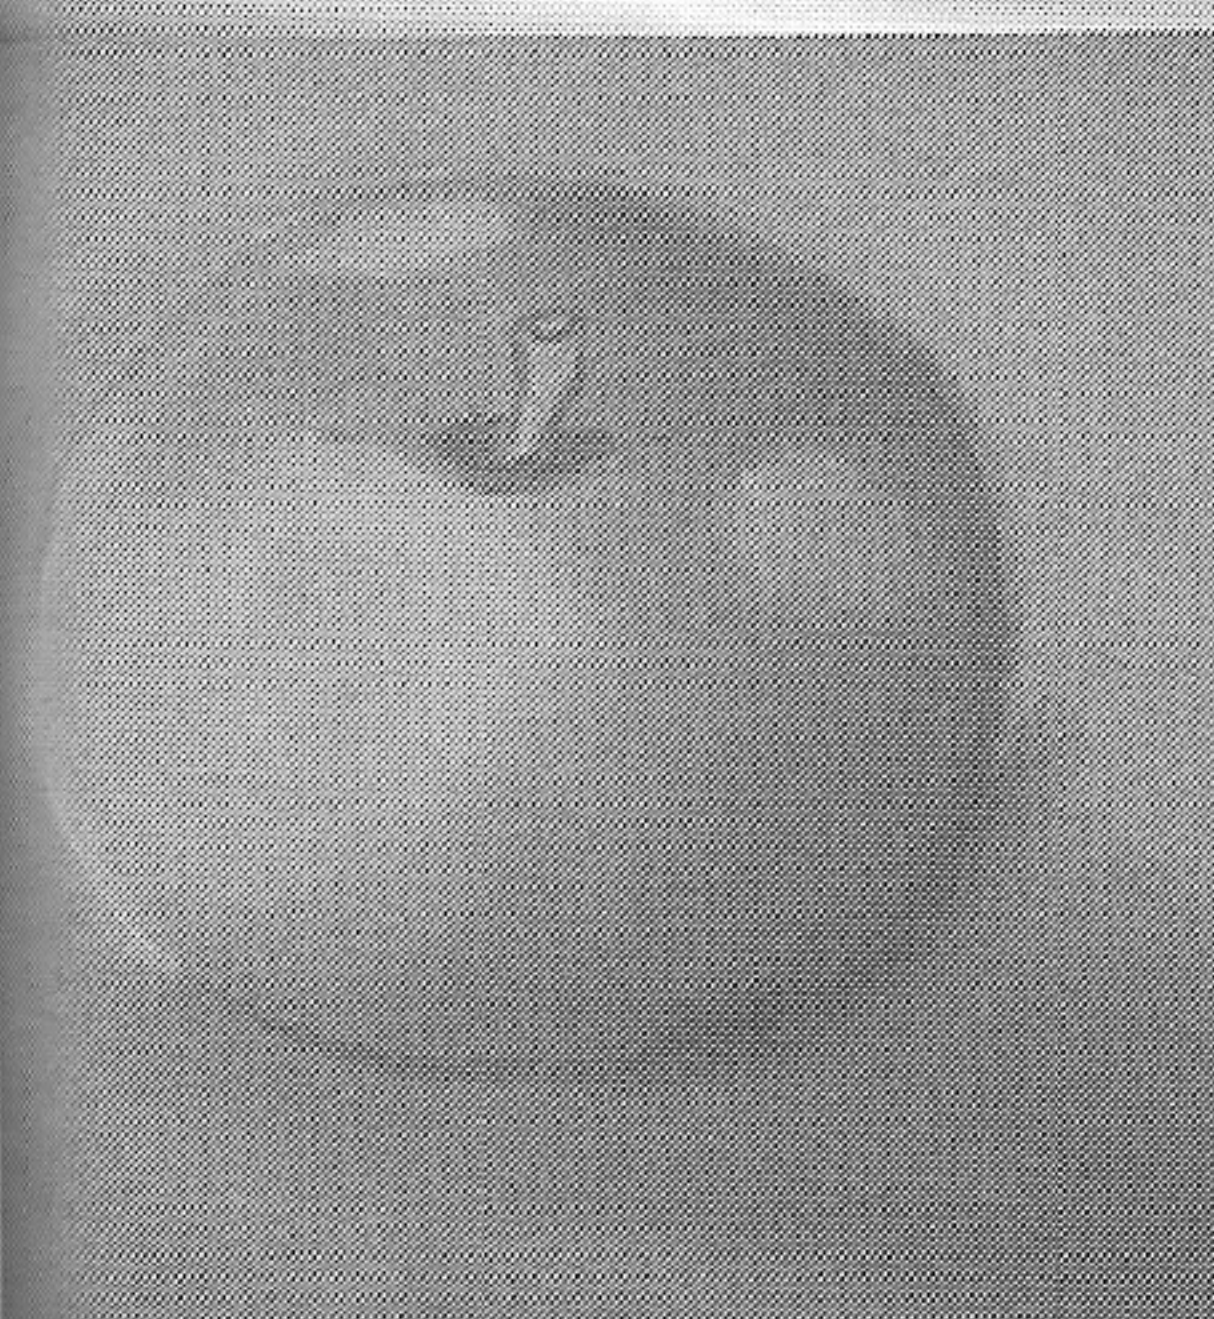

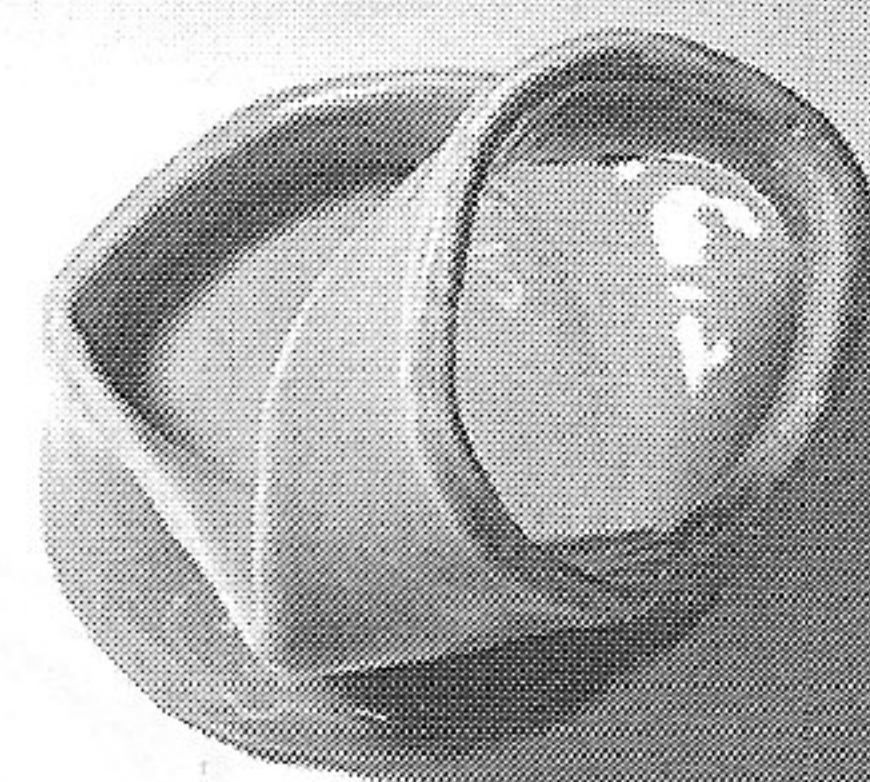

Help make a difference live life and love it...

To your full extent...

CLUBS

The President

STUDENT'S COUNCIL

The student council began the year with a long list of events and activities we thought would be beneficial and enjoyable for students. While implementing our events we learned first hand the hard work, organization and determination involved in holding activities in our school. Our favorite part of being on Student Council was the opportunity to make sure the voices of students were heard. We had a very exciting and memorable year, and enjoyed every second of it.

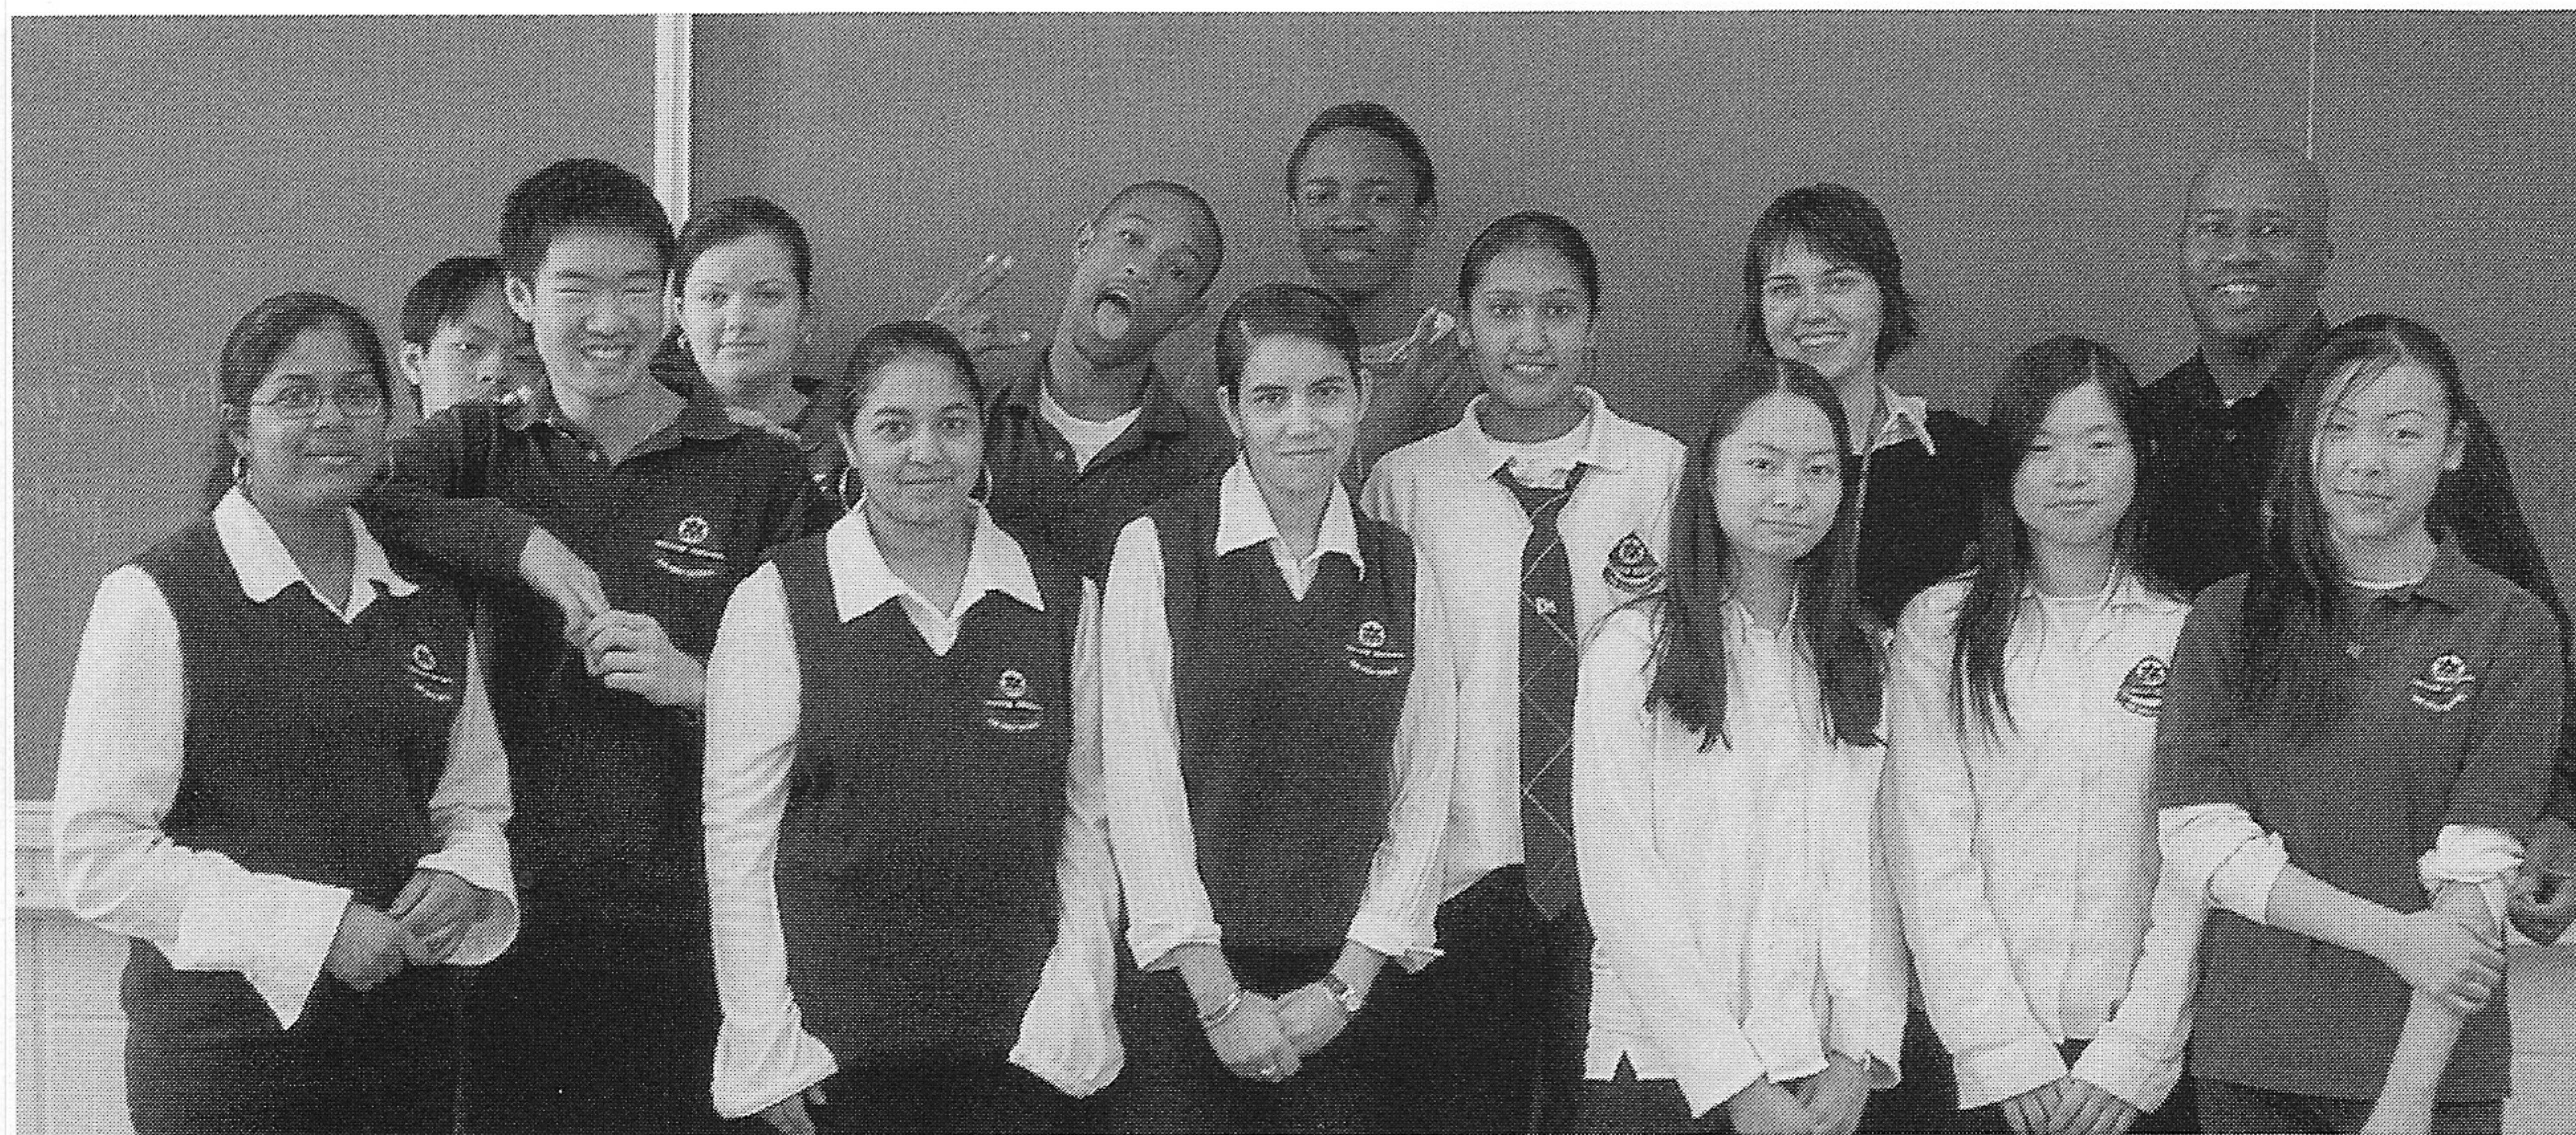

RADIO WESTVIEW

Led by the dynamic and inimitable Asha Mohamed, Radio Westview's crew has been a reliable and often entertaining source of information for the Westview community. While the focus of the service provided has always been the student body, this year Radio Westview's team has made noticeable efforts at expanding this focus to include Westview's staff as well. All in all, the radio station has been consistent in showing the better side of who we all are.

STUDENTS IN ACTION (SIA)

Students in Action (SIA) is a club which gives Westview students a chance to give back to their school and community. We organize events and donate the proceeds to charity. We also organize workshops and attain guest speakers to enrich the lives of Westview students. SIA members are dedicated, hardworking individuals, committed to our motto: "Lift as you rise," meaning that as we succeed, we promise to help others along the way.

EMPOWERING STUDENTS PARTNERSHIP (ESP)

The Empowered Student Partnership (ESP) is a partnership between Westview students and the Toronto Police. We have been hard at work preparing a series of skits to perform for the Grade Eights at Brookview Middle School. We hope to provide a fun and educational presentation to help the Grade Eights adjust to life in high school.

ATHLETIC COUNCIL

The Athletic Council is a club for students interested in organizing and hosting co-curricular events like intramural sports, invitational tournaments and the Athletic Awards Celebration. This year we also hosted a special farewell for Mr. Jones, Vice-Principal, who left Westview at the end of the first semester.

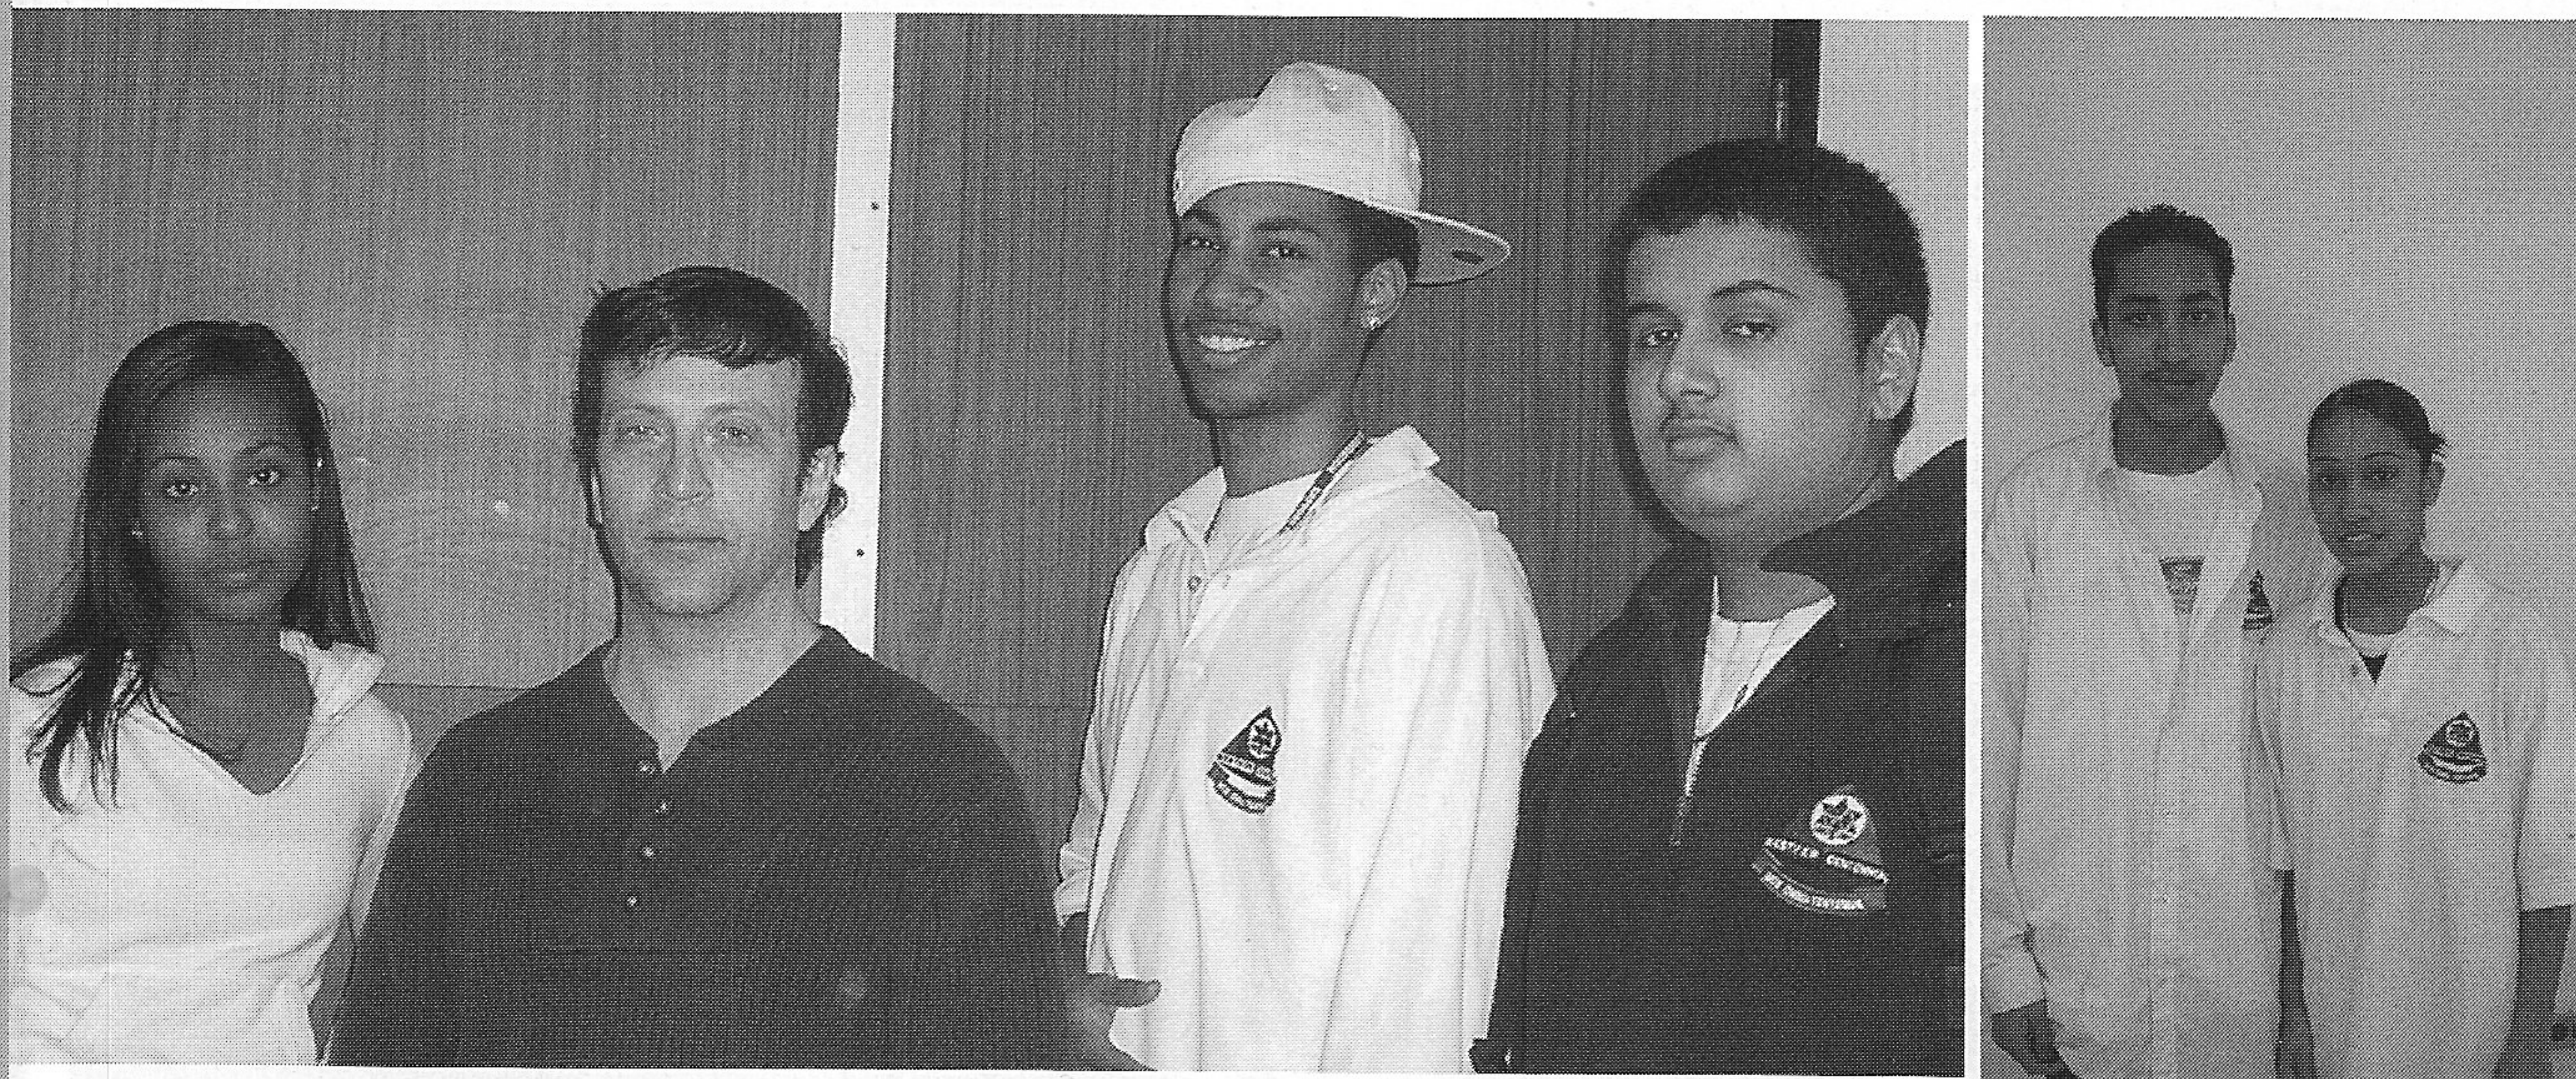

PROM COMMITTEE

"One Golden Night" is the theme for Prom 2005. The prom committee has been busy planning this year's graduation party at the luxurious Venetian Banquet Hall. The prom gave students a chance to walk away from their high school lives with a memory-filled night.

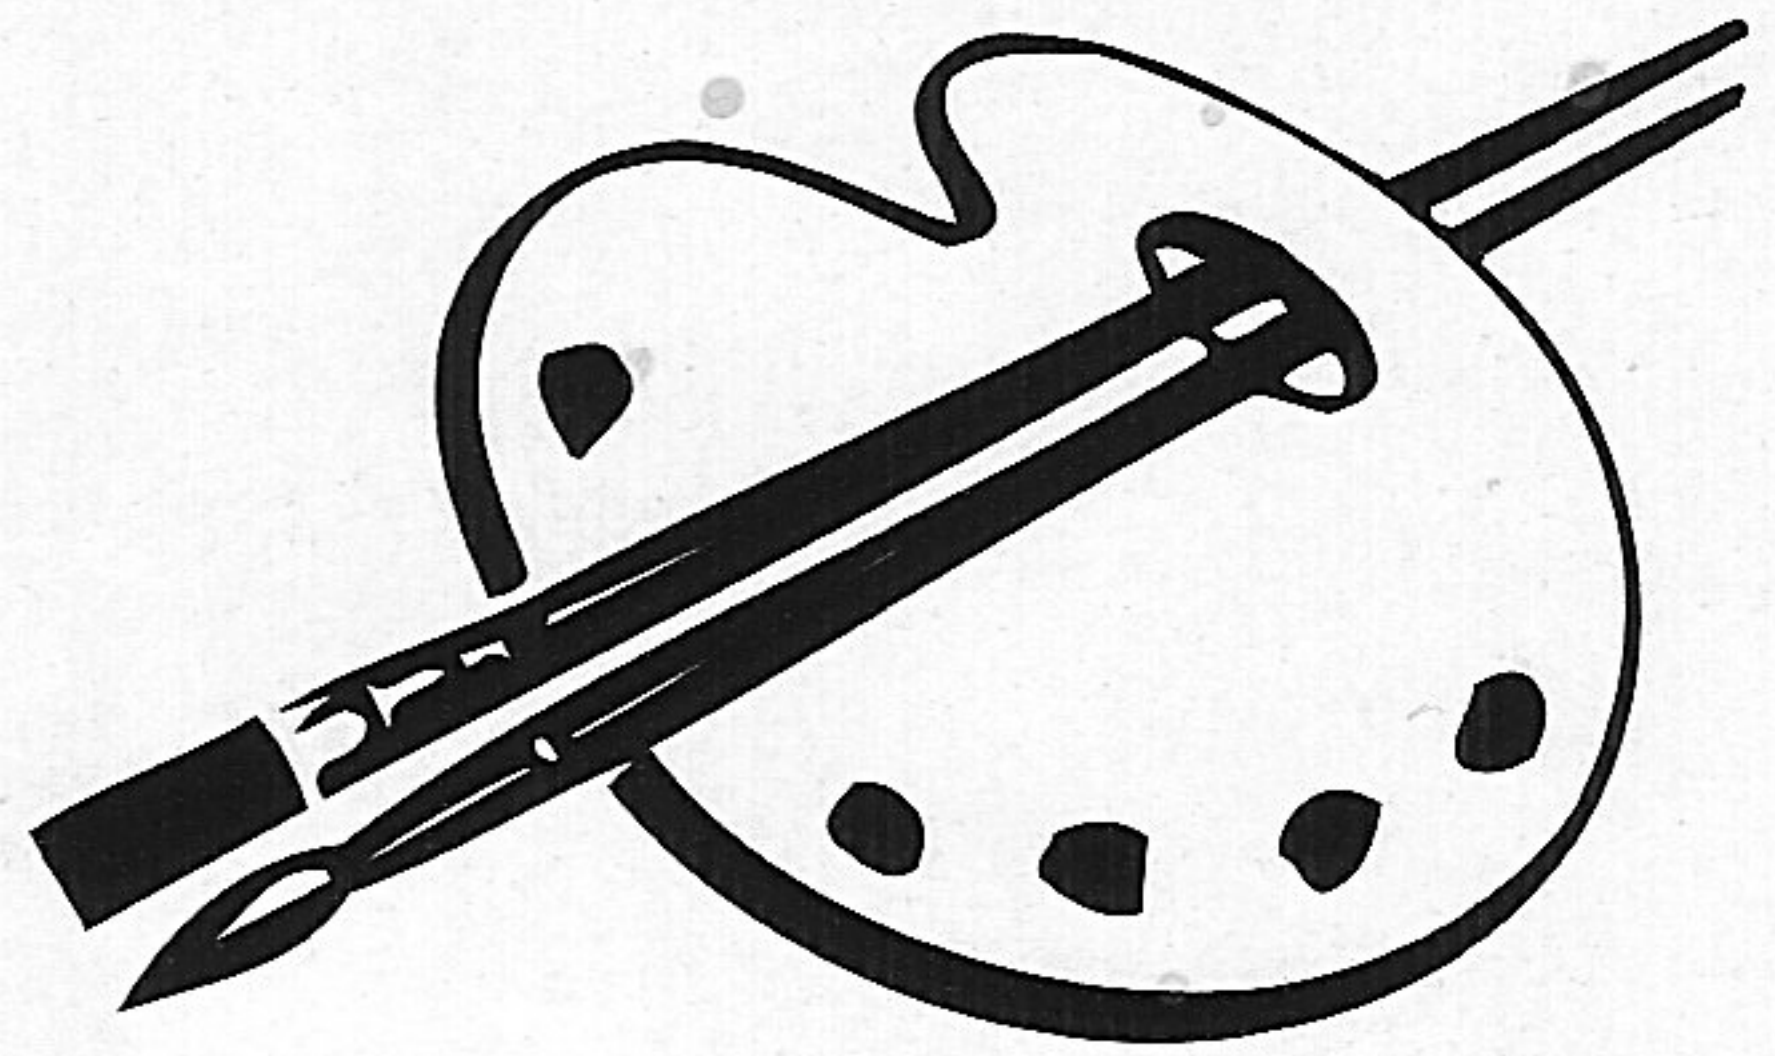

LIBRARY CLUB

Many students joined the library club during the year, earning community service hours which are required for graduation. Many participants chose to continue volunteering beyond the required amount of time. They enjoyed meeting new friends, assisting staff and students, learning new skills and gaining valuable work experience. They also enjoyed participating in the club parties held during the year.

STAGE/TECH. CREW

Rahma Siad-Togane, Felix Cabrera, Chirag Modi (*Staff Advisor*): Mr. Saltzberg
The Tech Crew facilitated stage performances and assemblies by helping with lighting, sound, and props.

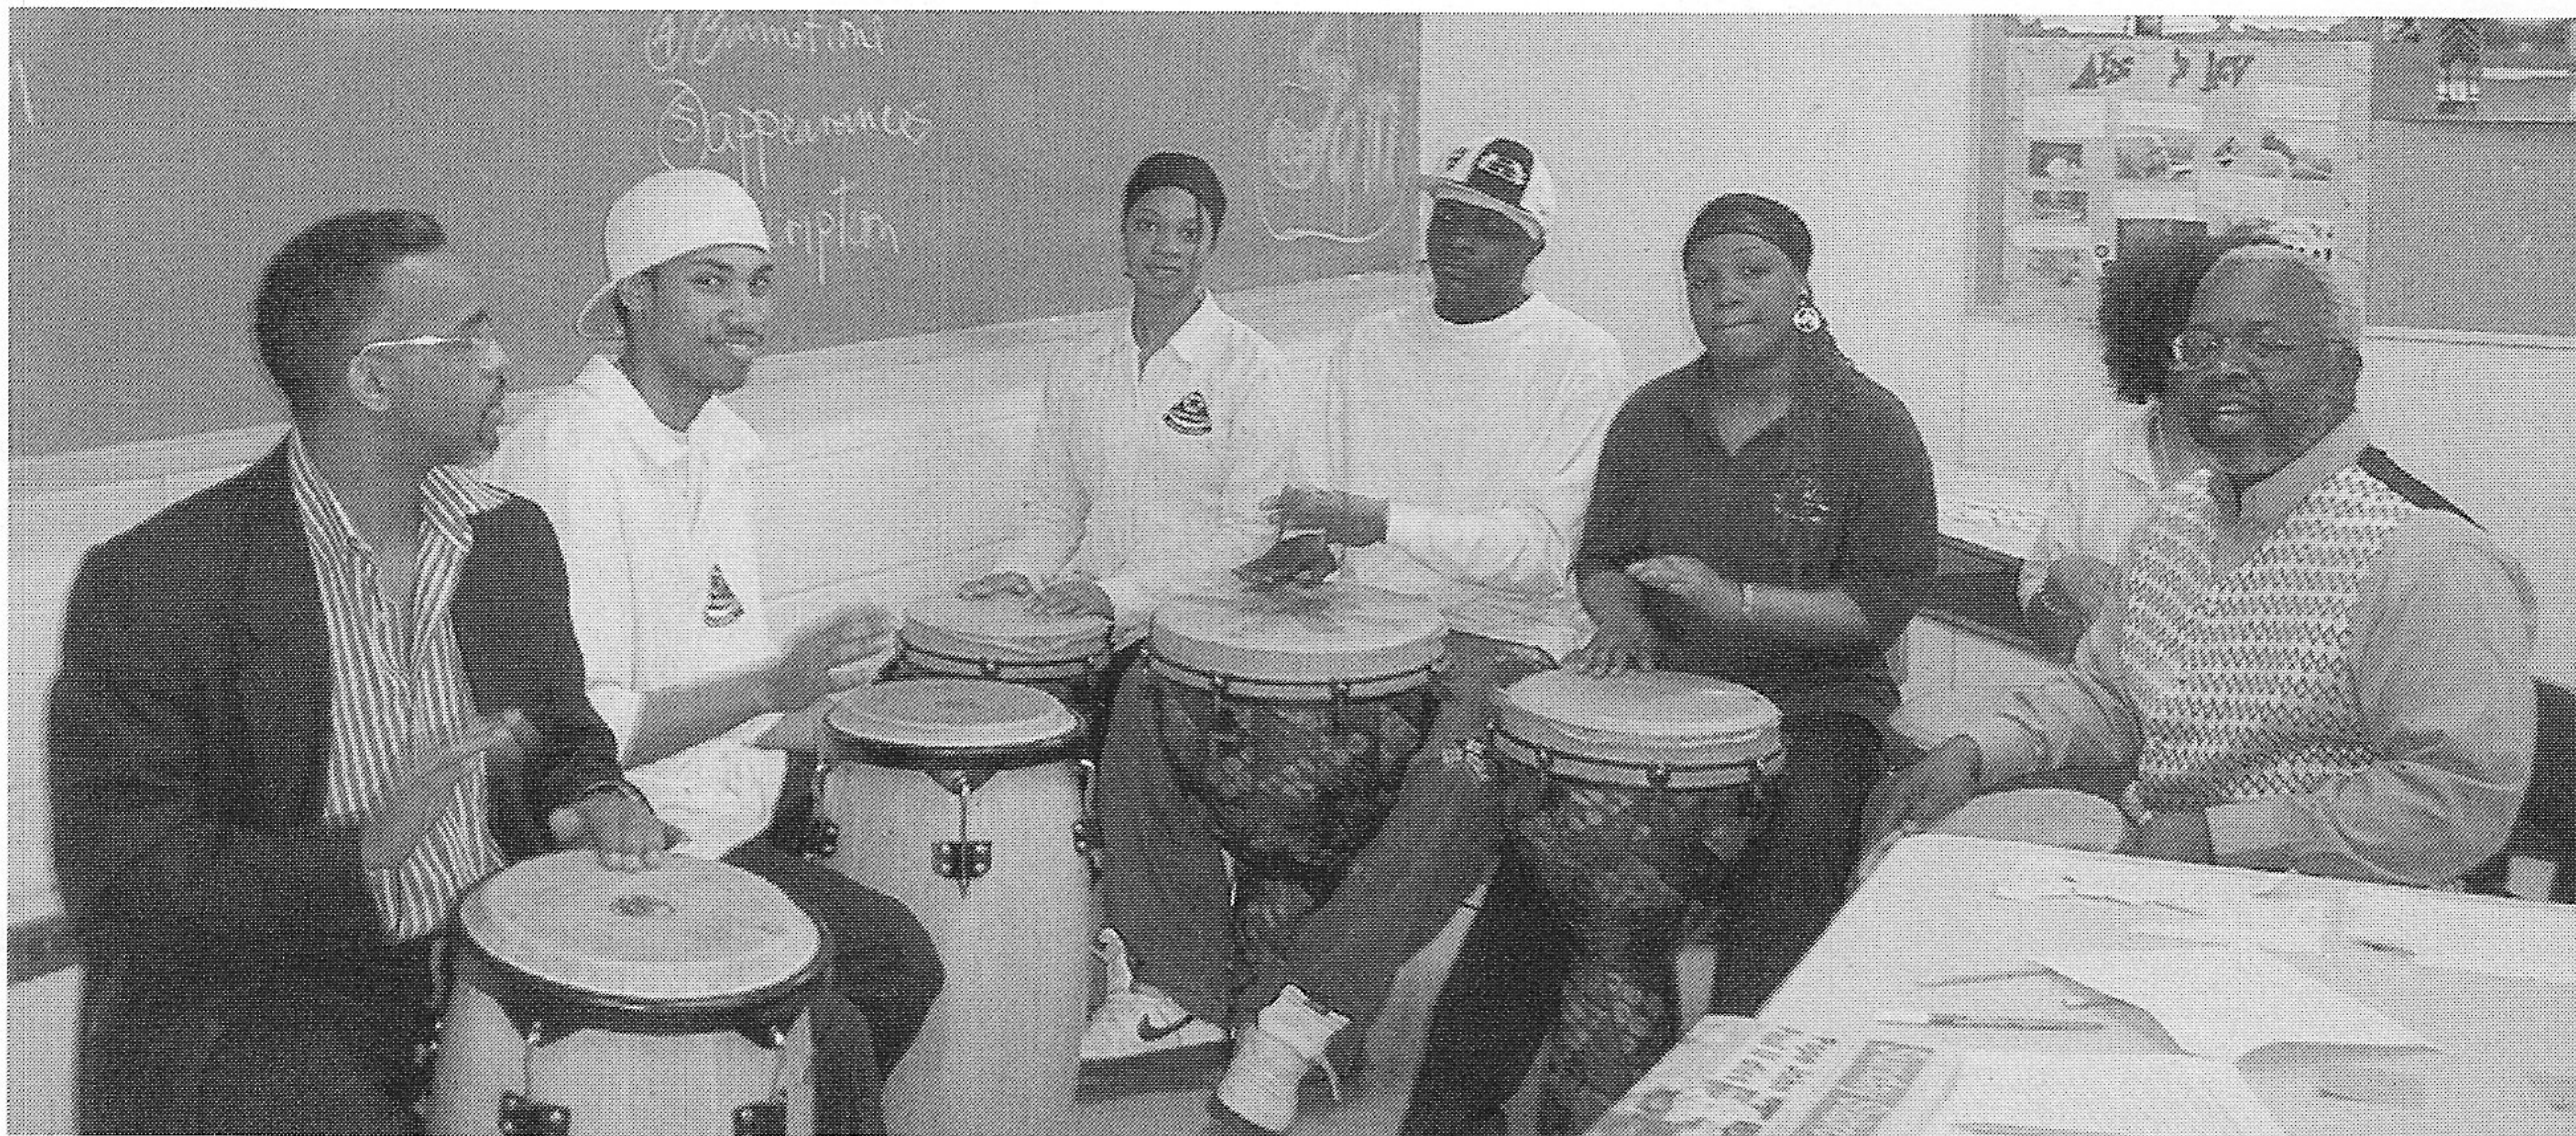

ART CLUB

Westview's first-ever Art Club got off to a great start in 2005. Whether you were a regular, or just preferred to drop by once in a while, the Art Club was a place to be creative, learn to work with new materials, and unwind with good conversation. We look forward to another year.

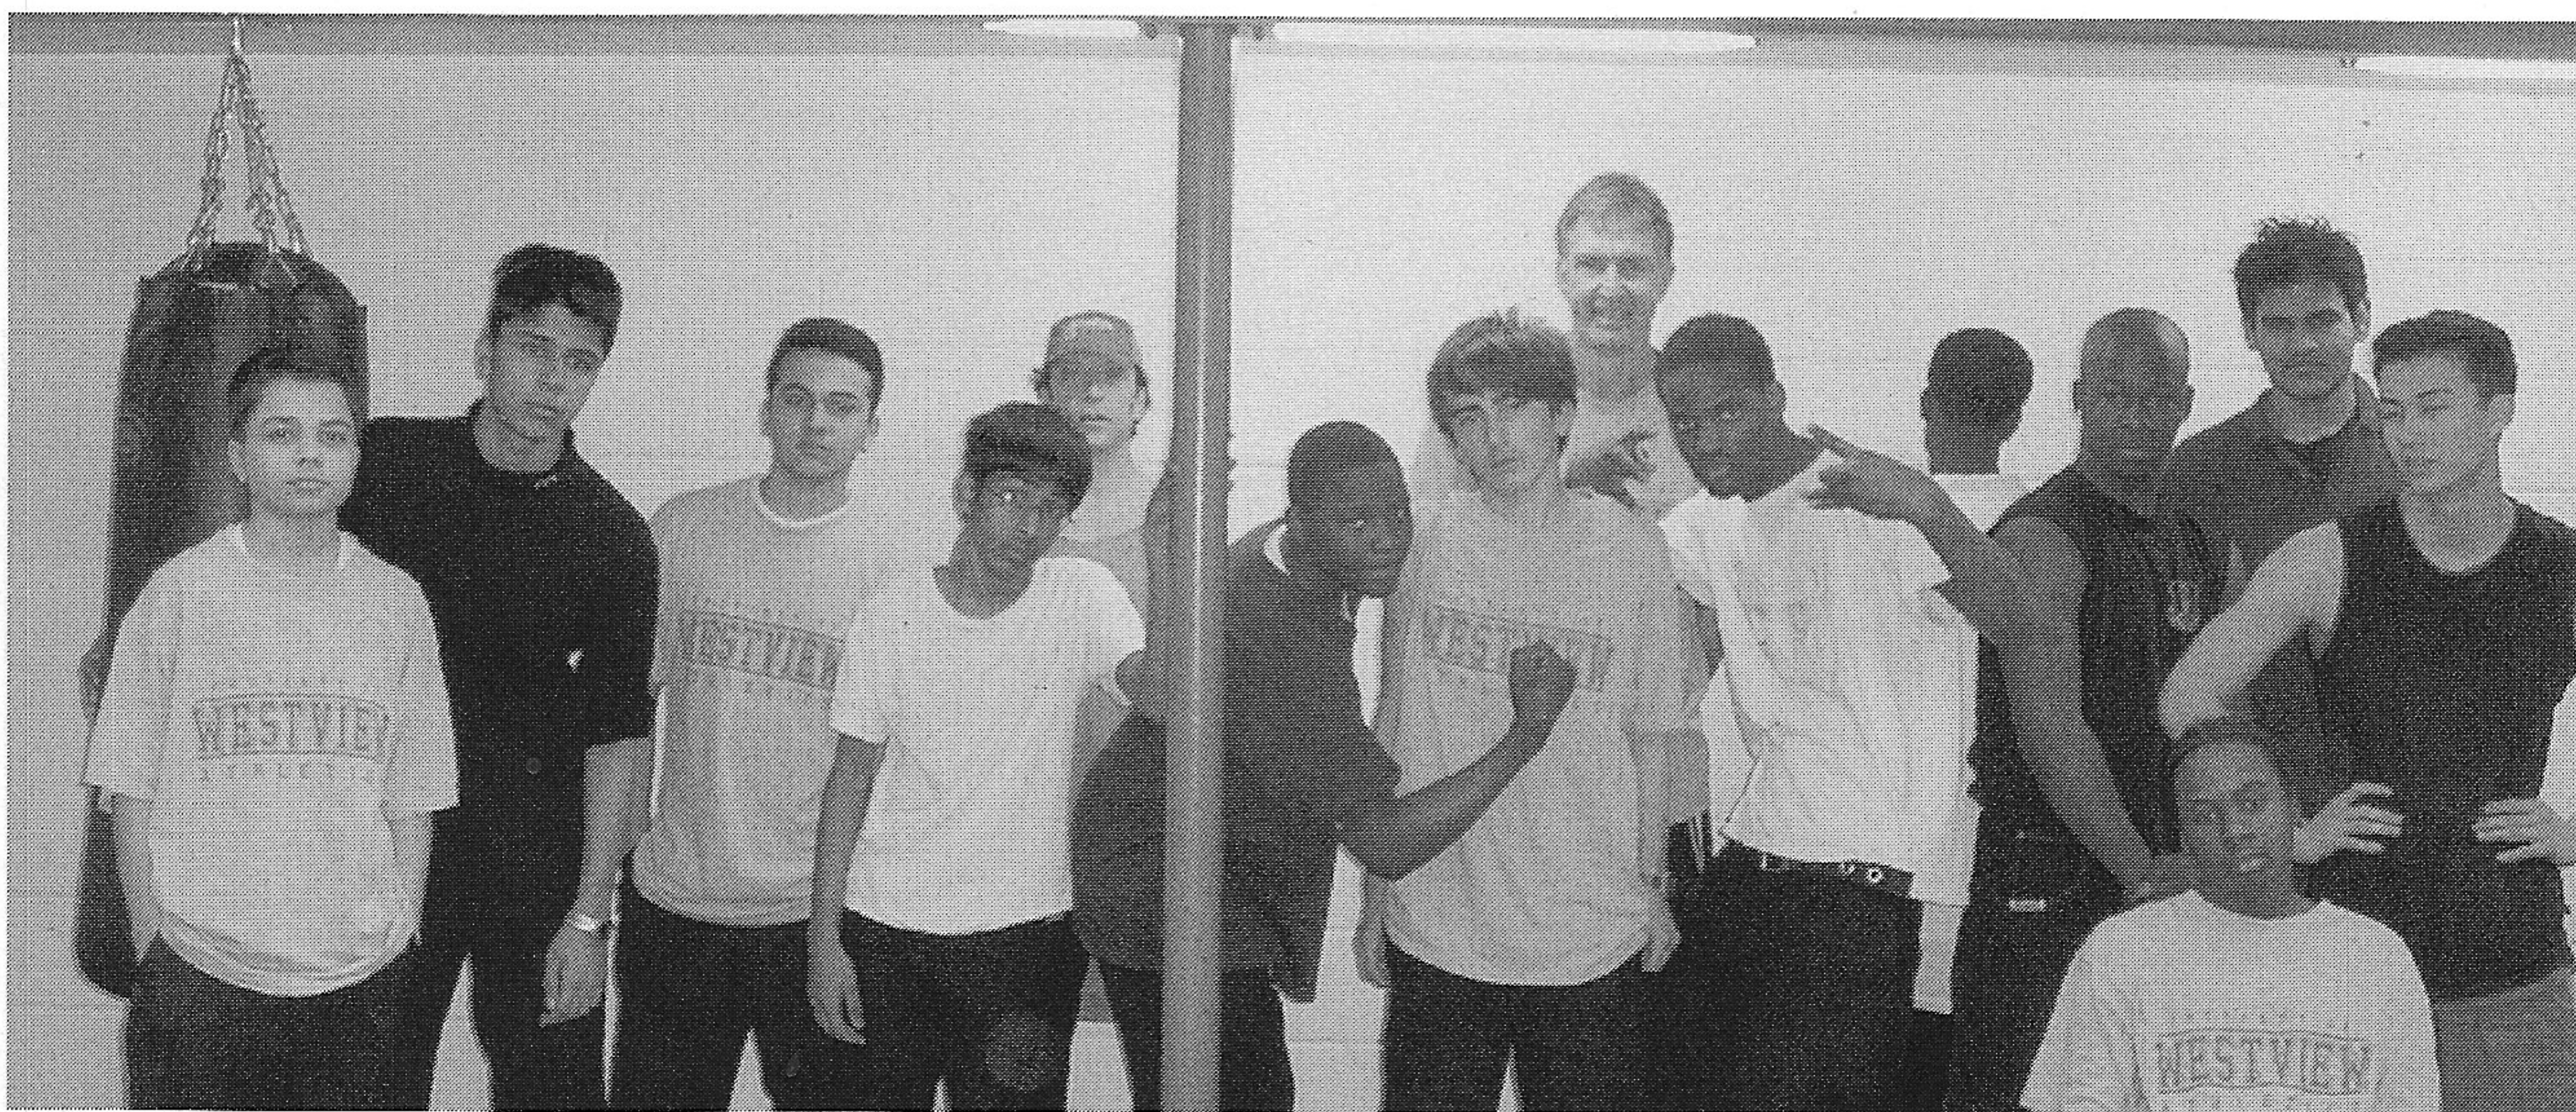

DRAMA CLUB

The Drama Club, with the artistic direction of Mr. Saltzberg, performed plays that explored culture and relationships with humor and insight. The pieces they presented at the African Heritage assembly were a big hit with the crowd, and showcased the vibrant acting talent here at Westview.

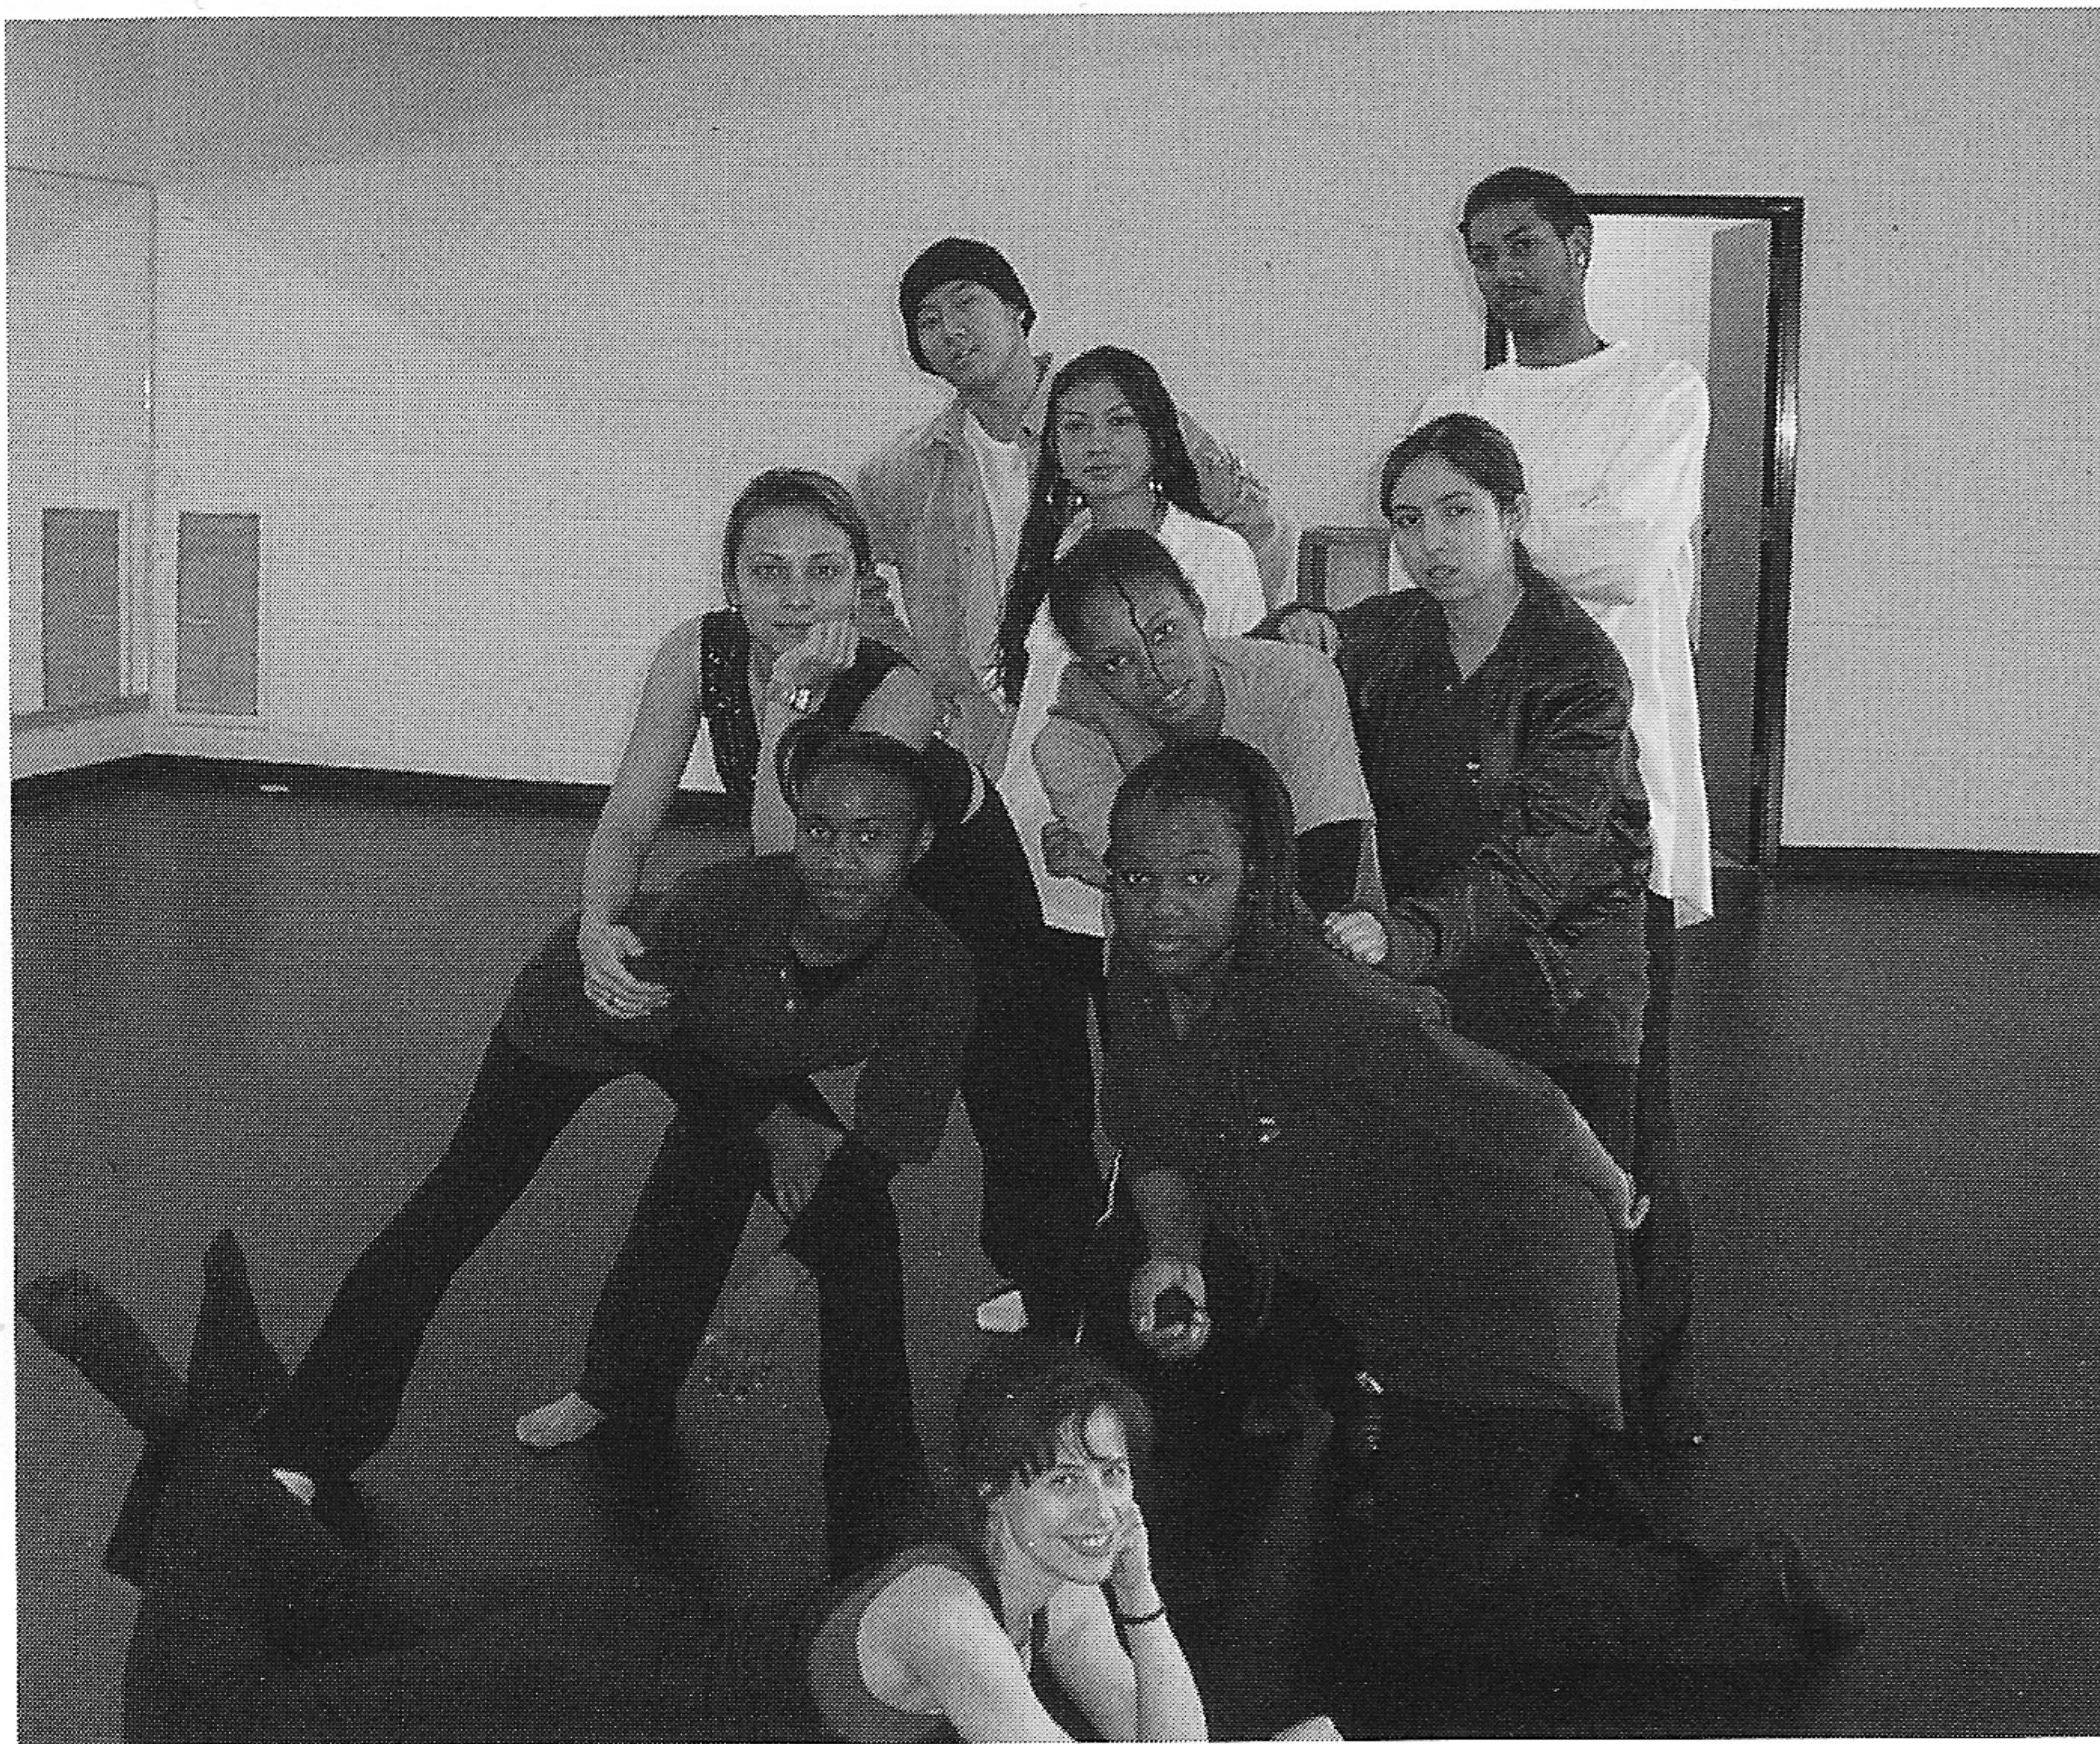

WESTVIEW'S DRUMMING CIRCLE

The Westview African Drumming Circle is known throughout the community, and the Toronto District School Board. Open to everyone, it reflects the central role that music plays in African life. The group uses djembe drums, which originated 500 years ago in West Africa. They receive many requests for performances, often more than scheduling will allow. Their dream is to start a girls' drumming group and a Grade 9 group.

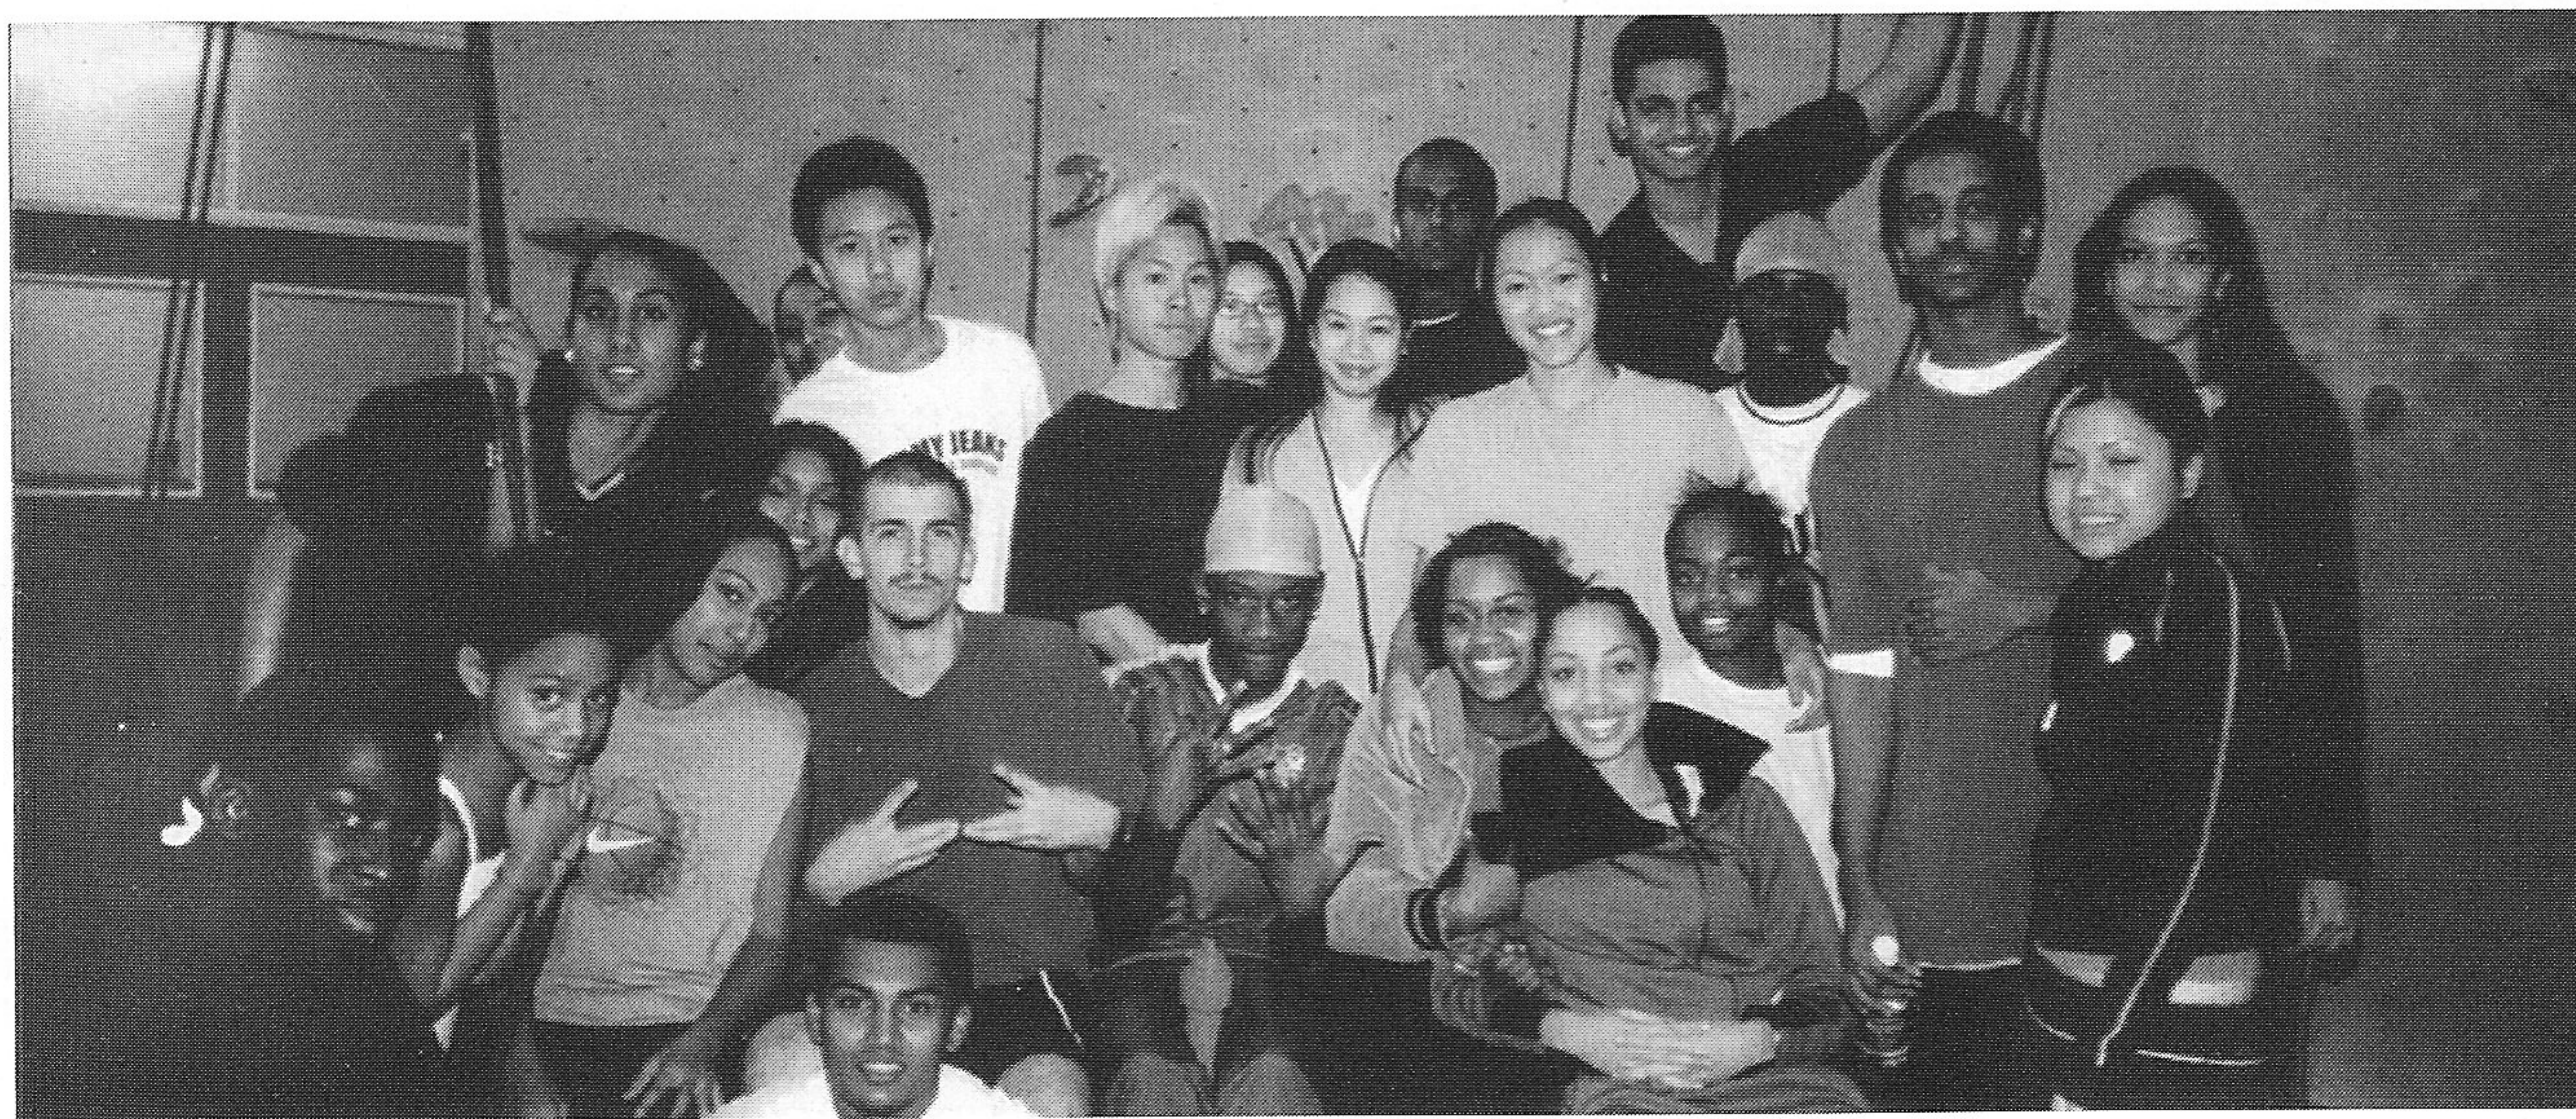

FITNESS CLUB

The Westview Fitness Club operated through the entire school year. All students could exercise at lunch and after school to develop their fitness, strength and endurance. Students from sports teams worked out with the Fitness Club to give them that competitive edge. Next year we hope that you too will put on your workout gear, head over to our fitness center and start seeing and feeling the results.

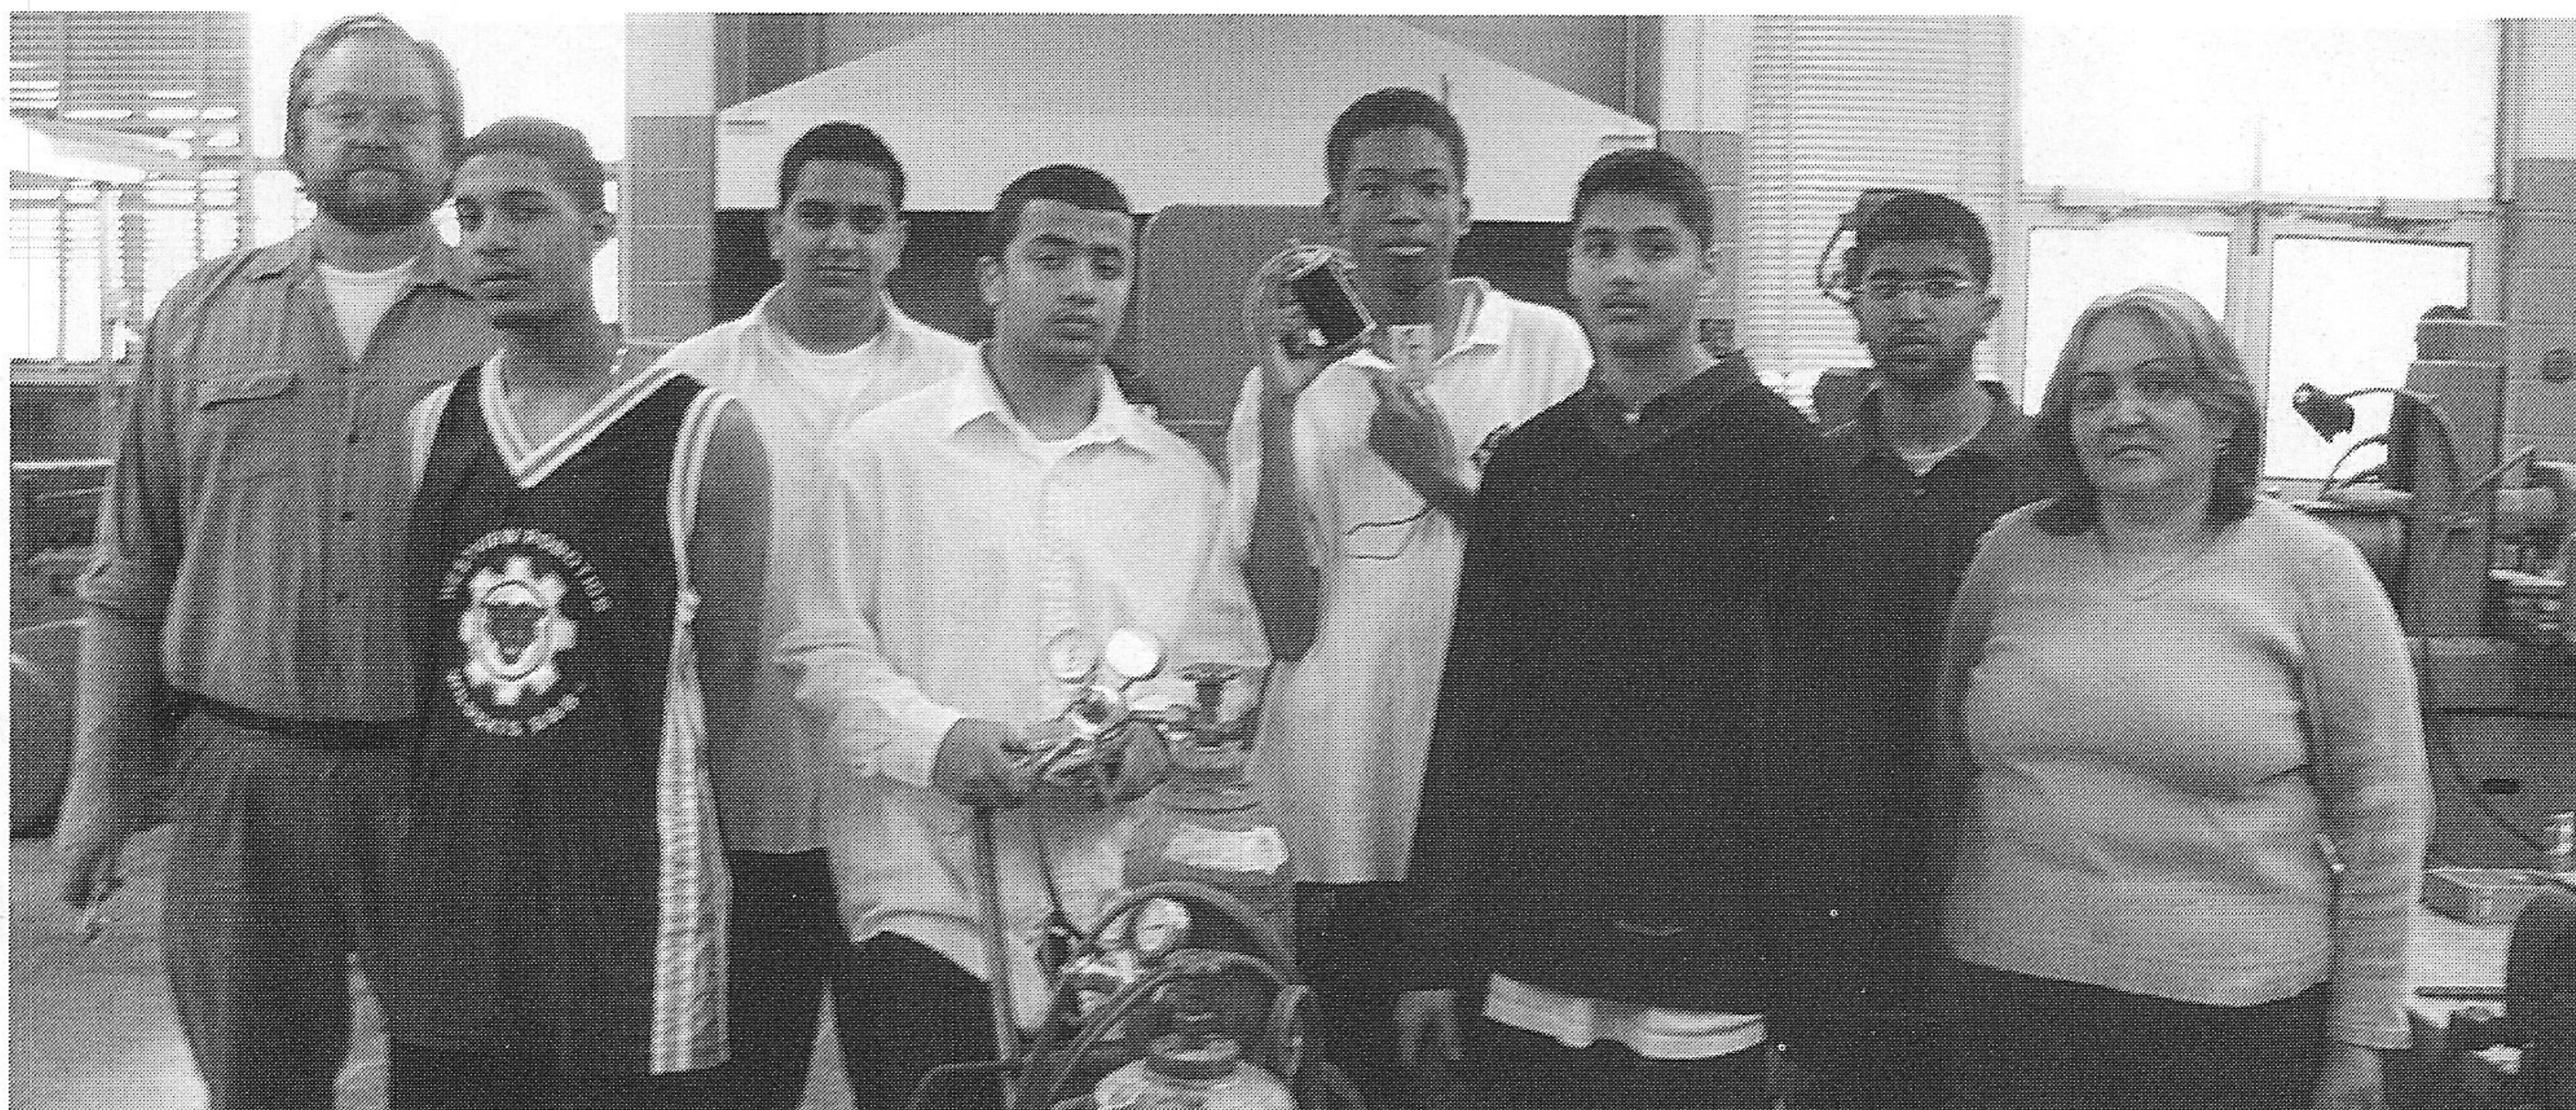

DANCE CLUB

The Dance Club is an exciting club where students choreograph, rehearse and perform dances in a variety of settings. In addition to school performances, they also had the opportunity to dance at York University, as well as the Newtonbrook Dance Festival!

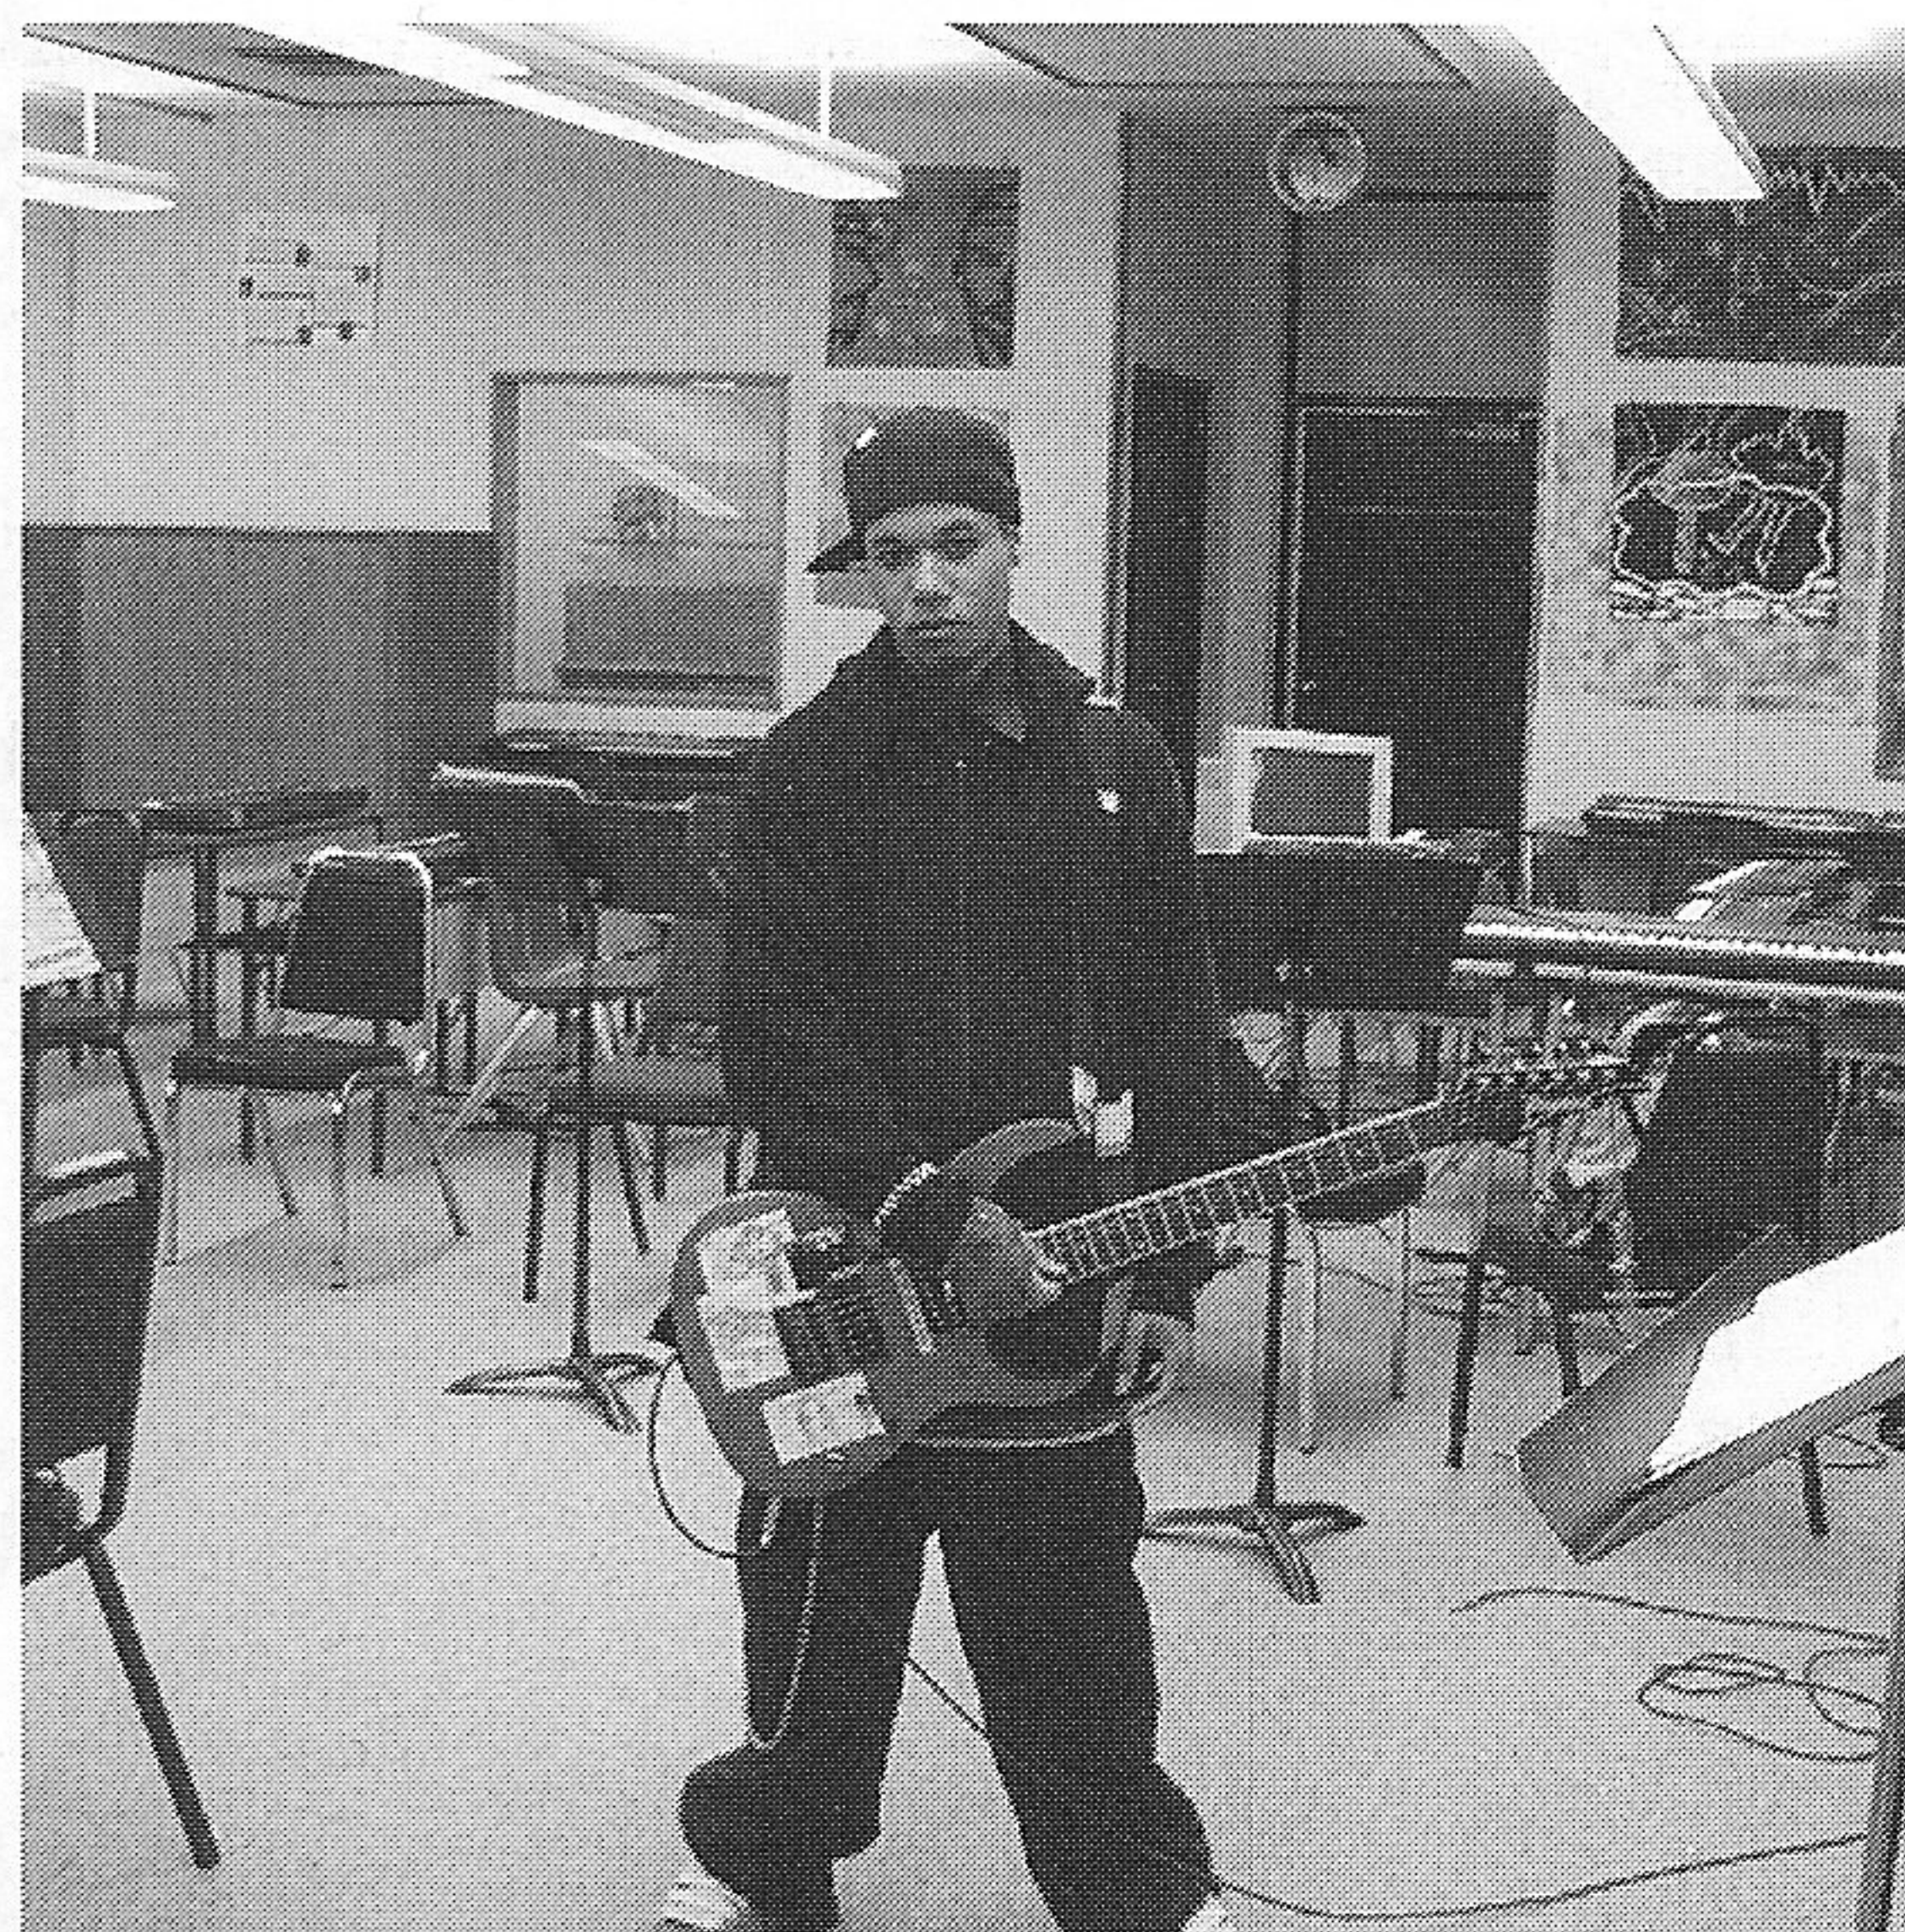

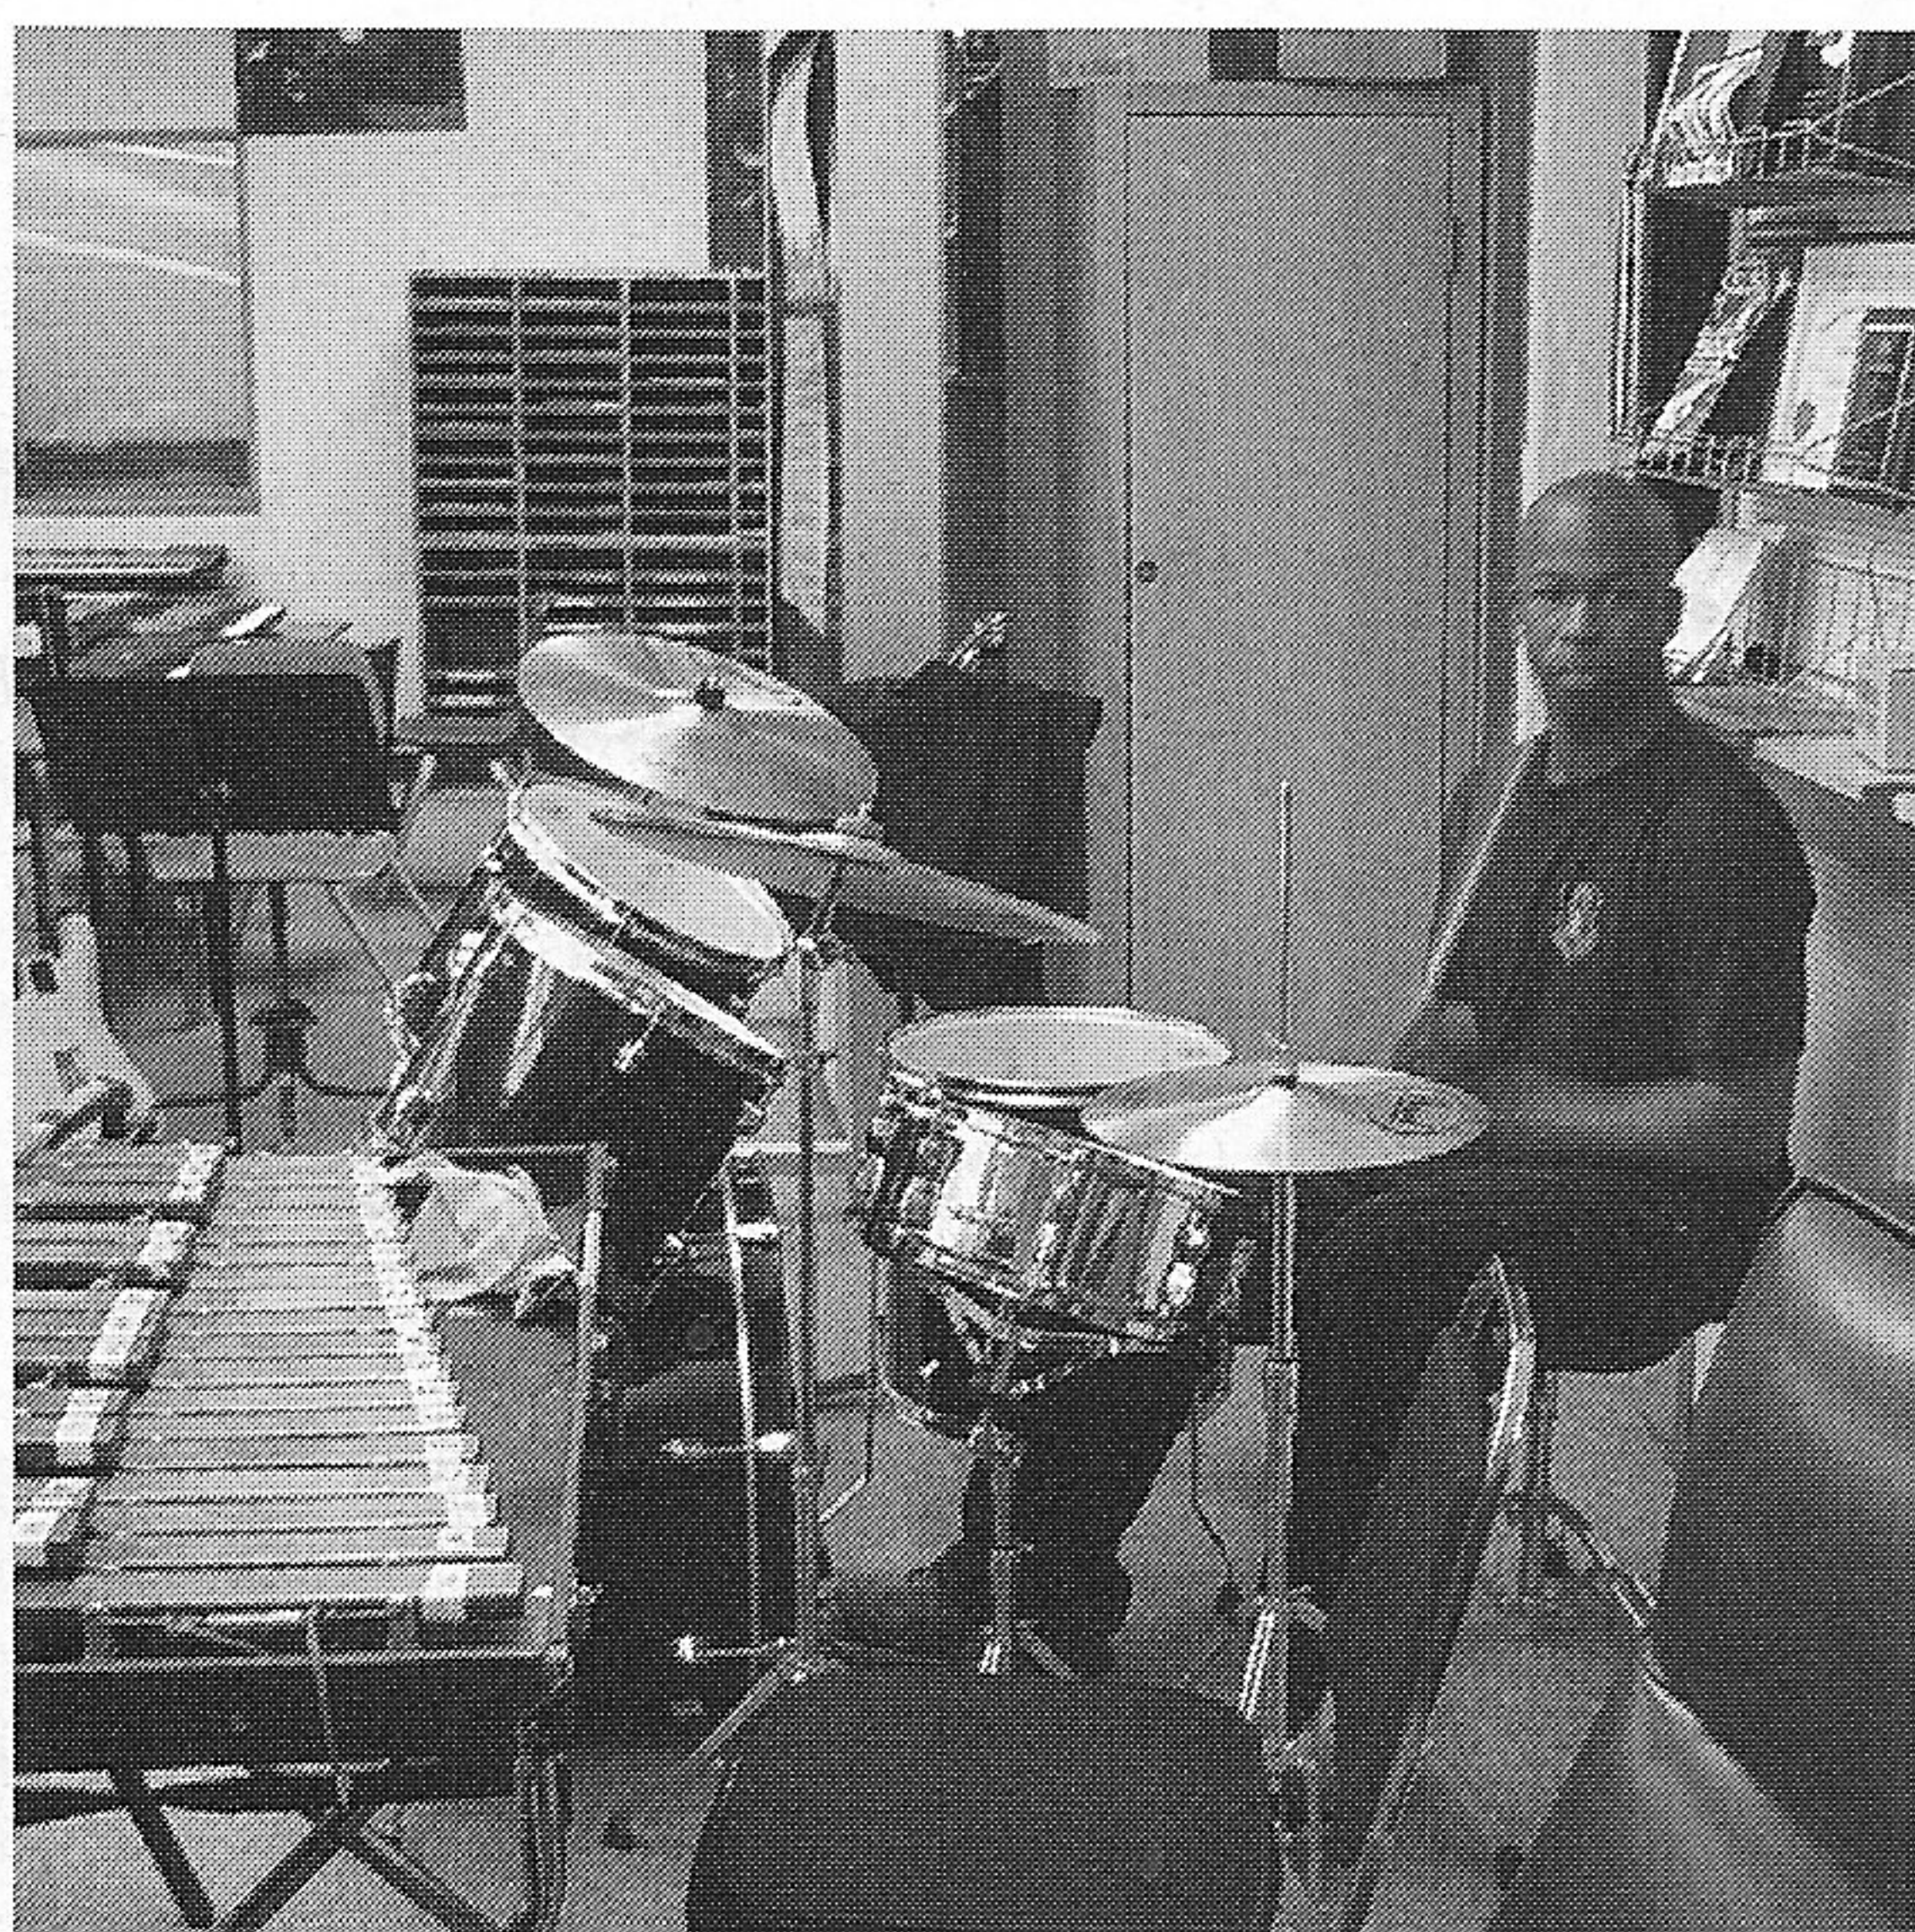

OUTDOOR ADVENTURE CLUB

Westview's Adventure Club enjoyed another year of extreme activity. Day trips took members to participate in a high-ropes course, to rock climb, and to cross-country ski. The climax event was a four-day camping trip to the Bruce Peninsula. Next year's agenda will kick off with a mountain biking trip in September.

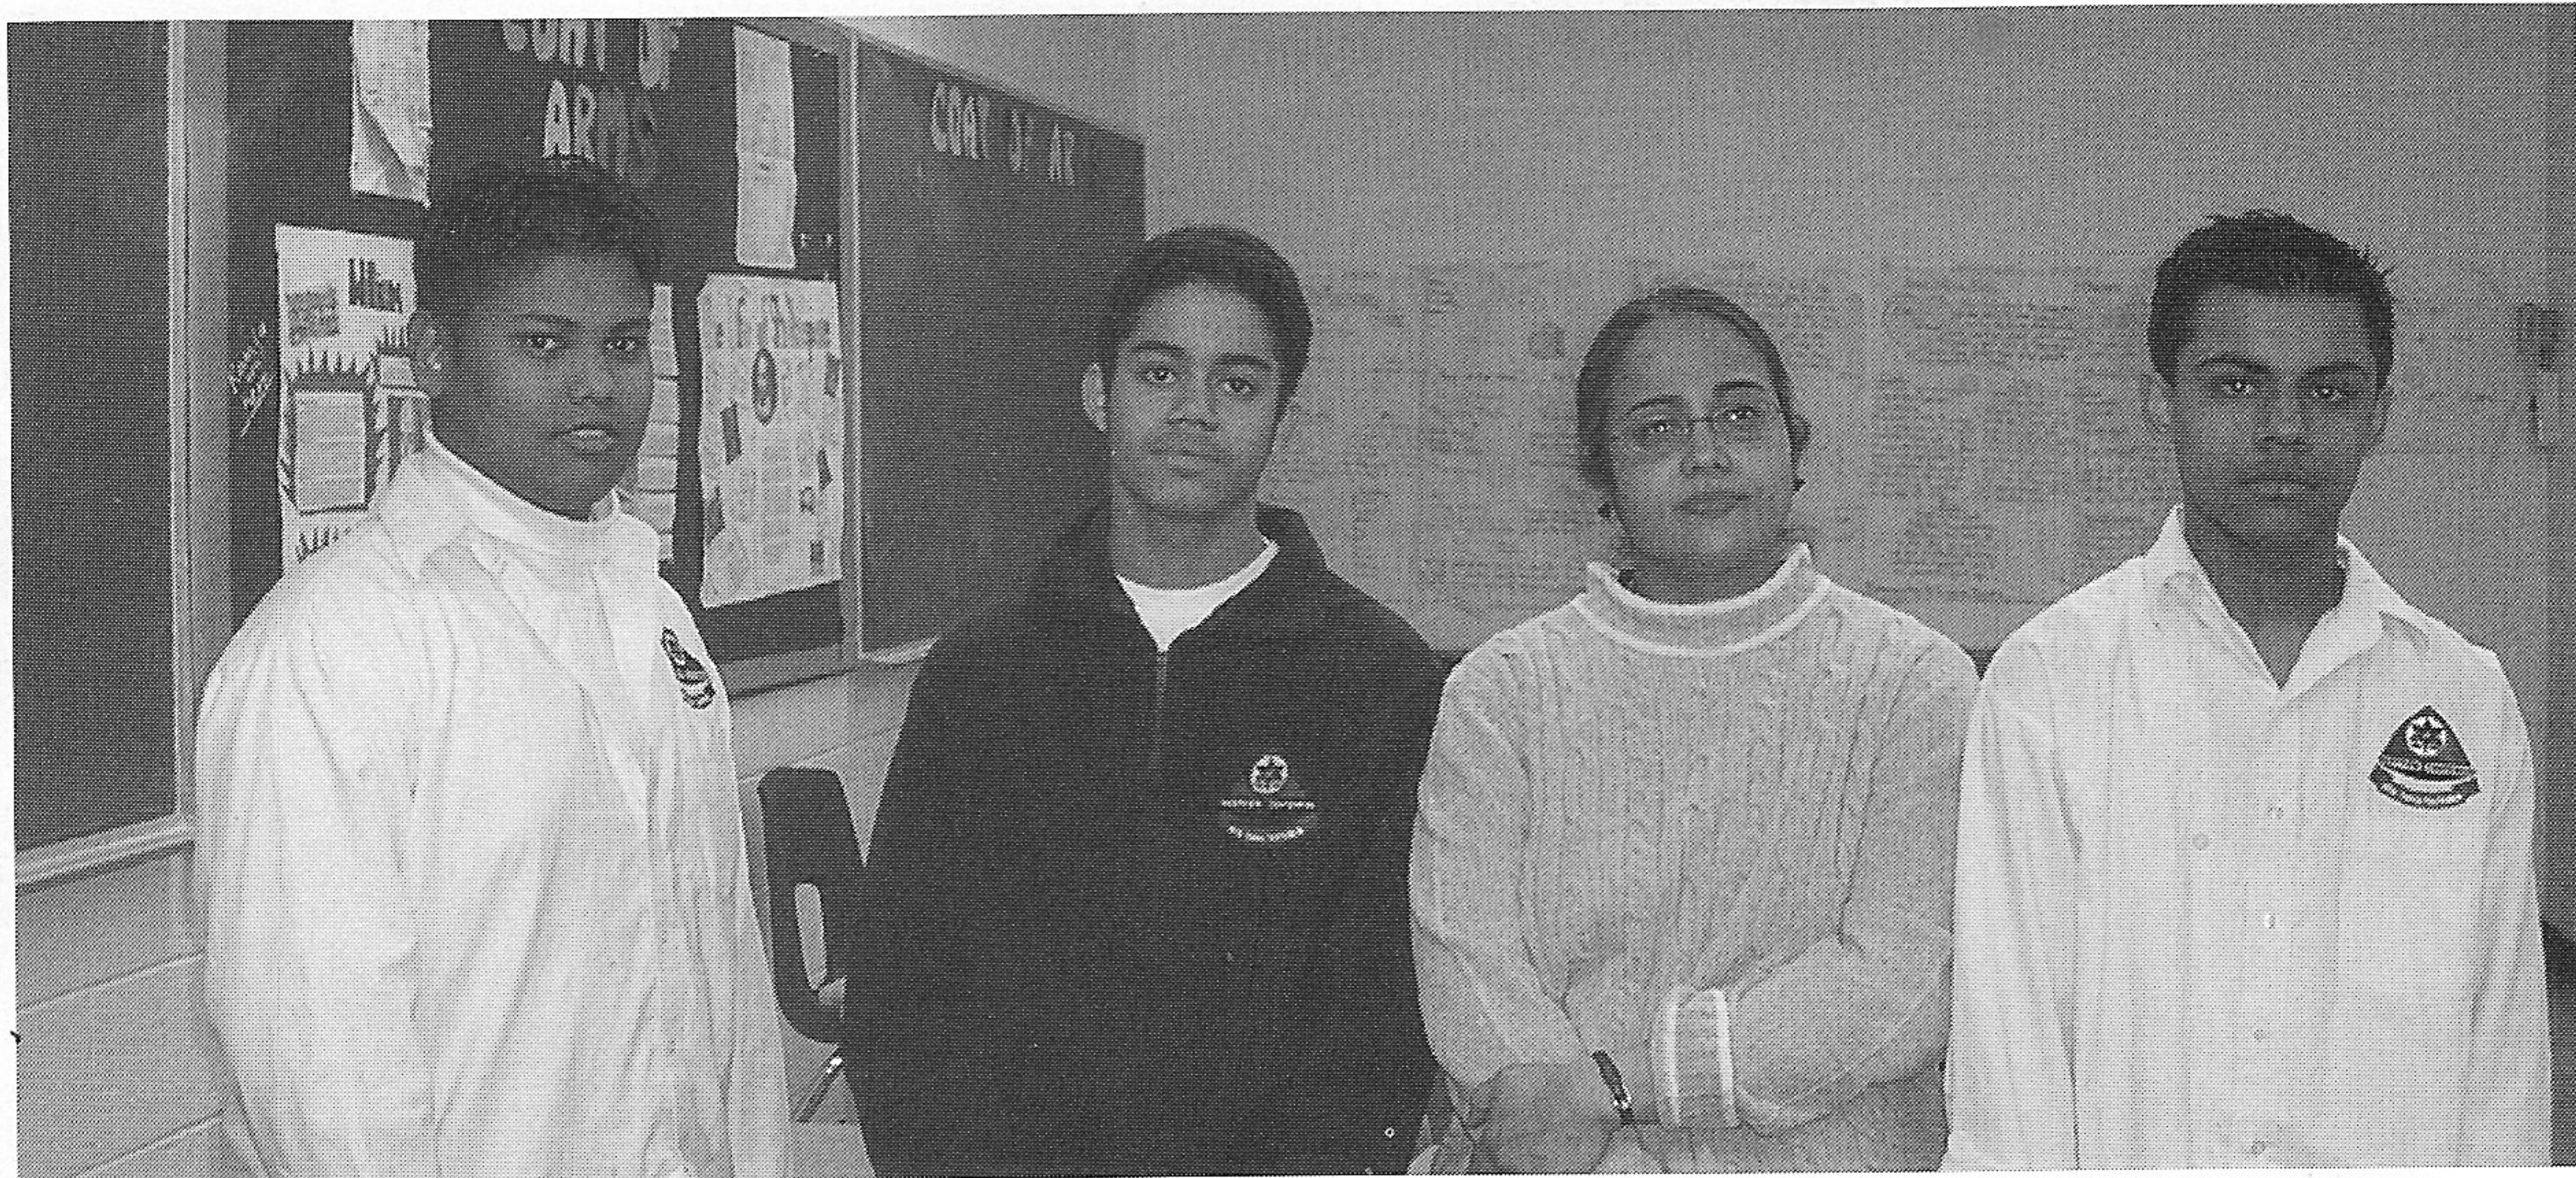

ROBOTICS CLUB

The team built two robots and participated in three competitions. They entered a small remote radio-controlled robot for The F.I.R.S.T. Robotics Competition. The second, larger robot was entered in two competitions with 65 other international teams, at the University of Waterloo and the Hershey Centre in Mississauga. The robots performed well, and the team was both gracious in helping other teams, and professional in their attitudes.

WESTVIEW'S BAND

Westview's band - another most noticeable club, consists of a highly talented group of people that are extremely passionate about music and art and are willing to experience every note and rhythm. The band has helped spice up various assemblies in the past and are also looking forward to achieving success in the future.

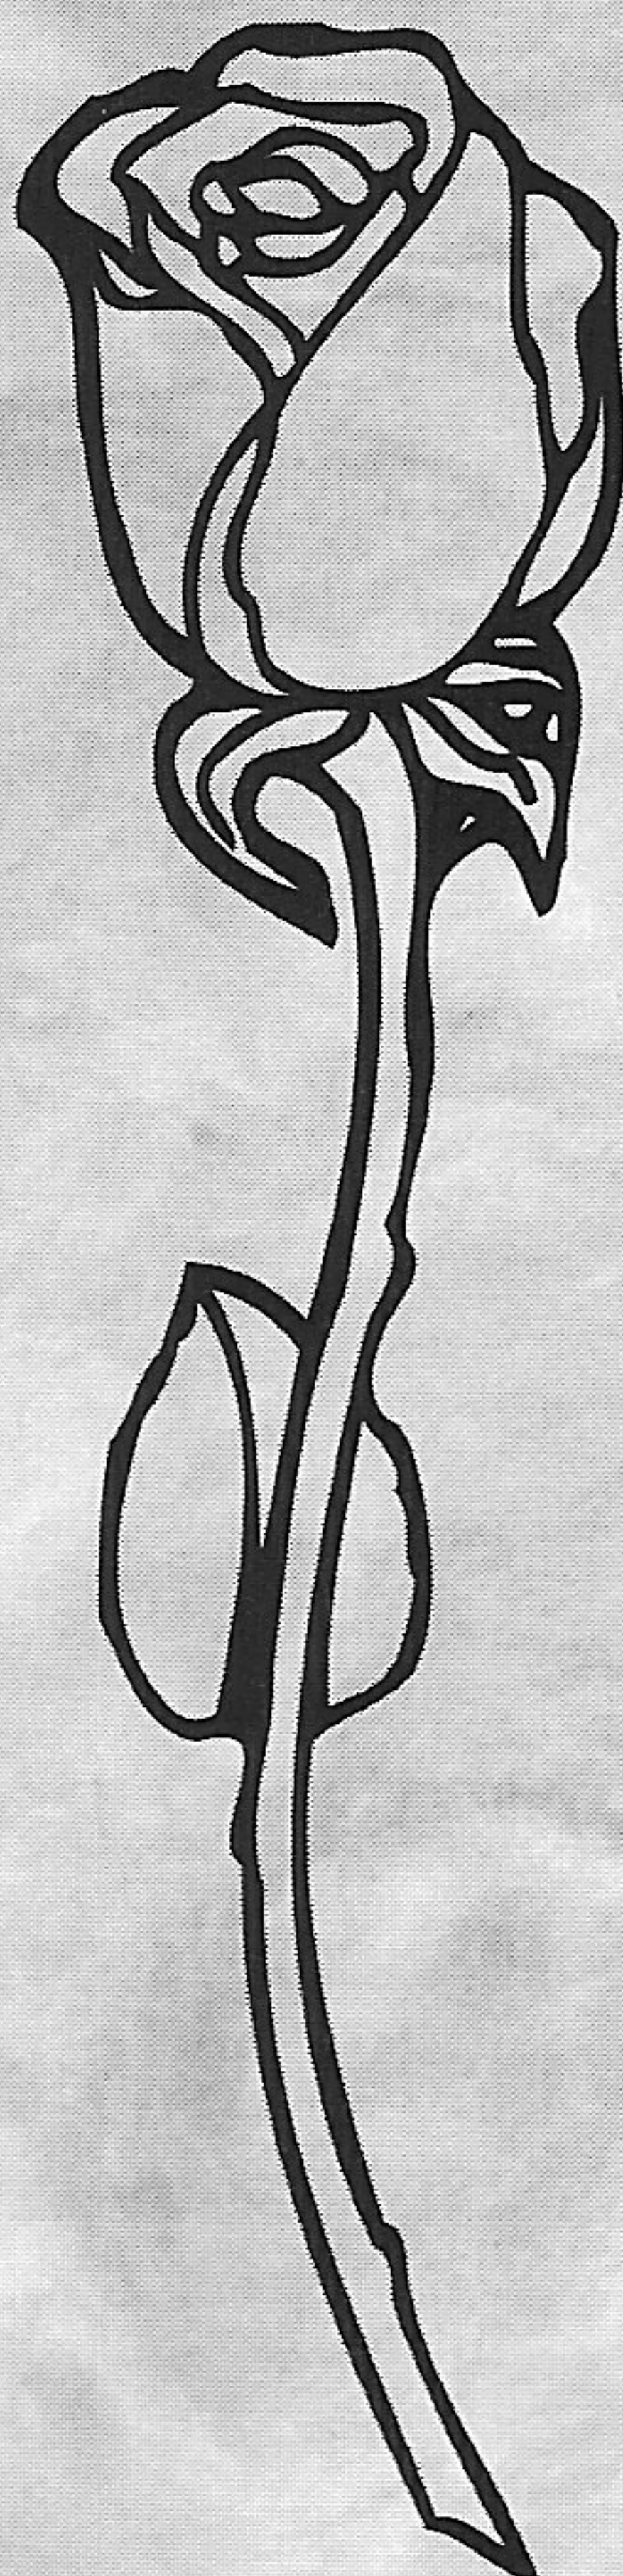

CHESS CLUB

The Chess Club at Westview is a small but growing group of students who drop in to play chess every Wednesday lunch hour. Open to all, it provides a non-threatening, relaxed environment where students get to meet each other and enter into a friendly but challenging game of chess. By learning through play, students develop logic, problem-solving skills, and advance thinking and planning.

SPORTS OVERVIEW

BY: LAKSH VIG

National Basketball Association (NBA)

Vince Traded to the Nets

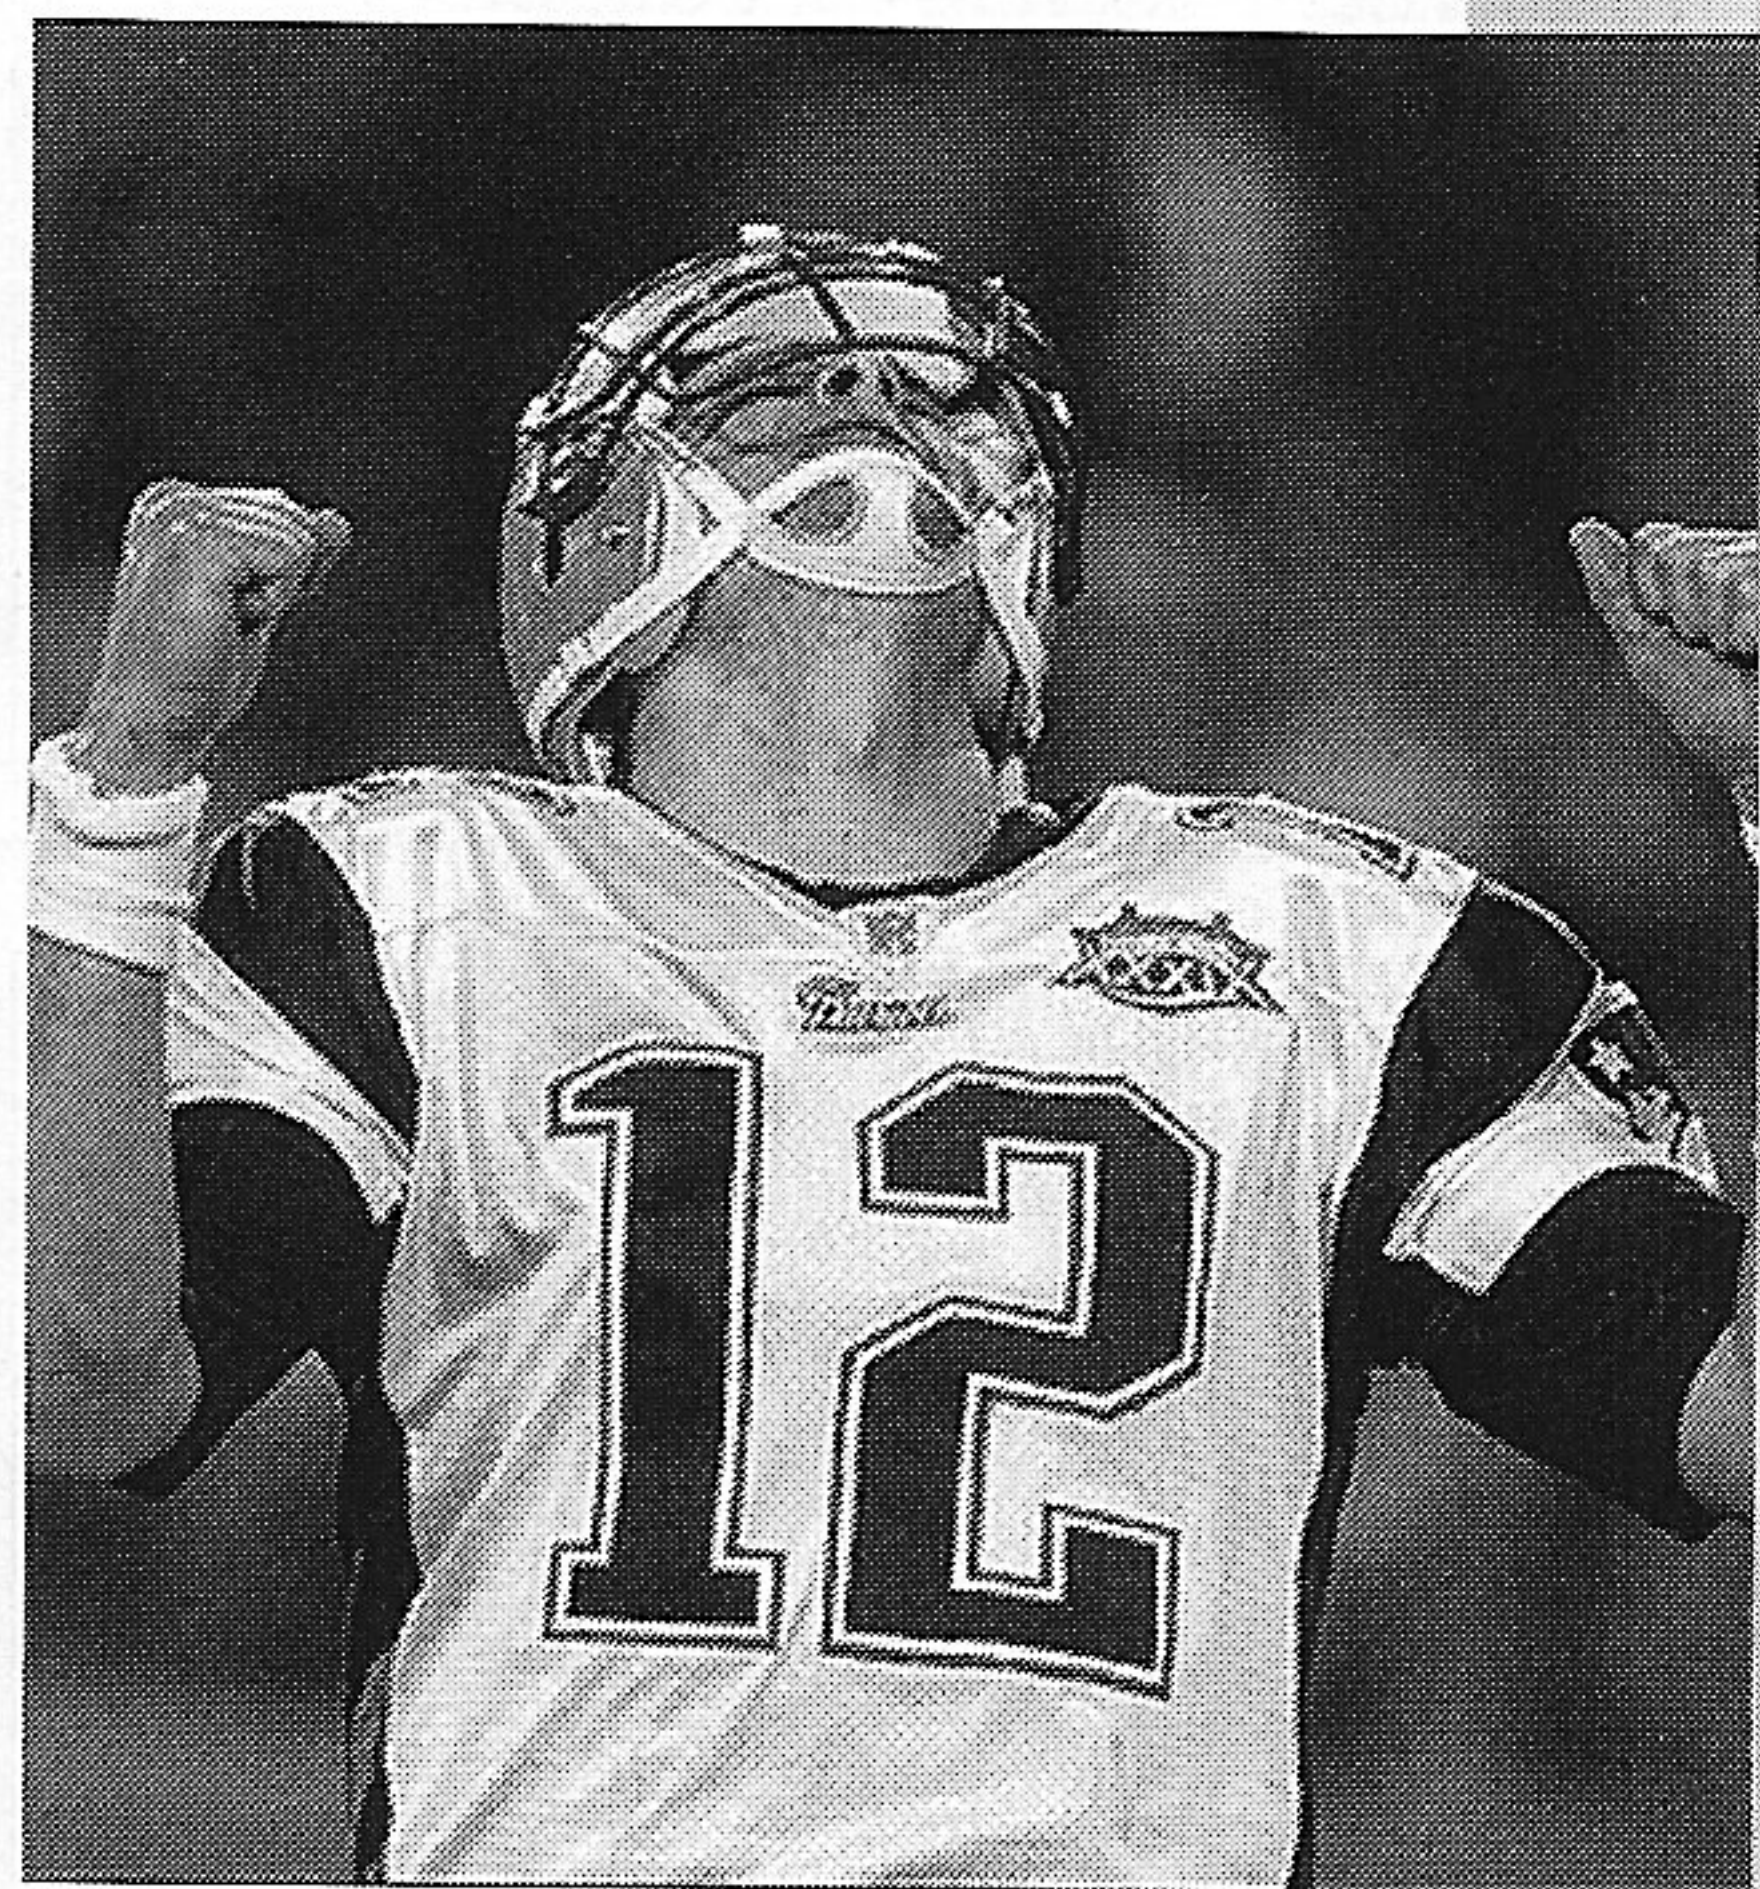

On December 17th, 2004, the Toronto Raptors made the biggest trade in franchise history, trading away their most popular player, Vince Carter to the New Jersey Nets for Alonzo Mourning, Erin Williams, Eric Williams, and 2 first-round draft picks. Although Vince left on a bad note with the fans, he will certainly be remembered for his electrifying dunks, for putting Toronto on the map in the NBA, and for taking the Toronto Raptors to within one basket of the Eastern Conference Finals in 2000-2001.

National Football League (NFL)

Back-to-Back Titles for Pats in Super Bowl XXXIX:

The New England Patriots won their second consecutive super bowl title and their third in four years in February 2005, defeating the Philadelphia Eagles 24-21, in the 34th annual Super Bowl. Deion Branch of the Patriots received the MVP. He tied Jerry Rice and Dan Ross for most receptions in a single super bowl with 11, going for 133 yards.

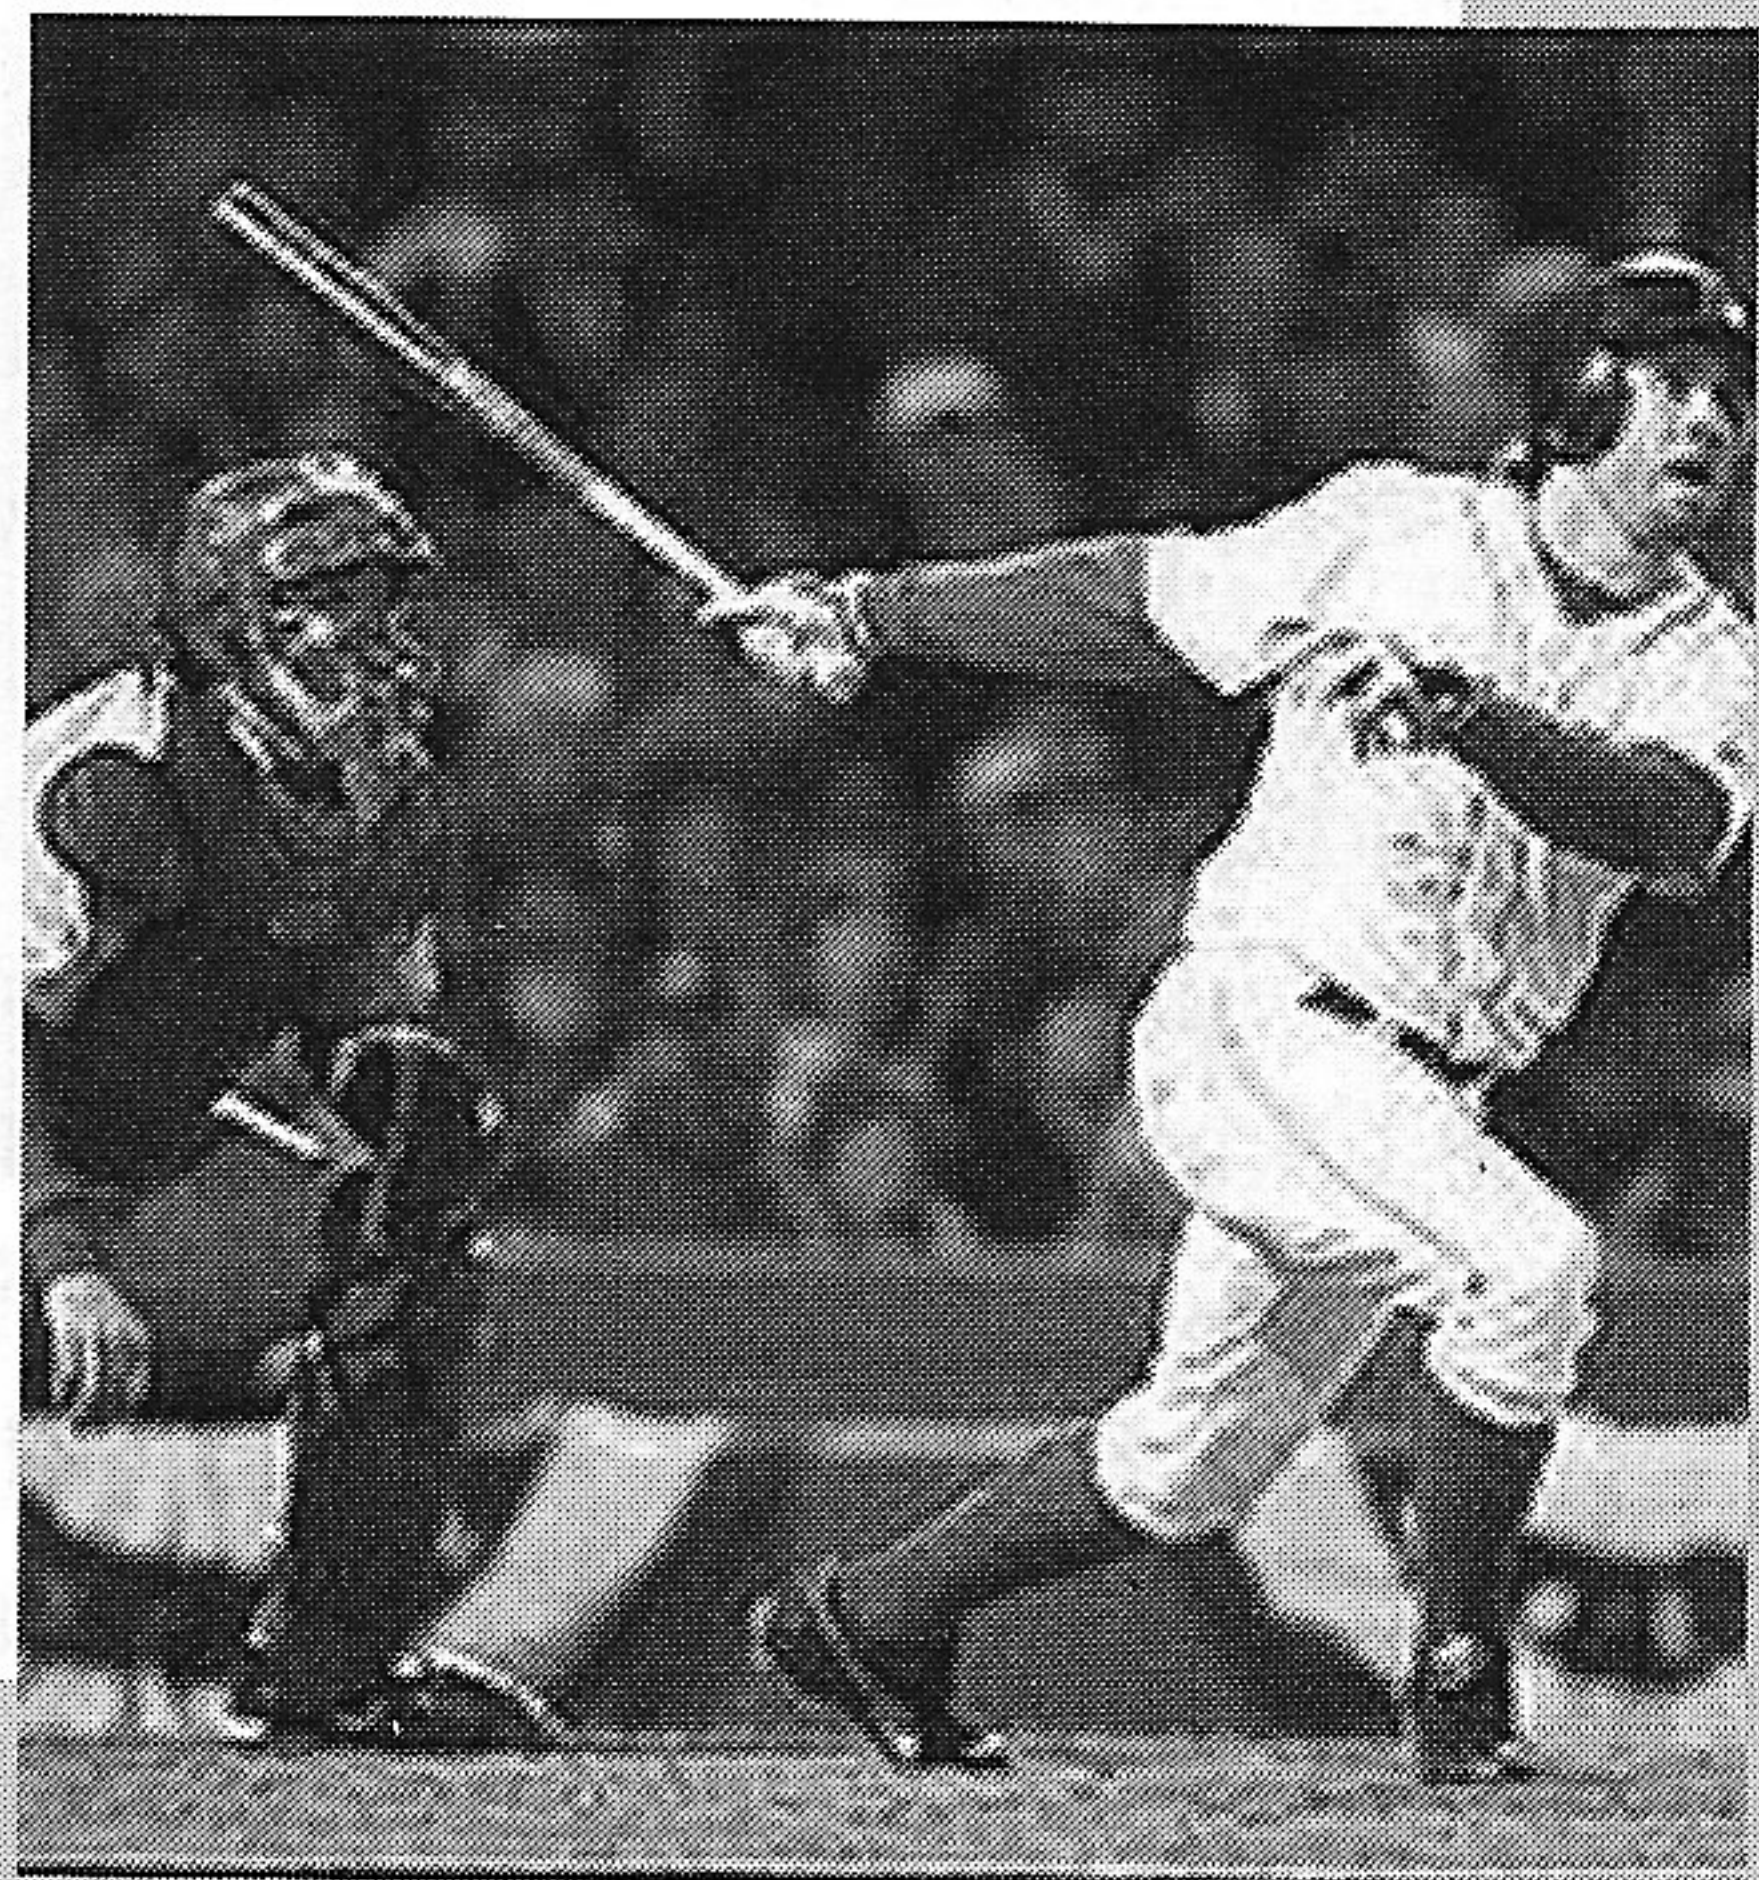

Oakland Gets Moss from Vikings

The Minnesota Vikings traded WR Randy Moss to the Oakland Raiders for Linebacker Napoleon Harris.

Major League Baseball (MLB)

Redsox Win World Series

The Boston Redsox won the World Series in October 2004. It was their first title in about 85 years. The "Bambino Curse" was lifted when they swept the St. Louis Cardinals 4-0 to win the World Series title. They got to the championship by storming back to beat the Yankees in 7 games after trailing the series 3-0. The MVP of the World Series was Manny Ramirez for the Boston Redsox.

SENIOR BOYS' SOCCER TEAM

- they made us proud, **AGAIN**

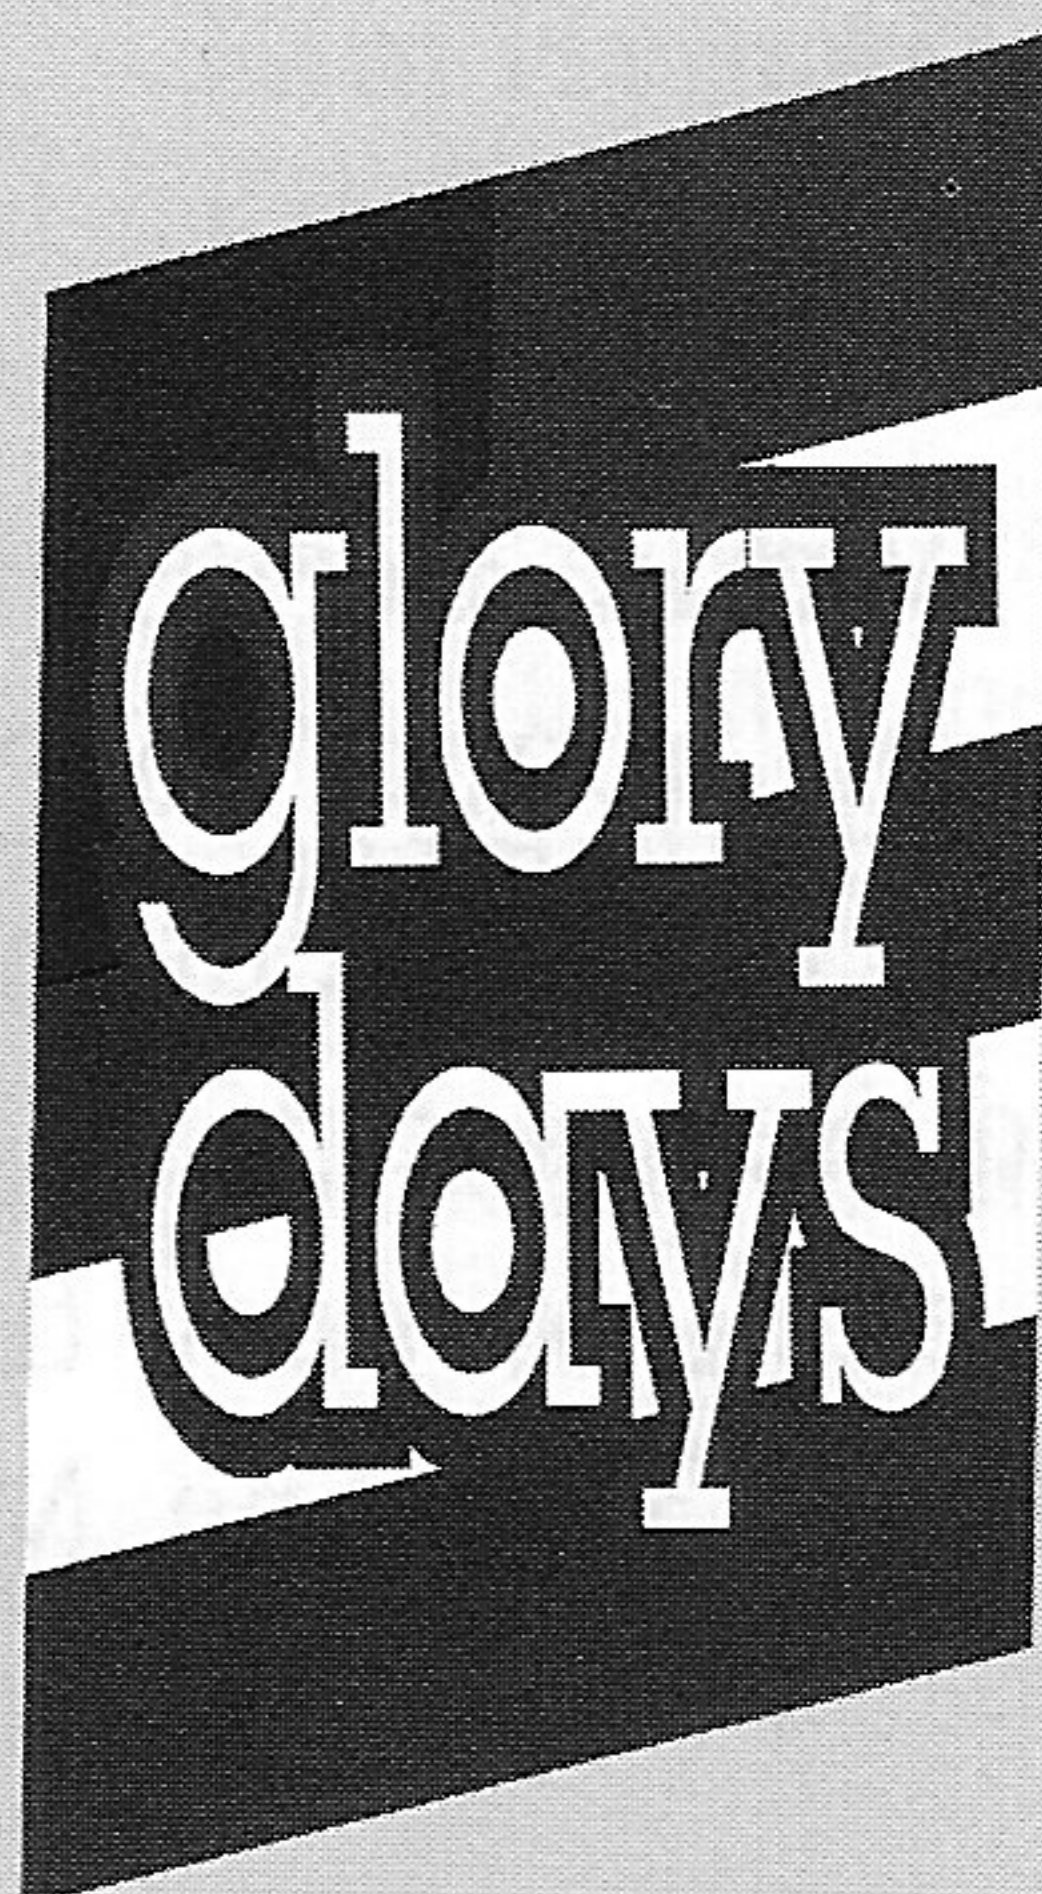

Losing only two starters (Eric Van- Ryerson University and Collins Yeboah- Woodbridge College) from last year's team, the Senior Boys' soccer team was determined to return to post-season play after a disappointing 2003 campaign. The seniors did more than that this year, by becoming North Region Champions. After ending the regular season with a spectacular 9-0-1 record, Westview played Newtonbrook in the finals and had shut them out 2-0. The wet, rainy weather played a major factor in this game.

Westview despite all the possession in Newtonbrook's half were unable to find the back of the net until the second half. **Kwame Yankey** opened the scoring in the second half with a well struck free-kick over the wall. **Hoang (Alex) Nguyen** put the game away late in the second half with a beautiful solo effort. In the end, Westview's talent and depth proved too much for Newtonbrook. Goalie **Evans Owusu** had an amazing 6 shutouts during the playoffs and regular season.

The wrestling team started practices since the end of November and trained three to four times a week until March. They participated in weekly meets and one tournament this season. Westview is proud of them and their individual achievements. We want to congratulate all of them and trust that their hard work and commitment will benefit them in their future endeavors.

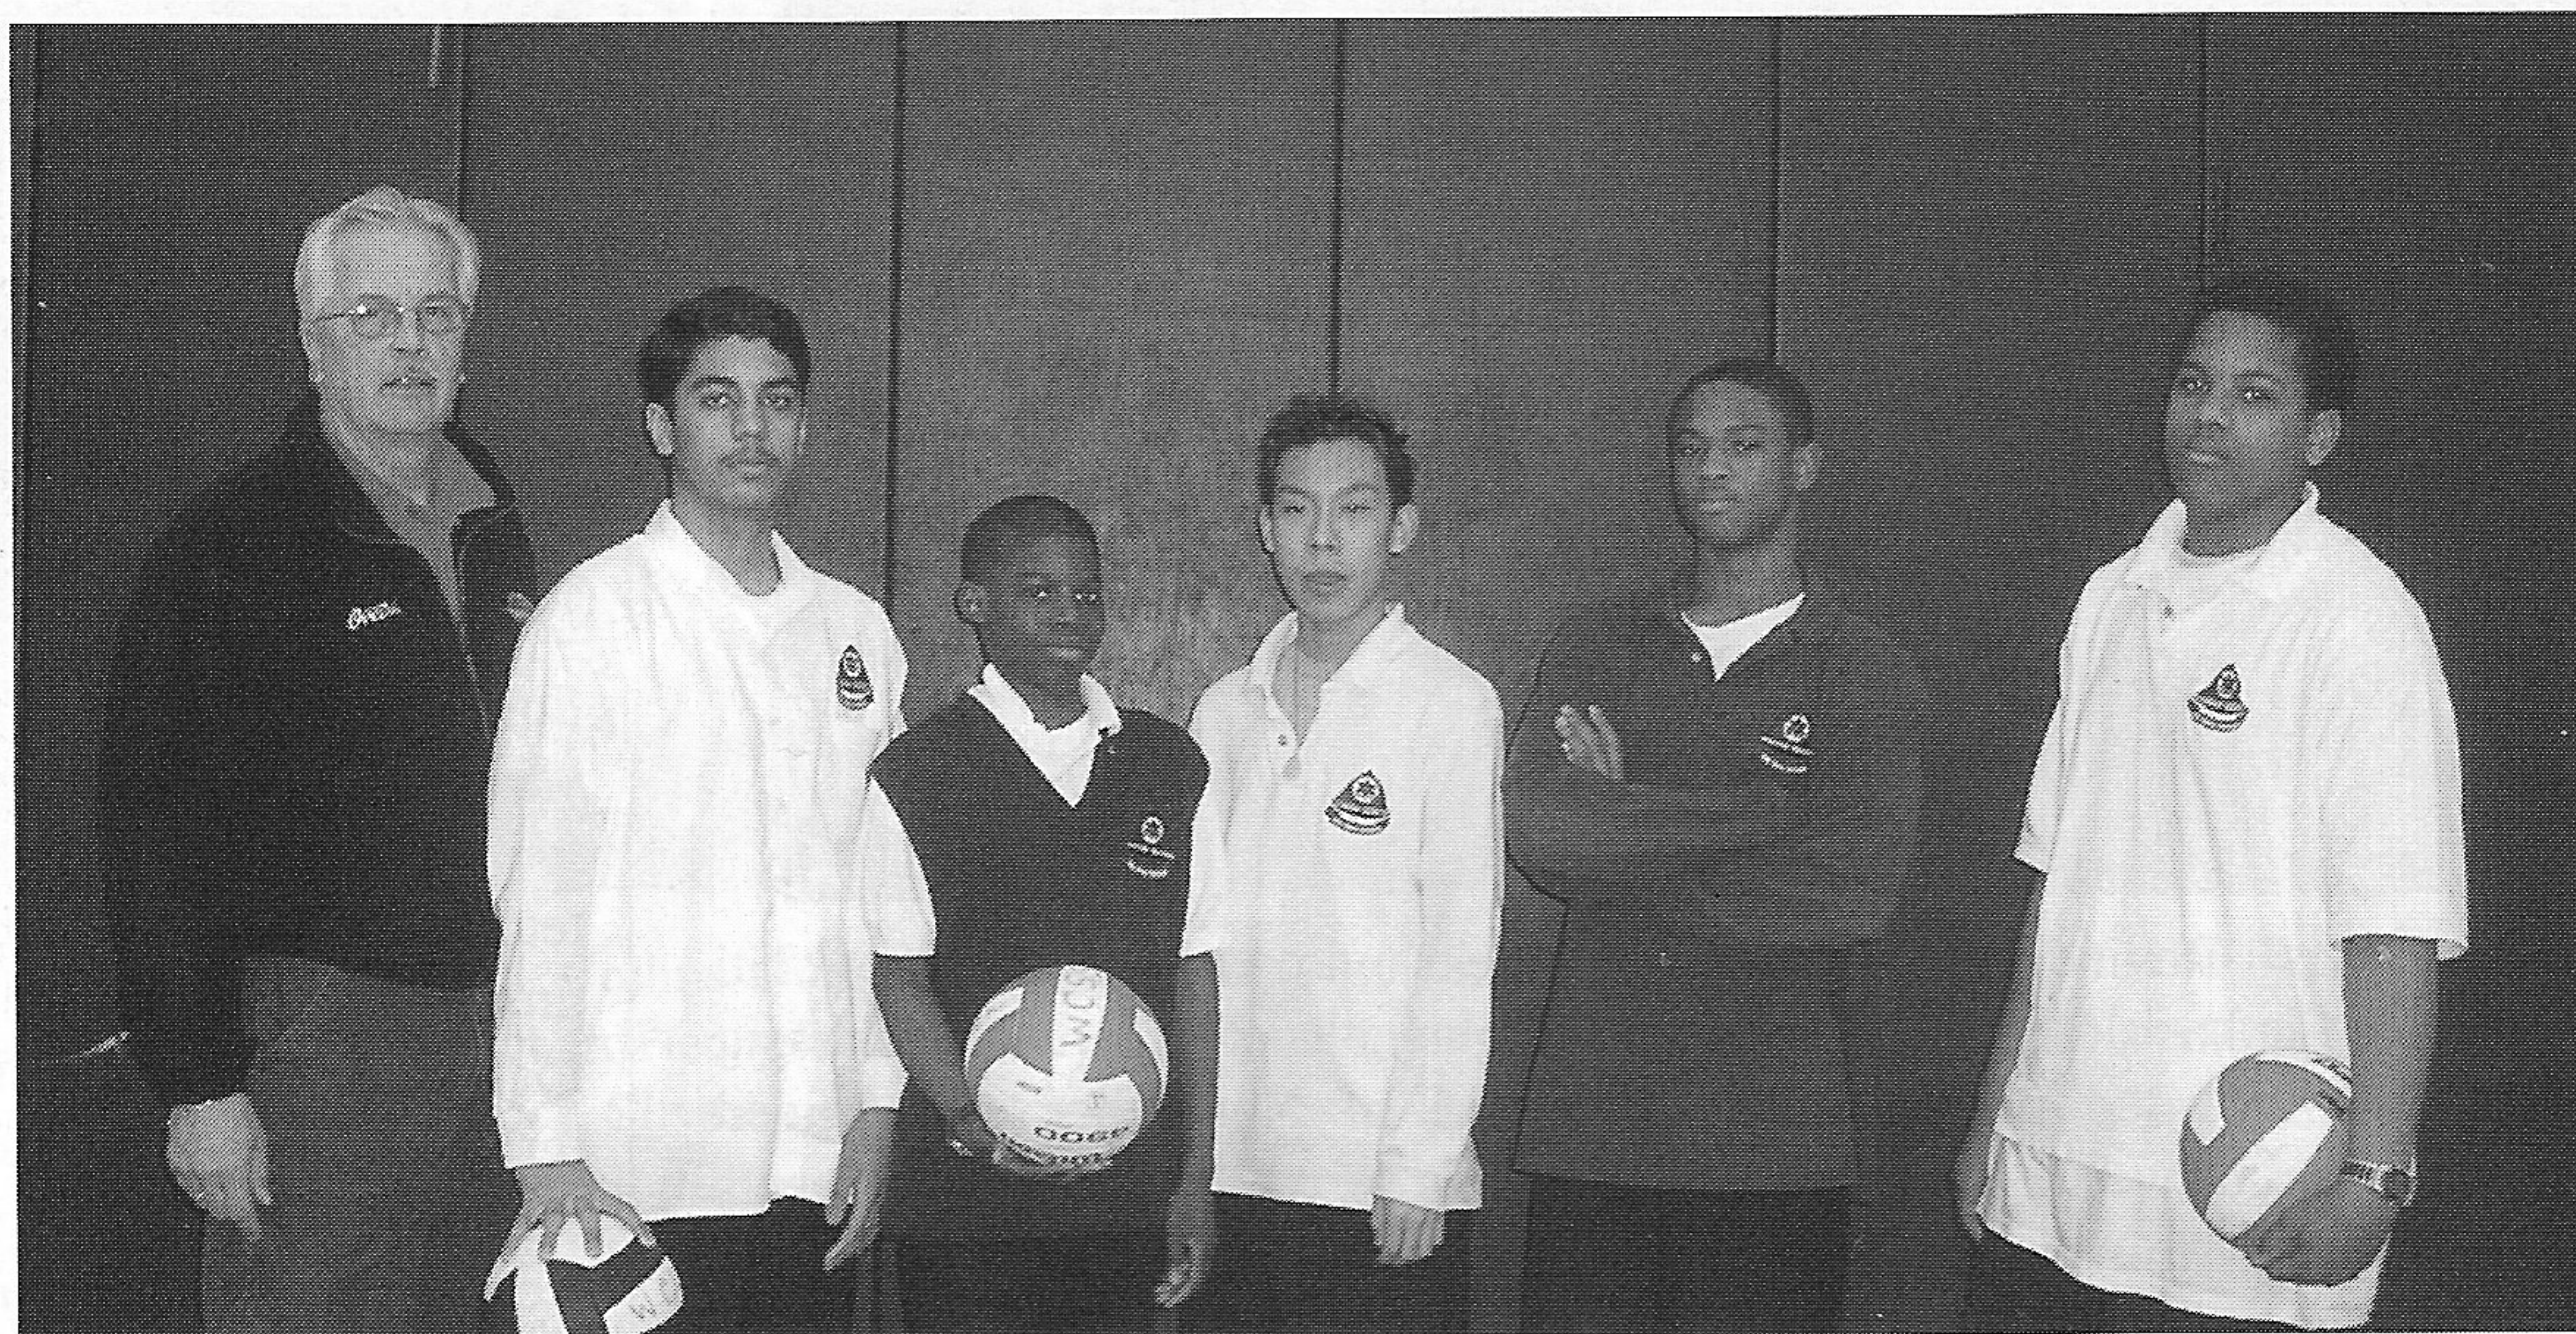

For the first time in three years, Westview had a female wrestler join the team. Titi Adeoba achieved great success by qualifying for OFSAA and winning three out of five matches. She placed eighth (in her weight category) in Ontario.

SENIOR BOY'S VOLLEYBALL TEAM

Left to Right: Ravuth Kim, Andrew Khov, Mateen Khalid, Jerry San, David Phandonouvong, Lineen Doung, Mr. Lorbergs followed by the two members who didn't bother showing up for the team pictures, Omar Mohammed and Mathan Ravi. With only a handful of returning players from the previous year's (2003) North Region finalist Team, to reach that level of success was not going to be easy. The team had a successful regular season, qualifying for the North Region Quarter Finals, where they were defeated by A.Y. Jackson 2:0 (25-22, 25-21). *Congratulations to team captain Andrew Khov who was voted tournament all-star at the Earl Haig invitational.*

JUNIOR BOY'S VOLLEYBALL TEAM

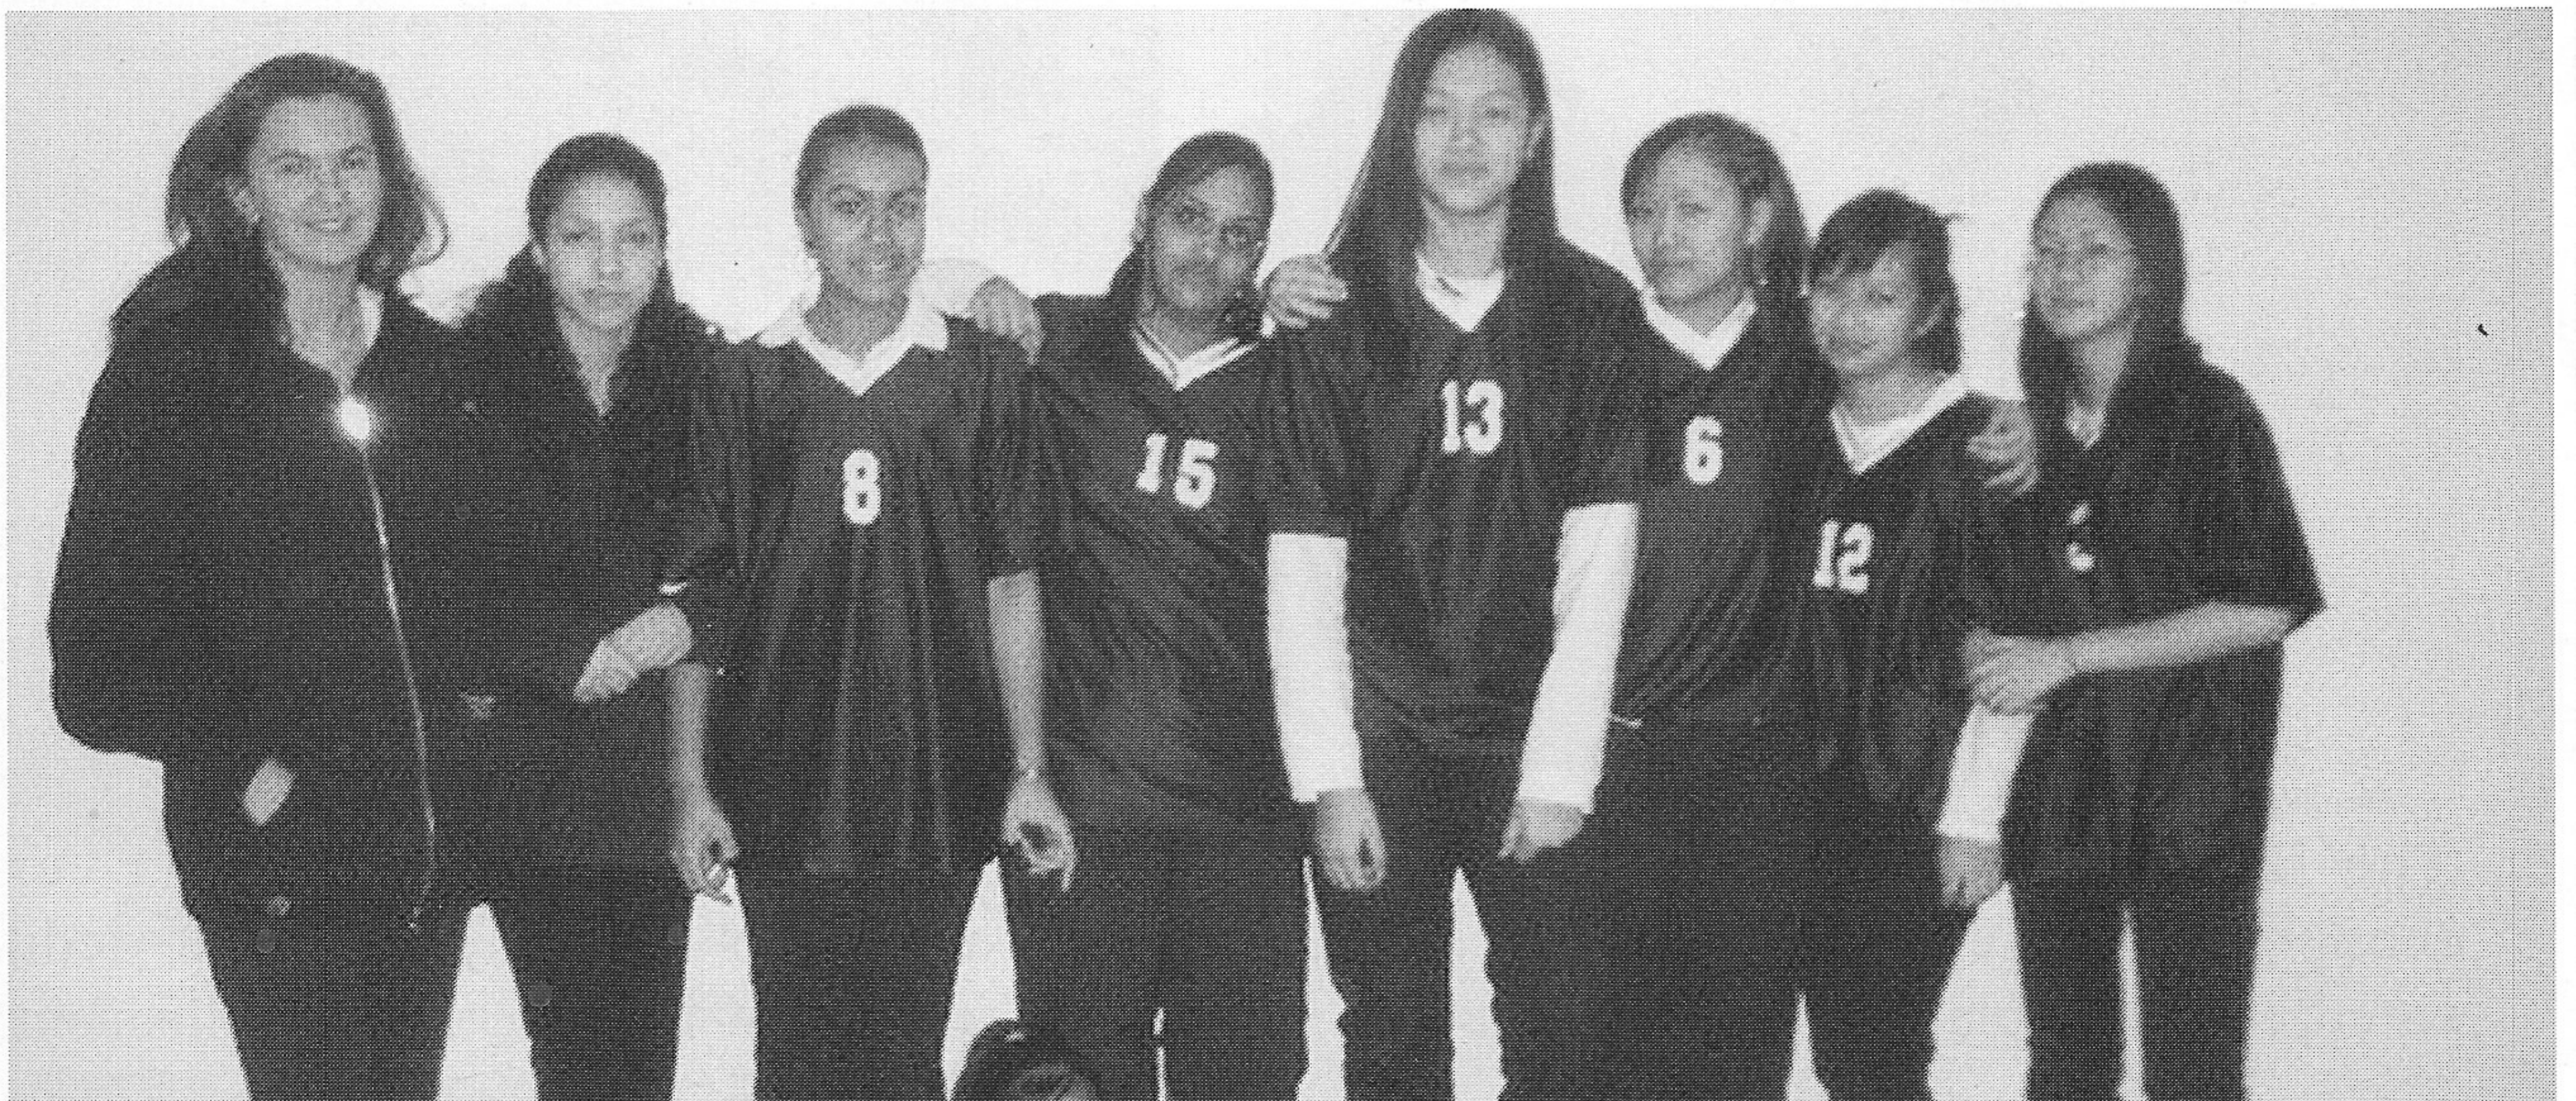

Left to Right: Mr. Lorbergs, Mubarak Cheema, Derrell Cain, Dennis Vong, Orlando Anderson, O'Niel Graham. From the first tryout to practice, this inexperienced group of young men knew that the season would be an uphill climb. They all willingly accepted the daily challenge of practices, and worked hard to improve their individual skills and to learn to play as a team. The season hi-light was defeating C.W. Jefferys 2:0 (25-14, 25-23) after a previous loss to them.

SENIOR GIRL'S VOLLEYBALL TEAM

Left to right: David Phandonouvong, Phoung Ngo, Laila Khalid, Venessa To, Sandy Do, Glendy Ramirez, Mateen Khalid
 Front Row: Melinda Phomassa, Annie Detchantala, Sadaf Iftikhar, Melissa Macdonald, Jennifer Kovce, Cynthia dodds
 The senior girls volleyball team can all agree on one thing for this season; that they had fun playing together. Even though the season didn't go so great, the girls worked hard and played the season right till the end. Mr. Lorbergs would like to congratulate all the team members for their persistence in making this season an exciting one to remember.

JUNIOR GIRL'S VOLLEYBALL TEAM

Lefttoright: Ms. Adam, Ruth Hernandez, Alexandra Alvarado, Thanuva Mohamathas, Tina Lao, Linda Do, Linda Pham, Thoa Pham
 The junior girls volleyball team this year worked hard but did not have the best season. Although the team did not win a whole lot, they were able to conduct themselves very well both on and off the court. All the hard work will hopefully pay off in an improved season next year.

JUNIOR BOYS' SOCCER TEAM

*Left to Right:(Front Row)*Jesse Dawson, Kofi Adom, Alpha Gasoama, Mario Mcgaulin, Savas Gebesci, Haris Mahmoud, Thang Vu, Cirtley Gittens*(Back Row)*Mr. Silverberg, Obed Okyere, Rayford Richards, Osman Mohamed, Alan Granados, Perry Akenten, Suleyman Bekik, Odane Smith, Berat, Mr. Quach, Kofi Boateg. This years junior boys' soccer team was hoping to repeat last year's accomplishment of being North Region Champions. Despite the results the drive and determination to win was there. The boys overcame many obstacles and challenges to have an exceptional season. Good luck next year guys!

2003-2004 BOYS' CRICKET TEAM

(Team List not available)

The boys' cricket team has been around for a long time now. Even though they haven't been as successful as they'd like to be, they sure are dedicated towards playing this fascinating sport with a postive attitude and enthusiasm.

2003-2004 GIRLS' CRICKET TEAM

(Team List not available)

The first ever girl's cricket team of Westview was initiated in year 2003-2004. The team members were all committed to making it the best season as well. However, due to some unfortunate reasons their season was cancelled. Even though the team and their coach Mr. Gopaul was disappointed, he and the remaining members are looking forward to making this year a successful year.
